THE INDUSTRIAL CONCILIATION AND
ARBITRATION ACT, 1902.

(1 & 2 Edwd. VII., No. 21).

Friendly Societies' Office,
Perth, 30th March, 1903.

F.S. $\frac{170}{1903}$

NOTICE BEFORE CANCELLATION OF REGISTRY.

To the Secretary of the Industrial Union called the Workers' Industrial Union of Carpenters and Joiners, Perth, W.A.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the thirteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—
That for the following reason, which appears to me good, the registration ought to be cancelled.

The continuance of the registration is contrary to the spirit of Section 10 of the Act, seeing that

- (1.) There exists in the same locality, and connected with the same industry, an Industrial Union to which the members of this union may conveniently belong.
- (2.) Since the cancellation on the 12th February, 1903, of the Amendment of Rules of this Union, by order of the President of the Court of Arbitration, the rules are not in full compliance with the Act.

Dated this 1st day of April, 1903.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{220}{1903}$

To the Secretary of the Industrial Union called the Hannans and Boulder Amalgamated Mining and Timber Employees Branch of the Amalgamated Union of Workers of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed, on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) The rules are not in accordance with the Act because they combine mining and timber employees, and also because of the definition of member, provided by Rule 2, which is not limited as required by the Act.
- (b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{255}{1902}$

To the Secretary of the Industrial Union called the Bulong Branch of the Amalgamated Workers' Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.

- (b.) Having regard to the fact that there is an existing Industrial Union in the same locality which is limited to the specific industry of mining, I am of opinion, under Section 20, Subsection 2 (a), that there is no occasion for a second Industrial Union in the same locality in common with the same specific industry.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{306}{1903}$

To the Secretary of the Industrial Union called the Kanowna Branch of the Amalgamated Workers Union of Western Australia.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed on the fourteenth day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—

- (a.) No specified industry is mentioned in the Rules to which all the members shall belong, and the definition of member in Rule 2 is not limited as required by the Act.
- (b.) That prior to any application to amend these Rules, notice of intention to make an application for registration by another Union in the locality had been given, and application was subsequently made, and is still pending. Such other Union is restricted to the specified industry of mining, and should therefore be registered. The locality does not warrant two Unions of miners.

Dated this 2nd day of April, 1903.

NOTICE BEFORE CANCELLATION OF REGISTRY.

F.S. $\frac{184}{1903}$

To the Secretary of the Industrial Union called the Boulder Block Electric Lighting Company, Limited.

NOTICE is hereby given that it is the intention of the Registrar of Friendly Societies to proceed, on the 28th day of May, 1903, to cancel the registration of the above-named Industrial Union under the above-named Act, unless cause be shown to the contrary in the meantime.

The ground of such proposed cancellation is as follows:—
That the Company is in liquidation.
