[REGISTERED AT THE GENERAL POST OFFICE, PERTH, FOR TRANSMISSION BY POST AS A NEWSPAPER.]

PERTH: FRIDAY, AUGUST 27.

[1909.]

PUBLIC SERVICE LIST, 1909.

Being the **FIRST** List of Officers employed on the 30th day of June under the provisions of "The Public Service Act, 1904," prepared by the Commissioner pursuant to Section 13 of the Act; together with other information as set out in the Table of Contents.

To His Excellency Sir Gerald Strickland, Count Della Catena, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Governor in and over the State of Western Australia and its Dependencies, etc., etc.

MAY IT PLEASE YOUR EXCELLENCY,—

In pursuance of Section 13 (2) of the Public Service Act, 1904 (quoted hereunder), I have the honour to forward herewith, for presentation to Parliament, a List of all Officers employed under the provisions of the Public Service Act, 1904, on the 30th day of June, 1909, with the particulars recorded in respect to them as required by the Act; also other information as set out in the Table of Contents.

The Act directs that the list shall be made up on the 1st day of July, but as this direction, if literally followed, would defeat some of the objects for which it is required to be presented to Parliament, I have ventured to adopt the 30th day of June (the last day of the financial year) in lieu of the 1st July, and propose to continue this course until otherwise directed.

Perth, 30th July, 1909.

M. E. JULL,
Public Service Commissioner.

"The Commissioner shall, in the month of August in each year, forward to the Governor, and publish in the *Government Gazette*, a list of all officers on the 1st day of July in such year, together with the particulars so recorded in respect to them, and showing the date of appointment of such officers. Such list shall be *prima facie* evidence of the information contained therein; a copy of such list shall be laid before Parliament within fourteen days of publication, or, if Parliament is not sitting, then within fourteen days after the commencement of the next sitting thereof."

List of Officers employed under the Provisions of the Public Service Act on 30th June, 1909.

INTERPRETATION.

“ Value of position ” means the salary to which the officer holding the position may attain without waiting for promotion to another and more important post. Under normal circumstances, and in cases where the services rendered have been satisfactory, it is anticipated that when an officer receives promotion his salary will by annual increments be increased until it reaches the “ Value of position.”

The position rendered vacant by such promotion would in its turn be started at the minimum salary. By this means promotion, spread over a large organisation, could proceed with but little, if any, additional annual expenditure to the State. Accumulation of deferred increases, however, would destroy this arithmetical adjustment.

“ Age to 30 June, 1909,” and “ No. of years continuous service ” are shown in years and months, thus 41·7 ; 20·2.

“ Grade.”—The Act requires that each officer should be placed in a grade of a class. To initiate this, officers have been placed in the grade nearest to their present salary.

All salaries by classification are based on Perth rates. This is in order to create a common standard on which to transfer and promote. The difference in localities is recognised and adjusted by means of “ District Allowances,” vide page 2839.

§ A great many of these positions are occupied by youths and young men who have not yet fully qualified themselves by examination for appointment to the Permanent Staff. The proportion of juniors in the Service, as will be seen from the preceding list, is below what it should be, having regard to the large volume of junior work which is required to be done by the various State Departments.

LIST OF PERSONS EXEMPT FROM THE PUBLIC SERVICE ACT.

(SECTION 5.)

Unless otherwise expressly provided, this Act shall not apply—
to the Judges of the Supreme Court; or
any officer of either House of Parliament under the separate control of the President or Speaker, or under their joint control; or
the Agent General; or
the Auditor General; or
the Police Force; or
the teaching staff of the Education Department; or
any officer or person appointed by the Commissioner for Railways under the Government Railways Act, 1904, or any Act amending the same; or
any officer or class of officers to whom or to which, on the recommendation of and for special reasons assigned by the Commissioner, the Governor declares that the provisions of this Act shall not apply.

Title of Office or Nature of Work.	Special reasons assigned on which the Governor in Council declared that the provisions of the Act shall not apply to such persons.	Date of Exemption.
<i>Inspector of Clothing (Tender Board Office)</i>	This officer's time is not wholly at the disposal of the Government. The payment made to him is more in the nature of a fee for services rendered than a salary.	13-2-06
<i>Judges' Associates</i>	If brought under the Act it would be necessary to alter the old established system, which there does not appear to be sufficient good reason to do, viz. : to take away from their Honours the right to appoint their own Associates. An Associate is really the confidential clerk to a Judge.	..
<i>Bailiffs, when paid by fees</i>	The time of these officers is not fully at the disposal of the Government. The payment made to them is in the nature of a fee for special services rendered, not a salary.	..
<i>Lecturers employed by Lands Department, and Meteorological Telegraphists and Observers</i>	Preceding remarks apply.	..
<i>Teaching Staff of School of Mines and Technical School, except the Director and Secretary of School of Mines, and the Director and Secretary of the Technical School</i>	The teaching staff of the Education Department is specially exempted under the Act (Section 5), and the teaching staffs of these two schools should be brought into line.	..
<i>Deputy Mining Registrars</i>	These persons are paid now from £12 to £24 per annum, and the payment is more in the nature of a fee for services rendered than a salary. In some cases the work is done by private individuals.	..
<i>The Employees of all State Batteries and Smelting Works, including Managers, Ore Buyers, and Assayers</i>	The work on which these employees are engaged is of a fluctuating nature. Batteries are liable to be closed down at any time.	..
<i>Land Guides</i>	These guides are appointed as required, and sometimes employed for very short periods.	..
<i>Hotel Managers</i>	These are under special agreement, and the Public Service Act and Regulations could not be made to apply to the requirements of the employment.	..
<i>Compositors, Machinists, Machine Paper Rulers, Bookbinders, Ticket Printers, Stereotypers, Typographical Printers, Photo-Litho. Printers, Litho. Printers, Litho. Machinists, Machine Feeders, Block Mounters, Stone Cleaners, Apprentices</i>	Neither the Act nor the Regulations fit in with the necessities surrounding the employment of this class of Government employees. The Public Service Act and Regulations issued under it may at any time clash with the Industrial Conciliation and Arbitration Act. Clause 107, which reads as follows :— “ If any person employed by the Government on daily wages, payable weekly or fortnightly, is a member of any industrial union composed of workers of the same trade as such person, the Minister of the Department in which such person is employed shall, in relation to all such persons who are for the time being members of such union, and for the purposes of this division of this Act, be deemed an employer, and such persons shall be deemed workers.”	..
<i>Boundary Riders, Rabbits, Farm Hands and Labourers, Nurserymen, Gardeners, Grooms, Survey Hands, Camp Assistants, Field Assistants, Watchmen, Packers, Storemen, Gangers, Working Foremen, Mechanics, Labourers, Engine-drivers, Firemen, Sailors, Boatmen, Signalmen, Bandmasters, Caretakers, Cleaners, Orderlies, Bakers, Pantrymen, Housekeepers, Domestic Servants, Cooks, Laundresses, Wardmaids, Housemaids, Nursemaids, Wardsmen, Yardmen, Quarantine Station Attendants, and all other persons who are paid at a daily or weekly rate of wage; also all persons who receive payment for services rendered who are not prohibited from doing private work</i>	In making this and the foregoing recommendations I have had regard to the following considerations :— (1.) Persons whose trade or calling is governed by any recognised trade customs, or who may be affected by the Industrial Conciliation and Arbitration Act. (2.) Persons who by reason of their being in the Government Service are doing work which will unfit them for carrying on their occupations in the ordinary avenues of employment offering outside the Government Service. (3.) The overtime payment under the regulations would not be considered at all adequate to compositors and others, and would clash probably with trade custom and the Arbitration Act. On the other hand it is reasonable for the class of officers to which the Regulations apply; the nature of their work is different, and they have other privileges.	..

LIST OF PERSONS EXEMPT FROM THE PUBLIC SERVICE ACT—*continued.*

Title of Office or Nature of Work.	Special reasons assigned on which the Governor in Council declared that the provisions of the Act shall not apply to such persons.	Date of Exemption.
<i>District Medical Officers</i> (except where their whole time is at disposal of the State)	The services of District Medical Officers are not wholly at the command of the Government, such officials having the right of private practice, and to dispose of their time as they may think proper, subject to duties being done for which they are paid a retaining fee or salary. Neither the Public Service Act, nor the regulations framed under it, contemplate such officials being placed under their limitations or qualifying for long service leave and other privileges.	11-10-05
<i>Nurses (except Matrons), Male and Female Attendants (except Matrons) in Lunatic Asylums, Warders, Matrons, and Gaolers engaged in Gaols and Prisons</i>	Neither the Act nor the Regulations fit in with the requirements surrounding the work of these Government employees, and they can be dealt with to greater advantage by special departmental regulations.	8-8-06
<i>Officers in the Agent General's Office, London,</i> classified at or in receipt of a salary of £250 per annum and under	It would not be an economical arrangement for the State to recruit or promote under the provisions of the Public Service Act the minor officials employed in London.	31-7-07

APPLICATION FOR TEMPORARY ASSISTANCE.

(Section 36.)

To the Public Service Commissioner :

I have to report that my Minister is of opinion that the prompt despatch of the business of the Department renders temporary assistance necessary. What will be the nature of the duties of the proposed temporary officer ?	
For what period of time will the services of such temporary officer be required ?	
What salary is the work to be done worth ?	

Commissioner's reply when there is no suitable surplus officer available for transfer from the permanent staff of other Departments.

To the.....

In reply to your application I certify that I do not know of any suitable surplus officer at present available for transfer. Such assistance therefore as may be authorised by your Minister may be taken on under Regulations 322 to 340. Please bear in mind Section 36 (5) of the Act which reads as follows:—"The services of any person temporarily employed may be dispensed with at any time by the Minister or by the Permanent Head."

I wish to point out to you that the Commissioner has no power to either take on or dispense with the services of a temporary officer.
