Office of Public Service Commissioner,
Perth, 14th August, 1907.

A COMPETITIVE Entrance Examination to the Clerical Division under the Public Service Act will be held at the beginning of November, 1907:—

It is estimated that during the year 1908 there will be from 20 to 30 vacancies in Class "G," 4th grade of the Clerical Division, and several in the 4th grade of Class 8 of the Professional Division.

Candidates must, on the day of appointment, be not less than sixteen nor more than twenty-five years of age at their last birthday.

Candidates for entrance to the Professional Division will be required to enter for the compulsory subjects set for the Clerical Division, and also subsequently pass an examination in additional subjects.

Message boys already in the Service are notified that the terms of their employment are governed by Regulation 284, and if they are to remain in the Service after they have attained the age of 18 years they must obtain a position in the Clerical Division by competitive examination.

Officers already included in Class "G" should present themselves for examination, as unless they pass this examination now they will be required to pass it before promotion to Class "F," and as promotion to this class will ultimately also be governed by an examination in connection with clerical duties and attainments, it would be wise to get through the educational test examination without delay.

Officers in Class "G" who have passed in any of the following examinations will be exempted from this examination:—

Matriculation of any University:
Senior or Junior of the Adelaide University:
Ex-Seventh of the State School.

Those officers in Class "G" who failed to qualify in the last examinations, but who obtained not less than 40 per cent. of the aggregate marks for the compulsory subjects, will be exempted from the necessity of entering again in this examination for those subjects in which they passed, provided that exemption certificates (which are obtainable on application to the Commissioner) are sent in on or before 1st October, 1907.

Candidates must notify the Public Service Commissioner in writing, on or before the 1st October, 1907, of their intention to present themselves for examination.

The standard required in the subjects prescribed will be about equivalent to that required in the Ex-Seventh standard of the State Schools and in the Junior Examination of the Adelaide University.

Copies of the Papers set at the previous examinations may be obtained at the office of the Public Service Commissioner.

M. E. JULL,
Public Service Commissioner.
