8. It shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to that question simply, and no debate shall ensue thereon at that time; provided always, that if a member requires an answer to his question on the night of the meeting, he shall have given at least three clear days' notice, in writing, to the Town Clerk.

BY-LAW No. 3.

ORDERS OF DEBATE.

Motions and amendments—how proposed.

1. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise in his place uncovered and address the Mayor or other presiding Chairman; and no member when speaking shall be interrupted, unless called to order, in which case he shall sit down, and the member calling to order shall, in the first place, name the Standing Order on the strength of which he rises, and, if found to be correct by the Mayor or other presiding Chairman, shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

Motions or amendments to be in writing.

2. Any member desirous of proposing a motion or amendment shall state the nature of such motion or amendment before addressing the Council thereon, and, for the purposes of record, shall put it in writing and sign and deliver to the Town Clerk, who shall add thereto the name of the seconder, and the Mayor or other presiding Chairman shall read the same to the Council before being discussed, and no motion or amendment shall be withdrawn without the leave of the Council.

Division of complicated questions.

3. The Council may order a complicated question to be divided.

Speaking twice.

4. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply, but not after, and after the reply the amendment of the original motion, as the case may be, shall immediately be put to the vote.

Amendments.

5. Whenever an amendment is moved on an original proposition, no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment is carried, it shall displace the original question and become itself the question, whereupon only one further amendment may be moved. If the first amendment be negatived, then a second amendment may be submitted to the Council for discussion at one time.

6. On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation or as the mover of the original question in reply) until the amendment has been put and has become the amended proposition before the Council.

7. Any member moving or seconding a motion or amendment in the terms "I move," etc., or "I second," etc., as the case may be, shall be held to have spoken on that question.

Committees' Reports.—Members signing reports of committees, as proposer or seconder, may address the Council on such reports.

8. Any member who may have signed the proposition paper, either as proposer or seconder, to enable the reports of the committees of Council to be put to the vote for adoption or otherwise by the Council, shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

Suspension of standing orders.

9. In cases of urgent necessity, any Standing Orders of the Council may be suspended on motion duly made and seconded without notice; provided that such motion has the concurrence of a majority of members present.

10. By special indulgence of the Council, a member unable conveniently to stand, by reason of sickness or infirmity, will be permitted to speak sitting and uncovered.

Enforcement of Standing Orders.

11. Any member may require the enforcement of any Standing Order of the Council by simply noticing that any order is disobeyed.

Members to be addressed by titles.

12. The members, in speaking, shall designate each other by their respective titles of Mayor, Chairman, or Councillor, as the case may be.

14. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

Digressions, imputations of motives, etc.

15. No member shall digress from the subject-matter under discussion, or impute improper motives to any other member, and all personal reflections upon any member shall be considered highly disorderly. Any member may require the Town Clerk to take down any particular word or words used by a member immediately upon the same being used; provided that every such demand be made at the time when such word or words are used, and not after any other member has spoken.

Offensive expressions—Members not explaining or retracting.

16. Any member who shall use any expression capable of being applied offensively to any other member shall, if required by the Council, withdraw such expression and make a satisfactory apology to the Council; and any member having used objectionable words and not retracting the same and offering suitable apologies for the use thereof to the satisfaction of the Council, shall be censured and fined not less than £1 nor more than £10; and any member called to order shall forthwith sit down, unless permitted to explain.

Member to withdraw when his conduct is under debate.

17. When, in consequence of disorderly conduct, the Mayor or other presiding Chairman shall call upon any member by name, such member shall withdraw as soon as he has been heard in explanation, and after such member's withdrawal the Council shall at once take the case into consideration.

Members disobedient or interrupting business guilty of disorderly conduct.

18. Any member who shall wilfully disobey any call to order, or who shall wilfully or vexatiously interrupt the orderly conduct of the business of the Council, shall be deemed to be guilty of disorderly conduct, and, on the passing of a motion censuring such member, he may be fined not less than £1 nor more than £10.

Member not paying fine ceases to act as Councillor.

19. Should any member, upon whom a fine has been inflicted, neglect or refuse to pay the fine so imposed before the rising of the Council or Committee then sitting, such member shall cease to have any status or position at any meeting of the Council or Committee table, or take any act or part in any of the proceedings of the Council or Committees, unless and until the said fine, with all costs, charges, and expenses connected therewith, are fully paid and discharged.

Member obstructing business may be removed from Council.

20. Any member of the Council, who shall wilfully and without just cause obstruct or impede the transaction of business at any meeting of the said Council, shall, if it be resolved by three-fourths of the members at such meeting, that such member has wilfully and without just cause obstructed or impeded the transaction of business thereat, be deemed to have failed duly and faithfully to fulfil the duties of his office according to the best of his judgment and ability; and thereupon it shall be lawful for the Mayor to summon a special meeting of the whole Council, and to give notice to the said member to show cause at such meeting why he should not be removed from his office, and unless cause sufficient be shown to such meeting, such member may be removed by a resolution of the members attending such meeting; and after such removal such member shall cease to be a member of the said Council, and his office shall be deemed to have become and shall be vacant.

To whom fines, charges, etc., are to be paid.

21. Any fine inflicted on any member of the Council for any breach of the By-law, together with all other costs, charges and expenses incidental thereto, shall forthwith be paid to the Treasurer in aid of the funds of the Municipality.

Decision on points of Order.

22. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

Objection to the ruling of the Mayor.

23. If any objection be taken to the ruling of the Mayor, such objection must be taken at once.

Motion as to the Mayor's ruling to be seconded.

24. Objection having been taken to the Mayor's ruling, the Councillors so objecting may forthwith move that the ruling on the point then raised is not in accordance with the Standing Orders, specifying the number or numbers of such Standing Order or Orders. Should the motion not be seconded, then the business shall be proceeded with at the point where it was interrupted, but if the motion be seconded, it shall be put to the vote, and the result of the vote, whether in support of the ruling or otherwise, shall guide the Council.

Councillors not to converse aloud.

25. No member shall converse aloud, except to call to order, or make any noise or disturbance whilst any member is speaking or any matter is being considered; and in case of such noise or disturbance being persisted in after the Mayor has called to order, the Mayor shall call upon the member making such disturbance by name, and every such member will incur the displeasure and censure of the Council.

Interruption not allowed.

26. When a question is being put to the vote, or when the Mayor is speaking or any member is addressing the chair, no member shall walk out of or across the chamber so as to interrupt him, nor shall any member interrupt whilst speaking, except—

1. To request that his words be taken down;
2. To call attention to a point of order; or,
3. To call attention to the want of a quorum.

Speaking "to Order."

27. Any member may rise to speak "to order" upon a matter suddenly arising.

Production of documents.

29. Any member may require the production of any of the documents of the Municipality relating to the question or matter under discussion, and the Town Clerk shall produce the same on being given 24 hours' notice.

Vote—how taken.

30. The Council shall vote by a show of hands, and the Mayor or other presiding Chairman shall, in taking the vote on any motion or amendment, put the question first in the affirmative and then in the negative; and he may do so as often as is necessary to enable him to form and declare his opinion, from the show of hands, as to which party has the majority; and every member present shall be required to vote thereon.

Member not in his seat.

31. No member when absent from his seat shall be permitted to vote on any question when being put to the vote by the Mayor or other presiding Chairman.

Members may "pair off."

32. Two members who intend to vote on opposite sides on any matter before the Council may "pair off," provided that a note signed by such members having so "paired off" shall be lodged with the Town Clerk and recorded by him.

Voting on division.

33. No member shall speak upon any question after the same has been put by the Mayor, except to call for a division upon the question, in which case the members voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats.

Motion for division shall have precedence.

34. A motion "That the Council do now divide," moved and seconded, shall take precedence of all other business, and shall be put by the Mayor without any discussion taking place; provided that no such motion shall be made so as to interrupt a member while speaking.

Motion for division, if lost, debate to be resumed.

35. If the motion to divide be lost, the discussion on the original question shall be resumed where it was interrupted, and no motion to divide on the same subject shall be again entertained until one or more members at least have addressed the chair upon the question.

Division-bell to be rung.

36. So soon as a division shall be demanded, the Town Clerk shall cause the division-bell to be rung, and after the lapse of two minutes the door shall be closed, and no Councillor shall enter or leave the Council Chamber until after the division has been recorded.

Member calling for a division.

37. A member calling for a division shall not leave the Council Chamber until the division has taken place, and he shall vote with those who, in the opinion of the Mayor, were in a minority.

Reflecting upon vote of Council.

38. No member shall reflect upon any vote of the Council except for purpose of moving that such votes be rescinded.

Adjournment.

39. No discussion shall be allowed on any motion for adjournment of the Council, which shall be put immediately after it has been moved and seconded; but if, on the question being put, the motion be negatived, the subject then under consideration or the next on the business sheet, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

Withdrawal of motion, etc., no discussion.

40. No discussion shall be allowed on a motion for leave to be given to withdraw a motion or amendment then before the Council.

Restrictions on further motions of adjournment.

41. Should a motion for adjournment of the Council be negatived, no motion for such adjournment shall be again entertained until one or more members at least have addressed the chair.

Resolutions—how rescinded.

The Licensing Officer of the Municipality shall issue licenses to such owners, conductors, and drivers of hackney carriages and vehicles as, in his discretion, are fit to be entrusted therewith; such license to be kept by the driver and conductor respectively, and produced, when requested, by the Inspector of Vehicles or any constable.

2. The Licensing Officer shall not license any person as driver of any licensed vehicle unless and until he is satisfied the person so offering himself as driver is fit and competent for the duties of a licensed driver; but he may, at his option, grant to such applicant a temporary license for a term not exceeding ten days, by way of testing his competency for the position of licensed driver.

3. Every driver's or conductor's license issued under the authority hereof shall be in force from the first day of January, in the year of issue, or any subsequent date of the year of issue, up to the thirty-first day of December; and the Licensing Officer may take and receive the sum of 10s. for every such license issued.

4. The license of any driver, owner, or conductor may, for any misconduct, be revoked, cancelled, or suspended by the Licensing Officer, as he shall deem right, after notice given to such owner, driver, or conductor to show cause why the same should not be revoked, cancelled, or suspended, and opportunity thereupon given to him to show such cause.

5. The Licensing Officer may refuse to issue to any person he shall think disqualified therefor; and he shall refuse to issue a license to any person against whom several complaints may have been made to him as the Licensing Officer, or to the Council, or in consequence of information laid before a Justice.

6.
