HIS Excellency the Governor in Council has been pleased to confirm the following By-laws made by the Council of the Municipality of Boulder.

F. D. NORTH,
Under Secretary.

MUNICIPALITY OF BOULDER.

BY-LAW No. 82.

A By-law of the Municipality of Boulder made under "The Tramways Act, 1885," and numbered eighty-two, for regulating the licensing of tramcars and drivers and conductors thereof and the traffic of such tramcars within the Municipality.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Boulder order as follows:—

Interpretation.

1. In the construction of these By-laws the words "Traffic Inspector" shall mean the person for the time being carrying out the duties of Traffic Inspector for the Municipality of Boulder.

License for Car.

2. No tramcar shall be kept for the purpose of plying for hire unless and until a license shall have been first had and obtained for the same, and except during the currency of such license, and if any unlicensed tramcar shall be so kept for the purpose of plying for hire the owner thereof shall be liable to a penalty not exceeding £2.

Expiration of License.

3. Every license in respect of any tramcar shall expire on the thirty-first day of October next after the same shall be granted.

Application for License.

4. Before any license for a tramcar is granted by the Council the owner thereof shall make application for the same on a form to be approved of by the Traffic Inspector.

Inspection of Car.

5. The Council shall, upon any such application as aforesaid being made, cause an inspection to be made of the tramcar to which the same shall relate, and shall not grant the license unless such tramcar shall be found to be in a fit and proper condition for public use.

Number of Persons in Car.

6. In every such license for a tramcar shall be specified the number of such license (but so that no two licenses granted hereunder by the Council shall bear the same number), and also the number of persons licensed to be carried in and by such tramcar: Provided that no child under the age of four years sitting on the lap shall be deemed a person within the meaning of this By-law.

Number of Car.

7. The owner of every licensed tramcar shall cause to be painted or marked thereon, in such manner and in such conspicuous position as the Traffic Inspector shall direct, and shall keep so painted or marked, the number of such tramcar corresponding with the number of the license, and the number of passengers licensed to be carried by such tramcar.

Inspection of Cars.

8. The Traffic Inspector may, as often as he may deem it necessary, make an inspection of all tramcars licensed by the Council; and if any such tramcars shall be found to be in a condition unfit for public use, he shall give notice to that effect to the owner thereof, which notice shall be served on such owner by delivering the same at the usual place of residence or business of such owner; and if, after notice as aforesaid, the owner shall use any such tramcar whilst in such condition, such owner shall be liable, upon conviction, to a penalty not exceeding £2 for every day during which such tramcar shall be so used.

Drivers and Conductors' Licenses.

9. No person shall act as a driver or conductor of any tramcar without having a valid and subsisting license so to act from the Council, which license such Council is authorised to grant on being satisfied that the person applying for the same is a person of good character, and proper skill and fitness, and competent to perform the duties of a driver or conductor thereof, as the case may be. Every such license shall be registered by the Traffic Inspector.

Application for License.

10. Before any license is granted by the Council to any person to act as driver or conductor of any tramcar, the owner of such tramcar shall make an application for the same on a form to be approved of by the Traffic Inspector.

Expiration of License.

11. Every license so to be granted to any driver or conductor shall expire on the 31st day of October next after the same shall be granted.

Transfer of License.

12. When any driver or conductor leaves the service of any owner of a tramcar or tramcars, such owner shall, upon production of the license of such driver or conductor, be entitled to have the name of some other person, to be approved by the Traffic Inspector, substituted in such license as driver or conductor, as the case may be, and thereupon the person whose name shall be so substituted shall be deemed duly licensed for the balance of the term for which the original license was granted, and shall be the only person entitled to act as driver or conductor in pursuance of such license.

Overcrowding.

13. Neither the driver nor the conductor of any tramcar shall allow more than the number of persons for which such tramcar shall be licensed to be carried in or by such tramcar, and no person shall enter into or upon such tramcar after he shall have been informed by the driver or conductor that the same has already the full number of passengers.

Stopping before Intersections.

14. The driver of every tramcar shall stop such car immediately before crossing the intersection of the following streets:—Burt and Hamilton, Burt and Lane, Burt and Brookman, Piesse and Lane, and Wittenoom and Lane Streets.

Speed Limit.

17. No driver of any tramcar shall cause or allow the same to travel in any portion of the Municipality at a greater rate of speed than ten miles per hour.

Following Cars.

Sounding Bell.

19. The driver of every tramcar shall sound the gong or bell attached thereto, and give sufficient warning as the said tramcar overtakes any vehicle or approaches the intersection of any streets, and also before setting the car in motion, after any stoppage, and before passing another car, whether stationary or in motion.

Driver to stop upon demand.

20. The driver of any tramcar shall stop the same upon demand by the Traffic Inspector, or other Officer of the Council, or any Police Constable, to enable such Traffic Inspector, Officer of the Council, or Police Constable to count the number of passengers, or to ascertain the name of any person on the said tramcar who may be offending against any of the By-laws or Regulations, or any By-law or Regulations lawfully made in pursuance of "The Tramways Act, 1885."

Giving Name and Number, and production of License.

21. Unlicensed Driver or Conductor.

22. No licensed driver or conductor of any tramcar shall suffer any unlicensed person to act as driver or conductor, as the case may be, of such tramcar: Provided that this clause shall not be deemed to prevent any person in the employ of the owner of any tramcar acting as driver of such tramcar in the presence and under the supervision of the licensed driver thereof.

Penalty.
