And every such union, association, or council to which a copy of the said notice has been sent may, in the manner provided in such Form 13, before the expiry of the period mentioned in the notice, lodge an objection to such registration, which objection the Registrar may take into account when satisfying himself as to the qualifications for registry included or implied under Section 4 of the Act.

REGISTERED NAME.

10. The registered name of every Industrial Union inserted in the Rules thereof must, before registry, contain (except in the case of a company) the words "Union of Employers," or "Union of Workers," according to whether such Union is a Union of Employers or Workers, the name of the industry in connection with which it is formed, and the locality in which the majority of members reside or exercise their calling.

Sections 12 (1) and 22 of Act.
