AWARD.

THE Court of Arbitration of Western Australia (hereinafter called "the Court") having taken into consideration the matter of the above-mentioned dispute, and having heard the union and the employers by their respective representatives duly appointed, and having heard the evidence adduced by and on behalf of the union and the employers, doth hereby order and award that as between the union and the members thereof, and the employers and each of them, the terms, conditions, and provisions set out in the schedule hereto shall be binding upon the union and the members thereof, and upon the employers and each of them, and that the said terms, conditions, and provisions shall be deemed to be and they are hereby declared to form part of this award: And further, that the union and the members thereof, and the employers and each of them, shall respectively do, observe, and perform every matter and thing by the said terms, conditions, and provisions respectively required to be done, observed, and performed, and shall not do anything in contravention of the said terms, conditions, and provisions, but shall in all respects abide by and observe and perform the same. And the Court doth further order that the industry to which this award shall apply is the job-composition branch of the Printing Industry: And further, that it shall operate over the area comprised within a radius of fifteen miles from the General Post Office, Perth, and that it shall come into force on the eighth day of November, One thousand nine hundred and nine, and shall remain in operation until the eighth day of November, One thousand nine hundred and ten, and shall thenceforward continue in force from year to year subject to the right of any party interested to apply to amend, alter, or revise the same.

THE SCHEDULE HEREINBEFORE REFERRED TO.

*Hours of Labour.*

1. The ordinary hours of labour shall not exceed forty-eight hours per week, day work, and shall be so regulated as to allow for a long day on the first five days in order to provide for a short day being worked on the Saturday. Not less than one hour shall be allowed on each day for midday meal between the hours of twelve noon and 2 p.m.

The ordinary hours of work for night workers shall not exceed forty-four per week, the time for starting and finishing to be arranged between employer and worker.

Each daily or nightly period shall stand by itself, and all time worked in excess of the usual working hours to be paid for at overtime rates hereinafter set forth.

*Classes of Labour.*

2. Only two classes of labour shall be employed, namely, journeymen compositors and apprentices.

Journeymen compositors shall be paid wages or at piecework rates in accordance with the scale hereinafter contained.

*Time Rates.*

3. The minimum rate of pay for a compositor employed on wages shall be at the rate of three pounds per week, day work, and three pounds ten shillings per week, night work.

*Piece Rates.*

4. The piecework rates of pay for compositors employed on piecework shall be as follows:—1s. 1d. per 1,000 ens for nonpareil, minion, brevier, bourgeois, and long primer, and 1s. 1½d. per 1,000 ens for pica and small pica. Types below nonpareil shall be paid 1d. per 1,000 ens extra. Night work shall be paid for at 1d. per 1,000 ens extra on above rates.

Foreign languages to be paid for at one-third extra.

*Apprentices.*

5. The employment of apprentices shall be governed by the regulations appended to this award.

*Alterations.*

6. Alterations from copy to be paid for by the "house," and every line passing through the stick consequential thereon and all marks in revise not appearing in the first proof shall also be paid for by the "house."

*Overtime.*

7. Overtime shall be paid to wages hands at the rate of time and a-quarter up to ten o'clock p.m.; time and a-half from ten o'clock to midnight; and double time thereafter; and at rate and a-third to all piece hands employed.

*Holidays.*

Any permanently employed compositor required to work in jobbing offices on Sundays, Eight Hours' Day, Christmas Day, New Year's Day, or Good Friday shall be paid double rates of pay, and if required to work on Boxing Day or Easter Monday shall be paid at rate of time and a-half.

The established custom in the trade of granting Christmas Day and Good Friday of each year to the workers as holidays carrying full pay shall be continued.

For the purposes of this clause a "permanently employed" compositor shall mean one who has had three months continuous employment.

*Minimum of Casual Employment.*

9. In every jobbing office where men are employed casually as work arises, no man shall be paid for less time than four hours; that is to say—for any time not exceeding four hours the employee shall be paid as for four hours work, and if such employee is required to work after the usual hour of closing he shall be paid at overtime rate: Provided, however, that should the work engaged upon or other work which may arise entail the employment of the said employee for the whole of the next morning, he shall only be entitled to payment for the number of hours he has worked, with the addition of the overtime rate if worked.

*Notice of termination, One week.*

Any journeyman having been employed for three consecutive months in any office shall be entitled to one week's notice that his services are to be dispensed with, and any such journeyman leaving his employment shall likewise give one week's notice.

*Discrimination.*

10. No employer shall discriminate between members and non-members of the union. And no employer shall, in the engagement or dismissal of any person or in the conduct of his business do anything for the purpose of injuring the union, whether directly or indirectly.

*Lower Rate.*

11. A worker who is unable to earn the minimum rate of wage hereby prescribed may be employed at a lesser rate, which shall be agreed upon in writing between the worker and the secretary of the workers' union.

If within seven days after being notified in writing of the worker's desire to work at a lower rate of wage than that prescribed the said secretary and worker are unable to agree upon a lower rate, then the worker may apply in writing to the resident or police magistrate within whose magisterial district the proposed employment will take place to fix such lower rate of wage.

The worker shall give such secretary two days' notice in writing of his intention to apply to the magistrate, and the said secretary or his agent may attend and oppose the application.

The magistrate may fix the rate of wage, and his decision shall be final.

Any worker whose wage shall have been so fixed may work for and be employed by any other employer within the district to which this award applies for such less wage for the period of six calendar months thereafter, and after the expiration of the said period until fourteen days' notice in writing shall have been given him by the secretary of the union requiring his wage to be again fixed in the manner prescribed by this clause.

Provided that no employer shall be at liberty to employ more than one such person at a time for every ten fully paid journeymen employed.

In witness whereof this award has been signed by the President of the Court, and the seal of the Court has been hereto affixed this eighth day of November, One thousand nine hundred and nine.

*Regulations governing the employment of Apprentices in the Job-composition Branch of the Printing Trade.*

1. When used in these regulations—

The term "Permanently employed" shall be construed to mean three months continuous employment.

The term "Journeymen" shall not be deemed to include any persons other than journeymen compositors actually working at the trade.

2. Apprentices to the job-composition branch of the printing trade shall, unless bound by indentures, be engaged under the terms hereinafter set forth. All indentures shall be forthwith registered in the manner hereinafter provided (Form 1 in appendix hereto) with the Clerk of the Court of Arbitration. Except as aforesaid, no legal agreement in existence at the date of issue of this award shall be interfered with.

3. They shall not exceed in number one to every four or fraction of four journeymen permanently employed.

4. The term of apprenticeship shall be five years. A probationary period of three months previous to being bound shall be lawful; such probationary period shall be deemed portion of the term of apprenticeship.

5. Should any employer from unforeseen circumstances be unable to carry out his obligations to the apprentice, he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of Arbitration of the date of such transfer and when such apprenticeship commenced. (Form 2 in the appendix hereto.)

6. In the absence of indentures, apprentices shall be bound for the terms and on the conditions herein provided, and subject to the following provisions:—

(a.) Any employer taking an apprentice shall give notice thereof to the Clerk of the Court of Arbitration, in the form hereinafter provided (Form 1 in the appendix hereto), and shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall, subject to the provisions of clause (13) hereof, pay the apprentice the rate of wage herein provided.

(b.) At the end of the period of apprenticeship the employer shall give the apprentice a certificate (Form 6 in the appendix hereto), to show that he has served his apprenticeship. Should the employer, at any time before the termination of the apprenticeship, desire to dispense with the services of the apprentice he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business willing to continue to teach the apprentice and to pay the wages prescribed by this award according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the Clerk of the Court of Arbitration of such transfer in the form hereinafter provided (Form 2 in

appendix hereto). It shall not be obligatory upon any employer to find any apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(c.) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to undertake the responsibility of teaching him.

(d.) When an apprentice is discharged for cause, the employer shall send notice in writing of the discharge and the cause thereof to the said Clerk of the Court of Arbitration (Form 3 in appendix hereto).

7. The minimum weekly wages payable to an apprentice shall be:—

During the first year of his

	£	s.	d.
apprenticeship, not less than	0	10	0 per week.
During the second year	..	0	15 0 per week.
During the third year	..	1	0 0 per week.
During the fourth year	..	1	10 0 per week.
During the fifth year	..	2	0 0 per week.

8. Every apprentice shall be bound to submit himself for examination by the Board of Examiners, hereinafter constituted, at the expiration of each period of one year of his service. Notice of his intention to submit himself for examination shall be given by the apprentice to the Clerk of the Court of Arbitration at least fourteen days before the termination of each yearly period, and may be given in the form numbered 4 of the appendix hereto. Every such notice shall be accompanied by a fee of 2s. 6d.

9. Upon the receipt of such notice the Clerk of the Court of Arbitration will furnish the apprentice with an examination certificate, in the Form 5 of the appendix hereto.

10. The Clerk of the Court will notify the Board of Examiners of the names and addresses of all candidates desirous of submitting themselves to examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of each employer to provide such necessary material and machinery as may be required, and in all ways facilitate the conduct of the examination.

11. The examination will be held in January, on a date to be fixed by the Board of Examiners. The Board of Examiners will consist of the Secretary of the Workers' Union, or such other person as may be nominated by the union in his stead, and a person skilled in the trade to be nominated by the employers carrying on business within the area to which this award applies; or failing such nomination, such person as may be appointed for that purpose by the Court. In the event of a disagreement between the members of the Board, the matter in dispute shall be referred to a third person agreed to by them or nominated by the Court or the President thereof at the request of either member. The Board of Examiners will examine the work of and inquire into the diligence of each apprentice, and as to the opportunities provided by the employer to each apprentice to learn.

12. The Board will report to the Court in writing as to the result of each examination. Every apprentice shall be bound to produce to the Board of Examiners his Examination Certificate hereinbefore referred to, and the same shall be kept by the examiners and returned to the apprentice, with the necessary endorsement, at the conclusion of the examination.

13. It shall be lawful for the employer to withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in clause (7) hereof to any apprentice who fails to satisfy the examiners.

14. If the Board of Examiners reports to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this award under Section 88 of the Act, and may be summoned before the Court. Upon any such proceeding the reports may be received in evidence.

15. Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.
