#### MEETINGS AND PROCEEDINGS.

##### Meetings.

Meetings of the Board shall be of two kinds, ordinary and special. It shall rest with the chairman and any two members of the Board to exclude the public when, in their opinion, it is expedient to do so, providing the business before the Board warrants such action being taken.

No business shall be transacted at any ordinary or special meeting unless at least three of the members of the Board, exclusive of the chairman or member of the Board chosen to preside in his absence, shall be present, and no business shall be transacted other than for which the special meeting is called (2 Edw. 7, Sec. 82).

The Board shall commence business as soon after the time appointed as there are sufficient members present to form a quorum.

At all times for meetings of the Board, when there is not a quorum present within 30 minutes after notified time of such meeting, or when the Board is counted out, which counting out shall take place whenever there shall be less than a quorum present. Such circumstances, together with the names of the members then present, shall be recorded in the minute book.

As the first business at all meetings of the Board the minutes of the preceding meeting shall be read aloud, with a view to their confirmation.

A special meeting may, on the requisition of three members of the Board, be called at any time and in the manner prescribed by the 9th section of the Act; but the chairman may call a meeting of the Board as often as he may think proper.

##### Minutes of Meeting.

In addition to the minute book prescribed to be kept by the 90th section of the Act, a rough minute book shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the secretary, and subsequently re-entered by him in the manner prescribed by the Act, in the minute book. But, during such meeting, he may be called on to read any portion of the rough minutes for the satisfaction of any member of the Board.

Minutes of special or ordinary meetings shall be confirmed at the next ordinary subsequent meeting.

##### Order of Business.

The order of business at all ordinary meetings shall be as follows, that is to say:—

- (a.) Reading and confirmation of minutes of last ordinary and of special meetings, if any.
- (b.) Consideration of business arising out of minutes.

##### Questions.

- (c.) Reading of correspondence (in and out), and taking such immediate action as may be deemed expedient in regard thereto.

##### Consideration of Notices of Motion.

- (d.) Passing of accounts for payment.
- (e.) Presentation of petitions or memorials and committee's reports and consideration thereof.
- (f.) Consideration of tenders and ratification of contracts.
- (g.) Ordinary or other business of the Board.

No discussion shall take place upon the minutes except as to their accuracy or for the ratification of any clerical error.

##### Petitions.

Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Board. The nature of every petition or memorial shall be stated to the Board by the member presenting the same.

##### Tenders.

Tenders for work shall be opened and dealt with when the subject matters of the tenders come to be considered at the meeting of the Board, or by a committee appointed for the purpose.

*Speaker must not digress.*

A member having audience shall not digress from the subject of debate.

*Amendments.*

Whenever an amendment is moved upon an original proposition no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment is carried, it shall displace the original question and become itself the question, whereupon only one further amendment may be moved. If the first amendment be negatived, then a second amendment shall be submitted to the Board for discussion at one time.

On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation, or as the mover of the original question in reply) until the amendment has been put, and has become the amended proposition before the Board.

Any member moving or seconding a motion or amendment in the terms "I move," etc., or "I second," etc., as the case may be, shall be held to have spoken on that question.

*Appointment of Committee.*

The Board may at any meeting appoint three or more members as a committee to inquire into any matter, and make a report and recommendation thereon, but no committee shall incur any financial liability, or in any way commit the Board to any responsibility whatever without express and specific authority conferred by the By-laws or by a resolution of the Board.

The quorum of a committee of three shall comprise two members.

*Finance Account.*

All accounts, bills, and vouchers shall be submitted to the Finance Committee for recommendation to the Board, and, if passed by the Board shall be initialled by the chairman and paid by cheque.

An account shall be opened with such Bank as the Board may direct, and all moneys received from whatever source (with the exception of money granted by the Government) shall be paid into such Bank to the credit of the Board, and no account shall be paid except by cheque signed by the Chairman and one member of the Board and countersigned by the Secretary.

All moneys granted by Government shall be paid to Board's credit at Treasury, and shall only be operated upon to pay actual creditors for work executed on the specific object for which money was granted.

*Urgent Work.*

The Chairman, or any two members in the absence of the Chairman may, in case of urgency, authorise the expenditure of a sum not exceeding £5, but shall, in every case, report the same at the next meeting of the Board.

*Unauthorised Expenditure.*

Every item of expenditure, and every liability incurred by any committee or member of the Board, otherwise than under the authority of the Act or these By-laws, shall be deemed unlawful expenditure.

## PROCEEDINGS AT MEETINGS, AND STANDING ORDERS.

*Rules of Debate.*

It shall be competent for any member to rise to order, on which the member speaking must at once resume his seat and remain silent until the point of order has been succinctly stated by the member who has risen.

The Chairman must thereupon decide the point of order or practice, and, if required, cite the rule applicable to the case, without argument or comment.

It is then competent for any member, not being the member interrupted by the member who rose to order, to demand that the sense of the Board be taken on the point, when the decision of the majority shall prevail, and be final and binding on every member.

*Suspension of Standing Orders.*

In case of urgent necessity, any Standing Order or Orders of the Board may be suspended on motion, duly made and seconded, without notice, provided that such motion has the concurrence of at least three members of the Board.

*Suspension of Standing Orders carried by majority.*

When a motion for the suspension of any Standing Order or Orders appears on the notice papers, such motion may be carried by a majority of the members of the Board.

*Duration of Standing Orders.*

The whole of the Standing Orders shall continue in force until altered, amended, or repealed.

In all cases not herein provided for, resort shall be had to the rules, forms, and practice of the West Australian Houses of Parliament, which shall be followed as far as they can be applied to the proceedings of the Board.

No person, except a member of the committee, shall be admitted at any meeting of such committee without the consent of the members present.

*Nuisances and traffic.*

From time to time the Board may appoint an Inspector of Nuisances, whose duties shall be to see that the following By-laws are duly carried out within the district of the Board:—

The Inspector shall, from time to time, visit and inspect any butcher's shambles, slaughter-house, or yard, or other place, for the purpose of ascertaining that the same is not a nuisance, and the same must at all times be kept thoroughly clean to the satisfaction of such officer.

- (l.) Furiously or negligently riding or driving along any road.
- (m.) Making cellar-door or other opening from the footway of any road without the consent of the Board.
- (n.) Any carter plying for hire without a license.

No person shall erect any signboard, sign, awning, blind, overhanging lamp, or any other thing on or over any footway or road without the permission of the Board. Any person offending against this By-law shall forfeit and pay, upon conviction, a penalty not exceeding £2 for every such offence.

Any person who injures or pollutes any well or watering place which shall have been made or constructed by or under the control of the Board shall be liable to a penalty not exceeding five pounds (£5). #### Cycles.

Every cyclist or person in charge of cycle or motor cars within the district shall observe the rules of the road for vehicle traffic.

No cyclist shall, between the hours of sunset and the following sunrise, ride a cycle within the district unless there is attached to such cycle a lamp which shall exhibit a white light in the direction in which he is proceeding, which lamp shall at all times be kept lighted.

Every cyclist shall carry a bell, which shall be rung as a signal whenever any person on foot or on horse back, or any vehicle is being approached or passed.

No person shall leave any cycles in or on any road, street, or footway so as to become an obstruction, and every person shall remove his cycle immediately upon being requested by any constable or officer of the Board.

No person shall pass at a speed exceeding eight miles an hour any person who shall be riding or driving any horse or any animal.

When a cyclist meets or overtakes any horse or other animal, and such horse or animal becomes restive, or appears likely to get beyond the control of the person in charge thereof, such cyclist shall dismount, and shall remain dismounted as long as may be necessary to avoid accident.
