The agencies shall observe such office hours as may be fixed by the Treasurer, and public notices thereof shall be exhibited at each agency.

*Opening Accounts at Head Office and Branch Offices.*

4. Any person applying at the Head Office or at a branch office to open an account, will be required—

(*a.*) To furnish a specimen of his signature on the Form provided for that purpose.

(*b.*) To fill in and sign a deposit slip (Form S.B. 11).

(*c.*) To deliver the deposit slip with the deposit to the receiving teller, who will attest the entry in the pass-book with his initials.

In all transactions which a depositor may subsequently have with the Savings Bank—whether depositing, withdrawing, or closing the account—the pass-book must be produced.

Depositors are requested to examine their pass-books every time an entry is made by an official, and before leaving the counter.

To prevent forgeries and frauds, depositors are earnestly requested to keep their pass-books locked up when not being used; and any case of tampering with the figures or initials coming under the notice of depositors or officials should be at once reported to the Manager.

*Deposits made by Women.*

7. A female depositor must state, when required, whether she is married or single, so that the officials may be able to write the proper prefix ("Mrs." or "Miss") when entering a new account in the books and forms of the Savings Bank.

When a female depositor changes her name by marriage, she will be required to give notice thereof to the Savings Bank in the Form S.B. 23.

*Deposits on behalf of Infants.*

*Accounts opened by Proxy.*

9. Any person may open an account without personally attending at the Head Office, a branch office, or an agency for that purpose.

But the person deputed to open the account must sign Form S.B. 4; and no pass-book will be issued until a specimen signature on the proper form, made by the depositor himself, and witnessed by the proxy or other person, is received at the Head Office.

*Joint Accounts.*

10. When an account is opened by two or three persons in their joint names, specimens of their signatures will be required to be made on the form provided for that purpose.

Applications to withdraw money on Form S.B. 7A., or S.B. 9, or S.B. 12 shall be made either jointly by all the parties or by any two or one of them, according to the arrangement made when the account is opened.

On the closing of any joint account the necessary form must be signed by all the parties.

*Deposits by Trustees.*

11. When an account is opened by trustees, the title of such account shall include the names of such trustees, as well as of the person on whose behalf the deposits are made; and specimen signatures of the trustees will be required to be made on the form provided for that purpose. Applications to withdraw money on Form S.B. 7A or S.B. 9 or S.B. 12 shall be made jointly by all the trustees or the survivors or survivor of such trustees.

The Treasurer, in his discretion, may—

(*a.*) Require proof of survivorship to his satisfaction.

(*c.*) Allow an alteration in the title of the account by substituting a new name for the name of an existing or deceased trustee;

(*d.*) Enter the account in the name of the person on whose behalf the deposits were made.

*Friendly Societies and Local Authorities.*

12. (1.) Any friendly society or local authority, by its treasurer or other authorised officer or officers, may pay into the Savings Bank any funds of such friendly society or local authority; provided that such deposits do not exceed the sum of one thousand pounds.

(2.) When an account is opened, the notice appointing persons to operate on such account must be signed by all the trustees in the form provided for that purpose.

The trustees shall also furnish the following information:—

(*a.*) The name and address of the responsible officer to whom communications from the Savings Bank are to be addressed;

(*b.*) Specimen signatures of such officers as have been duly authorised to sign cheques and notices of withdrawal on the account of such friendly society or local authority, and a statement of the number required to sign each cheque or notice of withdrawal;

(*c.*) A specimen impression of the seal or stamp (if any).

And every friendly society or local authority heretofore having an account at the Savings Bank shall furnish these particulars when required to do so by the Manager.

(3.) Repayments of deposits to friendly societies and local authorities will be made on presentation of a notice of withdrawal (Form S.B. 12A). But repayment may be made at the Head Office and at the branch offices in Fremantle, Coolgardie, Kalgoorlie, Boulder, and Geraldton forthwith on presentation of cheque (Form S.B. 12), provided that no such cheque will be paid at any branch office other than that on which it purports to be drawn, and where alone it must be presented.

Form S.B. 12 or 12A must be signed by the officer or officers appointed by all the trustees for the time being to operate on the account.

(4.) The persons signing cheques and notices of withdrawal must adhere to the one way of writing their signatures, namely, the one adopted by them on the specimen signature form, otherwise the cheques are liable to be returned unpaid.

(5.) When any change is made in the *personnel* of such officer or officers authorised to sign cheques and notices of withdrawal, specimen signatures of the whole of the signatories shall again be furnished on the form provided for that purpose.

(6.) When a deposit is made on behalf of any friendly society or local authority, a pay-in or lodgment book may, if desired, be presented to the Savings Bank officer, in which case the said book shall be initialled by such officer as a duplicate receipt for the sum deposited, and be returned to the person lodging the money.

(7.) The production of the pass-book shall be required every time when money is deposited.

(8.) The pass-book shall be produced and left at the Savings Bank at least once in every month, to be written up.

(9.) Payment of moneys standing to credit of any friendly society or local authority shall be made only on presentation of a cheque or notice of withdrawal signed by officers duly authorised as aforesaid. Notices of withdrawal and cheque forms shall be supplied by the Bank, on payment of a fee of 6d. for every 50 forms, but nothing herein shall prevent such friendly society or local authority from printing and issuing its own cheque forms, provided the approval of the Manager is first obtained. If a cheque or a notice of withdrawal is presented purporting to bear the signatures of the officers authorised to sign cheques and notices of withdrawal and recorded at the Savings Bank, and if any sum of money is unlawfully withdrawn from the account of such friendly society or local authority, the Savings Bank shall not be responsible for the loss sustained by such friendly society or local authority, nor be liable to make good the same.

(10.) The form of pass-books to be issued to any friendly society or local authority shall be such as the Manager may from time to time direct.

(11.) It shall not be incumbent on the Savings Bank to examine the rules of any friendly society or local authority to ascertain that the method in which the account shall be operated upon is in accordance with such rules, and the Savings Bank shall not be held responsible if such rules are in any respect contravened.

(12.) Should the secretary, treasurer, trustee, or other responsible officer of any friendly society or local authority neglect or refuse to comply with any of the conditions of these regulations, the Savings Bank may refuse to accept any further deposits from such friendly society or local authority.

*Deposits.*

13. Any person attending at the Head Office, a branch office, or an agency, either in person or by deputy, for the purpose of depositing money to his credit, will be required—

(*a.*) To produce his pass-book;

(*b.*) To fill in and sign a deposit slip (Form S.B. 11);

(*c.*) To deliver the deposit slip with the deposit to the official;

(*d.*) To receive the pass-book from the official after the amount has been entered therein and initialed and dated.

*Deposits by Post.*

14. Depositors who desire to remit money by post to be placed to their credit must communicate direct with the Head Office.

The remittance must be sent by registered prepaid letter addressed to the Manager, and accompanied by the pass-book.

The amount intended to be deposited must be clearly stated in the letter sent with the remittance.

*Withdrawals.*

15. The Manager may, if he thinks fit, dispense with notice of withdrawal under section seventeen of the Act, and make repayments daily.

On the withdrawal of any money, a receipt shall be signed by the party receiving the money, and such receipt shall be a sufficient discharge to the Treasurer for the sum therein expressed to be received.

16. Repayments will be made to the depositor in person, or to the bearer of an order signed by the depositor.

Provided that whenever a depositor is in His Majesty's service on board any of His Majesty's ships of the Australian Station, and the order is in favour of any person other than the depositor's wife, such order shall be witnessed by the Accountant Officer of the ship on which such depositor is serving.

If a depositor fails to claim the amount for which notice has been given at the time it expires, the amount will be redeposited, and a fresh notice of withdrawal will have to be signed before he shall be entitled to receive the amount.

17. Repayments may be made at the Head Office and at the Fremantle branch if the depositor's signature is registered there, by orders in the Form S.B. 9, and such orders may be paid forthwith on presentation.

But in every case the depositor's pass-book must be produced and the repayment duly entered therein, and a receipt indorsed on the order by the person receiving payment.

Every such order must be presented for payment within seven days from its date.

*Repayments on demand at Branch Offices.*

18. Repayments may be made on demand at the branch offices in Fremantle, Coolgardie, Kalgoorlie, Boulder, and Geraldton on presentation of orders in

the Form S.B. 9 or S.B. 12 as required, but subject to the conditions following:—

(1.) A specimen of the depositor's signature must be registered at the branch office where the withdrawal is desired to be made.

(2.) The amount of each withdrawal shall not exceed Ten pounds, or one-fourth of the amount standing to the depositor's credit from time to time whichever is the lesser sum.

(3.) The pass-book must be produced for transmission to the Head Office.

(4.) The Treasurer or any officer may suspend the operation of this regulation whenever he thinks fit.

*Withdrawals by Post.*

19. When a depositor resides in a district in which an agency has not been established, withdrawals may be made by post at the depositor's risk.

In such cases the depositor will be required—

(1.) To fill in and sign an order in the Form S.B. 14.

## NOTICE TO MARINERS.

*Colonial Secretary's Office,*
$\frac{2306}{1907}$ *Perth, 24th May, 1907.*

THE following Notices to Mariners are published for general information.

F. D. NORTH,
Under Secretary.

THREE KINGS ISLANDS.—NON-EXISTENCE OF CHARTED ISLETS, ETC.

Marine Department,
Wellington, N.Z., 18th April, 1907.

CAPTAIN BOLLONS, of the Government steamer "Hinemoa," reports that the undermentioned islands shown on the Admiralty Chart No. 1512 do not exist:—

1. The island North of Princes Islets: The "Hinemoa," steamed over the charted position of this island, and there is nothing North of of the line of S. 60° W. between the West King (600ft. island) and the continuous line of small (Princes) islets.

2. The island shown next North-East of West Island (350ft.): There is a passage a quarter of a mile wide between West Island and the first Princes Islet.

3. The islet and rocks on North side of Tasman Bay: The North point of this bay is a high bluff, with nothing off it, nor is there any outlier between Tasman and S. E. bays. The bottom between the different islands, and for a distance of a mile outside of them, is composed of rock, small coral, and small patches of coral sand. There is a smooth water anchorage in strong N.E. weather on the S.W. side of the Great Island in from 25 to 28 fathoms. It is necessary to have a stout buoy-rope, as the bottom is very foul.

Charts, &c., affected: Admiralty Chart No. 1512; "New Zealand Pilot," seventh edition, 1901, chap. ii, page 44.

J. A. MILLAR.

PROVISION DEPOT ON THE THREE KINGS GREAT ISLAND.

Marine Department,
Wellington, N.Z., 18th April, 1907.

NOTICE is hereby given that a provision depôt has been established on the Three Kings Great Island. It is situated on the narrow neck of the Great Island, and at the head of N.W. and S.E. bays. The house is painted white, and is plainly visible from the latter bay. A finger post is erected on the ridge overlooking the two bays, and is visible from the anchorage in each bay. A notice is nailed up inside the house giving instructions where to find water, and also how to attract the attention of the lightkeepers at Cape Maria—viz., by making a fire on the hill to the West of the house—and that the lighthouse-keepers will be instructed to keep a constant lookout in that direction. Finger-posts will be erected when the vessel calls again at the group should the sea be smooth enough to permit landing at the other islands.

Charts, &c., affected: Admiralty Chart No. 1512: "New Zealand Pilot," seventh edition, 1901, chap. ii, page 44.

J. A. MILLAR.

ERROR IN RELATIVE POSITION OF COAST-LINE BETWEEN NAPIER AND CAPE KIDNAPPERS.

Marine Department,
Wellington, N.Z., 18th April, 1907.

CAPTAIN MCDONALD, of the s.s. "Waikare," reports that from careful bearings taken from a position N.W. of Napier Breakwater the correct magnetic bearing from Eastern side of breakwater to outer rock on Cape Kidnappers is S. 51½° E. and that the correct magnetic bearing by latest Admiralty chart allowing for the increased variation is S. 55½° E., a difference of 4°. Masters are therefore cautioned that when making Napier from Cape Kidnappers in thick weather it will be advisable to steer an outside course to the extent of 4°.

Charts, etc., affected: Admiralty Chart No. 2528; "New Zealand Pilot," seventh edition, 1901, chap. iv., page 160.

Marine Department,
Wellington, N.Z., 19th April, 1907.

CAPTAIN BOLLONS, of the Government steamer "Hinemoa," reports the existence of the undermentioned uncharted rocks in the Hauraki Gulf:—

1. A sunken rock, with 10ft. of water over it at L.W.O.S., lies 2 cables S. 37° W. of Flat Rock off Kawau Island.

2. A rock, which dries 3ft. at L.W.S., lies 1·8 cables off shore on the Eastern side of Little Barrier Island, the S.E. point of the island bearing South, and Pohutukawa Flat N. 15° W., 1⅛ miles distant.

Charts, etc., affected: Admiralty Chart No. 2543; "New Zealand Pilot," seventh edition, 1901, chap. ii, pages 47 and 102.

## "GOVERNMENT GAZETTE."

*The Treasury,*
*Perth, 8th March, 1907.*

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has approved of the following Regulations for the control and management of the printing and publication of the *Government Gazette*.

L. S. ELIOT,
Under Treasurer.

REGULATIONS TO BE STRICTLY OBSERVED WITH A VIEW TO EFFECTING ECONOMY IN THE PRINTING AND PUBLICATION OF THE "GOVERNMENT GAZETTE."

1. The *Government Gazette* will be published once a week—on Friday, unless otherwise interfered with by Public Holidays or other unforeseen circumstances, when the alteration will be duly notified.

2. Supplements to the *Gazette* will only be published when approved by a Minister, except such as are required by statutory obligation or to meet the special requirements of the Colonial Treasurer.

3. Notices for insertion in the *Gazette* must be sent to the Government Printing Office in reasonable time—none later than 10 o'clock of the day preceding the day of publication, and when possible, several days before that time.

4. Proofs of Departmental Notices will be supplied, but must be returned not later than 3 p.m. of the day preceding the day of publication, and duly certified for issue by a responsible officer.

5. Notices or proofs delayed beyond the time mentioned will be held over for insertion in the following issue.

6. Wherever possible, in order to economise space without altering the sense, Notices shall be grouped, or tabulated with one date and signature.

7. Notices should bear the date of the *Gazette* in which they are first to be inserted, unless there are special reasons for giving any Notice a different date.

8. Every Notice forwarded for publication in the *Gazette* must show the number of insertions required, and the responsibility of indicating the requirements of the law in that respect will rest with the Department from which it issues. Unless so notified, only one insertion will be made.

9. When any Notice is marked for more than one insertion it must be stated whether such Notice should be published in full in each issue or in the first issue only. If only one insertion in full is necessary, abbreviated notice should be furnished for subsequent insertions. Nothing in this Regulation will affect the Government Printer's right to repeat a notice when required for "make-up" purposes.

10 Care must be exercised in the preparation of Departmental Notices for the *Gazette*, to save as far as possible corrections, alterations, and additions when in type. The Notices should be legibly written on one side of the paper only. Signatures and proper names must be written very plainly in the text. All documents illegibly written will be returned unpublished.

11. Demands for copies of Notices which appear in the *Gazette* should be sent in with the MS. or the returned proofs. Such demands should be as limited as possible, and not made unless necessary.

12. Private advertisements forwarded for publication in the *Gazette* must be written on one side of the paper only, and must be legible (signatures and proper names in particular), otherwise they will be returned unpublished. Such Notices must be paid for prior to insertion.
