2. Any two members present may require the Council Chambers to be cleared of all persons other than members or officers of the Council, and the Chairman shall immediately give directions to have the order executed.
3. The Council shall commence business so soon after the time stated in the summons as there is sufficient number of members in attendance to form a quorum, which quorum shall consist of not less than three members, exclusive of the Chairman, but if at the expiry of 30 minutes of the specified time in the summons there is not a quorum present, the Council shall stand adjourned.
4. Should the Mayor not be present, the meeting shall elect a Chairman from the Councillors present, who shall preside during the absence of the Mayor.

5. 8. It shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to that question simply, and no debate shall ensue thereon at that time; provided always, that if a member requires an answer to his question on the night of the meeting, he shall have given at least three clear days' notice, in writing, to the Town Clerk.

16. If any notice of motion contains any unbecoming expressions the Council may order it to be expunged from the business sheet.

17. No order of the day shall be proceeded with when called on, unless the member who gave the notice, or some other member authorised by him to proceed thereon, be present, but it, as well as any notice of motion on the business sheet not moved when called on, shall lapse.

18. Any adjourned debate on a motion before the Council, or any motion of which the Council may postpone consideration, and direct to be considered at the next or any subsequent meeting of the Council, shall be set down on the business sheet before, and have precedence over any other notices of motion on the same.

BY-LAW No. 3.**ORDERS OF DEBATE.****Motions and Amendments—how proposed.**

1. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise in his place uncovered and address the Mayor or other presiding Chairman; and no member when speaking

shall be interrupted, unless called to order, in which case he shall sit down, and the member calling to order shall, in the first place, name the Standing Order on the strength of which he rises, and, if found to be correct by the Mayor or other presiding Chairman, shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

Motions or Amendments to be in writing.

2. Any member desirous of proposing a motion or amendment shall state the nature of such motion or amendment before addressing the Council thereon, and, for the purposes of record, shall put it in writing and sign and deliver to the Town Clerk, who shall add thereto the name of the seconder, and the Mayor or other presiding Chairman shall read the same to the Council before being discussed, and no motion or amendment shall be withdrawn without the leave of the Council.

Division of complicated questions.

3. The Council may order a complicated question to be divided.

Speaking twice.

4. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply, but not after, and after the reply the amendment or the original motion, as the case may be, shall immediately be put to the vote.

Amendments.

5. Whenever an amendment is moved on an original proposition, no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment is carried, it shall displace the original question and become itself the question, whereupon only one further amendment may be moved. If the first amendment be negatived, then a second amendment may be submitted to the Council for discussion at one time.

6. On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation or as the mover of the original question in reply) until the amendment has been put and has become the amended proposition before the Council.

7. Any member moving or seconding a motion or amendment in the terms "I move," etc., or "I second," etc., as the case may be, shall be held to have spoken on that question.

Committees' Reports.—Members signing reports of committees, as proposer or seconder, may address the Council on such reports.

8. Any member who may have signed the proposition paper, either as proposer or seconder, to enable the reports of the committees of Council to be put to the vote for adoption or otherwise by the Council, shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

Suspension of Standing Orders.

9. In cases of urgent necessity any Standing Orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of a majority of members present.

10. By special indulgence of the Council, a member unable conveniently to stand, by reason of sickness or infirmity, will be permitted to speak sitting and uncovered.

Enforcement of Standing Orders.

11. Any member may require the enforcement of any Standing Order of the Council by simply noticing that any order is disobeyed.

Members to be addressed by titles.

12. The members, in speaking, shall designate each other by their respective titles of Mayor, Chairman, or Councillor, as the case may be.

Pre-audience.

13. If two or more members rise to speak at the same time, the Mayor or other presiding Chairman shall decide which is entitled to pre-audience.

Mayor to call to order.

14. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

Digressions, imputations of motives, etc.

15. No member shall digress from the subject matter under discussion, or impute improper motives to any other member, and all personal reflections upon any member shall be considered highly disorderly. Any member may require the Town Clerk to take down any particular word or words used by a member immediately upon the same being used, provided that every such demand be made at the time when such word or words are used and not after any other member has spoken.

Offensive expressions—Members not explaining or retracting.

16. Any member who shall use any expression capable of being applied offensively to any other member shall, if required by the Council, withdraw such expression and make a satisfactory apology to the Council; and any member having used objectionable words and not retracting the same and offering suitable apologies for the use thereof to the satisfaction of the Council, shall be censured and fined not less than £1 nor more than £10, and any member called to order shall forthwith sit down, unless permitted to explain.

Member to withdraw when his conduct is under debate.

17. When, in consequence of disorderly conduct, the Mayor or other presiding Chairman shall call upon any member by name, such member shall withdraw as soon as he has been heard in explanation, and after such member's withdrawal the Council shall at once take the case into consideration.

Members disobeying or interrupting business guilty of disorderly conduct.

18. Any member who shall wilfully disobey any call to order, or who shall wilfully or vexatiously interrupt the orderly conduct of the business of the Council, shall be deemed to be guilty of disorderly conduct, and on the passing of a motion censuring such member, he shall be fined not less than £1 nor more than £10.

Member not paying fines ceases to act as Councillor.

19. Should any member, upon whom a fine has been inflicted, neglect or refuse to pay the fine so imposed before the rising of the Council or Committee then sitting, such member shall cease to have any status or position at any meeting of the Council or Committee table, or take any act or part in any of the proceedings of the Council or committees, unless and until the said fine, with all costs, charges, and expenses connected therewith, are fully paid and discharged.

Member obstructing business may be removed from Council.

20. Any member of the Council, who shall wilfully and without just cause obstruct or impede the transaction of business at any meeting of the said Council, shall, if it be resolved by three-fourths of the members at such meeting that such member has wilfully and without just cause obstructed or impeded the transaction of business thereat, be deemed to have failed duly and faithfully to fulfil the duties of his office according to the best of his judgment and ability; and thereupon it shall be lawful for the Mayor to summon a special meeting of the whole Council, and to give notice to the said member to show cause at such meeting why he should not be removed from his office, and unless cause sufficient be shown to such meeting, such member may be removed by a resolution of the members attending such meeting; and after such removal such member shall cease to be a member of the said Council, and his office shall be deemed to have become and shall be vacant.

To whom fines, charges, etc., are to be paid.

21. Any fine inflicted on any member of the Council for any breach of this By-law, together with all other costs, charges, and expenses incidental thereto, shall forthwith be paid to the Treasurer in aid of the funds of the municipality.

Decision on points of order.

22. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

Objection to the ruling of the Mayor.

23. If any objection be taken to the ruling of the Mayor, such objection must be taken at once.

Motion as to the Mayor's ruling to be seconded.

24. Objection having been taken to the Mayor's ruling, the Councillors so objecting may forthwith move that the ruling on the point then raised is not in accordance with the Standing Orders, specifying the number or numbers of such Standing Order or Orders. Should the motion not be seconded then the business shall be proceeded with at the

point where it was interrupted; but if the motion be seconded, it shall be put to the vote, and the result of the vote, whether in support of the ruling or otherwise, shall guide the Council.

Councillors not to converse aloud.

25. No member shall converse aloud, except to call to order, or make any noise or disturbance whilst any member is speaking or any matter is being considered; and in case of such noise or disturbance being persisted in after the Mayor has called to order, the Mayor shall call upon the member making such disturbance by name, and every such member will incur the displeasure and censure of the Council.

Interruptions not allowed.

26. When a question is being put to the vote, or when the Mayor is speaking or any member is addressing the chair, no member shall walk out of or across the chamber so as to interrupt him, nor shall any member interrupt whilst speaking, except—

1. To request that his words be taken down;
2. To call attention to a point of order; or
3. To call attention to the want of a quorum.

Speaking "to Order."

27. Any member may rise to speak "to order" upon a matter suddenly arising.

28. All questions of order at any time arising shall, until decided, suspend the consideration and decision of every other question.

Production of documents.

29. Any member may require the production of any of the documents of the Municipality relating to the question or matter under discussion, and the Town Clerk shall produce the same on being given 24 hours' notice.

Vote—how taken.

30. The Council shall vote by a show of hands, and the Mayor or other presiding Chairman shall, in taking the vote on any motion or amendment, put the question first in the affirmative and then in the negative; and he may do so as often as is necessary to enable him to form and declare his opinion, from the show of hands, as to which party has the majority; and every member present shall be required to vote thereon.

Member not in his seat.

31. No member when absent from his seat shall be permitted to vote on any question when being put to the vote by the Mayor or other presiding Chairman.

Members may "pair off."

32. Two members who intend to vote on opposite sides on any matter before the Council may "pair off," provided that a note signed by such members having so "paired off" shall be lodged with the Town Clerk and recorded by him.

Voting on division.

33. No member shall speak upon any question after the same has been put by the Mayor, except to call for a division upon the question, in which case the members voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats.

Motion for division shall have precedence.

34. A motion "That the Council do now divide," moved and seconded, shall take precedence of all other business, and shall be put by the Mayor without any discussion taking place; provided that no such motion shall be made so as to interrupt a member while speaking.

Motion for division; if lost, debate to be resumed.

35. If the motion to divide be lost the discussion on the original question shall be resumed where it was interrupted, and no motion to divide on the same subject shall be again entertained until one or more members at least have addressed the Chair upon the question.

Division bell to be rung.

36. So soon as a division shall have been demanded the Town Clerk shall cause the division bell to be rung, and after the lapse of two minutes the doors shall be closed, and no Councillor shall enter or leave the Council Chamber until after the division has been recorded.

37. A member calling for a division shall not leave the Council Chamber until the division has taken place, and he shall vote with those who, in the opinion of the Mayor, were in a minority.

Reflecting upon vote of Council.

38. No member shall reflect upon any vote of the Council except for purpose of moving that such votes be rescinded.

Adjournment.

39. No discussion shall be allowed on any motion for adjournment of the Council, which shall be put immediately after it has been moved and seconded; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the business sheet, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

Withdrawal of motion, etc., no discussion.

40. No discussion shall be allowed on a motion for leave to be given to withdraw a motion or amendment then before the Council.

Restrictions on further motions of adjournment.

41. Should a motion for adjournment of the Council be negatived, no motion for such adjournment shall be again entertained until one or more members at least have addressed the Chair.

Resolutions—how rescinded.

42. No motion the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year, unless a call of the whole Council has been duly made expressly to consider such motion.

Five members required to rescind.

43. No motion to rescind shall be deemed to be carried unless upon a division; at least five members of the Council shall record their votes in the affirmative.

45. The member upon whose motion any debate shall be adjourned by the Council shall be entitled to pre-audience on the resumption of the debate.

46. If any debate on any motion, moved and seconded, be interrupted by the Council being counted out, such debate may be resumed at the point where it was so interrupted, on motion with notice.

Usage of Houses of Parliament to be observed, unless other provisions be made.

47. In all cases not herein provided for, resort shall be had to the rules, forms, and practice of the West Australian Houses of Parliament, which shall be followed as far as they can be applied to the proceedings of the Council.

Record of attendance.

48. The Town Clerk shall keep a record of the attendance of the members of the Council, and at each committee and sub-committee; and such record shall be presented to the Council at the first Council meeting held in the months of May and November of each year.

1. The land offered for sale is particularised in the notice headed "Land Sales," published in the *Government Gazette* of the day of 1899 , and in the Schedule hereto, and will be sold subject to the terms and conditions of "The Land Act, 1898," and the Regulations thereunder.

2. The lots will be offered separately, and in such order as the auctioneer shall at the time determine.

3. The highest bidder shall be the purchaser, and if any dispute arise the lot in dispute shall be put up again and resold.

4. Each lot shall be offered at the upset price, and, if no advance be made, the applicant for the same shall be declared the purchaser at that price; but if any advance be made, the highest bidder shall be the purchaser as aforesaid. Biddings shall advance at the rate of not less than Ten shillings when the upset price of the lot is £10 or under, or £1 if the upset price exceeds £10. Should the applicant not be the purchaser, his deposit will be refunded in due course.

5. The purchaser shall, immediately after the sale, pay to the Minister for Lands or his agent a deposit in cash at the rate of 10 per cent. upon the total amount of the purchase money, unless he has already paid a sufficient deposit on application; and any such deposit shall be considered as payment of the purchase money so far as the same will extend.

6. The balance of purchase money shall be paid to the Minister for Lands or his agent within five years from the date of sale, by equal half-yearly instalments on the first day of March and the first day of September in each year, the Crown Grant fees being payable with the last instalment of purchase money: Provided that nothing shall prevent the balance of the purchase money being paid at an earlier date should the purchaser so desire, but no Crown Grant shall issue until the Minister for Lands is satisfied that the prescribed conditions have been fulfilled.

7. In any case where the value of improvements on a lot is added to the upset price, and the lot is knocked down to any other person than the owner of such improvements, the value of the same shall be paid to the Minister for Lands or his agent immediately after the sale.

8. The purchaser shall, within two years from the date of sale, substantially fence in the whole of his land with a fence of the description prescribed by the said Act, and within three years shall plant at least one-tenth of the area with vines or fruit trees, or cultivate it *bona fide* as a vegetable garden, or otherwise clear and cultivate one-quarter of the said area: Provided that the Minister for Lands may, if he think fit, dispense with the division fences between two or more adjoining lots purchased by one person, or may, if he think fit, accept other substantial improvements in lieu of fencing.

9. In default of payment of any one of the several instalments of purchase money within 30 days after the dates mentioned, or if the conditions as to fencing and cultivation have not been complied with within the times prescribed, the land shall be absolutely forfeited, together with all purchase money and fees that may have been paid.

10. Immediately after the sale the purchaser shall declare the full name, address, and calling of the person in whose name he requires the Crown Grant to issue, and the same shall be inserted in the form of application to purchase.
