## Meetings and proceedings.

2. Notice shall be given in writing, by the Chairman or Secretary, of ordinary meetings, at least three days before such meetings, and also of every meeting adjourned for a term exceeding six days. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or

after being present he shall retire, one of the members of the Board, chosen by the ratepayers or members present, as the case may be, shall preside.

3. Meetings of the Board shall be of two kinds, "Ordinary" and "Special." Ordinary meetings are those called by the Chairman or Secretary for the transaction of the ordinary business of the Board. Special meetings are those called to consider special business, the nature of which shall be notified on the notice paper summoning the meeting, for which seven days' notice shall be given. No business shall be transacted at a special meeting other than that for which the meeting was called.

4. Ordinary meetings shall be held at the office of the Board every alternate Tuesday at 8 p.m., unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board.

5. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business shall be transacted at any ordinary or special meeting unless at least three of the Board, inclusive of the Chairman or member of the Board chosen to preside in his absence, shall be present.

6. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

7. At all meetings of the Board where there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), such circumstances, together with the names of the members then present, shall be recorded in the minute book.

8. The minutes of any preceding meeting, whether ordinary or special, not previously confirmed, shall be submitted as the first business at all meetings of the Board in order to their confirmation, and no discussion shall be permitted thereon, except as to their accuracy as a record of the proceedings.

9. The minute book prescribed by the Minister shall be kept, in which any item of business transacted by the Board shall be then and there entered by the Secretary.

## Order of business.

10. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

(a.) Reading and confirmation of minutes of last ordinary and special meetings (if any).

(b.) Consideration of business arising out of minutes.

(c.) Reading of correspondence (received and despatched), and taking such immediate action as may be deemed expedient in regard thereto.

(d.) Presentation of petitions or memorials and committee reports, and consideration thereof.

(e.) Consideration of tenders and ratification of contracts.

(f.) Passing of accounts for payment.

(g.) Motions of which previous notice has been given.

(h.) General business.

(i.) Immediately after the confirmation of the minutes the Chairman may make any communication to the Board which he may deem advisable, or bring under consideration any business he may think necessary; and it shall be competent for any member of the Board to ask any question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at the time.

11. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence of all other.

All notices of motion shall be in writing, and shall be lodged with the secretary seven (7) clear days before ordinary meeting of the Board.

## Order of debate.

12. Any member moving a motion or amendment, or taking part in the discussion thereon, shall stand and address himself to the Chairman, and shall not digress from the subject of debate.

13. A motion or amendment once moved at a meeting cannot be withdrawn unless by consent of the majority of the members of the Board then present.

14. One or more amendments may be proposed on a motion before the Board. When more than one amendment is moved, the question shall be first put on the last amendment, then on the next in succession, and then on the original motion, in the reverse order in which they were moved.

15. A motion or amendment not seconded cannot be discussed by any member except the mover, nor put to the vote by the Chairman.

16. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.

17. When an amendment is carried, the motion as amended thereby becomes a substantive motion, upon which further amendment may be moved before it is finally dealt with.

18. No member shall speak twice on the same subject except by way of explanation, or to an amendment, or in reply upon any original motion, of which he may have been the mover, or as the mover of the last carried motion; nevertheless any member who may have been misunderstood or misrepresented shall be allowed to explain immediately before the mover rises to reply, but not after, and after the reply the amendment or original motion, as the case may be, shall immediately be put to the vote.

19. A member moving or seconding a motion or amendment shall be held to have spoken thereon.

#### *Voting.*

#### *Unauthorised expenditure.*

24. Every item of expenditure and every liability incurred by any committee or member of the Board otherwise than under the authority of the Act or of these By-laws shall be deemed unlawful expenditure, and a breach of this By-law by such person.
