ORDER IN COUNCIL.

FOREIGN MARRIAGES ORDER IN COUNCIL, 1903.

Buckingham Palace, 19th March, 1903.

At the Court at Buckingham Palace, the 12th day of March, 1903.

PRESENT:

The King's Most Excellent Majesty in Council.

WHEREAS by the Foreign Marriage Act, 1892, it is provided (section one) that all marriages between parties of whom one at least is a British subject solemnised in the manner in that Act provided in any

foreign country or place, by or before a marriage officer within the meaning of that Act, shall be as valid in law as if the same had been solemnised in the United Kingdom with a due observance of all forms required by law;

And whereas the said Act also provides (section two) that in every case of a marriage intended to be solemnised under that Act, one of the parties intending marriage shall give such notice as is therein mentioned to the marriage officer within whose district both of the parties have had their residence not less than one week then next preceding; but the said Act makes no provision for cases where one only of the parties has had such residence;

And whereas the said Act (section twenty-one) authorised Her Majesty the Queen in Council to make Regulations for (amongst other purposes) modifying in special cases or classes of cases the requirements of that Act as to residence and notice, so far as such modification should appear to Her Majesty to be consistent with the observance of due precautions against clandestine marriages;

And whereas by the Foreign Marriages Order in Council, 1892, passed in pursuance of the said last-mentioned authority, it was provided (Article six) as follows:—

"6. The following modifications of the requirements of the Foreign Marriage Act as to residence and notice which appear to Her Majesty to be consistent with the observance of due precautions against the solemnisation of clandestine marriages shall have effect in cases where one only of the parties has dwelt within the district of the marriage officer:—

"(1.) A marriage may be solemnised under the Foreign Marriage Act in the official house of a marriage officer in whose district one of the parties has dwelt—

"(a.) If the marriage officer is satisfied that such notice as is mentioned below in Sub-Articles (3) and (4) of that Article has been given of the intended marriage in the place where the other party has dwelt; or

"(b.) If a Secretary of State is satisfied that the intended marriage is not clandestine, and that adequate notice has been given, and gives permission for the same to be solemnised.

"(2.) In either case the oath, affirmation, or declaration under section seven of the Foreign Marriage Act shall, in addition to the matters specified in sub-sections (a) and (c) of that section, state that one of the parties has for three weeks immediately preceding had his or her usual place of abode within the district of the marriage officer, and further state the place where the party who has not dwelt within that district has, within three months immediately preceding, had for three consecutive weeks his or her usual place of abode, and the notice which has been given in that place during those three weeks.

"(3.) The notice to be given where the marriage is not solemnised with the special permission of a Secretary of State shall, if the party has dwelt in a foreign country, be given, entered, and posted up in the manner and during the period provided by the Foreign Marriage Act, in like manner as if the marriage were to be solemnised by or before a marriage officer in that country, and the marriage officer to whom the notice is given in that country shall, on payment of the proper fee, give a certificate that the notice has been so given and posted up, and that he is unaware of any impediment which should obstruct the solemnisation of the marriage.

"(4.) If the party dwells in a place in the United Kingdom, the notice shall be given in the like manner and on payment of the like fee as if that party were about to be married in that place, and in England or Ireland shall be given to the Superintendent Registrar or Registrar, and in Scotland shall be given by proclamation of banns; and the Superintendent Registrar or Registrar shall deal with the notice and give a certificate for marriage in like manner and on payment of the like fee as in the case of a marriage in his district; and the Session Clerk of the parish in which the banns were proclaimed in Scotland shall, in like manner and on payment of the like fee as in the case of a marriage in his district, give a certificate of proclamation of such banns."

And whereas it is expedient that further modifications of the requirements of the said Act, as to residence and notice, should have effect in cases where one only of the parties has dwelt within the district of the marriage officer, and the other has dwelt in a Colony or in India:

Now, therefore, His Majesty, by virtue and in exercise of the powers enabling him in this behalf, is pleased, by and with the advice of his Privy Council to order, and it is hereby ordered as follows:—

1. The following further modifications of the requirements of the Foreign Marriage Act, 1892, as to residence and notice, which appear to His Majesty to be consistent with the observance of due precautions against the solemnisation of clandestine marriages, shall have effect in cases where one only of the parties has dwelt within the district of the marriage officer and the other of such parties has dwelt in a Colony or in India, that is to say:

(1.) If the marriage officer is satisfied that such notice has been given by the party dwelling in such colony or in India as may be provided by any law of that Colony or of the Governor General of India in Council (as the case may be) giving effect to this Order.

(2.) In any such case the oath, affirmation, or declaration required by section seven of the Foreign Marriage Act shall be made subject to the modifications thereof, to which effect is given by Article six of the Foreign Marriages Order in Council, 1892.

2. A law enacted by the Legislature of a Colony or by the Governor General of India in Council shall be deemed to give effect to this Order if it makes provision (in whatever terms expressed) as follows:—

(1.) That a notice of a marriage intended to be solemnised under the Foreign Marriage Act may be given by one of the parties intending such marriage who has had his or her usual place of abode for three consecutive weeks immediately preceding in some place in that Colony or in India (as the case may be) to such marriage Registrar or other officer as may be designated by the law in this behalf;

(2.) That such notice shall be published either by proclamation of banns or in such other manner as the law may provide; and

(3.) That such marriage Registrar or other officer, unless he is aware of any impediment or objection which should obstruct the solemnisation of the marriage, shall, on payment of such fee, if any, as the law may provide, give a certificate that the said notice has been so given and published as aforesaid.

3. In this Order "Colony" and "India" have the same respective meanings as are given to these expressions by section eighteen of the Interpretation Act, 1889.

4. This Order may be cited as "The Foreign Marriages Orders in Council, 1903"; and the Foreign Marriages Order in Council, 1892, and this Order may be cited together as "The Foreign Marriages Order in Council, 1892 and 1903."

And the Right Honourable Joseph Chamberlain and the Right Honourable Lord George Hamilton, two of His Majesty's Principal Secretaries of State, are to give the necessary directions herein as to them may respectively appertain.

A. W. FITZROY.

*Notice of making Crossing.*

13. If any land shall front to, adjoin, or abut upon the footway of any street, and if access with horses and vehicles from such street to such land, or to some sufficient way appurtenant thereto, cannot be had without riding, driving, or wheeling, the same respectively upon or across the said footway, or the channel (if any) lying along the outer edge thereof, and if the owner of such land shall desire that a crossing for horses and other animals and for vehicles be made as herein provided over such footway and channel, and shall give a notice in writing of such his desire to the Council, and in such notice describe the land in question and the proposed work by reference to the specification deposited as hereinafter mentioned, such specification being in accordance with the provisions hereof, and with such regulations as may be in force in that behalf, it shall be lawful for such owner, after seven clear days from the giving such notice and not before (with no unnecessary delay or obstruction), at his own cost, and under the inspection of such officer as the Council shall have appointed for the purpose, to make such crossing according to the tenor of such notice and specification, and not otherwise, and the owner of such land shall afterwards in like manner maintain the same.

*Specification.*

14. Every such owner who desires as aforesaid that any such crossing shall be made shall, before giving notice to the Council as herein provided, deposit with the Town Clerk a specification describing the proposed work with respect to each of the several matters, hereby or by any such regulation in force in that behalf required or provided.

*Immunity of Person giving Irregular Notice in Certain Cases.*

15. Unless within the period of seven days after the receipt of any such notice as aforesaid, the Council shall give notice to the person giving the same that (if the fact be so) such notice or the specification referred to therein and deposited is not in accordance with the provisions of such regulation as aforesaid, such notice and specification shall thereafter, so far only as affects the liability of such person to any penalty, be deemed to be in accordance therewith.

*Nature of Crossing where there is a Street Kerb.*

16. In streets in which, at the site of any such proposed crossing, there is a kerb or stone or wood along the outer edge of the footway, the crossing so far as the footway extends shall have on both sides a kerb not higher in any part than the surface of the footway at that part, and similar in all respects to such first mentioned kerb, and such kerb shall approach to and join the street kerbing in gentle curves outwards; and such crossing shall be of such width, and the surface thereof, so far as the footway extends, shall have such inclination outwards and be depressed so far below the footway, as shall have been respectively appointed by some regulation in that behalf, and shall, with respect to the channel, be so laid or constructed as not to raise or obstruct the same or any part thereof.

*Nature of Crossing where there is no Street Kerb.*

17. In streets in which, at the site of any such proposed crossing, there is no such kerbing as in the last preceding section mentioned, the crossing over the channel shall be such suitable bridge as shall leave a free passage for the water underneath the same, and shall be of such materials, form, length, size, strength, and fall as shall have been respectively appointed by some regulation in that behalf; and the surface of such crossing, so far as the footway extends, shall be so made good by paving, macadamising, gravelling, or otherwise, that the necessary traffic by animals or vehicles over the same shall not cause any damage thereto, but that such crossing shall be as sound and commodious for the passage of persons using the footway as the other portions of such footway adjoining such crossing.

*Departures from Notice, etc., not Punishable in Certain Cases.*

18. No person making any crossing shall be deemed guilty of an offence by reason only of some departure in making such crossing from the notice or specification relating thereto, unless the officer of the Council appointed, as hereinbefore provided to inspect the making of the crossing shall have reported in writing such departure to the Council within three days after the same shall have been discovered, and unless such person, being served by the Council within three days after such report with a notice so to do, shall for the space of seven clear days after such notice have failed to correct or supply such departure.

*Council may alter Improper Crossing; Expenses.*

19. If any crossing shall have been in any respect contrary to this By-law or any regulation in force hereunder, it shall be lawful for the Council, if they shall see fit, to cause the same to be altered so as to conform hereto and to such regulation respectively and to recover in manner in "The Municipal Institutions Act, 1900," provided the expenses of such alteration from the owner of the land to which such crossing shall lead; but they shall not so recover in those cases of departure from the notice or specification which the Council or their officer might respectively

have given notice of or reported but failed to give notice of or report respectively in manner, and within the time provided in the preceding sections hereof.

*Crossings for Private Streets; Expenses.*

20. If any private street shall meet at an angle the footway of any public street and there shall be no crossing upon and across such footway and the channel adjacent thereto, from such private street to such public street, it shall be lawful for the Council, if they shall see fit, to make, in accordance with any regulation in force in that behalf, a crossing upon and over such footway and channel of the description hereinbefore provided with respect to other crossings, and to recover from the owner of each of the tenements abutting on such private street such portion of the expenses of such making as shall bear to the whole of such expenses the same proportion as the rateable value bears to the whole rateable value of the properties so abutting.

*Council may alter Crossings made before Subdivision in force.*

21. If any crossing across or over any footway or channel to any land or way appurtenant thereto, or to any private street, shall have been made before the coming into operation of this subdivision, but shall in any respect not be in accordance with any regulation made hereunder, the Council may, if they shall see fit, cause the same to be altered so as to conform to such regulation; and if such crossing shall have been made contrary to any By-law in force at the time of making of the same, the Council may recover the expenses of such alteration in manner in the last two preceding sections mentioned, according as one or the other may be applicable to the case.

*Repair of Crossings.*

22. If any crossing shall be out of repair, and the person liable hereunder to maintain or repair the same shall, for seven days after notice from the Council to that effect, neglect properly and completely to repair the same, he shall forfeit for every day that such crossing shall remain so unrepaired a sum of Forty shillings; and the Council may, if they shall see fit, effect such repair, and recover the same from such person before any Justice.

*Regulations.*

23. It shall be lawful for the Council from time to time to make regulations for all or any of the purposes following, that is to say:—

For regulating the width, depression, and inclination of crossings across or over footways and channels, and the materials for making and constructing the same; the mode of laying and bedding such materials; the length, width, size, strength, and fall of bridge crossings, and the said inclination and fall, either absolutely or with relation to the levels, inclinations, or fall of the footway or channel, or otherwise, in like manner.

 Under Secretary.

No. 22 of 1903.

#### INDIA—WEST COAST—COCHIN.

Information has been received from the Port Officer, Cochin, that the Bar and Spit buoys at the harbour entrance and the quarantine buoys in the inner harbour at Cochin will be removed for the ensuing

monsoon on the 15th May, 1903, and that, during the period from 15th May to 30th September, 1903, the light hitherto exhibited from the Narakal flagstaff will be exhibited from the Mallipuram flagstaff, the Narakal flagstaff being dismantled.

Presidency Port Office,

No. 23 of 1903.

The following is republished for the information of Mariners.

Presidency Port Office,  
 Madras, 28th April, 1903.

T. G. R. FINNY,  
 Commander, R.I.M.,  
 Presidency Port Officer.

#### NOTICE TO MARINERS.

##### INDIA—WEST COAST—NARAKAL.

The smoothest water will be found in 5½ fathoms L. W. S. T. soft mud on the following bearings magnetic, viz. :—

Mallipuram flagstaff	...	N. 80° E.
Narakal obelisk	...	N. 53° E.
Cochin lighthouse	...	S. 45° E.

2. Mariners are cautioned that the mud flats off Narakal have extended seaward.

3. Narakal flagstaff having been dismantled and removed, the light, bright, fixed, will in future be exhibited from the Mallipuram flagstaff.

4. In taking up an anchorage due consideration should be given to the state of the weather. The anchorage given is a good one for all weathers, but smoother water will be found still further North. Vessels wishing for a quick despatch may, during fine weather, approach nearer Cochin to enable boats to get to and from Cochin between Vypeen point and the sands, but in this position during a fresh breeze a short sea soon gets up, making shipping operation difficult and causing damage to boats.

Port Office, Cochin,  
 25th April, 1903.

G. LEVERETT,  
 Master Attendant of Sircar Ports.

Department of Lands and Surveys,

Perth, 27th May, 1903.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations relating to Residential Leases of lands now open for selection, or which may hereafter be declared open for selection, as Residential Lots.

HERBT. FARMER,  
Acting Under Secretary for Lands.

## REGULATIONS FOR RESIDENTIAL LEASES.

*Repeal.*

1. The Regulations of the 17th day of July, 1901, and all other regulations heretofore made relating to Residential Leases, are hereby repealed.

These Regulations, made this 27th day of May, 1903, shall come into force forthwith.

*Applications.*

2. Any person above the age of eighteen years, resident in Western Australia, and intending to actually reside on the lot applied for, may be an applicant for land set apart for Residential Leases.

But no lease of any lot shall be applied for, granted to, or held by any Asiatic or African alien, or any person having any interest in any other Residential Lot within two miles of the Lot applied for.

3. Every application—

- (1.) Shall be in the form of Schedule A, with the declaration therein contained; and
- (2.) Shall be lodged with the Land Agent for the District; or, in case there is no Land Agent for the District, with the Warden or Resident Magistrate.

4. With every application the applicant shall pay a fee of Ten shillings, and the amount of rent payable in advance, in accordance with the provisions of "The Land Act, 1898," or any amendment thereof, and of the Regulations thereunder.

5. All applications shall be subject to the approval of the Minister. The Land Agent, Warden, or Resident Magistrate shall forthwith forward the application, with his recommendation thereon, and the fee and rent, to the Minister. The applicant may be granted by the Land Agent, Warden, or Resident Magistrate, respectively, permission to occupy the land applied for temporarily, in the form of Schedule B.

6. The granting or refusal of the application shall be in the discretion of the Minister, but priority will, where practicable, be given to married applicants where husband and wife intend to reside on the area applied for.

7. If an application is refused, the rent paid with the application shall be returned to the applicant.

8. (1.) If an application is approved, a lease shall be granted to the applicant in the form or to the effect of Schedule C, as from the first day of the quarter next preceding the date of approval of the application, upon payment by the applicant of a fee of Ten shillings for the cost of the lease.

(2.) On approval of an application, notice shall be given to the applicant by letter sent by post to his address.

(3.) If the fee of Ten shillings is not paid within thirty days after the posting to the applicant of notice of approval, such approval shall be void and the application shall be deemed to have been refused.

9. The granting of any lease shall not be a waiver of the restrictions mentioned in Regulation 2.

*Conditions of Lease.*

10. No lease or interest in a lease shall be held by any Asiatic or African alien, nor by any person under the age of eighteen years, nor by any person who is interested in any other Residential Lease within a distance of two miles.

11. Every lease shall be granted and held subject to the provisions of "The Land Act, 1898," and any amendment thereof (hereinafter referred to as the Act), and the Regulations thereunder in force for the time being relating to Residential Leases (hereinafter referred to as the Regulations).

12. Every lease shall be limited to the natural surface of the land demised, and the land below the natural surface to a depth not exceeding 40 feet if situated within a gold-field or mineral district, and if not so situated, not exceeding 200 feet.

13. The term granted by any lease shall not exceed twenty-one years from the first day of January preceding the date of the application.

14. (1.) The yearly rent for the first eleven years shall be as fixed by the Minister at the date of approval of the application for the lots generally in the Residential Area within which the lot applied for is situated or for the particular lot applied for.

(2.) Until otherwise fixed by the Minister, the yearly rent for the first eleven years shall be Ten shillings.

(3.) The yearly rent for the subsequent period of ten years shall be fixed by the Minister twelve calendar months at least before the expiration of the preceding eleven years.

(4.) The rent shall be payable half-yearly in advance, in accordance with the provisions of the Act.

(5.) The yearly rent payable under any lease granted prior to these Regulations shall be Ten shillings as heretofore, and such rent shall continue payable until the termination of such lease.

15. (1.) Possession of the Residential Lot shall be taken by the applicant within two calendar months of the approval of the application, and thenceforth it shall be used as the habitual abode of the lessee, or some member of his family, for nine months at least in every year, except as provided in paragraph (2) of this Regulation.

(2.) In case of sickness or special necessity, the Minister may, on application in the form of Schedule D, and on payment of a fee of Five shillings, grant the lessee authority in writing to absent himself for any period of such nine months.

16. The lessee shall, subject only to Regulation 15, continue in actual and personal occupation of the land, and, except as hereinafter provided, shall not use the land or permit it to be used for any business, trade, or occupation, or for any purpose whatever other than the *bonâ fide* residence of the lessee.

17. If a lessee, or the husband or wife of a lessee, has or acquires any interest in any other Residential Lot within two miles of the lot, the lease may be forfeited.

But this Regulation shall not apply where the husband or wife of a lessee is permanently living separate and apart from the lessee.

*Transfers.*

18. (1.) No transfer or under-lease shall be allowed without the consent in writing of the Minister in that behalf first obtained, on application in the form of Schedule E. No such consent shall be given within six months of the granting of the lease, except in very special cases.

(2.) On every such application the lease shall be produced, with a statutory declaration by the intended transferee or sub-lessee in the form of Schedule F, and the fee of Twenty shillings shall be paid.

(3.) No transfer or under-lease shall be allowed to any person not entitled to be an applicant for or to hold the lease, and the allowance of any such transfer or under-lease shall not avoid a forfeiture of the lease.

19. No portion of any Residential Lot shall be transferred or sub-let under any circumstances whatever.

*Forfeiture.*

20. (1.) A lease may be forfeited by the Minister—

(a.) If the rent is not fully paid at the times and in manner provided by the Act.

(b.) In case of breach, non-performance, or non-observance of any of the conditions thereof or of the provisions of the Act or Regulations.

(2.) No acceptance of rent, or other act subsequent to any breach, non-performance, or non-observance as aforesaid shall be deemed to be, or operate, or be pleaded as a waiver of the forfeiture, and no forfeiture shall be waived otherwise than by an express waiver under the hand of the Minister.

21. A lease may be determined at the option of the lessee, at the expiration of any year of the tenancy, by notice in writing, given by the lessee to the Minister three months before the expiration of such year.

22. Within one month of the expiration, or sooner determination of any lease, the lessee may remove any buildings or fixtures on the lot.

23. If, in the opinion of the Minister, a lease has been or has become liable to be forfeited, he shall give notice thereof to the lessee by letter sent by post addressed to the lot in question or by notice in the *Government Gazette*; and unless, within the time limited by such notice, the Minister is satisfied to the contrary, the lease may, by notice in the *Government Gazette*, be absolutely forfeited.

*Mortgages.*

24. A lessee may not mortgage his lease without the consent of the Minister. On such consent being given, a lease may be mortgaged in accordance with the provisions of "The Land Act, 1898," or any amendment thereof; and of

the Regulations thereunder, but such mortgage shall only be effected for the purpose of *bona fide* improving the lot. This Regulation shall not apply to mortgages effected prior to the coming into force of these Regulations.

#### Business Permits.

25. (1.) If, in the opinion of the Minister, it is desirable so to do, he may, in his discretion, grant to any lessee permission to carry on, upon his residential lot, any specified business or businesses.

(2.) Such permission shall be granted at such additional annual rent as the Minister may in each case determine, payable half-yearly in advance, as from the next preceding quarter day.

(3.) Such permission shall not be granted in respect of any Residential Lease granted before the publication of these Regulations, but such lease may be cancelled, and a new lease granted in lieu thereof, subject to these Regulations.

26. Application for a business permit shall be made in the form of Schedule G, and a deposit of £5 shall be paid with every application.

27. The application shall be lodged and dealt with as hereinbefore provided in the case of an application for a lease.

28. Before granting permission, the Minister shall satisfy himself, by any such personal or other inquiry as he may deem fit, of the *bona fides* of the application, and that the permission applied for is necessary in the general interest of the neighbourhood.

29. If the Minister refuses to grant the permission applied for, the deposit, after deducting the expenses of the inquiry (if any), to be fixed by the Minister, shall be returned to the applicant.

30. If the Minister is prepared to approve of the grant of a permit, he shall give notice, by letter sent by post to the applicant, of the amount of additional rent fixed; and the applicant shall, within twenty-eight days after the posting of such letter, forward to the Minister the additional rent for the current half-year. If such rent is not received by the Minister within such time, the application shall be forthwith cancelled and the deposit forfeited. If such rent is so received the application shall be deemed granted, and the expense of any inquiry shall be deducted from the deposit, and the balance credited to the lessee on account of future rent.

31. No permission shall be granted for a longer term than five years, or extending beyond the seventh or fourteenth year of the term of the lease, but such permission may be renewed on such terms as the Minister may think fit.

32. Such permission may be granted in the form of Schedule H.

33. The additional rent shall be payable half-yearly in advance, at the times and in manner prescribed for payment of the rent reserved by the lease, and, in case of default in payment in accordance therewith, the permission may be cancelled by order of the Minister.

34. The permission may be cancelled by order of the Minister in his absolute discretion at any time if, in the opinion of the Minister, any business other than the business expressly authorised is carried on upon the residential lot.

35. The permission shall follow every approved transfer or sub-lease of the residential lot.

36. (1.) No lessee shall sell or allow or permit the sale of any liquor on his residential lot by virtue of any license under "The Wines, Beer, and Spirit Sale Act, 1880," or any amendment thereof, for consumption either on or off the premises, without the special permission, in writing, of the Governor.

(2.) No such permission shall be granted for a longer period than one year without the special consent of the Governor, but every such permission may be renewed, and shall be revocable at any time at the discretion of the Minister.

#### Resumption.

37. The whole or any part of a residential lot leased, or agreed to be leased, under these Regulations, may be resumed by the Governor for mining purposes, or for any public purpose whatever, at three months' notice to the lessee, published in the *Government Gazette*; and immediately after the expiration of such three months, all the estate and interest of the lessee therein shall cease and determine as if the lease had never been granted. But on any such resumption, the lessee shall be entitled to receive from the Minister the fair value of any improvements existing on the land resumed, to be ascertained, in the absence of agreement, by one competent person to be appointed by the lessee and one by the Minister, and any difference of opinion

between the said valuers shall be determined by the Resident Magistrate of the District or Warden of the Goldfield within which the land is situate acting as umpire.

#### Transmission.

38. On the death or bankruptcy of a lessee his legal personal representative or the Official Receiver or trustee of his estate may be registered as the lessee, but a transfer to a person entitled to be an applicant for and to hold a lease shall be made by such representative, Official Receiver, or trustee, and be registered within three calendar months, otherwise the lease shall be forfeited.

#### Interpretation.

39. In these Regulations the term "lessee" includes any authorised transferee or sub-lessee.

\* Averages for three years only.

The month was characterised by moderately high barometers and a very scanty rainfall over the South-West and South, and heavy rain throughout the Murchison and Coolgardie Goldfields.

Elsewhere normal conditions prevailed.

Practically no rain fell in the tropics; moderately heavy in the Gascoyne district towards the end of the month, chiefly on the 26th; and very heavy on the East Murchison Goldfields, and over the Coolgardie Goldfields, from the 8th to the 12th.

In the agricultural districts from Geraldton Southwards the fall was a long way behind the average, but general rain set in there on the 31st, and has quite altered the prospects of the farmers. Frosts have been recorded inland, as will be seen from the subjoined table giving the average temperature and the lowest on the surface of the ground at selected stations.
