In the Supreme Court of Western Australia.

In the matter of "The Companies Act, 1893," and in the matter of the Bannockburn Gold Mining Company, Limited.

THE humble petition of William George Amery, of Leonora, in the said State, Mine Manager, sheweth as follows:—

1. The Bannockburn Gold Mining Company, Limited (hereinafter called the Company), was in the month of May, 1909, incorporated under "The Companies Act, 1893."

2. The registered office of the Company is on Residential Area No. 492, situated at Gwalia, Leonora, in the said State.

3. The nominal capital of the Company is £2,500, divided into 2,500 shares of £1 each. Shares to the number of 1,608 only have been issued, and on this issue the amount of the capital paid up or credited as paid up is £1,608.

4. The objects for which the Company was established are as follows:—

(a.) To acquire Gold Mining Lease 1261c and auriferous lands.

(b.) To mine thereon and therein for gold.

And other objects set forth in the memorandum of association thereof.

5. The Company is indebted to your Petitioner in the sum of £147 19s. 8d. on a judgment of the Honourable Court dated the 2nd of November, 1909.

6. The Company is indebted to divers others creditors besides your Petitioner. It is insolvent and utterly unable to pay your Petitioner's said debt or its other debts.

7. The Bailiff of the Local Court of Leonora in the said State has recently made a seizure of the Company's said Gold Mining Leases and the machinery thereon under a Warrant of Execution issued out of the said Local Court at the suit of S. F. Bridge and Company, of Leonora, and has advertised the same for sale thereunder on the 23rd instant.

8. The only assets of the Company are Gold Mining Leases 1261c, 1596c, and 1299c, together with the mining machinery and buildings and mining tools and stores thereon.

9. It is just and equitable that the Company should be wound up by the Court.

10. It is necessary for the protection of the property of the Company and for the interests of the creditors thereof that a provisional Liquidator should be immediately appointed because:—

(a.) The labour conditions are not now being performed on the said Gold Mining Leases, and it is necessary in order to avoid forfeiture that some one should apply for and obtain exemption as provided for under "The Mining Act, 1904."

(b.) The Company has left no one in charge of the properties, and mining timber is being stolen, and other portions of the assets are likely to be lost unless some person is placed in charge thereof.

Your Petitioner therefore humbly prays as follows:—

1. That the Bannockburn Gold Mining Company, Limited, may be wound up by the Court under the provisions of "The Companies Act, 1893."

2. Or that such other order may be made in the premises as shall be just.

WILLIAM GEORGE AMERY.

Witness,—

Francis S. Harney, Solicitor.
