### NOTICE.

TO PERSONS INTENDING TO VISIT THE TRANSVAAL OR ORANGE RIVER COLONY.

It is notified, for information, that permits to enter the Transvaal or Orange River Colony are still required, except by persons exempted in the terms of the Ordinance quoted below. Such permits are issued at all coast ports in British South Africa, at Bulawayo, and at Lourenco Marques.

Persons about to visit the new colonies are advised, in order to save themselves delay and disappointment, to forward their application for permits at least one week before their departure, in order that the permits may be ready for them when they land.

Applications should, in the case of British subjects, be addressed to the Permit Secretary at the intended port of disembarkation.

Foreigners should make application through their Consular representatives.

Persons proceeding *via* Delagoa Bay should address their applications to H.B.M. Consul General, Lourenco Marques.

Application forms are obtainable at the Colonial Office, London, at the principal South African Shipping Offices in London and Southampton, at the Bank of Africa and Standard Bank of South Africa in London, and on board the principal South African bound steamers.

The following extract from the Peace Preservation Ordinance, Transvaal, is published for information. The terms of the Peace Preservation Ordinance, Orange River Colony, Sections 19 to 23, are *mutatis mutandis* identical:—

"19.—After the date of this Ordinance no person shall enter this colony without a permit granted under the terms of this Ordinance, unless—

- (a.) He was resident and within this Colony or the Orange River Colony on the 31st May, 1902, and has not since that date been expelled from or ordered to leave this Colony or the Orange River Colony.
- (b.) He has since the 31st May, 1902, and before the date of this Ordinance, received a permit or other formal authorization to enter this Colony from some duly constituted authority.
- (c.) He is a person coming within the provisions of Article 2 of the Terms of Surrender signed at Pretoria on the 31st May, 1902, and published in the *Gazette Extraordinary*, dated 3rd June, 1902.
- (d.) He is a person employed in His Majesty's Navy or Military Service, or in the Civil Service, or in any Police Force of this colony or the Orange River Colony.

"20.—Permits to enter the colony under this Ordinance shall be granted by such persons as may be authorised to do so by the Governor, and shall be in such form as the Governor may direct.

No such permit shall be granted to any person who, having been a Burgher of the South African Republic or the Orange Free State, has not taken the Oath of Allegiance to His Majesty or made some declaration of equivalent import in form approved by the Governor. In all other cases it shall be in the discretion of the Governor to grant or refuse any permit.

"21.—It shall be lawful for the Colonial Secretary, if he has reason to believe that any person is residing or sojourning in this colony having entered it without proper authority, to give notice thereof to any Resident Magistrate, and such Magistrate shall thereupon summons such person to appear before him, and if such person fails to satisfy the Magistrate that he has obtained a permit under this Ordinance or is exempt under the provisions of Section 19 from obtaining such permit, the Magistrate shall make a written order directing such person to leave the Colony within seven days, unless before the expiration of that time he has received permission in writing from the Colonial Secretary to remain in the colony; such permission shall have the same effect as a permit granted under this Ordinance.

"22.—(1) If any person in whose case such order has been made is found within the colony after the expiration of seven days after service of such order without having obtained permission from the Colonial Secretary as aforesaid, he may be arrested and brought before a Magistrate, and shall, upon conviction, be imprisoned for a period not less than one month and not more than six months and with or without a fine not exceeding £500, and in default of payment to a further term of imprisonment not exceeding six months.

(2) If any person imprisoned under the terms of the preceding Sub-section shall remain in the colony for a period of more than seven days after the expiration of his term of imprisonment or any subsequent term of imprisonment inflicted under this section, without obtaining permission in writing from the Colonial Secretary to remain in the colony, he may be arrested and brought before a Magistrate, and shall, on conviction, be imprisoned, with or without hard labour, for a period of not less than six months and not more than twelve months, and with or without a fine not exceeding £500, and in default of payment to a further term of imprisonment not exceeding six months.

"23.—Any person entering this colony on a permit not issued to him by proper authority or obtained by him by any fraudulent means shall be liable to imprisonment, with or without hard labour, for a period not exceeding two years, or to a fine not exceeding £500, or to both such imprisonment and fine."

*Enclosure to Circular dated 2nd December, 1903.*

After the 1st December no permits to proceed to the Transvaal or Orange River Colony will be issued in the United Kingdom, or by His Majesty's Consular Officers abroad, or elsewhere than at the South African ports.

Persons wishing to proceed to the Transvaal or Orange River Colony should therefore apply for the necessary permits to enable them to do so to the Transvaal and Orange River Colony Permit Office at the port at which they propose to land.

They are warned that such permits are liable to be refused by the Government of the Transvaal and Orange River Colony, and it is suggested that, in order to avoid disappointment and delay, they should ascertain before sailing for South Africa from the Permit Office at the port where they propose to land whether permits will be granted to them.

Under the Peace Preservation Ordinances now in force in the Transvaal and Orange River Colony, persons who enter those colonies without permits may be ordered to leave, and if such order is not obeyed within a given time, they will be liable to fine and imprisonment.

## CIRCULAR.

<sup>400</sup>  
1903

*Downing Street,  
24th November, 1902.*

SIR.

With reference to Viscount Knutsford's Circular despatch of 20th August, 1889, I have the honour to state that I have been informed by the Lords Commissioners of the Treasury that where any officer who has been transferred from the Imperial Civil Service to the Civil Service of a Colony is removed from the latter service on the ground of his inability to discharge efficiently the duties of his office under the provisions of any Colonial Law similar to Sect. 2 (1) of the Superannuation Act, 1887, his claim to pension for his Imperial service may be admitted under the Pensions (Colonial service) Act, and the Superannuation Act, 1887, taken together, notwithstanding that the retirement takes place under 60 years of age. It is to be noted, however, that in the Imperial Civil Service cases dealt with under section 2 of the Superannuation Act, 1887, the officer does not as a rule receive the full amount of pension for which he would be qualified by his length of service.

2. I have to add that an officer transferred from the Imperial service to the service of any Colony or Protectorate to which the provisions of the Superannuation Act of 1892 have been applied, can receive a pension for his Imperial service if he retires at any age at which the Regulations of the Colony permit him to retire without a medical certificate. The following is a list of the Colonies and Protectorates the Funds of which have now been determined by the Lords Commissioners of the Treasury to be Public Funds within the meaning of Section 4 of the last mentioned Act, viz.:—The Windward Islands, the Leeward Islands, all the West African Colonies and Protectorates, Ceylon, Straits Settlements, Federated Malay States, Hong Kong, Wei-hai-Wei, Gibraltar, St. Helena, Falklands, Seychelles, British East Africa, and British Central Africa. Also the fund out of which are paid the salaries of the Sergeant Majors and Sergeants of the Jamaica Constabulary Force appointed under Jamaica Law 18 of 1895 (the Constabulary Law, 1867, Amendment Law, 1895), has been determined to be a Public Fund within the meaning of the Superannuation Act, 1892.

3. I have to explain that, in the case of the Colonies and Protectorates mentioned in the last paragraph, the amount of the pension grantable in respect of the Colonial portion of the Officer's service will not be affected by the application of the Superannuation Act, 1892, to such Colony or Protectorate, but such pension will still be governed by the special pension rules of each Colony or Protectorate.

I have, etc.,

J. CHAMBERLAIN.

The Officer Administering the Government of Western Australia.

## TIMBER TRAMWAYS.

1902  
1902

Department of Lands and Surveys,  
Perth, 5th February, 1903.

HIS Excellency the Governor in Executive Council has been pleased, under the provisions of "The Land Act Amendment Act, 1902," to approve of the Regulations as hereunder, for the construction and working of Timber Tramways through and upon Crown Lands and Reserves, in lieu of those published in the *Government Gazette* of 25th April, 1902, which are hereby cancelled.

R. CECIL CLIFTON,  
Under Secretary for Lands.

REGULATIONS FOR THE CONSTRUCTION AND WORKING OF  
TIMBER TRAMWAYS UNDER "THE LAND ACT AMENDMENT ACT, 1902."

1. Application for permission to construct and use tramways through and upon Crown Lands and Reserves shall be made in the form of the First Schedule hereto, and shall be lodged with or forwarded by registered post addressed to the Minister for Lands at his office in Perth, and accompanied by a deposit equal to the amount of rent or propor-

tion thereof due upon the next half-yearly period appointed for payment thereof, and calculated as in the Second Regulation set forth, which deposit shall be returned if the application is not approved, and shall also be accompanied by a plan showing the position of the proposed tramway, such plan to contain sufficient data to enable the position of the tramway to be accurately delineated on the plans of the Department of Lands and Surveys. On approval of the application, permission in the form of the Second Schedule hereto, with such other conditions as the Governor may deem fit to impose, will be issued to the applicant.

Before the issue of any permission the applicant will be required to enter into a bond with two or more sureties approved by the Minister, to observe and abide by the conditions therein and in these Regulations contained, in all respects.

2. The rent payable in respect of such permission shall be such sum as may be fixed by the Governor, but shall not in any case be less than Two pounds (£2) per annum for each mile or fraction of a mile of the length of the proposed tramway.

Such rent shall be payable half-yearly in advance, on the first day of March and the first day of September in each year.

3. Upon receipt of the acknowledgment from the Minister of the receipt of an application, and before the granting of any permission to construct and use a firewood tramway will be made, the applicant shall cause the application to be advertised in at least two consecutive issues of some newspaper circulating in the district of the proposed tramway, and shall forward to the Minister a copy of the advertisement.

4. If the locality of the proposed tramway be within the limits of any proclaimed goldfield, the applicant shall at the same time cause a copy of the application to be posted at the principal office of the Warden of such goldfield, and shall forward a copy thereof to the Minister.

5. The applicant shall set forth in the application the nature of the motive power proposed to be used for haulage purposes on the tramline.

6. Any person shall have the right to object at any time within fourteen days of the last advertisement or posting of such notice, whichever shall last occur, to the granting of the permission applied for by notice, in writing, addressed to the Minister setting forth the reasons of such objection, and lodged at his office in Perth, or sent to him, addressed as above, by registered post; a copy of such notice will be sent to the applicant by the Minister.

7. The Minister may summon the applicant and the objector to appear before him and state more fully their reasons.

8. Any person to whom permission may be granted to construct a tramway shall, within one month of the completion of same, and before commencing the user, notify the Minister of the completion, and at the same time furnish at his own cost a plan showing the portion completed, such plan to be signed by a licensed surveyor, and the survey represented thereon must be carried out to the satisfaction of the Surveyor General, in accordance with the rules and regulations for the guidance of surveyors working for the Department of Land and Surveys. Failure to notify the Minister or supply the necessary plan shall render the permission liable to cancellation.

9. Should any person to whom permission to construct a tramway as aforesaid is given, fail to construct and properly equip one quarter of the tramway within six months, and the whole within twelve months from the date he is notified of approval, or should he fail to use such line for the purpose for which permission is granted for a period of one month, the permission will be cancelled; provided that the Minister may, by writing under his hand, grant exemption from using such tramway for any period not exceeding three months. The granting of such exemption shall not relieve the holder from the payment of the prescribed rent.

10. Any person to whom permission to construct and use a tramway is granted may, without any further permission, construct and use spur lines on both sides of the main line. But no spur line shall extend beyond a boundary parallel with the main line and distant two and a-half miles therefrom, measured at right angles, and the grantee shall lodge at the Department of Lands and Surveys, once at least in every three months, a plan showing all spur lines and deviations.

No such permission shall be transferred, assignee, mortgaged, sub-let, or otherwise disposed of, without the approval, in writing, of the Governor first had and obtained, and on payment of the prescribed fees.

11. No alteration or extension shall be made to the proposed line of the tramway without the previous consent, in writing, of the Governor first had and obtained.
