Department of Lands and Surveys,
Perth, 23rd April, 1903.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations relating to Residential Leases of lands open for selection as Residential Lots.

HERBT. FARMER,
Acting Under Secretary for Lands.

REGULATIONS FOR RESIDENTIAL LEASES.

Repeal.

1. The Regulations of the 17th of July, 1901, and all other regulations heretofore made relating to Residential Leases, are hereby repealed.

These Regulations shall come into force forthwith.

Applications.

2. Any person (not being an Asiatic or African alien) above the age of eighteen years, resident in Western Australia, and intending to actually reside on the Lot applied for, may be an applicant for land set apart for Residential Leases.

But no lease of any Lot shall be applied for, granted to, or held by any Asiatic or African alien, or any person having any interest in any other Residential Lot within two miles of the Lot applied for.

3. Every application—

(1.) Shall be in the form of Schedule A, with the declaration therein contained; and

(2.) Shall be lodged with the Land Agent for the District; or, in case there is no Land Agent for the District, with the Warden or Resident Magistrate.

4. With every application the applicant shall pay a fee of Ten shillings and the amount of rent payable in advance, in accordance with the provisions of "The Land Act, 1898," or any amendment thereof, and of the Regulations thereunder.

5. All applications shall be subject to the approval of the Minister, or an officer authorised in that behalf by the Minister. In cases where no person has been so authorised the Land Agent, Warden, or Resident Magistrate shall forthwith forward the application, with his recommendation thereon, and the fee and rent, to the Minister. The applicant may be granted by the Land Agent, Warden, or Resident Magistrate, respectively, permission to occupy the land applied for temporarily in the form of Schedule B.

6. The granting or refusal of the application shall be in the discretion of the Minister, or the officer authorised in that behalf by the Minister; but priority will, where practicable, be given to married applicants where husband and wife intend to reside on the area applied for.

7. If an application is refused, the rent paid with the application shall be returned to the applicant.

8. (1.) If an application is approved, a lease shall be granted to the applicant in the form or to the effect of Schedule C, as from the first day of the quarter next preceding the date of approval of the application, upon payment by the applicant of a fee of ten shillings for the cost of the lease.

(2.) On approval of an application, notice shall be given to the applicant by letter sent by post to his address.

(3.) If the fee of ten shillings is not paid within thirty days after the posting to the applicant of notice of approval, such approval shall be void and the application shall be deemed to have been refused.

9. The granting of any lease shall not be a waiver of the restrictions mentioned in Regulation 2.

Conditions of Lease.

10. No lease or interest in a lease shall be held by any Asiatic or African alien, nor by any person under the age of eighteen years, nor by any person who is interested in any other Residential Lease within a distance of two miles.

11. Every lease shall be granted and held subject to the provisions of "The Land Act, 1898," and any amendment thereof (hereinafter referred to as the Act), and the Regulations thereunder in force for the time being relating to Residential Leases (hereinafter referred to as the Regulations).

12. Every lease shall be limited to the natural surface of the land demised, and the land below the natural surface to a depth not exceeding 40 feet if situated within a gold-field or mineral district, and if not so situated, not exceeding 200 feet.

13. The term granted by any lease shall not exceed twenty-one years from the first day of January preceding the date of the application.

14. (1.) The yearly rent for the first eleven years shall be as fixed by the Minister for the lots generally in the Residential Area within which the lot applied for is situated or for the particular lot applied for.

(2.) Until otherwise fixed by the Minister, the yearly rent for the first ten years shall be as set forth in Schedule D.

(3.) The yearly rent for the subsequent period of ten years shall be fixed by the Minister twelve calendar months at least before the expiration of the preceding eleven years.

(4.) The rent shall be payable half-yearly in advance, in accordance with the provisions of the Act.

(5.) The yearly rent payable under any lease granted prior to these Regulations shall be Ten shillings as heretofore, and such rent shall continue payable until the termination of such lease.

15. (1.) Possession of the residential lot shall be taken by the applicant within two calendar months of the approval of the application, and thenceforth it shall be used as the habitual abode of the lessee, or some member of his family, for nine months at least in every year, except as provided in paragraph (2) of this regulation.

(2.) In case of sickness or special necessity, the Minister or an officer authorised by the Minister in that behalf may, on application in the form of Schedule E, and on payment of a fee of Five shillings, grant the lessee authority in writing to absent himself for any period of such nine months.

16. The lessee shall, subject only to Regulation 15, continue in actual and personal occupation of the land, and, except as hereinafter provided, shall not use the land or permit it to be used for any business, trade, or occupation, or for any purpose whatever other than the *bonâ fide* residence of the lessee.

17. If a lessee, or the husband or wife of a lessee, has or acquires any interest in any other residential lot within two miles of the lot, the lease may be forfeited.

But this Regulation shall not apply where the husband or wife of a lessee is permanently living separate and apart from the lessee.

Transfers.

18. (1.) No transfer or under-lease shall be allowed without the consent in writing of the Minister, or an officer authorised by the Minister in that behalf, first obtained, on application in the form of Schedule F. No such consent shall be given within six months of the granting of the lease, except in very special cases.

(2.) On every such application the lease shall be produced, with a statutory declaration by the intended transferee or sub-lessee in the form of Schedule G, and the fee of Five shillings shall be paid.

(3.) No transfer or under-lease shall be allowed to any person not entitled to be an applicant for or to hold the lease, and the allowance of any such transfer or under-lease shall not avoid a forfeiture of the lease.

19. No portion of any residential lot shall be transferred or sub-let under any circumstances whatever.

Forfeiture.

20. (1.) A lease may be forfeited by the Minister—

(a.) If the rent is not fully paid at the times and in manner provided by the Act.

(b.) In case of breach, non-performance, or non-observance of any of the conditions thereof or of the provisions of the Act or Regulations.

(2.) No acceptance of rent, or other act subsequent to any breach, non-performance, or non-observance as aforesaid shall be deemed to be, or operate, or be pleaded as a waiver of the forfeiture, and no forfeiture shall be waived otherwise than by an express waiver under the hand of the Minister.

21. A lease may be determined at the option of the lessee, at the expiration of any year of the tenancy, by notice in writing, given by the lessee to the Minister three months before the expiration of such year.

22. Within one month of the expiration, or sooner determination of any lease, the lessee may remove any buildings or fixtures on the lot.

23. If, in the opinion of the Minister, a lease has been or has become liable to be forfeited, he shall give notice thereof to the lessee by letter sent by post addressed to the lot in question or by notice in the *Government Gazette*; and unless, within the time limited by such notice, the Minister is satisfied to the contrary, the lease may, by notice in the *Government Gazette*, be absolutely forfeited.

Mortgages.

24. A lessee may not mortgage his lease without the consent of the Minister or an officer authorised in that behalf by the Minister. On such consent being given, a lease may be mortgaged in accordance with the provisions of "The Land Act, 1898," or any amendment thereof, and of the Regulations thereunder, but such mortgage shall only be effected for the purpose of *bonâ fide* improving the lot. This Regulation shall not apply to mortgages effected prior to the coming into force of these Regulations.

Business Permits.

25. (1.) If, in the opinion of the Minister, it is desirable so to do, he may, in his discretion, grant to any lessee permission to carry on, upon his residential lot, any specified business or businesses.

(2.) Such permission shall be granted at such additional annual rent, payable half-yearly in advance, as from the next preceding quarter day as the Minister may in each case determine.

(3.) Such permission shall not be granted in respect of any Residential Lease granted before the publication of these Regulations, but such lease may be cancelled, and a new lease granted in lieu thereof, subject to these Regulations.

26. Application for a business permit shall be made in the form of Schedule H, and a deposit of £5 shall be paid with every application.

27. The application shall be lodged and dealt with as hereinbefore provided in the case of an application for a lease.

28. Before granting permission, the Minister shall satisfy himself, by any such personal or other inquiry as he may deem fit, of the *bonâ fides* of the application, and that the permission applied for is necessary in the general interest of the neighbourhood.

29. If the Minister refuses to grant the permission applied for, the deposit, after deducting the expenses of the inquiry (if any), to be fixed by the Minister, shall be returned to the applicant.

30. If the Minister is prepared to approve of the grant of a permit, he shall give notice, by letter sent by post to the applicant, of the amount of additional rent fixed; and the applicant shall, within twenty-eight days after the posting of such letter, forward to the Minister the additional rent for the current half-year. If such rent is not received by the Minister within such time, the application shall be forthwith cancelled and the deposit forfeited. If such rent is so received the application shall be deemed granted, and the expense of any inquiry shall be deducted from the deposit, and the balance credited to the lessee on account of future rent.

31. No permission shall be granted for a longer term than five years, or extending beyond the seventh or fourteenth year of the term of the lease, but such permission may be renewed on such terms as the Minister may think fit.

32. Such permission may be granted in the form of Schedule I.

33. The additional rent shall be payable half-yearly in advance, at the times and in manner prescribed for payment of the rent reserved by the lease, and, in case of default in payment in accordance therewith, the permission may be cancelled by order of the Minister.

34. The permission may be cancelled by order of the Minister in his absolute discretion at any time if, in the opinion of the Minister, any business other than the business expressly authorised is carried on upon the residential lot.

35. The permission shall follow every approved transfer or sub-lease of the residential lot.

36. (1.) No lessee shall sell or allow or permit the sale of any liquor on his residential lot by virtue of any license under "The Wines, Beer, and Spirit Sale Act, 1880," or any amendment thereof, for consumption either on or off the premises, without the special permission, in writing, of the Governor.

(2.) No such permission shall be granted for a longer period than one year without the special consent of the Governor, but every such permission may be renewed, and shall be revocable at any time at the discretion of the Minister.

Resumption.

37. The whole or any part of a residential lot leased, or agreed to be leased, under these Regulations, may be resumed by the Governor for mining purposes, or for any public purpose whatever, at three months' notice to the lessee, published in the *Government Gazette*; and immediately after the expiration of such three months, all the estate and interest of the lessee therein shall cease and determine as if the lease had never been granted. But on any such resumption, the lessee shall be entitled to receive from the Minister the fair value of any improvements existing on the land resumed, to be ascertained, in the absence of agreement, by one competent person to be appointed by the lessee and one by the Minister, and any difference of opinion between the said valuers shall be determined by the Resident Magistrate of the District or Warden of the Goldfield within which the land is situate acting as umpire.

Transmission.

38. On the death or bankruptcy of a lessee his legal personal representative or the Official Receiver or trustee of his estate may be registered as the lessee, but a transfer to a person entitled to be an applicant for and to hold a lease shall be made by such representative, Official Receiver, or trustee, and be registered within three calendar months, otherwise the lease shall be forfeited.

Interpretation.

39. In these Regulations the term "lessee" includes any authorised transferee or sub-lessee.

WESTERN AUSTRALIAN GOVERNMENT RAILWAYS.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following additions and alterations being made to the Classification and Rate Book:—

W.R. 1486/1903.

Pages 51 and 52.

The Rates and Conditions under the headings "Government Railway Contractors' Rates, etc.," and "Locomotive Engines, Railway Carriages and Wagons," have been cancelled, and the following has been substituted in lieu thereof:—

GOVERNMENT RAILWAY CONTRACTORS' RATES, ETC.

Contractors' Plant ... Class 1 + 25 per cent.

Contractors' Plant, minimum, four tons per wagon... Class A., owner's risk.

NOTE.—Contractors' plant includes tools, tackle, stores (other than groceries and provisions), chaff and material necessary for carrying out the work. Live stock and explosives will not be conveyed at above rates. The rates will apply only to Contractors' plant used for constructing a Government railway sent to the station nearest to the line to be constructed, and will be allowed on return trip when sent from new line to one station, only not distant more than the original mileage conveyed on outward journey.

Government Railway Contractors' Trains.—The Commissioner may, at his discretion, allow Government Railway Contractors' trains to be run over the lines, and, in the event of permission being granted, the following will be the rates and conditions:—

An engine, light, 1s. 6d. per mile, under steam; minimum, 50s.

A train of ten wagons, ballast or material—Contractors' own engine, trucks and men—or haulage of a dead engine, 2s. 6d. per mile; minimum, 50s. per train. Ballast or material trains are not charged for the return journey empty.

A train of contractors' empty wagons, Department finding engine and men, 5s. per mile; minimum, 50s. per train.

A train of ten contractors' wagons with material for their own contract, Department finding engine and men, 7s. 6d. per mile; minimum, 50s. per train.

Contractors' empty wagons attached to ordinary goods trains, 3d. per truck per mile; minimum, 5s. each.

Contractors' wagons cannot be sent by ordinary goods trains unless provided with spring buffers.

Special Conditions.—All engines, wagons, etc., must be examined and passed by the Chief Mechanical Engineer before being allowed to run, and all expenses thereby incurred, together with freight, pilotage, and any other Departmental charge, must be paid in advance. In order to avoid unnecessary delay, where the amount of such expenses and charges cannot be definitely ascertained before running, a deposit equal to the estimated amount must be made, and any undercharge or overcharge adjusted when the correct amount has been determined.

Contractors' men in charge of engines or trains must give satisfactory proof of their knowledge of the line, and general fitness, before being permitted to run.

The Department finds pilots in all cases, whose wages and expenses are to be paid by Contractors.

GOVERNMENT RAILWAY CONTRACTORS—USE OF WAGONS, ETC.

The charge for trucks loaded with material previously conveyed by rail taken by Contractors for new lines under construction from the junction of the new line with the main line to the head of the road will be 5s. per truck per trip, if the distance exceeds one mile. No charge is made for distances not exceeding one mile.

The foregoing rates are contingent on the trucks being hauled by Contractors' engine from the place material is deliverable at by the Commissioner, according to contract, and provided the empty trucks are returned within twelve working hours; if not returned within twelve working hours, 1s. per truck per hour, or 4s. per working day, demurrage to be charged.

Government trucks will not be allowed to be loaded for traffic from point to point on the construction line except under special arrangement with the Commissioner.

LOCOMOTIVE ENGINES, RAILWAY CARRIAGES, AND WAGONS.

Locomotive Engines and Tenders on their own Wheels—

1d. per ton per mile, S. to S.—Minimum charge, 10s.

When running in steam, 1d. per ton per mile—min. 10s.; but fuel, oil, water, etc., and driver and fireman must be provided by owner or sender. Before being permitted to run, the driver must give proof of his knowledge of the line and general fitness, to the satisfaction of the Chief Mechanical Engineer.

If the Department provides driver, fireman, fuel, oil, etc., the charges for same will be in addition to other charges.

Pilots will be provided by the Department in all cases, whose wages and expenses must be paid by owner or sender.

Locomotive Engines and Tenders (not on their own wheels) Loaded on Railway Wagons:—Class 1, O.R., S. to S.

Railway Wagons (on their own wheels), 3d. per wagon per mile, S. to S.—Minimum, 5s.

New Railway Vehicles (on their own wheels), viz., Carriages, Passenger and Luggage Brake Vans, Horse Boxes, and Carriage Trucks:—

Not exceeding 12 tons each, 4d. per vehicle per mile, S. to S.
 Not exceeding 20 tons each, 6d. per vehicle per mile;
 Packed in cases, Class 1, O.R., S. to S. } Minimum, 5s.

Special Conditions.—All engines, wagons, etc. (on their own wheels) must be examined and passed by the Chief Mechanical Engineer before being allowed to run, and all expenses thereby incurred, together with freight, pilotage, and any other Departmental charge, must be paid in advance. In order to avoid unnecessary delay, where the amount of such expenses and charges cannot be definitely ascertained before running, a deposit equal to the estimated amount must be made, and any undercharge or overcharge adjusted when the correct amount has been determined.

THE INDUSTRIAL CONCILIATION AND ARBITRATION ACT, 1902.

(1 & 2 Edwd. VII., No. 21).

F.S. $\frac{170}{1903}$

Friendly Societies' Office,
Perth, 30th March, 1903.

NOTICE BEFORE CANCELLATION OF REGISTRY.

To the Secretary of the Industrial Union called the Workers' Industrial Union of Carpenters and Joiners, Perth, W.A.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the thirteenth day of May, 1903, to cancel the registration of the above named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—
That for the following reason, which appears to me good, the registration ought to be cancelled.

The continuance of the registration is contrary to the spirit of Section 10 of the Act, seeing that

- (1. There exists in the same locality, and connected with the same industry, an Industrial Union to which the members of this union may conveniently belong.
- (2.) Since the cancellation on the 12th February, 1903, of the Amendment of Rules of this Union, by order of the President of the Court of Arbitration, the rules are not in full compliance with the Act.

Dated this 1st day of April, 1903.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{256}{1903}$

To the Secretary of the Industrial Union called the Hannans and Boulder Amalgamated Mining and Timber Employees Branch of the Amalgamated Union of Workers of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed, on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime. The ground of such proposed cancellation is as follows:—

(a.) The rules are not in accordance with the Act because they combine mining and timber employees, and also because of the definition of member, provided by Rule 2, which is not limited as required by the Act.

(b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{255}{1903}$

To the Secretary of the Industrial Union called the Bulong Branch of the Amalgamated Workers' Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime. The ground of such proposed cancellation is as follows:—

(a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.

(b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{308}{1903}$

To the Secretary of the Industrial Union called the Kanowna Branch of the Amalgamated Workers Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

(a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.

(b.) That prior to any application to amend these Rules, notice of intention to make an application for registration by another Union in the locality had been given, and application was subsequently made, and is still pending. Such other Union is restricted to the specified industry of mining, and should therefore be registered. The locality does not warrant two Unions of miners.

EDGAR T. OWEN,

Registrar of Friendly Societies.

Dated this 2nd day of April, 1903.

THE INDUSTRIAL CONCILIATION AND
ARBITRATION ACT, 1902.

(1 & 2 Edw. VII, No. 21).

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. 1901

To the Secretary of the Industrial Union called the Boulder Block Electric Lighting Company, Limited.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed, on the 28th day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act, unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—
