Office of Public Service Commissioner,
10th November, 1905.

HIS Excellency the Governor in Executive Council has approved of the following appointment:—
Ex. Co. 3850.

JOHN WOOD to be Bailiff and Caretaker, Local Court, Pinjarra.

M. E. JULL,
Public Service Commissioner.

PUBLIC SERVICE EXAMINATIONS.

A COMPETITIVE Entrance Examination to the Clerical Division under the Public Service Act will be held in the hall of the James Street Girls' School, Perth, on January 16th, 17th, and 18th, beginning at 9 a.m.

It is estimated that during the year 1906 there will be twelve vacancies in Class G, 4th Grade, of the Clerical Division.

This being the first examination held under the Public Service Act, message boys already in the service are notified that the terms of their employment are governed by Regulation 284, and that if they are to remain in the service after they have attained the age of 18 years they must obtain a position in the Clerical Division by competitive examination.

Juniors already in Class G of the Clerical Division, namely, those who are in receipt of a salary of £100 per annum or under, should present themselves for examination, as unless they pass this examination now they will be required to pass it before promotion to Class F; and as promotion to this class will also be governed by an examination in connection with clerical duties and attainments, it would be wise to get through the educational test examination without delay.

Candidates must notify the Public Service Commissioner, in writing, on or before the first day of December, 1905, of their intention to present themselves for examination.

The standard required in the subjects prescribed will be about equivalent to that required in the Ex-Seventh Standard of the State schools, and in the Junior Examination of the Adelaide University.

If necessary, examinations will be arranged in other Centres.

M. E. JULL,
Public Service Commissioner.
