ORDER IN COUNCIL

RELATING TO THE UNITED STATES EXTRADITION ORDER IN COUNCIL, 1907.

Buckingham Palace, 11th February, 1907.

At the Court at *Buckingham Palace*, the 11th day of *February*, 1907.

Present—

The King's Most Excellent Majesty,

Lord President,	Lord Reay,
Lord Chamberlain,	Lord Tweedmouth,
Lord Sandhurst,	Mr. McKenna.

WHEREAS by the Extradition Acts, 1870 to 1906, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Convention was concluded on the 12th day of April, one thousand nine hundred and five, between His Majesty and the President of the United States of America, for the mutual extradition of fugitive criminals, which Convention is in the terms following:—

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and the President of the United States of America, being desirous of enlarging the list of crimes on account of which extradition may be granted under the Conventions concluded between the United States and Great Britain on the twelfth July, one thousand eight hundred and eighty-nine, and the thirteenth December, one thousand nine hundred, with a view to the better administration of justice and the prevention of crime in their respective territories and jurisdictions, have resolved to conclude a Supplementary Convention for this purpose and have appointed as their Plenipotentiaries, to wit:

His Britannic Majesty, the Most Honourable Henry Charles Keith Petty-Fitzmaurice, Marquis of Lansdowne, His Majesty's Principal Secretary of State for Foreign Affairs;

And the President of the United States, the Honourable Joseph Hodges Choate, Ambassador Extraordinary and Plenipotentiary of the United States at the Court of His Britannic Majesty;

Who, after having communicated to each other their respective full powers, which were found to be in due and proper form, have agreed to and concluded the following Articles:—

ARTICLE I.

The following crimes are added to the list of crimes numbered one to ten in the first Article of the said Convention of the twelfth July, one thousand eight hundred and eighty-nine, and to the list of crimes numbered eleven to thirteen in Article I of the Supplementary Convention concluded between the United States and Great Britain on the thirteenth December, one thousand nine hundred, that is to say:—

14. Bribery, defined to be the offering, giving, or receiving of bribes made criminal by the laws of both countries.

15. Offences, if made criminal by the laws of both countries, against bankruptcy law.

ARTICLE II.

The present convention shall be considered as an integral part of the said Extradition Conventions of the twelfth July, one thousand eight hundred and eighty-nine, and the thirteenth December, one thousand nine hundred, and the first Article of the said Convention of the twelfth July, one thousand eight hundred and eighty-nine, shall be read as if the lists of crimes therein contained had originally comprised the additional crimes specified and numbered fourteen and fifteen in the first Article of the present Convention.

The present Convention shall be ratified, and the ratifications shall be exchanged either at Washington or London as soon as possible.

It shall come into force ten days after its publication in conformity with the laws of the High Contracting Parties, and it shall continue and terminate in the same manner as the said Convention of the twelfth July, one thousand eight hundred and eighty-nine.

In testimony whereof the respective Plenipotentiaries have signed the present Convention in duplicate, and have thereunto affixed their seals.

Done at London, this twelfth day of April, one thousand nine hundred and five.

(L.S.) LANSDOWNE,
(L.S.) JOSEPH H. CHOATE.

And whereas the ratifications of the said Convention were exchanged at Washington on the twenty-first day of December, one thousand nine hundred and six.

Now, therefore, His Majesty by and with the advice of His Privy Council, and in virtue of the authority committed to Him by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of February, one thousand nine hundred and seven, the said Acts shall apply in the case of the United States and of the said Convention with the President of the United States of America.

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in 1886, and entitled "An Act respecting the Extradition of Fugitive Criminals," shall continue in force there and no longer.

"GOVERNMENT GAZETTE."

The Treasury,
Perth, 8th March, 1907.

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has approved of the following Regulations for the control and management of the printing and publication of the *Government Gazette*.

L. S. ELIOT,
Under Treasurer.

REGULATIONS TO BE STRICTLY OBSERVED WITH A VIEW TO EFFECTING ECONOMY IN THE PRINTING AND PUBLICATION OF THE "GOVERNMENT GAZETTE."

1. The *Government Gazette* will be published once a week—on Friday, unless otherwise interfered with by Public Holidays or other unforeseen circumstances, when the alteration will be duly notified.

2. Supplements to the *Gazette* will only be published when approved by a Minister, except such as are required by statutory obligation or to meet the special requirements of the Colonial Treasurer.

3. Notices for insertion in the *Gazette* must be sent to the Government Printing Office in reasonable time—none later than 10 o'clock of the day preceding the day of publication, and when possible, several days before that time.

4. Proofs of Departmental Notices will be supplied, but must be returned not later than 3 p.m. of the day preceding the day of publication, and duly certified for issue by a responsible officer.

5. Notices or proofs delayed beyond the time mentioned will be held over for insertion in the following issue.

6. Wherever possible, in order to economise space without altering the sense, Notices shall be grouped, or tabulated with one date and signature.

7. Notices should bear the date of the *Gazette* in which they are first to be inserted, unless there are special reasons for giving any Notice a different date.

8. Every Notice forwarded for publication in the *Gazette* must show the number of insertions required, and the responsibility of indicating the requirements of the law in that respect will rest with the Department from which it issues. Unless so notified, only one insertion will be made.

9. When any Notice is marked for more than one insertion it must be stated whether such Notice should be published in full in each issue or in the first issue only. If only one insertion in full is necessary, abbreviated notice should be furnished for subsequent insertions. Nothing in this Regulation will affect the Government Printer's right to repeat a notice when required for "make-up" purposes.

10 Care must be exercised in the preparation of Departmental Notices for the *Gazette*, to save as far as possible corrections, alterations, and additions when in type. The Notices should be legibly written on one side of the paper only. Signatures and proper names must be written very plainly in the text. All documents illegibly written will be returned unpublished.

11. Demands for copies of Notices which appear in the *Gazette* should be sent in with the MS. or the returned proofs. Such demands should be as limited as possible, and not made unless necessary.

12. Private advertisements forwarded for publication in the *Gazette* must be written on one side of the paper only, and must be legible (signatures and proper names in particular), otherwise they will be returned unpublished. Such Notices must be paid for prior to insertion.
