10. An inspector on finding stock infected with disease may, as he shall think fit, declare such portions of the land on which such stock may be found at the time of the discovery of the disease a quarantine area, within the boundaries of which such stock shall be kept in quarantine, or, at the discretion of the inspector, be transferred to some proclaimed quarantine area until declared clean by an inspector.

HIS Excellency the Governor, by his Deputy, in Executive Council, on 23rd November, 1898, has been pleased to approve of the cancellation as from 30th November, 1898, of all Regulations appearing under the heading "Allowances," etc., on pages 6, 7, and 8 of the "General Instructions for Officers," Department of Public Works, which were approved of in Executive Council on 21st July, 1897; and has approved, in lieu thereof, of the following Regulations, to take effect on and after the 1st December, 1898.

G. G. BLACK,
Acting Under Secretary for Public Works.

SCALE OF ALLOWANCES TO PUBLIC OFFICERS TRAVELLING ON DUTY, &c.

DEPARTMENT OF PUBLIC WORKS.

Subject to the general Regulations for allowance and subsistence, published in the *Government Gazette* of 18th November, 1898, it is notified that so much of the Regulations and General Instructions to Officers of the Public Works Department as are contained on pages 6, 7, and 8 of the Book of "General Instructions," and referring to Allowances, etc., are hereby cancelled, and the following is substituted in lieu thereof:—

LOCOMOTION EXPENSES.

1. Locomotion expenses will be allowed to Public Officers travelling by order, to the extent of the actual and reasonable amount paid for transport by such mode of conveyance as is available either by land or water. When travelling by land, and no public conveyance is available, a Public Officer not in receipt of an allowance for forage, if using his own conveyance, may be paid a mileage rate not exceeding 6d. per mile both ways.
2. It must be distinctly understood that Public Officers are not empowered to engage vehicles where there are public conveyances plying and available.
3. Unless specially authorised, cab fares will not be allowed when the distance can be traversed by the ordinary modes of conveyance by rail, tram, or omnibus.
4. All railway fares are to be paid by ticket order, as no officer will be given a refund if he pays cash, except on special approval by the head of his division.

(A) SUBSISTENCE ALLOWANCE.

5. For all salaried officers continuously employed (excluding Supervisors and Inspectors, and other officers temporarily employed for special service, or when it is specifically agreed that the salary is to cover all allowances, etc.), the following scale is to be followed:—

	s.	d.	
6. Public Officers receiving salaries of £500 a year and over ...	15	0	} To cover following expenses:—One night's absence and three meals.
7. Receiving from £300 and under £500 a year ...	12	6	
8. Receiving from £200 and under £300 a year ...	10	0	
9. Receiving under £200 a year ...	7	6	

10. One-fourth deduction will be made from above allowances for each item of expense not necessarily incurred in any day by a Public Officer travelling on duty.
11. Vouchers must show each day's movements, and state the time of departure for and arrival at places.
12. Public Officers travelling on the Coolgardie, Yilgarn, Murchison, and Dundas Goldfields will be allowed 25 per cent. additional to the above-named subsistence rates.
13. No allowance, except railway train fare and a maximum charge of Two shillings and sixpence, will be allowed to Public Officers having to travel on duty by railway train or other conveyance, and able to return within nine hours to their head-quarters.
14. No allowance will be paid to Public Officers while travelling on duty on board vessels in cases where the passage money is paid by the Government.
15. In all cases where an Officer is detained more than ten days in one place 25 per cent. reduction will be made in the amount of daily allowance payable to him for time in excess of ten days.
16. No public officer will be allowed to charge a daily allowance who, in travelling, stays at a place where he has not to pay for his accommodation.
17. No allowance, except as above, to be drawn by any public officer in respect of travelling or personal expenses.

(B) CAMP ALLOWANCES.

18. In the field in Camp: Three shillings per day.

(C) BACK COUNTRY ALLOWANCES.

19. When stationed on works where the officers' head-quarters or camp for the time being is on the Coolgardie, Yilgarn, Dundas, or Murchison Goldfield, or in any portion of the Colony North of the 26th parallel of latitude, an allowance will be made as under:—

If in receipt of a salary under £150 per annum	£20 per annum
If in receipt of a salary over £150 and not exceeding £250	25	„	
If receiving over £250 per annum	50 „

20. Allowances under headings A and B must not be concurrent, but an allowance under headings A or B may be concurrent with an allowance under heading C.

21. Allowances under heading C may only be drawn when an officer is permanently stationed in the localities named, and will not be paid where an officer is on an official visit to such localities.

22. Where officers are temporarily employed for special services each case is to be specially considered and arranged on its merits, but in no case must allowances exceed those laid down in scale under heading A.

23. If moved direct from one work to another, while still continuously in the service of the Government, Supervisors and Inspectors will be paid actual reasonable expenses out of pocket incurred in travelling to the new work, on production of receipts of the payees.

24. The head-quarters of Supervisors and Inspectors shall be considered to be the work or works on which they are engaged, and while at such head-quarters they shall not ordinarily be entitled to any subsistence allowance.

25. When necessarily obliged to come to Head Office, however, or when called upon to move about a great deal between places at considerable distances from each other, and only stationed for a few days at one place, Supervisors and Inspectors shall receive actual reasonable out-of-pocket expenses for food and lodging, on production of receipts of payees, not exceeding 7s. 6d. per day.

26. Wages-men 4s. per night up to seven days; after that *nil*. If travelling by ship no allowance will be made.

27. Any officer using his own instruments in the course of his official duty will be granted the following allowance:—

For a theodolite, with chains and ranging rods, 10s. per month.

For a level, chain, and one or more levelling staves, 10s. per month.

28. Any officer residing permanently on a goldfield or other district where fresh water cannot be obtained free of charge shall be allowed a quantity not exceeding 200 gallons per month, the cost of which will be defrayed by the Department; provided a receipt for payment for the water is attached in the usual way to the voucher. Where, however, there is a Government well or condenser within easy access, the water shall be obtained there.

The foregoing Regulations are to take effect from the 1st December, 1898.

Director of Public Works.
