Every consignment shall be accompanied by,—

- (a.) A statutory declaration of the owner or manager of the farm or station from which the pigs come to the effect that the pigs were, at the time they left such farm or station, and always have been free from the disease of swine fever and from all other infectious or contagious diseases, and had never been in contact with diseased animals, and that the said farm or station had never been visited with swine fever or other infectious or contagious disease.
- (b.) A Government certificate of health signed by a duly qualified veterinary surgeon.
- (3.) Should the pigs arrive at the Port of Fremantle without the said declaration they shall not be permitted to land.
