G. F. ELIOT,
Acting Under Secretary.

By-Laws of the Gullewa Local Board of Health.

MADE in pursuance of the powers and authorities contained in "The Health Act, 1898."

1. In the construction and for the purposes of these By-laws words having the meaning assigned to them by "The Health Act, 1898," shall have the like meaning, with the following additions:—

"Board" shall mean the Gullewa Local Board of Health, and the persons hereafter from time to time elected as Chairman and Committee.

"Rubbish" shall mean and include dust, ashes, rags, straw, tins, boxes, broken glass, house and trade refuse, waste paper, and all refuse of whatsoever kind.

2. The Board shall meet for the transaction of general business on every alternate Monday, at 8 p.m. Special meetings may be called at any time deemed necessary by the Chairman or any two members of the Board.

3. All moneys belonging to the Board shall be placed in a bank to the credit of the Board, and none shall be drawn therefrom except by cheque signed by the Chairman or any member of the Board and countersigned by the Treasurer and Secretary.

4. The duties of the Secretary shall be to attend and take minutes of all meetings of the Board, keep accounts, and perform all other clerical work that may be necessary.

4A. Every adult male resident, who is the occupier or living in any house or place within the jurisdiction of the Gullewa Local Board of Health, shall pay the said Board One shilling (1s.) per week towards the proper maintenance of the sanitary condition of the district.

5. The duties of the Health Inspector shall be to make himself thoroughly acquainted with the Health Act at present in force, and to carry out its provisions under instructions from the Board; to visit occasionally—not less than once a month—the various portions of the Board's district, and, if necessary, give his advice or instructions to occupiers of premises as to the abatement or prevention of nuisances or removal of offensive matter; to keep a record of all such instructions given to abate nuisances, etc.; and to furnish the Board at each (fortnightly?) meeting with a written report of all such nuisances abated and the general sanitary state of the district.

He shall immediately communicate to the Medical Health Officer whenever it appears to him that the intervention of that officer is necessary in consequence of the existence of any nuisance injurious to health; and he shall attend to the instructions of the Medical Health Officer with respect to any measures which can be lawfully taken by him for preventing the spread of any infectious or contagious disease.

6. It is the duty of the Medical Health Officer to superintend the application of all sanitary measures, especially those ordered by the Board, and to advise the Board generally on all such matters.

The Medical Health Officer shall make frequent examinations of the district, and see that the duties of the Inspector are efficiently performed, and report any neglect of this officer.

He is to inspect premises that may be reported to him, or that he may have reason to believe are in a filthy or unwholesome condition; to examine premises where any process or manufacture causing effluvia is carried on, and, if necessary, report the same to the Board. He is also to assist the Board with his presence and advice, if necessary, in the carrying out of the Act referring to the sale of unwholesome food; and on all occasions to give the Board the benefit of his experience and skill.

He is to report to the Board with the least possible delay the appearance in the district of any epidemic, endemic or contagious disease, or any indications thereof, or any occurrence or circumstances affecting or likely to affect the public health; and he is to assist in carrying out and enforcing the necessary measures for mitigating, as far as possible, and preventing and checking the spread of epidemic and other diseases.

He is to furnish the Board during the months of January and July in each year with a report on the health, cleanliness, and general sanitary state of the district for the preceding six months, and at such other times as may be considered necessary by the Board.

7. All dwellings, shops, stores, tenements, hotels, offices, hospitals, or other premises shall be kept and maintained in such sanitary condition as shall satisfy the Inspector, and all orders given by the Inspector for the removal or abatement of any nuisance shall be complied with by the owner, occupier, or agent of the premises on which the nuisance is located.

8. All dwellings, shops, stores, tenements, hotels, offices, hospitals, or other premises shall be provided by the owner, occupier, or agent thereof, with a sufficient number of substantially constructed closets, each closet to be fitted with a pan, bucket, or other receptacle, as may be ordered by the Board; and all such pans, buckets, or as the case may be, shall be emptied at least once a week, or oftener if required by the Inspector; and any person refusing or neglecting to do so shall be guilty of an offence against these By-laws.

9. Every pan, bucket, or other receptacle for night-soil shall be free from leakage, and must be to the approval of the Inspector.

10. Any person who shall deposit broken glass, empty bottles, or tins, or other rubbish in any street or other place within the Board's district other than those places set apart for that purpose shall, on conviction thereof, in addition to the expense of removing the same, be subject also to a penalty not exceeding Ten pounds nor less than Five shillings.

11. No person shall burn or destroy any rubbish, offal, manure, or other offensive substance within the limits of the district or closely adjacent thereto, if such burning or destruction creates or is likely to create a nuisance, except in such cases as, in the opinion of the Inspector or any member of the Board, any rubbish may, under certain conditions, be burnt, when such Inspector or member of the Board may give permission, verbally or otherwise, for such rubbish, offal, manure, etc., to be burnt.

12. In the event of any death or accident necessitating the slaughter of any horses, cattle, sheep, or other animals within the limits of the Board's district, the carcass of such animal shall be removed to a safe distance beyond the limits of the district, and thoroughly burned and destroyed, to the satisfaction of the Inspector or any member of the Board, by the owner or person in charge of such horses, cattle, sheep, or as the case may be.

13. This Board may from time to time appoint any place or places within its district for the reception of nightsoil, manure, offal, or any rubbish or offensive matter, or may at any time cancel or vary such appointment; and the Inspector shall at all times have free access and admission to such places.

14. Whenever in these By-laws any act, deed, or thing is directed to be done, or any act, deed, or thing is prohibited from being done, any person who shall not comply with, do, or cause to be done or performed, or refrain from doing, or prevent being done any act, deed, or thing, shall be guilty of an offence against these By-laws, and in determining the responsibility of the person or persons against whom any action may be taken under these By-laws, it shall be necessary alone to prove that such person or persons is the occupier, or are the occupiers of the premises whereon the offence is committed.

3. The highest bidder shall be the purchaser, and if any dispute arise the lot in dispute shall be put up again and resold.

4. Each lot shall be offered at the upset price, and, if no advance be made, the applicant for the same shall be declared the purchaser at that price; but if any advance be made, the highest bidder shall be the purchaser as aforesaid. Bidding shall advance at the rate of not less than—

6. The balance of purchase money shall be paid to the Minister for Lands or his agent within twelve months from the day of sale, by four equal quarterly instalments, on the first days of January, April, July, and October, the first instalment being payable on the first day of the quarter next following the date of sale; the Crown Grant fees being payable with the last instalment of purchase money; provided that nothing shall prevent the balance of the purchase money and fees being paid at an earlier date should the purchaser so desire, but no Crown Grant of any suburban lot shall issue until the Minister is satisfied that the prescribed fencing and improvements have been effected.

8. Each Suburban Lot shall be fenced on the surveyed boundaries, within two years from the date of sale, with a fence of the description prescribed by the said Act; provided that the Minister for Lands may, if he think fit, dispense with the division fences between two or more adjoining lots purchased by one person, or may, if he think fit, accept other substantial improvements in lieu of fencing.

This time last year we were enjoying fine, bright weather, but this year the winter has set in much earlier. The first winter rains fell on the 12th in Perth, and between the 16th and 22nd over 2½ inches were recorded. In coastal districts, between Geraldton and Esperance, the rainfall for the month is considerably above the average.

In the district of Geraldton 136 points fell. Average, 104 points.

Katanning	153	"	"	97	"
Albany	406	"	"	220	"

No rain has fallen within the tropics, and very little to the North of Geraldton or over the Goldfields.

The mean barometer at Perth was one of the lowest on record, and throughout the Colony South of the latitude of Geraldton the mean readings of the barometers were lower than for previous years. At the Perth Gardens the mean maximum day temperature was 2°5 below the average, and the mean minimum night temperature 1°4 above. The rainfall, 332 points, is also considerably in excess of the average, 179 points, and on only three occasions has this been exceeded, viz.—in 1882, 497 points; 1889, 399 points; and in 1893, 363 points. The nights inland between Karridale and the Coolgardie Goldfields have been quite cold, as a glance at the following table will show:—
