STANDING ORDERS.

Order of proceedings.

1. The Council shall meet at the Council Chambers on the first Wednesday in every month, at the hour of 8 p.m., for the transaction of their ordinary business, and the business of the Council shall be conducted with open doors.

Withdrawal of strangers.

2. Any two members may require the Council Chamber to be cleared of strangers, and the Mayor or other presiding Chairman shall immediately give directions to have the order executed.

3. The Council shall commence business so soon after the above-mentioned hour as there is a sufficient number of members in attendance to constitute a quorum, but if at the expiration of thirty minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Council at that meeting.

4. Should the Mayor not be present, the meeting shall elect a Chairman from the Councillors present, who shall preside during the absence of the Mayor.

5. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever there shall be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence), such circumstance, together with the names of the members present, shall be recorded in the minute book.

6. At all meetings of the Council the minutes of any preceding meeting not previously confirmed shall be read as the first business in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

7. Immediately after the confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall issue thereon at that time.

8. The ordinary business shall then be proceeded with.

Orders of debate.

9. Any member proposing a motion or an amendment shall, if the Mayor so desire it, put it in writing and sign and deliver it to the Mayor or other presiding Chairman for the time being after it has been duly seconded, and the Mayor or other presiding Chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

10. No member shall speak twice upon the same question except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried. Nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply. The amendment of the original motion, as the case may be, shall be immediately put to the vote.

11. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

12. Any member moving a motion or amendment shall be held to have spoken on that question.

13. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any other member.

14. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case without argument or comment, and his decision shall be final in that particular case.

15. One amendment only shall be discussed at one time, but, if lost, another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment thereon, but no more.

16. Upon the adoption of any amendment, such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted on as an original motion.

17. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year unless by consent of at least four members of the Council.

18. In case of an equality of votes the Mayor or other presiding Chairman shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

19. No By-law shall be finally passed or rescinded at the meeting at which it shall have been first proposed, nor until the next or some subsequent meeting of the Council duly convened.

BY-LAW No. 3.

SUSPENSION OF STANDING ORDERS.

In cases of urgent necessity, any standing order or orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least four members of the Council.

BY-LAW No. 4.

ELECTION OF OFFICERS.

1. When any office is at the disposal of the Council, at least ten clear days' notice shall be given by advertisement in one or more of the local newspapers of the intention of the Council to fill such vacancy, and the same notice shall invite applications for the office, to be sent into the next meeting of the Council.

2. The salary or allowance attached to all offices at the disposal of the Council shall be fixed for the municipal year, and in all cases before proceeding to the election.

3. At the next meeting of the Council, after the notice as before mentioned has been given, all letters of application for the office shall be opened, and the names read aloud, and the appointment may then be made.

4. All elections for officers at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the two candidates polling the largest number of votes be again put to the ballot until one of such candidates shall have polled the majority of the votes of the members present, every member present being required to record his vote.

5. No member of the Council, nor any auditor of the Municipality, nor any officer thereof, shall be received as surety for any officer appointed by the Council, or for any work to be done for the Council, and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.

ABOLITION OF PILOT STATION AT ROTTNEST ISLAND
(PORT OF FREMANTLE).

The Fremantle Harbour Trust Commissioners, with the concurrence of the Hon. The Colonial Secretary, hereby notify, for general information and guidance of persons using the Port of Fremantle, that on and after the First day of August next (1st August, 1903), the Pilot Establishment hitherto existing at Rottneet Island, will be discontinued, and that the Pilot Service of the Port of Fremantle will thenceforward be worked from Fremantle.

The Pilot Station at Fremantle will be worked as a Shore Station, provided with a steam pilot boat, launch, and sailing lugger.

Rottneet Island is connected with Fremantle by telephone, and vessels bound for Fremantle will, on making Rottneet Island and requiring a Pilot, signal for same to the Signal Station situated at the main Lighthouse on the Island, and on this signal being made out it will be reported to the Pilot Station at Fremantle, whence Pilots will be despatched as required to board incoming vessels at the Pilot Boarding Ground (which is situated about five miles East of Bathurst Point, on Rottneet, as shown on new issues of Chart No. 1058).

Shippmasters are warned not to approach Rottneet nearer than three (3) miles, and to always pass in North of the Island and stand to the Eastward till Fremantle Time Ball Tower (Arthur Head) bears S.E. (Mag.), then steer S.E. towards Boarding Ground.

Sailing vessels working to the Southward with a head wind when East of Rottneet, not to stand closer than three miles to Rottneet Island or mainland.

When approaching Rottneet in the winter months, sailing vessels must guard against getting embayed South of the Island, as the winter gales generally commence at North with a falling barometer, and rapidly veer to the Westward.

Do not, under any circumstances whatever, heave to North, West, or South of Rottneet, but proceed to Pilot Boarding Ground.

At night, after picking up the Woodman's Point Leading Light stand East, through the Red and into the Bright Sector steer to the S.E. towards Boarding Ground, taking care to keep in Bright Ray.

The South Passage at Rottneet is on no account to be attempted except by vessels whose Masters hold Pilotage Exemption Certificates.

F.S. ¹⁵²/₁₀₀₁
Friendly Societies' Office,
Perth, 30th March, 1903.

IT is hereby notified that E. P. DOWLEY has been duly elected Chairman of the Board of Conciliation for the Eastern Industrial District, under the above-named Act, in place of J. M. Finnerty, resigned.

EDGAR T. OWEN,
Registrar of Friendly Societies.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. ¹⁷⁰/₁₀₀₃.

To the Secretary of the Industrial Union called the Workers' Industrial Union of Carpenters and Joiners, Perth, W.A.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the thirteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—
That for the following reason, which appears to me good, the registration ought to be cancelled.

The continuance of the registration is contrary to the spirit of Section 10 of the Act, seeing that

- (1.) There exists in the same locality, and connected with the same industry, an Industrial Union to which the members of this union may conveniently belong.
- (2.) Since the cancellation on the 12th February, 1903, of the Amendment of Rules of this Union, by order of the President of the Court of Arbitration, the rules are not in full compliance with the Act.

Dated this 1st day of April, 1903.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. ²⁵⁰/₁₀₀₂

To the Secretary of the Industrial Union called the Hannans and Boulder Amalgamated Mining and Timber Employees Branch of the Amalgamated Union of Workers of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed, on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) The rules are not in accordance with the Act because they combine mining and timber employees, and also because of the definition of member, provided by Rule 2, which is not limited as required by the Act.
- (b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. ²⁵⁵/₁₀₀₂

To the Secretary of the Industrial Union called the Bulong Branch of the Amalgamated Workers' Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.
- (b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. ³⁰⁵/₁₀₀₂

To the Secretary of the Industrial Union called the Kanowna Branch of the Amalgamated Workers Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.
- (b.) That prior to any application to amend these Rules, notice of intention to make an application for registration by another Union in the locality had been given, and application was subsequently made, and is still pending. Such other Union is restricted to the specified industry of mining, and should therefore be registered. The locality does not warrant two Unions of miners.

EDGAR T. OWEN,
Registrar of Friendly Societies.

Dated this 2nd day of April, 1903.
