No. 12385.—C.S.O.

LOCAL BOARD OF HEALTH—DISTRICT OF  
NORTH PERTH.

THE HEALTH ACT, 1898.

BY-LAWS.

*Colonial Secretary's Office,**Perth, 3rd May, 1907.*

1898

HIS Excellency the Governor in Council has been pleased to approve the following By-laws made by the North Perth Local Board of Health.

F. D. NORTH,

Under Secretary.

## PART I.—GENERAL.

WHEREAS by "The Health Act, 1898," and the Acts amending the same, the Local Board of Health has power to make By-laws and power to repeal By-laws: Now, therefore, in pursuance of the powers in that behalf contained in the said Act and the Acts amending the same, the Local Board of Health doth hereby repeal By-laws numbers 59 to 92, gazetted on the 8th day of September, 1905, and doth hereby make the following By-laws in lieu thereof:—

## INTERPRETATION.

The following words in these By-laws shall be interpreted as follows:—

"Offensive material" means and includes dust, mud, ashes, rubbish, filth, blood, offal, manure, dung, soil, or any other material which is offensive, collected, placed, or found in or about any house, stable, cowhouse, pigsty, lane, yard, street, or place whatsoever.

"House refuse" means and includes all rubbish or waste materials.

"Closet" means and includes water-closets, earth-closets, and privies.

"Approved" means approved by the Local Board.

"Foundation" means the solid ground or artificially formed support on which the footings of a wall rest.

"Occupier" means the inhabitant occupier of any land, or, if there be no inhabitant occupier, the person entitled to the possession thereof, and shall include leaseholder, or holder under agreement for lease.

"Board" means the Local Board of Health for the District of North Perth.

## BY-LAW No. 93.

*Regulating the removal of dust, mud, ashes, rubbish, filth, blood, offal, manure, dung, or soil collected, placed, or found in or about any house, stable, cowhouse, pigsty, lane, yard, street, or place whatsoever.*

(a.) The occupier or owner of every house or premises shall at least once a week remove therefrom all offensive material found in or about such house or premises.

(b.) He shall cause such offensive material to be conveyed to such places as may from time to time be appointed by the Board.

(c.) Every person who shall convey any offensive material through or along any street or lane shall, previous to and during the whole time of such conveyance, cause such offensive material to be covered with a suitable deodorant, or shall adopt such other precautions as may be necessary to prevent the emission of noxious or offensive odours or effluvia therefrom, and the same shall not be deposited in any place other than the place set apart by the Board for that purpose.

(d.) He shall, for the purpose of such removal, in every case use or cause to be used a suitable vessel or receptacle, cart, or vehicle, properly constructed and furnished with a sufficient covering so as to prevent the escape of the contents thereof.

(e.) If, in the process of such removal, any person shall slop or spill or cause or allow to fall upon any footway, pavement, carriage-way, or public place any such offensive material, he shall forthwith remove such offensive material from the place whereon the same may have been slopped or spilled or may have fallen, and shall immediately thereafter thoroughly cleanse such place.

## BY-LAW No. 94.

*Requiring the occupiers of houses or premises to provide boxes or other specified receptacles for the temporary deposit of house refuse.*

(a.) The occupier of every house or premises shall, on written notice from the Inspector, and within the time specified in such notice, provide such and so many covered receptacles and of the dimensions and materials required by the Board for the temporary deposit of house refuse.

(b.) The occupier of such house or premises shall daily collect all house refuse from such premises and place the same in the receptacles, and he shall not permit or suffer any such receptacle to overflow, be left uncovered, or become offensive; and shall, when necessary or when directed by the Inspector or officer of the Board, thoroughly cleanse and disinfect the same forthwith.

(c.) He shall keep every such receptacle as aforesaid in such place or position as the Inspector may direct, and so as to be convenient for the removal of the contents thereof.

(d.) He shall cause every such receptacle as aforesaid to be emptied at least once a week, or as often as the Board may direct.

(e.) He shall, after notice from the Inspector, and within the time stated in such notice, replace by a new and approved receptacle any receptacle that the Inspector may deem to be worn out or unfit for use.

(f.) He shall cause the contents of every such receptacle to be removed at least once a week, or so much more frequently as the Board may from time to time direct, to the depot set apart for the reception of refuse, and there forthwith effectually destroy the contents by burning, or completely burying the same at least six inches under the surface of the ground.

## BY-LAW No. 95.

*For regulating the times and manner of the cleansing, emptying, and managing of earth-closets, privies, cesspools, and places for the deposit of nightsoil, offal, blood, or other refuse matter, etc.*

(a.) The occupier of any premises shall once at least in every week cleanse every earth-closet or privy belonging to such premises, and he shall at such time cause the floor, seat, and riser of every such earth-closet or privy to be thoroughly cleansed.

(b.) He shall at least once a week thoroughly cleanse every receptacle or place upon his premises used for the deposit of offal, blood, or other refuse matter.

(c.) Every person transporting nightsoil, offal, blood, or other offensive matter shall use for the purpose efficient, impervious, and air-tight receptacles, and so constructed as to prevent the escape of any of the contents thereof, or of any noxious or offensive odours or effluvia therefrom whilst in transit, and he shall adopt such other precautions as may be necessary to prevent the emission of noxious or offensive odour or effluvia therefrom, and the transported material shall not be deposited in any place within the district other than the place set apart by the Board for that purpose.

(d.) No person shall remove nightsoil or urine, whether mixed with other substances or not, from any place or depot duly authorised for the reception, utilisation, or deposit of the same without first subjecting such nightsoil or other matter to a heat of not less than 212 degrees Fahrenheit for not less than thirty minutes, and then only with the consent, in writing, of the Board.

(e.) Every person depositing nightsoil, offal, blood, or other offensive material in any depot duly appointed for that purpose shall deposit such material in a trench not exceeding four feet in depth, and shall immediately after making any such deposit cover it completely with a layer of clean earth not less than nine inches thick.

## BY-LAW No. 96.

*For the rendering the foundation of any new building and the ground over which such building is to be placed dry, sound, and well drained, so that no water soakage shall lodge there from the drainage of buildings.*

(a.) Every person who shall erect a new building shall cause the intended site of any such building to be properly and thoroughly drained; he shall also cause any soakage or drainage from the adjoining sites or buildings to be completely diverted from the site of such new building.

(b.) He shall cause the whole top surface of every foundation wall of such new building to be completely covered with an approved damp course composed of impervious and durable materials.

(c.) He shall cause such damp course to be placed beneath the level of the lowest timbers of the lowest floors of such new building, and if any breaks are made in the horizontal layers of the damp course such breaks shall be properly connected with damp-proof material.

(d.) He shall cause every part of an external wall of such building which is below the surface of the ground adjoining it and above the damp course to be sufficiently protected from contact with the ground by rendering such part with some approved impervious material, such rendering to extend for three inches above the surface of the ground and three inches below the horizontal damp course.

## BY-LAW No. 97.

*Requiring all existing cesspools to be cleansed and filled up, etc.*

- (a.) The owner or occupier of any premises upon which there is an existing cesspool shall, within a calendar month after the service of a notice from the Inspector requiring the cleansing and filling up of such cesspool, remove or cause to be removed from any such cesspool all nightsoil, urine, filth, or other offensive matter that may be therein, and thereupon completely fill such cesspool with approved material.
- (b.) No cesspool shall be deemed to be constructed and situated as required by these By-laws unless it is constructed in accordance with the requirements set out in Schedule "B," and situated at least 20 feet from any dwelling.

## BY-LAW No. 98.

*Requiring for each closet the supply of a sufficient number of receptacles for excrementitious matter, etc.*

- (a.) Every owner of a closet shall provide in connection with such closet one or more receptacles for excrementitious matter, as required by the Board. He shall cause such receptacles to be constructed out of not less than 22-gauge galvanised iron, and the dimensions of such receptacles shall be 14½ inches high, 13½ inches diameter (inside measurement) when completed. The ring around the top to be made of 1-inch by ½-inch iron, with four holes punched at equal distances apart, and riveted to the body so as to fit same neatly, and be level across the top; the seams of the body shall be folded and grooved and sweated with solder, two straps to be put across the bottom of the pan made of 20-gauge galvanised hoop iron 1½ inches wide, and swaged and riveted to the bottom. Handles made of ¾-inch round iron shall be properly secured to the external opposite sides of the body at five inches below the top of the body, and projecting not more than 2 inches from the side thereof.
- (b.) Every owner of a water-closet shall provide such closet with an approved earthenware pedestal, fitted with all proper traps, vents, and flushing tanks.

## BY-LAW No. 99.

*Determining the mode and frequency of removal of such receptacles and the disposal of the contents.*

- (a.) Every person removing a receptacle from a closet shall at once cover the same with an approved tight-fitting lid, and upon every such removal shall place carefully in the panstead of the closet a cleansed pan of the pattern described in By-law 98 in lieu of the pan removed.
- (b.) He shall then remove the closed pan in a cart or other approved vehicle to the depot, and thereupon dispose of the contents of the pan in the manner prescribed in paragraph (e) of By-law No. 95.
- (c.) Every occupier shall at least once in every week cause each closet pan with its contents to be removed.
- (d.) He shall, if more than six and not more than ten persons use such closet, cause each closet pan with its contents to be removed at least twice a week.
- (e.) He shall, if more than ten and not more than fifteen persons use such closet, cause the pan to be removed at least three times a week.
- (f.) He shall, if more than fifteen and not more than twenty persons use such closet, cause the pan to be removed nightly.
- (g.) He shall not permit any closet on his premises to be used by more than twenty persons.
- (h.) All premises licensed under the provisions of the Wines, Beer, and Spirits Sale Act, and any amendment thereof, shall be provided with double the sanitary accommodation required by these By-laws in respect of private premises.
- (i.) Every occupier shall cause the receptacle to be removed from each closet so much more frequently than is prescribed previously in this By-law as the Board may from time to time direct.
- (j.) Every occupier shall cause to be kept in each closet a sufficient supply of approved deodorant, and means for using the same, and shall cause all nightsoil or other matter which may be deposited in the pan of such closet to be immediately deodorised with a sufficient quantity thereof.

## BY-LAW No. 100.

*For the mode of carriage of and precautions to be observed in carrying meat to and from abattoirs or butchers' shops or premises; also for the mode of carriage of and precautions to be observed in the carriage of bread and fruit.*

- (a.) Every person who shall carry, or cause or suffer or permit to be carried, any meat to or from any abattoir or butcher's shop, or who shall carry, or cause or suffer or permit to be carried, any bread or fruit, shall cause such meat or bread or fruit to be carried in a properly covered vehicle, basket, or other receptacle, so as to be completely protected from sun, weather, dust, flies, or other source of contamination.

- (b.) No person trading in meat, bread, or fruit shall suffer or permit any person who is suffering from any contagious or infectious disease, or who is dirty in his person or clothing, to be employed in the handling, packing, or carriage of meat, bread, or fruit.

## BY-LAW No. 101.

*For the registration annually with the Board of all persons carrying on the trade of cowkeepers, etc.*

- (a.) Every person who carries on the trade of a cow-keeper, dairyman, or purveyor of milk shall register with the Board; such registration shall be made within three months of the gazetting of this By-law, and afterwards in the month of January in each succeeding year, by all persons who are engaged in any such trade at the time of the aforesaid gazetting; and every person who intends to embark or newly carry on any such trade subsequent to the gazetting of this By-law shall register in manner aforesaid prior to so embarking or carrying on, and afterwards in each succeeding year as aforesaid.
- (b.) Every such person shall make application for registration in the form of Schedule "A" hereto, and shall pay the fee of fifteen shillings.

## BY-LAW No. 102.

*For the securing of the cleanliness of bakeries, milk stores, milk shops, and of milk vessels, etc.*

- (a.) No person shall carry on the trade of a baker unless the interior face of the walls of the bakehouse or any other building or part of a building in which he carries on his trade are smooth and impervious throughout, nor unless the ceilings shall be properly ceiled, nor unless the floors shall be hard, smooth, and impervious throughout.
- (b.) He shall not carry on the trade of a baker unless the bakehouse or any other building or part of a building which he occupies for the purposes of his trade is properly and effectually ventilated by permanent inlets and outlets, communicating directly with the outer air, in such a way and at such a height as to prevent the entrance into the bakehouse or such other premises of dust and dirt.
- (c.) No bakehouse or other building occupied by him as aforesaid shall be in direct communication with any coal or other cellar, nor with any water-closet, earth-closet, privy, ashpit, ashbin, drain inlet, nor with any wash-house, nor with any room, yard, or area which may be a nuisance, or cause contamination by foul air, dust, or dirt.
- (d.) He shall provide, outside the bakehouse, approved conveniences, and sufficient and suitable materials for personal ablutions.
- (e.) He shall cause all troughs, tanks, utensils, machinery tools and appliances of every kind used in connection with his trade to be kept always in a thoroughly clean condition, in good repair, and to the satisfaction of the Inspector.
- (f.) He shall cause all the inside surfaces of the walls of his bakehouse, or of any other building or part of a building occupied by him for the purposes of his trade, and all the ceilings thereof, whether such walls or ceilings be plastered or not, to be either properly painted or washed with lime or other approved material, or to be partly painted or partly washed; and where limewash is used, he shall cause the same to be renewed every six months, or oftener, if so required by the Inspector, and where paint is used, he shall cause the same to be thoroughly cleansed at least once in every six months, or oftener, if so required by the Inspector; and the painting shall be renewed whenever required by the Board.
- (g.) He shall cause the whole of the premises wherein he carries on his trade to be swept and thoroughly cleansed at least once a day, and he shall, at least once in every week, cause all the floors to be thoroughly cleansed.

## BY-LAW No. 103.

*For prescribing the time of and the precautions to be taken on the removal of pigwash and other filthy matter.*

- (a.) No person shall remove any pigwash or other filthy matter between the hours of 9 a.m. and 8 p.m.
- (b.) He shall not remove any pigwash or other filthy matter, unless such pigwash or filthy matter be carried in water-tight barrels or tanks securely covered to prevent the escape of any of the contents thereof, or the emission of any offensive odour therefrom.
- (c.) He shall cause every tank or barrel used for the removal of any pigwash or filthy matter, and every conveyance or vehicle used for the carriage or removal of any such matter as aforesaid to be kept in a thoroughly clean condition, and in good repair.

## BY-LAW No. 104.

*For the cleansing of all vehicles and other things used for the carriage of meat to and from abattoirs, butchers' shops, and other places.*

- (a.) Every person who shall carry, or cause or suffer or permit to be carried, any meat to and from any abattoir, butcher's shop, or other place, shall cause the vehicle, basket, or other receptacle in which such meat is carried, to be first thoroughly cleansed, and kept at all times in a thoroughly clean condition.
- (b.) He shall not permit such meat to be wrapped or enveloped in any material, unless such wrapper or envelope is perfectly clean and suitable.

## BY-LAW No. 105.

*For the precautions to be taken in the carriage of articles of food in vehicles, and other things for delivery to purchasers, and the way in which such articles shall be carried.*

- (a.) Every person who shall carry, or cause or suffer or permit to be carried, any article of food in a vehicle or other thing for delivery to a purchaser shall not permit or suffer any such article to be carried in a vehicle or other thing that is not perfectly clean, or which has been used for the carriage of manure, dung, filth, or any offensive matter whatever.
- (b.) He shall not suffer or permit any person who is suffering from any contagious or infectious disease, or who is dirty, to be employed in the carriage, handling, or packing of any such article.
- (c.) He shall cause all such articles, whilst being carried to a purchaser, to be properly protected from contamination.

## BY-LAW No. 106.

*For the prevention of the sale of diseased and unwholesome fruit or fish in markets, warehouses, shops, streets, and other places, and for the destruction of cases and packing materials which have contained or surrounded such fruit or fish.*

No person shall sell or expose for sale in any market, warehouse, shop, street, or other place, any fruit or fish which is diseased or unwholesome, and any fruit or fish which in the opinion of an Inspector is diseased or unwholesome shall be destroyed as the Inspector may direct, and all cases or packing material in which such diseased or unwholesome fruit or fish was contained or surrounded shall also be destroyed as the Inspector may direct.

## BY-LAW No. 107.

*For the prevention of the storage or keeping of bone-dust, etc.*

No person shall store or keep any bone-dust or artificial or other manure so as to be a nuisance or injurious to health.

## BY-LAW No. 108.

*For the prevention of the keeping of animals of any kind so as to be a nuisance or injurious to health.*

- (a.) Every owner or occupier of a building or premises wherein or whereon any horses or other beast of draught or burden, or any cattle, swine, or other animals of any kind may be kept, shall provide in connection with such building or premises a suitable receptacle for dung, manure, soil, filth, or other offensive or noxious matter which may, from time to time, be produced in the keeping of any such animal in such building or upon such premises.
- (b.) He shall also cause such receptacle to be constructed in such a manner, and of such materials and to be maintained at all times in such a condition as to prevent any escape of the contents thereof, or any soakage therefrom into the ground or into the wall of any building.
- (c.) He shall cause such receptacle to be furnished with a suitable cover, and when not required to be open, to be kept properly covered or roofed in.
- (d.) He shall likewise, when so ordered by the Board, provide, in connection with such building or premises, a sufficient drain constructed in such a manner and of such materials and maintained at all times in such a condition as effectually to convey all urine or liquid filth, or liquid refuse therefrom into a sewer, impervious sump, or other proper receptacle, and he shall not suffer or permit such sump or receptacle to overflow or become offensive.
- (e.) He shall also, when so ordered by the Board, provide in connection with such building or premises a sufficient floor upon which any such animal shall be stalled, and such floor shall be constructed in such a manner and of such materials and maintained at all times in such a condition as effectually to convey all urine or liquid filth falling or deposited thereon to the drain aforesaid.
- (f.) He shall also cause all dung, soil, filth, or other offensive or noxious matter to be collected daily and placed in the receptacle described in paragraphs (a), (b), (c), and (d) of this By-law, and he shall not permit or suffer such receptacle to overflow or become offensive.
- (g.) He shall at least once in every week, remove or cause to be removed from the receptacles provided in accordance with the requirements of this By-law, all dung, manure, urine, soil, filth, or other offensive or noxious matter produced in or upon such building or premises and deposited in such receptacles.

## BY-LAW No. 109.

*Defining an area within which swine may not be kept, and determining the conditions under which swine may be kept in any part of the district.*

- (a.) No person shall keep any swine within 100 feet of any dwelling house, milking shed, milk room, or any building within which food intended for human consumption is prepared or stored.
- (b.) The conditions under which swine may be kept shall be those embodied in the By-laws for piggeries.

## BY-LAW No. 110.

*For the prevention of danger to the public from manufactories or places for the storage, keeping, or sale of inflammable materials.*

- (a.) No person occupying any building or premises shall store, keep, or hold for sale any dangerously inflammable materials in excess of 20 cubic feet in measurement, unless such materials are enclosed or surrounded by fireproof walls, covered by a fireproof roof, and are placed on a fireproof floor.
- (b.) Any person who, after four hours' notice from an Inspector, shall neglect to remove from any building or premises occupied by him any inflammable material kept or stored in contravention of the preceding provisions shall be guilty of an offence against this By-law.

## BY-LAW No. 111.

*For the disinfection of and the prevention of nuisance or injury to health from poultry yards, rags, or other materials used or stored in marine stores, flock, or bedding, or furniture manufactories.*

- (a.) No person shall keep any poultry yard within 25 feet of a dwelling house, or so as to be a nuisance or injurious to health.
- (b.) Every person who shall keep a poultry yard shall keep such yard in a clean condition, and shall at least once a week or oftener if so required by the Inspector, collect and remove all dung or other offensive matter therefrom, and effectually disinfect the surface of the yard, and all structures, boxes, perches, fences, or incubators that may be thereon or therein with lime or other approved disinfectant.
- (c.) Every person using or storing rags or other materials in marine stores, flock, bedding, or furniture manufactories, shall keep or store the same so as not to be a nuisance or injurious to health.
- (d.) He shall, whenever required so to do by an Inspector, disinfect any such materials on the premises in or upon which such materials are kept or stored in the manner directed by the Inspector.

## BY-LAW No. 112.

*For regulating the position and manner of construction of privies, earth-closets, and cesspools or urinals.*

- (a.) No person shall erect any earth-closet, privy, cesspool, or urinal within 20 feet of any dwelling house, or within 50 feet of any well, stream, or reservoir.
- (b.) No person shall erect any earth-closet, privy, or urinal, the walls of which are not of stone, wood, wood and iron, brick, or other approved material. Ventilating outlets shall be also constructed in each such closet, as near the ceiling as practicable, and each such outlet shall be not less than 50 square inches in area.
- (c.) He shall provide every such earth-closet or privy with a proper roof, floor, and door, and the door shall be hung so that its bottom edge is at least three inches above the floor.
- (d.) He shall cause every earth-closet or privy upon his premises to be fitted in the following manner:—  
The seat to be hinged so as to lift up for inspection and cleansing.  
The riser to be removable and not to come within three inches of the floor.  
Guide bars to be inserted so as to insure the pan being placed in exact position.  
The top of the pan when in position under the seat to be not more than one inch from the underside of the seat.  
A service or trap door to be fitted to enable the pan to be readily withdrawn from outside.  
Unless the floor is constructed of impervious materials, a metal safe or tray to be placed under the pan, so laid and fitted that any spillage or leakage from the pan shall be received by it, and be discharged over and clear outside of the sill of the service door frame.
- (e.) He shall cause every urinal erected upon his premises to be so constructed that all urine deposited therein shall be conducted to a removable impervious receptacle of approved dimensions and manufacture, or to a septic tank, cesspool, or other approved system of drainage.
- (f.) He shall cause every cesspool erected upon his premises to be constructed of impervious and durable materials, and in the manner prescribed in Schedule "B."

## BY-LAW No. 113.

*For the prevention of the use of steam whistles at factories, or other establishments, so as to be a nuisance to any person.*

No person, or owner, or occupier of any factory or other establishment shall use, or cause or suffer or permit to be used, any steam whistle so as to be a nuisance to any person.

## BY-LAW No. 114.

*Specifying the time which may elapse between the giving of a notice and the doing of a thing required by the Inspector.*

(a.) In the case of any notice given by an Inspector under Section 169 of "The Health Act, 1898," the time which shall elapse between the giving of a notice and compliance therewith, shall, if the notice relates to the removal of stagnant water, be two working days, and when the notice requires the removal of manure, dung, soil, or other offensive or noxious matter, the time which shall elapse shall be one working day.

(b.) Under By-law 2, paragraph (a), seven days shall be allowed, under paragraph (b), one day, and under paragraph (c), two days shall be allowed for compliance.

Under By-law 94, one calendar month shall be allowed for compliance.

Under By-law 102, paragraph (f), 48 hours shall be allowed for the renewal of limewashing, and seven days for the renewal of painting or varnishing.

Under By-law 106, diseased or unwholesome fish or fruit shall be destroyed within four hours, the cases and packing material within twenty-four hours.

Under By-law 110, paragraph (b), the time allowed shall be four hours.

Under By-law 111, paragraph (d), the time allowed shall be 24 hours.

## BY-LAW No. 115.

*For preventing nuisances arising from any offensive matter in or running out of any manufactory, brewery, slaughter-house, knacker's yard, butcher's or fishmonger's shop, laundry, or dunghill.*

(a.) No owner, occupier, or other person shall suffer or permit any offensive matter from any manufactory, brewery, slaughter-house, knacker's yard, butcher's or fishmonger's shop, laundry, or dunghill, to escape and flow upon any street, footway, lane, public place, or land.

(b.) He shall cause all such offensive matters to be placed in approved covered receptacles, and disposed of as prescribed in By-law 99.

## BY-LAW No. 116.

*For preventing any person expectorating on any made footpath in any street or public place, or on any building to which the public have access, or any approach thereto, or on any railway carriage, tramcar, or other public conveyance.*

No person shall expectorate on any made footpath in any street or public place, or in any building to which the public have access or any approach thereto or on any railway carriage, tramcar, or other public conveyance.

## BY-LAW No. 117.

*And generally for the abatement and prevention of nuisances not hereinbefore specified, and for securing the healthfulness of the district and of its inhabitants.*

(a.) All receptacles required by "The Health Act, 1898," or under these By-laws, shall be kept in good repair and in an inoffensive condition, by the householder, occupier, or person having the custody or use of them.

(b.) In the event of death, or any accident necessitating the slaughter of any horse, cattle, sheep, or other animal, the carcase of such animal shall, if ordered by the Inspector, be removed to the depot, and there thoroughly burned, destroyed, or properly buried by the owner or person in charge of such animal.

(c.) No person shall burn any offal, rags, clippings, or parings of leather, or any offensive matter, so as to be offensive to any person or resident in the neighbourhood of such burning.

(d.) No foul or offensive water, or other offensive or putrescible liquid, and no garbage, sweepings, or other offensive matter or thing shall be pumped, emptied, swept, thrown, or otherwise discharged or deposited in or upon any street, lane, yard, vacant land, or other place whether public or private, other than the place set apart by the Board for that purpose.

## BY-LAW No. 117A.

*That a pan cleansed by superheated steam or some equally efficient means approved by the Board be left in its place.*

(a.) Every nightman or contractor for the removal of nightsoil shall cause every closet pan, after the disposal of its contents, to be thoroughly cleansed in a steam-tight box or chamber with superheated steam of a temperature not less than 280° F., and a superheat of not less than 40° F., such steam to be applied to the pan for not less than two minutes; should the steam from any cause be of less temperature, its application to the pan must be proportionally prolonged, but in no case shall the temperature of the steam in the box or chamber be used for cleansing purposes if below 212° F., and then the pan shall be subjected to its application for not less than 15 minutes; or

(b.) He may cleanse every such pan in the following manner:—

By thoroughly washing and scrubbing in water, then rinsing in clean water, and finally immersing the pan in a bath of disinfecting solution of a strength equal in germicidal value to a five per cent. solution of pure carbolic acid for not less than five minutes; or

By thoroughly cleansing and disinfecting in some other approved manner.

(c.) He shall cause the internal surface of every closet pan and the underside of the tight-fitting lid to be properly coated with coal-tar that has been twice boiled, and he shall renew such coating whenever necessary and so as to properly protect the whole internal surface of the pan and the underside of the lid.

## BY-LAW No. 118.

*That individual householders shall not contract for the removal of either nightsoil or any other refuse except in accordance with the By-laws and regulations of the Board.*

No individual householder shall contract for the removal of nightsoil or any other refuse except with the person licensed by the Board and in accordance with these By-laws.

## BY-LAW No. 119.

*That all buildings be provided with spouting, downpipes, and drains sufficient to carry off all storm or rain water.*

(a.) Every owner shall cause, when so ordered by the Board, all buildings upon his premises to be provided with spouting and downpipes sufficient to receive without overflowing all rain water flowing into them.

(b.) He shall cause all such spouting to be fixed to the eaves of every roof of every building on his premises so that all rain water flowing from the roof shall be received by such eaves gutters.

(c.) He shall cause proper downpipes to be fixed to each building and connected to the eaves gutters as shall be sufficient for preventing overflow from the said gutters.

(d.) He shall, in connection with his premises, provide and lay such proper drains and with such falls as shall be sufficient to carry off from such premises all storm or rain water, and he shall maintain all such spouting, downpipes, and drains in good order and efficient action.

## BY-LAW No. 120.

*Penalties for breaches of By-laws.*

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default as particularly provided for in "The Health Act, 1898," to a penalty not exceeding ten pounds for every breach of any such By-law, or to a penalty not exceeding five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered may order the whole or part only (not being less than five shillings) of such penalty to be paid.

SCHEDULE "B."

Construction of Cesspools.

1. If for the reception of nightsoil, or of liquid or other wastes from any establishment coming under Section 146 of "The Health Act, 1898," the construction must be the same as for an approved septic tank installation.

2. For all other purposes the cesspool must be provided with an air-tight cover, an inlet pipe for fresh air and an outlet pipe of the same diameter carried above the level of the ridge of the roof. Neither pipe shall be less than four inches in diameter.

(a) Where the soil is not suitable for rapid soakage, or is likely to permit accumulation of liquids, the walls and floor shall be made impervious and absolutely water-tight.

(b) In other cases the walls shall be so constructed as to permit soakage and prevent the earth falling in.

3. No cesspool shall be connected directly with any house or rain water tank, but shall be disconnected by approved gully traps

By order of the North Perth Local Board of Health.

BY-LAWS OF THE NORTH PERTH LOCAL BOARD OF HEALTH.

PART II.—OFFENSIVE TRADES.

WHEREAS by "The Health Act, 1898," and the Acts amending same, the Local Board of Health has power to make By-laws: Now, therefore, in pursuance of the powers in that behalf contained in the said Act and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

- Section 1. General
- .. 2. Bone mills and bone manure depots.
- .. 3. Fish shops.
- .. 4. Laundries.
- .. 5. Marine stores.
- .. 6. Rag and bone merchants' premises.
- .. 7. Penalties.

SECTION 1.—GENERAL.

1. Every person who shall apply to the Local Board of Health for its consent to the establishment of an offensive trade shall furnish, in the form of Schedule "A" hereto, a true statement of the particulars therein required to be specified.

2. Every person who may have obtained from the Local Board its consent to the establishment of an offensive trade shall register such premises at the office of the said Board.

He shall, for such purpose, apply by notice, in writing, addressed to the Secretary of the Local Board, and shall, within a reasonable time after the receipt of such application by the Secretary, be supplied with a certificate of registration in the form of Schedule "B" hereto.

SECTION 2.—BONE MILLS AND BONE MANURE DEPOTS.

1. In the construction of this section of these By-laws, unless the context otherwise requires—

(a) "Bone Mill" shall mean the building and the machinery used for crushing, disintegrating, pulverising, grinding, or reducing bones, and shall include all out-buildings and land that may be attached thereto.

(b) "Bone Manure Depot" shall mean the building in which bones or bone-dust unmixed with any other manurial ingredient is kept or stored.

(c) "Bone Miller" shall mean the person occupying premises wherein bones are crushed or otherwise reduced by machinery.

(d) "Bone Manure" shall mean bones or bone-dust unmixed with any other ingredient.

2. (a) No bone miller shall suffer or permit any bones to be crushed, disintegrated, pulverised, ground, or otherwise reduced upon the premises wherein he carries on his trade unless such processes are wholly conducted within a building the walls, floors, and ceilings, or underside of the roof whereof are constructed of durable and non-absorbent materials, finished internally with smooth surfaces.

(b) He shall not suffer or permit any bones or bone manure to be kept or stored in such premises except in a building whose walls, floors, and ceilings or underside of roofs are constructed as hereinbefore described.

3. (a) Every bone miller shall cause all milling processes to be conducted in air-tight casings, and the products of the milling to be conveyed to air-tight receivers or sound bags through air-tight shoots.

(b) He shall cause every precaution to be taken to prevent at all times the emission of dust or offensive or noxious effluvia from every building on his premises.

4. (a) Every bone miller shall cause all bones and bone manure received or produced upon the premises where his trade is carried on to be stored in such a manner and in such a position as to prevent, as far as practicable, the emission of noxious or offensive effluvia therefrom.

(b) He shall cause all bones or bone manure received or despatched from such premises to be previously packed in such a manner as to prevent any nuisance arising therefrom during transit.

5. Every bone miller shall cause all buildings upon the premises where his trade is carried on, and all machinery and apparatus to be at all times maintained in good repair and kept clean.

SECTION 3.—FISH SHOPS.

1. (a) Every person engaged in the trade of cooking fish for sale shall conduct such cooking in a closed room provided with mechanical ventilation so arranged that all currents of air in such room shall be in the direction of the cooking fire.

(b) He shall cause the fireplace of such room to be so constructed that all the vapours and effluvia of such cooking shall be carried direct into a chimney flue of sufficient sectional area.

(c) He shall also cause the chimney shaft of the fireplace of such room to be carried up at least ten feet above the level of the roofs of the adjoining houses.

(d) He shall also at all times maintain such fireplace, mechanical ventilation, and chimney shaft and flue in good repair and efficient action

2. A keeper of a fish shop shall not suffer or permit any fish which, by decomposing, has become unfit for human food, to be kept in any part of the premises where his trade is carried on, nor shall he expose, exhibit, or offer such fish for sale.

3. (a) Every fish shop keeper shall cause all fish refuse or garbage or decomposing fish to be deposited in galvanised iron or other impervious receptacles, furnished with airtight lids, and shall also cause all refuse deposited elsewhere on the premises to be collected and deposited in such receptacles.

(b) He shall also cause every such receptacle containing refuse to be kept securely covered, and, with its contents, removed as often as may be necessary from the premises, and, after being emptied, to be thoroughly cleansed.

SECTION 4.—LAUNDRIES.

1. Every occupier of a laundry shall cause all the liquid wastes produced upon the premises where his trade is carried on, to be collected and conducted by impervious channels or drains to a trapped drain inlet, or some other approved receptacle, or such liquid wastes shall be disposed of as the Inspector may direct.

2. (a.) Every occupier of a laundry shall cause every floor or pavement, and every wall of any building upon the premises where his trade is carried on to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid filth or refuse which may be splashed, spilled, or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with his premises to be maintained at all times in good order and efficient action.

3. No occupier of a laundry shall receive upon the premises where his trade is carried on, any clothing, bedding, or drapery for cleansing sent from any house or place in which any person is at the time suffering from any infectious or contagious disease, without first obtaining the consent, in writing, thereto of the Local Board of Health.

4. (a.) Every occupier of a laundry shall cause all the buildings, yards, machinery, or other apparatus to be kept at all times clean and in good order and repair.

(b.) He shall also cause the ceiling or the underside of the roof, and the internal surface of every wall above the floor or pavement of any building upon his premises, to be kept thoroughly cleansed.

SECTION 5.—MARINE STORES.

1. The floors of all buildings and premises used in the purposes of his trade by a marine store dealer shall be properly covered with a layer of concrete or other approved impervious material, laid (in the case of a ground floor) upon a suitable bottom of at least four inches in thickness. He shall cause every such floor to have a proper slope towards a channel or gully, and shall cause every part of his premises wherein any such floor may be constructed, to be effectually drained by adequate drains communicating with a public sewer or other approved impervious receptacle. He shall cause every drain to be properly trapped and the entrance thereto to be covered with a fixed grating, the bars of which shall not be more than three-eighths of an inch apart.

2. The yards shall be enclosed with a close fence, at least eight feet in height, any gates required to give access to the yards shall also be eight feet in height.

3. The walls of the buildings used for the purposes of the trade shall be constructed of stone or brick, and the internal surfaces of all walls above the floor or pavement shall be smoothly rendered with good Portland cement mortar.

4. The roofs, if no ceilings are provided, shall be lined with galvanised sheet iron.

5. Sufficient provision for ventilation shall be made by suitable openings in the roof, or otherwise, and every room in the building shall be properly connected with one or more of the aforementioned openings.

6. A sufficient and constant supply of pure water shall be provided for cleansing purposes.

7. Every marine store dealer shall cause every floor or pavement, and the internal surfaces of all walls upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid, filth, or refuse, or any noxious or injurious matter which may fall or be deposited thereon.

8. He shall also cause every part of the internal surface above the floor or pavement of every building used for his trade to be thoroughly washed with hot limewash, at least four times in every year, that is to say, at least once during the month of January, once during the month of April, once during the month of July, and once during the month of October respectively.

9. Every marine store dealer shall cause every drain or means of drainage upon or in connection with the premises where his trade is carried on, to be maintained at all times in good order and efficient action.

10. Every marine store dealer shall, at the close of every working day, cause every floor or pavement upon the premises where his trade is carried on, to be thoroughly cleansed. He shall at the same time cause all filth or refuse, or any decomposing or noxious matter, to be collected in suitable vessels or receptacles, furnished with closely fitting covers, and to be forthwith removed therein from the premises.

11. No building or premises shall be registered under Section 147 of "The Health Act, 1898," unless the written consent thereto of the Local Board of Health has first been obtained.

SECTION 6.—RAG AND BONE MERCHANTS' PREMISES.

1. (a.) Every rag and bone merchant shall cause all materials which have been received upon the premises where his trade is carried on, to be stored in such a manner and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as to be a nuisance or injurious to health.

(b.) He shall cause all rags, old clothes, textile fabrics, old bedding and other material of similar description or manufacture received upon his premises to be immediately disinfected with some effective disinfectant.

2. Every rag and bone merchant shall, from time to time as often as may be necessary, cause every floor or pavement, and the internal surface of every wall of any building upon the premises where his trade is carried on, to be thoroughly cleansed.

(a.) He shall also cause every part of the internal surface above the floor or pavement of every such building to be thoroughly washed with hot limewash at least four times in every year, that is to say, at least once during the periods between the first and twenty-first day of February, the first and twenty-first day of May, first and twenty-first day of August, and the first and twenty-first day of November respectively.

SECTION 7.—PENALTIES.

Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws: And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof, shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in "The Health Act, 1898," to a penalty not exceeding Ten pounds for every breach of any such By-law, or to a penalty not exceeding Five pounds for each day during which such breach shall be committed or continued: but the justices before whom any penalty imposed hereby is sought to be recovered may order the whole or part only (not being less than Five shillings) of such penalty to be paid.

It is hereby notified that His Excellency the Governor in Executive Council has been pleased to approve of Mt. Erin Lot 14, containing 20 acres, being thrown open for selection on and after Monday, 13th prox., at a price of 10s. per acre, under the provisions of "The Agricultural Lands Purchase Act, 1896," and in accordance with the Regulations published in the *Government Gazette* of the 10th February, 1905.

Applications must be made through the Geraldton Land Agency.

R. CECIL CLIFTON,  
Under Secretary for Lands.

## TIMBER REGULATIONS.

*Department of Lands and Surveys,**Perth, 1st May, 1907.*

1907

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to repeal the Timber Regulations published in *Government Gazette* on the 29th day of July, 1905, and to make the following Regulations under "The Land Act, 1898," and "The Land Act Amendment Act, 1904."

R. CECIL CLIFTON,

Under Secretary for Lands.

## LICENCES.

*Timber Licenses.*

1. Subject to the existing rights of lessees and licensees under the Land Act and its amendments (hereinafter referred to as "the Act") no person shall get, fell, cut, and remove timber on or from any State forest, timber reserve, or Crown land, unless he holds a timber cutter's license or a timber cutter and hewer's license, issued under these regulations.

2. Application for a timber cutter's license or a timber cutter and hewer's license may be made at the Forestry Department, in Perth, or to any officer of the Department duly authorised to issue licenses.

3. If the application is approved a license will be issued in the form No. 1 or No. 2 in the Schedule as the case may be.

4. Licenses will be issued for one month or any number of months not exceeding twelve, and the fee for every license shall be 2s. 6d. a month.

5. Every license shall have effect from a date to be specified therein, and shall specify the area over which it may be exercised, and, unless the license is limited to carting and removing timber, the registered brand of the licensee.

6. Every licensee shall produce his license to any officer of the Forestry Department on demand.

7. A license shall only be available by the licensee named therein, and shall not be transferable except by the special permission of the Inspector General of Forests, or an officer of the Forestry Department appointed to issue licenses.

8. Every licensee being the holder of a timber cutter's license may, subject to the Act and regulations, fell and remove timber on and from the locality specified in his license, but he shall not hew or cut up timber felled under such license.

9. Every licensee being the holder of a timber cutter and hewer's license may, subject to the Act and regulations, fell and remove timber on and from the area specified in his license, and may hew or cut up any felled timber; but no such licensee shall be entitled to claim at any one time more than three trees felled but not hewn or cut up.

10. No licensee shall fell or remove any tree under standard size, as prescribed by these or any other regulations made in lieu thereof in force for the time being, or any tree which shall have been marked by a forest ranger to signify that it is not to be felled, without the special permission of the Inspector General of Forests.

11. Every licensee, unless his license is limited to the carting and removing of timber, shall provide himself with a distinctive branding iron to be approved by and registered with the officer by whom his license is issued. All brands must be bold and distinct and not less than one inch in length.

12. Every licensee shall distinctly brand with his registered brand the stump of every tree felled by him immediately after the tree is felled, and the head before any timber is removed.

13. A timber cutter's license shall be held by every person engaged in carting or removing timber, and it shall not be lawful for any person to engage in carting or removing timber from any Crown lands, State forest, or timber reserve or in the area of any saw-milling permit without such license; but the holder of a license restricted to carting and removing timber will not be required to have a registered brand.

14. Every licensee shall pay royalties in accordance with the scale prescribed by these regulations or any other regulations made in lieu thereof in force for the time being, except in the case of timber cutters employed solely in felling, carting, or removing timber within or from the area of a sawmilling permit for the holder thereof.

15. All royalties shall be paid in full before the timber is removed from where it is felled, unless special arrangements are made with the Inspector General of Forests for payment for large and continuous purchases by approved contractors or purchasers at intervals not exceeding one calendar month.

*Other Licenses.*

16. A woodcutter's (firewood) and charcoal burner's license may be issued in the form No. 3 in the Schedule for one month or any number of months, at a fee of one shilling per month per man, and such license shall entitle the holder to cut and remove on and from the locality to be therein specified, for fuel or charcoal burning, such green timber as may be authorised by a forest ranger or other officer of the Department, and any dead timber not worked to a marketable size and shape. A similar license must be obtained by every person engaged only in removing the wood dealt with under a woodcutter's and charcoal burner's license.

17. A sandalwood license may be issued in the form No. 3 in the Schedule for one month or any number of months, at a fee of five shillings per month per man, and shall authorise the licensee to fell, cut, and remove sandalwood on and from the locality to be therein specified.

Sandalwood shall only be cut when fifteen inches at least in circumference three feet from the ground.

A similar license must be obtained by every person engaged only in removing the sandalwood dealt with under a sandalwood license.

18. A wattle bark license may be issued in the form No. 3 in the Schedule for one month or any number of months, from August to January inclusive in any year, and shall authorise the holder to strip and remove the wattle bark on and from the locality to be therein specified.

The fee payable for a wattle bark license shall be five shillings per month per man.

A similar license must be obtained by every person engaged in removing the bark dealt with under a wattle bark license.

19. A bark license may be issued in the form No. 3 in the Schedule for one month or any number of months, at a fee of five shillings per month per man, and shall authorise the licensee to strip and remove bark or to remove the gum from any trees, other than the wattle, the bark or gum of which contains tannic acid, on and from the locality to be therein specified, and the Minister may insert therein such other terms and conditions as he may think fit.

A similar license must be obtained by any person engaged only in removing the bark and gum dealt with under such license.

## SAW-MILLING PERMITS.

20. Every application for a saw-milling permit shall be made in the form No. 4 in the Schedule, and shall be delivered or sent by post to the Inspector General of Forests, at his office in Perth, accompanied by a deposit of £20.

21. If the application is approved the deposit will be retained until the mill is erected, when it will be returned to the applicant; but if the application is refused the deposit will be returned to the applicant forthwith.

22. On the approval by the Governor of the application, a permit in the form of No. 5 in the Schedule will be granted to the applicant for a term not exceeding ten years, to date from the first day of the then current quarter.

23. The boundaries of the area, where not already clearly delineated, over which the right of cutting timber is conferred by a permit shall be surveyed at the expense of the applicant, in accordance with the scale of fees prescribed by the regulations under the Land Act, 1898.

24. A saw-milling permit may be held by any person or Company not interested as owner, manager, or director of, or in any way directly or indirectly except as an ordinary shareholder of a Company in any timber lease or concession taken up prior to these regulations being enforced subject to the Act, and these or any other regulations made in lieu thereof in force for the time being, and shall entitle the holder to the sole and exclusive right to cut and remove timber on and from the area described in such permit, which shall contain approximately sufficient forest to provide ten years' cutting, if available in the vicinity, proportionate to the horse power of the mill proposed to be erected, based on the estimated daily output shown in the application for permit.

25. The holder of a saw-milling permit shall, within six months from the date of approval of his permit, erect within the area to which the permit relates, or on such other site as the Inspector General of Forests may approve, a fully-equipped saw-milling plant of the capacity provided for in his application, and shall thereafter maintain such plant in working order.

26. Within six months of the approval of the permit the holder shall proceed with the felling and removal of the timber in accordance with the Act and regulations.

27. No saw-milling permit holder shall, by himself or any licensed timber cutter acting for him, fell or remove any tree under standard size as prescribed by these regulations or any other regulations in lieu thereof in force for the time being, or any tree marked by a forest ranger to signify that it is not to be felled, without the special permission of the Inspector General of Forests.

28. Every holder of a saw-milling permit shall pay, for all timber felled and removed on and from the area to which his permit relates, the royalties prescribed by these regulations or any other regulations made in lieu thereof in force for the time being, and the timber cutter's license fee of 2s. 6d. a month for every man employed in felling and hauling timber within such area.

29. Every permit holder shall from time to time confine his operations to certain defined sections of the area, marked under his directions by an officer of the Forestry Department, and not exceeding at any one time such area as is sufficient to supply the mill with two years' cutting. At the expiration of each period of two years the sections as denuded of timber shall be closed from cutting, and reserved with the object of encouraging the preservation and nurture of young timber.

30. Notwithstanding anything contained in the foregoing clause, a permit holder shall have the sole right to obtain poles, piles, and beams under the standard size from any portion of the permit area not already closed from cutting, on giving notice in writing to the District officer of his intention and advising him of the names and brands of workmen employed.

31. The holder of a saw-milling permit shall, on the first day of every calendar month, furnish the Inspector General of Forests with a return verified by statutory declaration, showing the number of logs felled, the measurements of same in the round, and their cubic contents, and the total output of the mill during the last preceding month.

32. Returns of royalties due shall be delivered or forwarded by post or otherwise by the ranger or other officer of the Forestry Department to the permit holder, as soon as practicable after the expiration of every month, and the permit holder shall pay to such officer the amount due within seven days after the date of the return, or within such extended time as may be allowed by the Minister, and no alleged inaccuracy in the return shall be an excuse for delay in such payment beyond the prescribed time; but any proved inaccuracy shall be taken into consideration in any subsequent account, or a refund may be made of any overcharge proved to the satisfaction of the Minister.

33. Should any royalties or fees payable under a permit or any part thereof be in arrear for 14 days after the due date, whether payment shall have been demanded or not, the Inspector General of Forests or any officer acting under him in his behalf may enter, and prohibit the felling, sawing, and removing of timber, and may seize all timber felled, and any machinery, horses, plant, or other effects, the property of the permit holder, that may be found upon the land comprised in the permit.

34. No permit holder shall fell and leave lying in the bush at any time more than one month's supply of logs in advance of the requirements of the mill.

35. The Minister may grant to a permit holder authority to hold an area not exceeding 20 acres on a mill site, during the currency of his permit, at a rent of £1 per annum. Application for such site, defining the position thereof, and accompanied by the first year's rent, shall be forwarded to the Inspector General of Forests in Perth.

36. The Inspector General of Forests or any officer of the Forestry Department may, in the performance of his duties under the Act and the regulations, enter upon any land the subject of a saw-milling permit, and into any saw-mill or other building, and inspect any machinery or timber, and all books containing any entries relating to the timber cut or procured under these regulations, which the permit holder shall produce for inspection on demand.

37. In the event of the permit holder failing to maintain his estimated output, as set forth in his application, he shall notwithstanding be required to pay at least 60 per cent. of the royalty computed on the amount stipulated in his original estimate, and further, if, in the opinion of the Inspector General of Forests, he fails to maintain his estimated output for what the Inspector General in his discretion considers an unreasonable period, the Minister may reduce the area of such permit proportionately.

38. All timber felled, cut, or sawn, and all buildings erected by, and all the effects of the holder of a permit, not removed from the area within 90 days from the expiration of the permit, shall become the property of the Crown, and may be taken possession of and removed by an officer of the Department or other person authorised by the Minister.

39. The Minister may from time to time set apart any portion of the area over which the sole right of cutting timber is granted by any saw-milling permit, for occupation by workmen and others employed in connection with such permit, or other persons supplying or ministering to the wants of the workmen. Such persons so desirous may obtain a 'Residence Permit' or "Business Permit," which will be granted per annum or per month, at the rate of one shilling per month.

40. Should it appear to the Inspector General, by personal inspection or the report of any officer of the Forestry Department, that the holder of a permit is causing unnecessary or wanton destruction of timber, the Inspector General may notify the permit holder to desist from such destruction, and if such destruction is continued it shall be deemed to be a breach of these regulations.

41. The holder of a saw-milling permit shall not cut or remove timber from any freehold, leasehold, or Crown lands while he is operating upon the land held under permit, without the permission, in writing, of the Inspector General of Forests.

42. The rights conferred upon a permit holder by the Act and these regulations shall not affect the right of the Inspector General or any person claiming under him to occupy or use the land therein comprised for any purpose consistently with the rights conferred by the permit.

43. The right is reserved to the Crown at any time during the continuance of a saw-mill permit to sell, lease, or otherwise dispose of any Crown land within such permit which, in the opinion of the Minister, has been denuded of marketable timber or timbers likely to develop into marketable timber, or which is not required by the permit holder for roads, tramways, mill sites, etc.

GENERAL REGULATIONS.

STANDARD SIZES.

44. The standard sizes at which the undermentioned trees may be cut within the South-West Division, South of a line due East from Dongara, at three feet from the ground, with the bark on, are respectively as follows:—

Jarrah	...	90 inches in circumference.
Karri	...	108 " "
Tuart	...	72 " "
Blackbutt	...	90 " "
Wandoo	...	48 " "
Morell	...	48 " "
Yate Gum	...	36 " "
Sandalwood	...	15 " "

45. Provided nevertheless that the Inspector General of Forests or any officer acting on his behalf may, on application, allow the felling, hewing, or sawing of any matured trees not being less than 72 inches in circumference measured at 3 feet from the ground with the bark on and not over 30 feet in length.

A forest ranger may mark and allow to be felled for sawing or hewing any defective or crooked trees, irrespective of length or girth, that in his opinion it is desirable shall be felled.

"Round-back" or "rough split sleepers" used for the construction of light spur railways in the State, may be obtained from any timber growing on Crown lands at a royalty of 2s. 6d. per 100 sleepers, not including inspection, in addition to the 2s. 6d. per month per man license fee. The standard size of timber shall not apply to timber used for this purpose, but any tree or trees may be marked by forest officers and reserved from felling.

ROYALTIES.

46. Timber felled or obtained under "License" or "Permit" shall, unless otherwise provided for, be subject to payment of the following royalties:—

Standard Timber.

Jarrah, Karri, Blackbutt, and Red Gum.

By the log, measured in the round	...	1s. per load 50 cubic feet.
Hewn timber	...	2s. 6d. per load (squared).
Split posts and rails for ordinary fencing purposes	...	2s. 6d. per 100
Split palings	...	6d. per 100
Split shingles	...	1s. per 1,000
Split laths (plasterers')	...	1s. per 1,000

Wandoo and Yate Gum.

By the log, measured in the round	...	2s. per load 50 cubic feet.
Hewn timber	...	4s. per load (squared).
Split timber, poles and piles	...	same scale as jarrah, karri, etc.

Tuart.

By the log, measured in the round	...	5s. per load 50 cubic feet.
Hewn timber	...	10s. per load of 50 cubic feet (squared).
Split timber, poles and piles	...	same scale as jarrah, karri, etc.

Other Hardwoods.

Same scale as jarrah.

47. Timber under "standard size" growing upon any Crown land, timber reserve, saw-milling permit area, timber concessions or timber leases, and cut by special permission under these regulations for poles, piles, or baulks, shall be paid in accordance with the following scale:—

	Per lineal ft. d.
Poles up to 3in. dia. at crown, up to and including 30ft. lengths	0½
Poles up to 3in. dia. at crown, over 30ft.	1
Poles up to 9in. dia. at crown, up to and including 30ft. lengths	1½
Poles up to 9in. dia. at crown, over 30ft. to 50ft. lengths	3
Poles up to 9in. dia. at crown, over 50ft. and up lengths	4
Piles up to 12in. dia. at crown, up to and including 30ft. lengths	2
Piles up to 12in. dia. at crown, over 30ft. to 50ft. lengths	4
Piles up to 12in. dia. at crown, over 50ft. and up lengths	6
Piles over 12in. dia. at crown, up to and including 30ft. lengths	3
Piles over 12in. dia. at crown, over 30ft. to 50ft. lengths	6
Piles over 12in. dia. at crown, over 50ft. to 60ft. lengths	8
Piles over 12in. dia. at crown, over 60ft. lengths	10

48. Provided that timber not included in the foregoing scale shall be charged for at the rates proportionate to the general scale of charges, and provided further, that the Inspector General may, where small quantities of timber are required by settlers for *bonâ fide* use and not for sale, authorise the removal thereof from Crown lands without payment.

49. All royalties shall be paid in full before the timber is removed from where it is felled, unless special arrangements are made with the Inspector General of Forests for payment for large and continuous purchases by approved contractors or purchasers at intervals not exceeding fourteen days.

50. No timber shall be removed from where it is felled without the consent, in writing, of an officer of the Forestry Department until the royalty is paid, unless such timber is removed to a mill or depôt approved by such officer, and subject to such condition for the production and inspection on demand of log or record books as such officer may think fit to impose.

51. With the approval, in writing, of the Minister, timber subject to royalty may be removed to and stored for a specified time in an authorised depôt, if such timber is marked with a distinctive brand registered with an officer of the Forestry Department; but such timber shall at all times be open to inspection by any officer of the Forestry Department, who shall have power to seize such timber should it be removed, or detain it should he have reason to suspect there is an intention to remove it from the depôt before payment of royalty, or in case of any breach by the permit holder of these regulations with respect to such timber.

52. Upon payment being satisfactorily arranged for, an officer of the Forestry Department shall inspect the timber felled and hewn at the stump, and brand all such timber as he may consider suitable for market purposes, and such brand shall be deemed a certificate from the Forestry Department that the timber is passed as of first-class quality and true to name. If any timber on inspection does not come up to the required standard it shall be branded with a distinctive brand to indicate that such timber is not deemed to be of first-class quality.

53. All hewn timber shall be, so far as it is practicable, inspected at the stump and any that may have been obtained from private property and timber lease or concessions on which inspection is required shall be charged for by the Woods and Forests Department at the rate of 1s. per load. All sawn timber on which inspection is required shall be charged at the rate of 9d. per load. If required, inspection of hewn timber will be made at siding or depot, but in all cases timber must be felled for royalty purposes at the stump by forest officers.

54. If required so to do, such officer may also give a certificate that the timber inspected, in addition to being of first-class quality and true to name, is up to size in accordance with the specification; but no such certificate shall be deemed a guarantee, nor shall the Government be responsible for any error or misstatement therein.

55. All unbranded logs, or logs branded with an unregistered brand or mark, may be seized by any officer of the Forestry Department and shall be forfeited to the Crown.

56. Should it appear to the Inspector General of Forests, or any officer of the Forestry Department, that a licensee or permit holder is causing unnecessary or wanton destruction of growing timber, or is not utilising timber felled to the best advantage, the Inspector General or such officer, in addition to requiring payment by the licensee or permit holder of one shilling per load for such logs felled, may notify the licensee or permit holder to desist from so doing; and if the licensee or permit holder thereafter continues so to do he shall be guilty of a breach of these regulations.

57. No tree shall be felled so as to obstruct any railway, tramway, road, track, or watercourse, and if any tree is felled in a manner contrary to this regulation, in addition to the penalty thereby incurred for a breach of this regulation, any officer of the Forestry Department may cause the obstruction to be removed at the cost of the person offending against the regulation, and the same shall be recoverable from such person in any court of competent jurisdiction.

58. The Inspector General of Forests or forest rangers may revoke or withhold any license in the event of the licensee obstructing any officer of the Department in the execution of his duty or infringing any part of the Act or Regulations thereunder.

59. The Inspector General of Forests may grant a temporary permit to enter upon any State forest or timber reserve for the purpose of cutting timber for such period and subject to such conditions and royalties as to the

Inspector General of Forests may seem fit. The permit may be subject to cancellation at any time without compensation to the holder.

60. A permit holder shall be responsible for the acts of every licensed person or persons employed by him in cutting or earthing or removing timber.

61. It shall be unlawful for any licensee or other person to strip the bark from any standing tree, or to fell any tree for the sole purpose of obtaining the bark.

62. The cutting or removal of Kurrajong, Quandong, Red-flowering Gum, and Christmas trees of every kind or size is absolutely prohibited throughout the State.

63. Any officer of the Forestry Department may seize and dispose of any timber unlawfully cut or removed contrary to these regulations or any regulations made in lieu thereof in force for the time being.

64. Any person who, contrary to these regulations, fells, cuts, hews, carries, or removes timber without a license, or otherwise commits a breach of, or fails to observe these regulations or any of them, shall for every offence be liable, on conviction, to a penalty not exceeding £100.

§ Item 33.— Alternative tenders are required for billets 2 feet and 4 feet in length respectively, the sectional area in each case not to exceed 36 square inches.

\* Deliveries need not necessarily be made at the place of consumption, but will be taken on trucks at any Railway Station or Siding, which should be specified in the tender. Those nearest to the place of consumption, however, will, other things being equal, be preferred.

† The information given in this column is for the guidance of tenderers, but the Commissioner does not bind himself in any way to adhere to the quantities given.

Contractors will be allowed, if they so desire, to cut wood within the Railway Water Reserve at the place where delivery is to be made, provided no interference is caused with the works or drains.

‡ Banksia or Jarrah are required for Perth Station and Offices. Separate prices should be quoted for each.

Tender forms may be obtained on application at any of the above-mentioned stations, and at the office of the Tender Board, Irwin Street, Perth.

No tender necessarily accepted.

10th May, 1907.

## NOTES ON THE CLIMATE FOR APRIL, 1907.

The weather has been mostly fine throughout the State, with high atmospheric pressure, the reading of barometers throughout the South-West on the morning of the 4th being the highest on record for April.

Day temperatures have been generally from 1° to 2° above normal, but several cold nights have been experienced inland.

The following table gives the mean and lowest temperature registered by a thermometer placed on the surface of the ground :—

The rainfall has been below the average for previous years throughout the State. None fell in the tropics, with the exception of a few light showers in the East Kimberley District, and very little over the goldfields.

In the South-West from half to one inch was recorded, chiefly on the 26th and 27th, in connection with the severe storm which visited the South coast. This was the first winter storm of the season, and marked the breaking up of the summer. The barometer commenced to fall at Cape Leeuwin on the 25th, and reached its minimum, 29·45, at midnight on the 26th, and at Breaksea, 29·419, at 2 a.m. on the 27th. The velocity of the wind at Cape Leeuwin averaged 46 miles per hour during the 24 hours ending at 8 a.m. on the 27th, and very rough seas were experienced. By the morning of the 28th the disturbance had reached the border of South Australia, and the weather commenced to moderate along the South coast.

The Observatory, Perth, 8th May, 1907.

"GOVERNMENT GAZETTE."

The Treasury,  
Perth, 8th March, 1907.

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has approved of the following Regulations for the control and management of the printing and publication of the *Government Gazette*.

L. S. ELIOT,  
Under Treasurer.

REGULATIONS TO BE STRICTLY OBSERVED WITH A VIEW TO EFFECTING ECONOMY IN THE PRINTING AND PUBLICATION OF THE "GOVERNMENT GAZETTE."

1. The *Government Gazette* will be published once a week—on Friday, unless otherwise interfered with by Public Holidays or other unforeseen circumstances, when the alteration will be duly notified.

2. Supplements to the *Gazette* will only be published when approved by a Minister, except such as are required by statutory obligation or to meet the special requirements of the Colonial Treasurer.

3. Notices for insertion in the *Gazette* must be sent to the Government Printing Office in reasonable time—none later than 10 o'clock of the day preceding the day of publication, and when possible, several days before that time.

4. Proofs of Departmental Notices will be supplied, but must be returned not later than 3 p.m. of the day preceding the day of publication, and duly certified for issue by a responsible officer.

5. Notices or proofs delayed beyond the time mentioned will be held over for insertion in the following issue.

6. Wherever possible, in order to economise space without altering the sense, Notices shall be grouped, or tabulated with one date and signature.

7. Notices should bear the date of the *Gazette* in which they are first to be inserted, unless there are special reasons for giving any Notice a different date.

8. Every Notice forwarded for publication in the *Gazette* must show the number of insertions required, and the responsibility of indicating the requirements of the law in that respect will rest with the Department from which it issues. Unless so notified, only one insertion will be made.

9. When any Notice is marked for more than one insertion it must be stated whether such Notice should be published in full in each issue or in the first issue only. If only one insertion in full is necessary, abbreviated notice should be furnished for subsequent insertions. Nothing in this Regulation will affect the Government Printer's right to repeat a notice when required for "make-up" purposes.

10. Care must be exercised in the preparation of Departmental Notices for the *Gazette*, to save as far as possible corrections, alterations, and additions when in type. The Notices should be legibly written on one side of the paper only. Signatures and proper names must be written very plainly in the text. All documents illegibly written will be returned unpublished.

11. Demands for copies of Notices which appear in the *Gazette* should be sent in with the MS. or the returned proofs. Such demands should be as limited as possible, and not made unless necessary.

12. Private advertisements forwarded for publication in the *Gazette* must be written on one side of the paper only, and must be legible (signatures and proper names in Surticular), otherwise they will be returned unpublished. Each Notice must be paid for prior to insertion.
