LOCAL BOARD OF HEALTH BY-LAWS.

5044/09.

Colonial Secretary's Office,
Perth, 3rd December, 1909.

HIS Excellency the Governor in Council has been pleased to approve the following By-laws, made by the Norseman Local Board of Health.

F. D. NORTH,
Under Secretary.

BY-LAWS OF THE NORSEMAN LOCAL BOARD OF HEALTH.

PART I.—GENERAL.

WHEREAS by "The Health Act, 1898," and the Acts amending the same, the Local Board of Health has power to make By-laws: Now, therefore, in pursuance of the powers in that behalf contained in the said Act, and the Acts amending the same, the Local Board of Health doth hereby make the following By-laws:—

INTERPRETATION.

The following words in these By-laws shall be interpreted as follows:—

- "Offensive material" means and includes dust, mud, ashes, rubbish, filth, blood, offal, manure, dung, soil, or any other material which is offensive collected, placed, or found in or about any house, stable, cowhouse, pigsty, lane, yard, street, or place whatsoever.
- "House refuse" means and includes all rubbish or waste materials.
- "Closet" means and includes water-closets, earth-closets, and privies.
- "Approved" means approved by the Local Board.
- "Foundation" means the solid ground or artificially-formed support on which the footings of a wall rest.
- "Occupier" means the inhabitant occupier of any land, or, if there be no inhabitant occupier, the person entitled to the possession thereof, and shall include leaseholder, or holder under agreement for lease.
- "Board" means the Local Board of Health for the district of Norseman.

BY-LAW No. 1.

Regulating the removal of dust, mud, ashes, rubbish, filth, blood, offal, manure, dung, or soil collected, placed, or found in or about any house, stable, cowhouse, pigsty, lane, yard, street, or place whatsoever.

- (a.) The occupier or owner of every house or premises shall at least once a week remove therefrom all offensive material found in or about such house or premises.
- (b.) He shall cause such offensive material to be conveyed to such places as may from time to time be appointed by the Board.
- (c.) Every person who shall convey any offensive material through or along any street or lane shall, previous to and during the whole time of such conveyance, cause such offensive material to be covered with a suitable deodorant, or shall adopt such other precautions as may be necessary to prevent the emission of noxious or offensive odours or effluvia therefrom, and the same shall not be deposited in any place other than the place set apart by the Board for that purpose.
- (d.) He shall, for the purpose of such removal, in every case use or cause to be used a suitable vessel or receptacle, cart, or vehicle, properly constructed and furnished with a sufficient covering so as to prevent the escape of the contents thereof.

- (e.) If in the process of such removal any person shall slop or spill or cause or allow to fall upon any footway, pavement, carriage-way, or public place any such offensive material, he shall forthwith remove such offensive material from the place whereon the same may have been slopped or spilled or may have fallen, and shall immediately thereafter thoroughly cleanse such place.

BY-LAW No. 2.

Requiring the occupiers of houses or premises to provide boxes or other specified receptacles for the temporary deposit of house refuse.

- (a.) The occupier of every house or premises shall, on written notice from the Inspector, and within the time specified in such notice, provide such and so many covered receptacles and of the dimensions and materials required by the Board for the temporary deposit of house refuse.
- (b.) The occupier of such house or premises shall daily collect all house refuse from such premises and place the same in the receptacles, and he shall not permit or suffer any such receptacle to overflow, be left uncovered, or become offensive, and shall, when necessary or when directed by the Inspector or officer of the Board, thoroughly cleanse and disinfect the same forthwith.
- (c.) He shall keep every such receptacle as aforesaid in such place or position as the Inspector may direct, and so as to be convenient for the removal of the contents thereof.
- (d.) He shall cause every such receptacle as aforesaid to be emptied at least once a week, or as often as the Board may direct.
- (e.) He shall, after notice from the Inspector, and within the time stated in such notice, replace by a new and approved receptacle any receptacle that the Inspector may deem to be worn out or unfit for use.
- (f.) He shall cause the contents of every such receptacle to be removed at least once a week, or so much more frequently as the Board may from time to time direct, to the depot set apart for the reception of refuse, and there forthwith effectually destroy the contents by burning, or completely burying the same at least six inches under the surface of the ground.

BY-LAW No. 3.

For regulating the times and manner of the cleansing, emptying, and managing of earth-closets, privies, cesspools, and places for the deposit of nightsoil, offal, blood, or other refuse matter, etc.

- (a.) The occupier of any premises shall once at least in every week cleanse every earth-closet or privy belonging to such premises, and he shall at such time cause the floor, seat, and riser of every such earth-closet or privy to be thoroughly cleansed.
- (b.) He shall at least once a week thoroughly cleanse every receptacle or place upon his premises used for the deposit of offal, blood, or other refuse matter.
- (c.) Every person transporting nightsoil, offal, blood, or other offensive matter shall use for the purpose efficient, impervious, and airtight receptacles, and so constructed as to prevent the escape of any of the contents thereof, or of any noxious or offensive odours or effluvia therefrom whilst in transit, and he shall adopt such other precautions as may be necessary to prevent the emission of noxious or offensive odour or effluvia therefrom, and the transported material shall not be deposited in any place within the district other than the place set apart by the Board for that purpose.
- (d.) No person shall remove nightsoil or urine, whether mixed with other substances or not, from any place or depot duly authorised for the reception, utilisation, or deposit of the

same without first subjecting such night-soil or other matter to a heat of not less than 212 degrees Fahrenheit for not less than thirty minutes, and then only with the consent, in writing, of the Board.

- (e.) Every person depositing nightsoil, offal, blood, or other offensive material in any depot duly appointed for that purpose shall deposit such material in a trench not exceeding four feet in depth, and shall immediately after making any such deposit cover it completely with a layer of clean earth not less than nine inches thick.

BY-LAW No. 4.

For the rendering the foundation of any new building and the ground over which such building is to be placed dry, sound, and well drained, so that no water soakage shall lodge there from the drainage of buildings.

- (a.) Every person who shall erect a new building shall cause the intended site of any such building to be properly and thoroughly drained; he shall also cause any soakage or drainage from the adjoining sites or buildings to be completely diverted from the site of such new building.
- (b.) He shall cause the whole top surface of every foundation wall of such new building to be completely covered with an approved damp course composed of impervious and durable materials.
- (c.) He shall cause such damp course to be placed beneath the level of the lowest timbers of the lowest floors of such new building, and if any breaks are made in the horizontal layers of the damp course such breaks shall be properly connected with damp-proof material.
- (d.) He shall cause every part of an external wall of such building which is below the surface of the ground adjoining it and above the damp course to be sufficiently protected from contact with the ground by rendering such part with some approved impervious material, such rendering to extend for three inches above the surface of the ground and three inches below the horizontal damp course.

BY-LAW No. 5.

Requiring all existing cesspools to be cleansed and filled up, etc.

- (a.) The owner or occupier of any premises upon which there is an existing cesspool shall, within a calendar month after the service of a notice from the Inspector requiring the cleansing and filling up of such cesspool, remove or cause to be removed from any such cesspool all nightsoil, urine, filth, or other offensive matter that may be therein, and thereupon completely fill such cesspool with approved material.
- (b.) No cesspool shall be deemed to be constructed and situated as required by these By-laws unless it is constructed in accordance with the requirements set out in Schedule "C," and situated at least 20 feet from any dwelling.

BY-LAW No. 6.

Requiring for each closet the supply of a sufficient number of receptacles for excrementitious matter, etc.

- (a.) Every owner of a closet shall provide in connection with such closet one or more receptacles for excrementitious matter, as required by the Board. He shall cause such receptacles to be constructed out of not less than 22-gauge galvanised iron, and the dimensions of such receptacles shall be 14½ inches high, 13 1/6 inches diameter (inside measurement) when completed. The ring around the top to be made of 1-inch by ¼-inch iron, with four holes punched at equal distances apart, and riveted to the body so as to fit same neatly, and be level across the top; the seams of the body shall be folded and grooved and sweated with solder, two straps to be put across the

bottom of the pan made of 20-gauge galvanised hoop iron 1¼ inches wide, and swaged and riveted to the bottom. Handles made of 3/8-inch round iron shall be properly secured to the external opposite sides of the body at five inches below the top of the body, and projecting not more than 2 inches from the side thereof.

- (b.) Every owner of a water-closet shall provide such closet with an approved earthenware pedestal, fitted with all proper traps, vents, and flushing tanks.

BY-LAW No. 7.

Determining the mode and frequency of removal of such receptacles and the disposal of the contents.

- (a.) Every person removing a receptacle from a closet shall at once cover the same with an approved tight-fitting lid, and upon every such removal shall place carefully in the panstead of the closet a cleansed pan of the pattern described in By-law 6 in lieu of the pan removed.
- (b.) He shall then remove the closed pan in a cart or other approved vehicle to the depot, and thereupon dispose of the contents of the pan in the manner prescribed in paragraph (e.) of By-law No. 3.
- (c.) Every occupier shall at least once in every week cause each closet pan with its contents to be removed.
- (d.) He shall, if more than six and not more than ten persons use such closet, cause such closet pan with its contents to be removed at least twice a week.
- (e.) He shall, if more than ten and not more than fifteen persons use such closet, cause the pan to be removed at least three times a week.
- (f.) He shall, if more than fifteen and not more than twenty persons use such closet, cause the pan to be removed nightly.
- (g.) He shall not permit any closet on his premises to be used by more than twenty persons.
- (h.) All premises licensed under the provisions of the Wines, Beer, and Spirits Sale Act, and any amendment thereof, shall be provided with double the sanitary accommodation required by these By-laws in respect of private premises.
- (i.) Every occupier shall cause the receptacle to be removed from each closet so much more frequently than is prescribed previously in this By-law as the Board may from time to time direct.
- (j.) Every occupier shall cause to be kept in each closet a sufficient supply of approved deodorant, and means for using the same, and shall cause all nightsoil or other matter which may be deposited in the pan of such closet to be immediately deodorised with a sufficient quantity thereof.

BY-LAW No. 8.

Fixing the charge which may be made for removing each receptacle and replacing it by a clean one, and for any other sanitary service.

- (a.) The charge made by any licensed person for removing nightsoil receptacles and replacing them by clean ones shall be as set out in Schedule "A"; and
- (b.) The charge made by any person for performing any other sanitary service shall be as set out in Schedule "A."

BY-LAW No. 9.

Fixing the charge for the removal of trade or house refuse.

- (a.) The charge made on any owner or occupier by any licensed person for removing trade or house refuse shall be as set out in Schedule "A."

BY-LAW No. 10.

Determining to whom and on what conditions licenses to remove nightsoil shall be issued.

- (a.) Licenses to remove nightsoil shall not be issued to any person unless he first obtains two approved sureties for the due and proper performance of his duties.
- (b.) The conditions upon which licenses shall be issued shall be those set forth in the following By-law.

BY-LAW No. 11.

Imposing penalties on licensees for breach of conditions.

Every licensed nightman shall carry out the requirements of "The Health Act, 1898," and its amendments, and of these By-laws in relation to his duties, and shall forfeit and pay the penalties set out in Schedule "D" for any breach of the conditions therein.

BY-LAW No. 12.

For the mode of carriage of and precautions to be observed in carrying meat to and from abattoirs or butchers' shops or premises; also for the mode of carriage of and precautions to be observed in the carriage of bread and fruit.

- (a.) Every person who shall carry, or cause or suffer or permit to be carried, any meat to or from any abattoir or butcher's shop, or who shall carry, or cause or suffer or permit to be carried, any bread or fruit, shall cause such meat or bread or fruit to be carried in a properly covered vehicle, basket, or other receptacle, so as to be completely protected from sun, weather, dust, flies, or other source of contamination.
- (b.) No person trading in meat, bread, or fruit, shall suffer or permit any person who is suffering from any contagious or infectious disease, or who is dirty in his person or clothing, to be employed in the handling, packing, or carriage of meat, bread, or fruit.

BY-LAW No. 13.

For the registration annually with the Board of all persons carrying on the trade of cowkeepers, etc.

- (a.) Every person who carries on the trade of a cow-keeper, dairyman, or purveyor of milk shall register with the Board; such registration shall be made within three months of the gazetting of this By-law, and afterwards in the month of January in each succeeding year, by all persons who are engaged in any such trade at the time of the aforesaid gazetting; and every person who intends to embark or newly carry on any such trade subsequent to the gazetting of this By-law, shall register in manner aforesaid prior to so embarking or carrying on, and afterwards in each succeeding year as aforesaid.
- (b.) Every such person shall make application for registration in the form of Schedule "B" hereto, and shall pay the fee set out in Schedule "E" hereto.

BY-LAW No. 14.

For the securing of the cleanliness of bakeries, milk stores, milk shops, and of milk vessels, etc.

- (a.) No person shall carry on the trade of a baker unless the interior face of the walls of the bakehouse or any other building or part of a building in which he carries on his trade are smooth and impervious throughout, nor unless the ceilings shall be properly ceiled, nor unless the floors shall be hard, smooth, and impervious throughout.
- (b.) He shall not carry on the trade of a baker unless the bakehouse or any other building or part of a building which he occupies for the purposes of his trade is properly and effectually ventilated by permanent inlets and outlets, communicating directly with the outer air, in such a way and at such a height as to prevent the entrance into the bakehouse or such other premises of dust and dirt.

(c.) No bakehouse or other building occupied by him as aforesaid shall be in direct communication with any coal or other cellar, nor with any water-closet, earth-closet, privy, ashpit, ashbin, drain inlet, nor with any wash-house, nor with any room, yard, or area, which may be a nuisance, or cause contamination by foul air, dust, or dirt.

(d.) He shall provide, outside the bakehouse, approved conveniences, and sufficient and suitable materials for personal ablutions.

(e.) He shall cause all troughs, tanks, utensils, machinery, tools and appliances of every kind used in connection with his trade to be kept always in a thoroughly clean condition, in good repair, and to the satisfaction of the Inspector.

(f.) He shall cause all the inside surfaces of the walls of his bakehouse, or of any other building or part of a building occupied by him for the purposes of his trade, and all the ceilings thereof, whether such walls or ceilings be plastered or not, to be either properly painted or washed with lime or other approved material, or to be partly painted or partly washed; and where limewash is used, he shall cause the same to be renewed every six months, or oftener, if so required by the Inspector, and where paint is used, he shall cause the same to be thoroughly cleansed at least once in every six months, or oftener, if so required by the Inspector; and the painting shall be renewed whenever required by the Board.

(g.) He shall cause the whole of the premises wherein he carries on his trade to be swept and thoroughly cleansed at least once a day, and he shall, at least once in every week, cause all the floors to be thoroughly cleansed.

BY-LAW No. 15.

For prescribing the time of and the precautions to be taken on the removal of pigwash and other filthy matter.

- (a.) No person shall remove any pigwash or other filthy matter between the hours of 9 a.m. and 8 p.m.
- (b.) He shall not remove any pigwash or other filthy matter, unless such pigwash or filthy matter be carried in watertight barrels or tanks securely covered to prevent the escape of any of the contents thereof, or the emission of any offensive odour therefrom.
- (c.) He shall cause every tank or barrel used for the removal of any pigwash or filthy matter, and every conveyance or vehicle used for the carriage or removal of any such matter, as aforesaid, to be kept in a thoroughly clean condition, and in good repair.

BY-LAW No. 16.

For the cleansing of all vehicles and other things used for the carriage of meat to and from abattoirs, butchers' shops, and other places.

- (a.) Every person who shall carry, or cause or suffer or permit to be carried, any meat to and from any abattoir, butcher's shop, or other place, shall cause the vehicle, basket, or other receptacle in which such meat is carried, to be first thoroughly cleansed, and kept at all times in a thoroughly clean condition.
- (b.) He shall not permit such meat to be wrapped or enveloped in any material, unless such wrapper or envelope is perfectly clean and suitable.

BY-LAW No. 17.

For the precautions to be taken in the carriage of articles of food in vehicles, and other things for delivery to purchasers, and the way in which such articles shall be carried.

- (a.) Every person who shall carry or cause or suffer or permit to be carried, any article of food in a vehicle or other thing for delivery to a purchaser shall not permit or suffer any such

article to be carried in a vehicle or other thing that is not perfectly clean, or which has been used for the carriage of manure, dung, filth, or any offensive matter whatever.

- (b.) He shall not suffer or permit any person who is suffering from any contagious or infectious disease, or who is dirty, to be employed in the carriage, handling, or packing of any such article.
- (c.) He shall cause all such articles, whilst being carried to a purchaser, to be properly protected from contamination.

BY-LAW No. 18.

For the prevention of the sale of diseased and unwholesome fruit or fish in markets, warehouses, shops, streets, and other places, and for the destruction of cases and packing materials which have contained or surrounded such fruit or fish.

No person shall sell or expose for sale in any market, warehouse, shop, street, or other place, any fruit or fish which is diseased or unwholesome, and any fruit or fish which in the opinion of an Inspector is diseased or unwholesome shall be destroyed as the Inspector may direct, and all cases or packing material in which such diseased or unwholesome fruit or fish was contained or surrounded shall also be destroyed as the Inspector may direct.

BY-LAW No. 19.

For the prevention of the storage or keeping of bonedust, etc.

No person shall store or keep any bonedust or artificial or other manure so as to be a nuisance or injurious to health.

BY-LAW No. 20.

For the prevention of the keeping of animals of any kind so as to be a nuisance or injurious to health.

- (a.) Every owner or occupier of a building or premises wherein or whereon any horses or other beast of draught or burden or any cattle, swine, or other animals of any kind may be kept, shall provide in connection with such building or premises a suitable receptacle for dung, manure, soil, filth, or other offensive or noxious matter which may, from time to time, be produced in the keeping of any such animal in such building or upon such premises.
- (b.) He shall also cause such receptacle to be constructed in such a manner, and of such materials and to be maintained at all times in such a condition as to prevent any escape of the contents thereof, or any soakage therefrom into the ground or into the wall of any building.
- (c.) He shall cause such receptacle to be furnished with a suitable cover, and when not required to be open, to be kept properly covered or roofed in.
- (d.) He shall likewise, when so ordered by the Board, provide, in connection with such building or premises, a sufficient drain constructed in such a manner and of such materials and maintained at all times in such a condition as effectually to convey all urine or liquid filth, or liquid refuse therefrom into a sewer, impervious sump, or other proper receptacle, and he shall not suffer or permit such sump or receptacle to overflow or become offensive.
- (e.) He shall also, when so ordered by the Board, provide in connection with such building or premises a sufficient floor upon which any such animal shall be stalled, and such floor shall be constructed in such a manner and of such materials and maintained at all times in such a condition as effectually to convey all urine or liquid filth falling or deposited thereon to the drain aforesaid.
- (f.) He shall also cause all dung, soil, filth, or other offensive or noxious matter to be collected daily and placed in the receptacle described in paragraphs (a.), (b.), (c.), and

(d.) of this By-law, and he shall not permit or suffer such receptacle to overflow or become offensive.

- (g.) He shall at least once in every week, remove or cause to be removed from the receptacles provided in accordance with the requirements of this By-law, all dung, manure, urine, soil, filth, or other offensive or noxious matter produced in or upon such building or premises and deposited in such receptacles.

BY-LAW No. 21.

Defining an area within which swine may not be kept, and determining the conditions under which swine may be kept in any part of the district.

- (a.) No person shall keep any swine within 100 feet of any dwelling house, milking shed, milk room, or any building within which food intended for human consumption is prepared or stored.
- (b.) The conditions under which swine may be kept shall be those embodied in the By-laws for piggeries.

BY-LAW No. 22.

For the prevention of danger to the public from manufactories or places for the storage, keeping, or sale of inflammable materials.

- (a.) No person occupying any building or premises shall store, keep, or hold for sale any dangerously inflammable materials in excess of 20 cubic feet in measurement, unless such materials are enclosed or surrounded by fireproof walls, covered by a fireproof roof, and are placed on a fireproof floor.
- (b.) Any person who, after four hours' notice from an Inspector, shall neglect to remove from any building or premises occupied by him any inflammable material kept or stored in contravention of the preceding provisions shall be guilty of an offence against this By-law.

BY-LAW No. 23.

For the disinfection of and the prevention of nuisance or injury to health from poultry yards, rags, or other materials used or stored in marine stores, flock, or bedding, or furniture manufactories.

- (a.) No person shall keep any poultry yard within 25 feet of a dwelling house, or so as to be a nuisance or injurious to health.
- (b.) Every person who shall keep a poultry yard shall keep such yard in a clean condition, and shall at least once a week or oftener if so required by the Inspector, collect and remove all dung or other offensive matter therefrom, and effectually disinfect the surface of the yard, and all structures, boxes, perches, fences, or incubators that may be thereon or therein with lime or other approved disinfectant.
- (c.) Every person using or storing rags or other materials in marine stores, flock, bedding, or furniture manufactories, shall keep or store the same so as not to be a nuisance or injurious to health.
- (d.) He shall, whenever required so to do by an Inspector, disinfect any such materials on the premises in or upon which such materials are kept or stored in the manner directed by the Inspector.

BY-LAW No. 24.

For regulating the position and manner of construction of privies, earth-closets, and cesspools or urinals.

- (a.) No person shall erect any earth-closet, privy, cesspool, or urinal within 20 feet of any dwelling house, or within 50 feet of any well, stream, or reservoir.
- (b.) No person shall erect any earth-closet, privy, or urinal, the walls of which are not of stone, wood, wood and iron, brick, or other approved material. Ventilating outlets shall be also constructed in each such closet, as near the ceiling as practicable, and each such outlet shall be not less than 50 square inches in area.

- (c.) He shall provide every such earth-closet or privy with a proper roof, floor, and door, and the door shall be hung so that its bottom edge is at least three inches above the floor.
- (d.) He shall cause every earth-closet or privy upon his premises to be fitted in the following manner:—

The seat to be hinged so as to lift up for inspection and cleansing.

The riser to be removable and not to come within three inches of the floor.

Guide bars to be inserted so as to insure the pan being placed in exact position.

The top of the pan when in position under the seat to be not more than one inch from the underside of the seat.

A service or trap door to be fitted to enable the pan to be readily withdrawn from outside.

Unless the floor is constructed of impervious materials, a metal safe or tray to be placed under the pan, so laid and fitted that any spillage or leakage from the pan shall be received by it, and be discharged over and clear outside of the sill of the service door frame.

- (e.) He shall cause every urinal erected upon his premises to be so constructed that all urine deposited therein shall be conducted to a removable impervious receptacle of approved dimensions and manufacture, or to a septic tank, cesspool, or other approved system of drainage.

- (f.) He shall cause every cesspool erected upon his premises to be constructed of impervious and durable materials, and in the manner prescribed in Schedule "E."

BY-LAW No. 25.

For the prevention of the use of steam whistles at factories, or other establishments, so as to be a nuisance to any person.

No person, or owner, or occupier of any factory or other establishment shall use, or cause or suffer or permit to be used, any steam whistle so as to be a nuisance to any person.

BY-LAW No. 26.

Specifying the time which may elapse between the giving of a notice, and the doing of a thing, required by the Inspector.

- (a.) In the case of any notice given by an Inspector under Section 169 of "The Health Act, 1898," the time which shall elapse between the giving of a notice and compliance therewith, shall, if the notice relates to the removal of stagnant water, be two working days, and when the notice requires the removal of manure, dung, soil, or other offensive or noxious matter, the time which shall elapse shall be one working day.

- (b.) Under By-law 2, paragraph (a.), seven days shall be allowed, under paragraph (b.), one day, and under paragraph (c.), two days shall be allowed for compliance.

Under By-law 5, one calendar month shall be allowed for compliance.

Under By-law 14, paragraph (f.), 48 hours shall be allowed for the renewal of limewashing, and seven days for the renewal of painting or varnishing.

Under By-law 18, diseased or unwholesome fish or fruit shall be destroyed within four hours, the cases and packing material within twenty-four hours.

Under By-law 22, paragraph (b.), the time allowed shall be four hours.

Under By-law 23, paragraph (d.), the time allowed shall be 24 hours.

BY-LAW No. 27.

For preventing nuisances arising from any offensive matter in or running out of any manufactory, brewery, slaughter-house, knacker's yard, butcher's or fishmonger's shop, laundry, or dunghill.

- (a.) No owner, occupier, or other person shall suffer or permit any offensive matter from any manufactory, brewery, slaughter-house, knacker's yard, butcher's or fishmonger's shop, laundry, or dunghill, to escape and flow upon any street, footway, lane, public place or land.

- (b.) He shall cause all such offensive matters to be placed in approved covered receptacles, and disposed of as prescribed in By-law 7.

BY-LAW No. 28.

For preventing any person expectorating on any made footpath in any street or public place, or on any building to which the public have access, or any approach thereto, or on any railway carriage, tramcar, or other public conveyance.

No person shall expectorate on any made footpath in any street or public place, or in any building to which the public have access or any approach thereto, or on any railway carriage, tramcar, or other public conveyance.

BY-LAW No. 29.

And generally for the abatement and prevention of nuisances not hereinbefore specified, and for securing the healthfulness of the district and of its inhabitants.

- (a.) All receptacles required by "The Health Act, 1898," or under these By-laws, shall be kept in good repair and in an inoffensive condition, by the householder, occupier, or person having the custody or use of them.

- (b.) In the event of death, or any accident necessitating the slaughter of any horse, cattle, sheep, or other animal, the carcase of such animal shall, if ordered by the Inspector, be removed to the depot, and there thoroughly burned, destroyed, or properly buried by the owner or person in charge of such animal.

- (c.) No person shall burn any offal, rags, clippings, or parings of leather, or any offensive matter, so as to be offensive to any person or resident in the neighbourhood of such burning.

- (d.) No foul or offensive water, or other offensive or putrescible liquid, and no garbage, sweepings, or other offensive matter or thing shall be pumped, emptied, swept, thrown, or otherwise discharged or deposited in or upon any street, lane, yard, vacant land, or other place whether public or private, other than the place set apart by the Board for that purpose.

BY-LAW No. 30.

That a pan cleansed by superheated steam or some equally efficient means approved by the Board be left in its place.

- (a.) Every nightman or contractor for the removal of nightsoil shall cause every closet pan, after the disposal of its contents, to be thoroughly cleansed in a steam-tight box or chamber with superheated steam of a temperature not less than 280deg. F., and a superheat of not less than 40deg. F., such steam to be applied to the pan for not less than two minutes; should the steam from any cause be of less temperature, its application to the pan must be proportionately prolonged, but in no case shall the temperature of the steam in the box or chamber be used for cleansing purposes if below 212deg. F., and then the pan shall be subjected to its application for not less than 15 minutes; or

- (b.) He may cleanse every such pan in the following manner:—

By thoroughly washing and scrubbing in water, then rinsing in clean water, and finally immersing the pan in a bath of disinfecting solution of a strength equal in germicidal value to a five per cent. solution of pure carbolic acid for not less than five minutes; or

By thoroughly cleansing and disinfecting in some other approved manner.

- (c.) He shall cause the internal surface of every closet pan and the underside of the tight-fitting lid to be properly coated with coal-tar that has been twice boiled, and he shall renew such coating whenever necessary and so as to properly protect the whole internal surface of the pan and the underside of the lid.

BY-LAW No. 31.

That individual householders shall not contract for the removal of either nightsoil or any other refuse except in accordance with the By-laws and regulations of the Board.

No individual householder shall contract for the removal of nightsoil or any other refuse except with the person licensed by the Board and in accordance with these By-laws.

BY-LAW No. 32.

That all buildings be provided with spouting, downpipes and drains sufficient to carry off all storm or rain water.

- (a.) Every owner shall cause, when so ordered by the Board, all buildings upon his premises to be provided with spouting and downpipes sufficient to receive without overflowing all rain water flowing into them.
- (b.) He shall cause all such spouting to be fixed to the eaves of every roof of every building on his premises so that all rain water flowing from the roof shall be received by such eaves gutters.
- (c.) He shall cause proper downpipes to be fixed to each building and connected to the eaves gutters as shall be sufficient for preventing overflow from the said gutters.
- (d.) He shall, in connection with his premises, provide and lay such proper drains and with such falls as shall be sufficient to carry off from such premises all storm or rain water, and he shall maintain all such spouting, downpipes, and drains in good order and efficient action.

BY-LAW No. 33.

Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof, shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default as particularly provided for in "The Health Act, 1898," to a penalty not exceeding ten pounds for every breach of any such By-law, or to a penalty not exceeding five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered, may order the whole or part only (not being less than five shillings) of such penalty to be paid.

PART II.—PRIVATE HOSPITALS.

WHEREAS by "The Health Act, 1898," and the Acts amending the same, the Local Board of Health has power to make By-laws. Now, therefore, in pursuance of the powers in that behalf contained in the said Act and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

Requiring the annual registration of all private hospitals, and specifying the terms and conditions upon which registration shall be granted and continued, and providing for the revocation or cancellation of any such registration.

BY-LAW No. 1.

Every person who occupies or conducts any private hospital shall, upon the gazetting of these By-laws and thereafter during the first week in January next, and in each subsequent year during the first week in each year make an application for registration in the form set out in Schedule A hereto.

BY-LAW No. 2.

Every person who, after the date of the gazetting of these By-laws, intends to open, occupy, or conduct any private hospital shall, before opening, occupying, or conducting any private hospital, apply for the registration thereof as is provided in By-law No. 1 of this Part of these By-laws.

BY-LAW No. 3.

Such registration shall not be granted to any such applicant unless—

- (a.) Every room to be occupied by one or more patients has at least 1,000 cubic feet of air space and 96 square feet of floor area for each patient and the ground floor of every such room is at least nine inches above ground, and the space under every such floor sufficiently ventilated;
- (b.) Every such room is separately, sufficiently, and independently ventilated to the external air to the satisfaction of the Medical Officer of Health;
- (c.) Every such room is sufficiently lighted and not less in any part than 10ft. 6in. between top of floor and underside of ceiling;
- (d.) Every such room is so constructed as to be readily isolated;
- (e.) That every wall of such room is properly protected by a durable damp course;
- (f.) That the inner surfaces of the walls and the ceiling are rendered impervious so that they can without sustaining injury be frequently washed or spray disinfected;
- (g.) The joiners' work throughout is of the soundest and plainest character;
- (h.) The external walls are weather proof, the roof watertight, and properly furnished with gutters, spouting, and down-pipes;
- (i.) The drainage of the premises is sufficient and satisfactory;
- (j.) The water supply is abundant and wholesome;
- (k.) The ablutionary appliances ample and suitably arranged.
- (l.) A laundry with appliances sufficient to cleanse and disinfect all the bedding, body clothing, linen, napery, etc., of the premises is provided;
- (m.) At least three-fifths of the area of the site are unbuilt upon and are open to the sky.

BY-LAW No. 4.

Upon the receipt by the Local Board of an application for the registration of a private hospital, it shall direct inquiries to be made respecting the application, and if, after such inquiry, it appears to the Board that all the conditions and reservations of the preceding By-laws are satisfied, it may grant the application for registration, and issue to the applicant a certificate of registration; subject, however, to any conditions it may think fit to impose with respect to the maximum number of patients that shall be lodged in such hospital at any one time, the number of certified nurses to be employed in such hospital, and the period for which such registration is granted.

BY-LAW No. 5.

The certificate of registration granted in the name of the applicant as aforesaid shall be in the form set out in Schedule "B" hereto, and shall not be transferable except with the consent in writing of the Local Board.

BY-LAW No. 6.

The Local Board may revoke or cancel any registration of a private hospital if the person conducting such hospital, or anyone in the employ of such person, shall commit any breach or infringement of or shall neglect or fail to observe any of the By-laws; or such registration may be revoked or cancelled by the Local Board upon the recommendation of its Medical Officer of Health.

BY-LAW No. 7.

For the inspection, drainage, good management, and sanitary regulation of such hospitals.

Every person conducting or in charge of a private hospital shall—

Inspection.

- (a.) At all times give access to every part of such premises to the Medical Officer of Health, Inspector, or any person appointed by the Local Board of Health in that behalf, and afford any such officer all reasonable assistance that may, for the purpose of inspection, be required of him, and shall permit any such Medical Officer to see and examine any patient in consultation with the medical attendant.

Drainage.

- (b.) Flush and disinfect all drains upon the premises at least once in every day, and cause all such drains to be maintained in good order and efficient action.

Good Management.

- (c.) Forthwith provide, and all times keep upon such premises, all materials and appliances necessary for the use of the inmates and staff, or that may be directed by the Medical Officer of Health to be furnished.
- (d.) At all times exercise a close personal supervision of such premises and the persons employed therein, and cause all orders or directions of the medical practitioner in charge for the treatment of any inmate to be faithfully and diligently carried out.

Sanitary.

- (e.) Forthwith carry out all orders or directions that may be given from time to time by the Inspector relating to any sanitary arrangements, the collection or disposal of excrementitious matters, refuse, and liquid or other wastes.
- (f.) At all times maintain the premises in good order and repair, and clean and free from any accumulation of rubbish, filth, or waste matters which may become offensive or injurious to health.
- (g.) At all times keep all household linen, beds, bedding, furniture, cutlery, crockery, cooking and other utensils, and all other things used in the conduct or management of such hospital, thoroughly clean and disinfected.
- (h.) Not permit persons of different sexes to occupy the same apartments, except married couples or children under the age of ten years.
- (i.) Not permit more than one married couple to occupy the same room.
- (j.) Cause all refuse and condemned linen or clothing to be burnt on the premises in such a manner as may be directed by an Inspector.
- (k.) Provide separate approved airtight pans containing a sufficient quantity of approved disinfectant for the collection, disinfection, and removal of all excrementitious matters from infectious or contagious cases.

BY-LAW No. 8.

Requiring the keeping and using of a proper register for the registration of all cases admitted into or treated in any such hospital, and for the inspection of such register by any officer, inspector, or servant of the Local Board.

Every person conducting a private hospital shall enter in a book, hereinafter called the case book, particulars concerning all patients received into such hospital, and shall at all times permit the Medical Officer of Health or Inspector of the Local Board to inspect such case book.

- (a.) He shall cause to be recorded in such case book the full name, age, sex, and address of every patient, state whether such patient is married or single; also a short history of the patient while in such hospital, giving in particular the date of admission, the nature of any disease manifest at the time of admission or afterwards, any operation performed, with the name of the operator or operators, and the result of such operation, and the date when the patient left the hospital, or, in the event of death occurring, the date of such death.
- (b.) He shall also cause to be recorded in such case book, in case of confinement, the date and short history of such confinement, the result of such confinement, the sex and condition of the infant, both at the time of delivery and during subsequent stay in the hospital.
- (c.) He shall also cause to be recorded in such case book, in all cases in which a patient has been under professional care of a medical practitioner, or under the charge of a nurse, the name and address of the medical practitioner and of the nurse.

BY-LAW No. 9.

Providing for the separation or removal of any patients suffering from any fever or infectious or contagious disease.

Every person conducting a private hospital shall, whenever any infectious or contagious disease occurs in such hospital, immediately report the fact to the Local Board.

- (a.) He shall cause any patient in such hospital discovered or suspected to be suffering from any infectious or contagious disease to be separated or isolated from all other patients in such hospital.
- (b.) He shall cause to be provided and maintained a separate service for the removal and destruction by fire of the excreta of any patient suffering from infectious or contagious disease.
- (c.) He shall, if ordered to do so by the Medical Officer of Health, cause any such patient to be removed to such other place as may be indicated, and in the manner directed in such order.
- (d.) He shall carry out the requirements of the Local Board, and all such cleansing and disinfecting as may be directed by it.

Regulating the number of patients to be admitted, and of nurses or assistants to be maintained, or the class or classes of disease or cases to be admitted into or treated at any such hospital.

BY-LAW No. 10.

Every person conducting a private hospital shall not suffer or permit a greater number of patients to be in such hospital or in any one room at any one time than the number mentioned in his certificate of registration.

BY-LAW No. 11.

Every person conducting a private hospital shall maintain at all times a sufficient number of nurses and assistants in such hospital.

BY-LAW No. 12.

The class of diseases or cases to be admitted into or treated at any such hospital shall be as follows:— Medical cases except diphtheria, erysipelas, scarlatina, measles, septicæmia; surgical cases except those suffering from erysipelas.

BY-LAW No. 13.
Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws: And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof, shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default as particularly provided for in "The Health Act, 1898," to a penalty not exceeding ten pounds for every breach of any such By-law, or to a penalty not exceeding five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered, may order the whole or part only (not being less than five shillings) of such penalty to be paid.

PART III.—POLLUTION OF WATER.

Whereas by "The Health Act, 1898," and the Acts amending the same, the Local Board of Health has power to make By-laws. Now, therefore, in pursuance of the powers in that behalf contained in the said Act

and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

For preventing the pollution of rivers, streams, water-courses, wells, or reservoirs within the district.

BY-LAW No. 1.

No person shall deposit or cause, suffer, or permit to be deposited any offensive material or any rubbish upon any place where such deposit is likely to pollute any river, stream, watercourse, well, or reservoir within the district the water of which is used or reserved for drinking or domestic purposes.

BY-LAW No. 2.

No person shall spill, slop, throw, cast, or deposit any soapsuds, foul water, slops, offensive liquid, or urine upon any place from which it is liable to flow into, or to pollute in any way any such river, stream, watercourse, well, or reservoir.

BY-LAW No. 3.

No person shall camp within 100 feet of any such river, stream, watercourse, well, or reservoir.

BY-LAW No. 4.

No person shall bathe in any such well, stream, watercourse, or reservoir, or suffer or permit any dog, pig, or other domesticated animal to enter therein.

BY-LAW No. 5.

No person shall establish any offensive trade within 100 yards of any such river, stream, watercourse, well, or reservoir, unless with the consent, in writing, of the Local Board.

BY-LAW No. 6.

Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such persons guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default as particularly provided for in "The Health Act, 1898," to a penalty not exceeding Ten pounds for every breach of any such By-law, or to a penalty not exceeding Five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered may order the whole or part only (not being less than five shillings) of such penalty to be paid.

By order of the Norseman Local Board of Health.
J. E. DIXON,
Secretary.

PART IV.—COMMON LODGING HOUSES.

WHEREAS by "The Health Act, 1898," and the Acts amending the same, the Local Board of Health has power to make By-laws. Now, therefore, in pursuance of the powers in that behalf contained in the said Act

and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

The Local Board may from time to time make By-laws respecting Common Lodging Houses, etc., etc.

BY-LAW No. 1.

No keeper of a common lodging house shall permit a greater number of persons to occupy any sleeping apartment in such house at any one time than will admit of each such person having at least 500 cubic feet of air space.

- (a.) For the purpose of this clause two children under ten years of age shall be counted as one person, and in the case of any room the walls of which do not reach from floor to ceiling the amount of space in such room shall not be deemed to be greater than if such walls did reach from floor to ceiling.

BY-LAW No. 2.

No house shall be registered as a common lodging house unless each room intended for use as a sleeping apartment for lodgers shall bear a distinguishing number, and the keeper of such house shall cause such distinguishing number to be conspicuously printed in two-inch figures on each side of the room door.

BY-LAW No. 3.

The Secretary of the Local Board shall issue to every keeper of a common lodging house a certificate in respect of each separate room, and such certificate shall specify the maximum number of lodgers which shall be permitted to occupy each such room respectively as a sleeping apartment at any one time.

- (a.) The Local Board may from time to time vary the number of lodgers to be received into any such room, and a notice shall be served on the keeper of such common lodging house, specifying such varied number of lodgers, and such keeper shall not allow a greater number of lodgers into such room than is specified on such notice, after the time stated therein.

BY-LAW No. 4.

The keeper of every common lodging house shall at all times keep the notice mentioned in the last preceding clause exhibited in a conspicuous place in the sleeping apartment in respect of which such notice shall have been issued.

BY-LAW No. 5.

No keeper of a common lodging house shall permit any room to be used as a sleeping apartment for lodgers other than a room certified for that purpose.

BY-LAW No. 6.

No keeper of a common lodging house shall make any alterations to such room except with the consent of the Local Board.

BY-LAW No. 7.

No room shall be registered as a sleeping apartment for lodgers if it be situated in a basement or below the level of the ground, or if it be used as a kitchen, scullery, dining or general sitting room, or unless such room is sufficiently lit by a window having sashes made to open.

BY-LAW No. 8.

No room shall be certified as a sleeping apartment for lodgers unless such room is sufficiently ventilated.

BY-LAW No. 9.

No keeper of a common lodging house shall allow persons of different sexes to occupy together the same sleeping apartment, except in the case of children under the age of ten years, or of married couples, in which latter case no other person over the age of ten years, and not more than one married couple, shall be allowed to occupy the same sleeping apartment at any one time.

BY-LAW No. 10.

The Keeper of every common lodging house shall:—

- (a.) Cause the floor of every room or passage and every stair in such house to be kept thoroughly clean, and to be at least once a week thoroughly washed.
(b.) Cause the yard and out-premises to be swept daily, and to be kept at all times clean and free from filth.
(c.) Cause the seat and floor of every privy on his premises to be scrubbed and washed daily, and the walls to be linewashed at least every month.

- (d.) Cause every window, every fixture, or fitting of wood, stone, or metal, and every painted surface in such house to be thoroughly cleansed at least once a week or as much more frequently as may be directed by an Inspector.
(e.) Provide a sufficient number of lavatory appliances, and clean towels, and a sufficient quantity of clean water and soap for ablutionary purposes, and in the case of female lodgers either supplied in their sleeping apartments, and in the case of male lodgers either supplied in their sleeping apartments, or in a convenient room set apart and fitted exclusively for that purpose; and he shall cause all such articles to be kept in good order and clean, and shall renew the supply of water and soap and clean towels as often as may be requisite.
(f.) Cause all solid or liquid filth or refuse to be removed from every room once at least in every day before the hour of ten in the forenoon, and every vessel, utensil, or other receptacle for such filth or refuse shall be thoroughly cleansed at least once in every day.
(g.) Cause all beds, blankets, rugs, covers, sheets, towels, and house linen to be kept clean, free from vermin, and in a wholesome condition.
(h.) Cause every sheet and all household linen to be washed at least once in every week.
(i.) Furnish every sleeping apartment with a sufficient number of toilet utensils and bedsteads, and sufficient bedding so that each bed shall be provided with a mattress, two sheets, a rug, and, in winter time, not less than one additional rug.
(j.) Cause the doors and windows of every sleeping apartment to be opened and kept fully open for at least four hours during each day.
(k.) Cause the bedclothes of every bed to be removed therefrom as soon as conveniently may be after each bed shall have been vacated by any lodger, and such bed clothes and bed to be freely exposed to the air during two hours at least of each day.
(l.) Cause any room together with its contents to be cleansed and disinfected whenever directed so to do by an Inspector or Medical practitioner.

BY-LAW No. 11.

No keeper of a common lodging house shall cause or allow any bed in any room which may be used as a sleeping apartment by persons of the male sex above the age of ten years to be occupied at any one time by more than one such person.

BY-LAW No. 12.

No keeper of a common lodging house shall cause or allow any lodger to occupy any bed in such house at any time within a period of eight hours after such bed shall have been vacated by the last preceding occupant thereof, unless such bed shall be provided with fresh bed linen.

BY-LAW No. 13.

All By-laws received from the Local Board by the keeper of a common lodging house for the purpose of exhibition, shall be put up or affixed by him in a suitable and conspicuous position that the contents may be clearly and distinctly visible and legible in a common lodging house or room thereof.

BY-LAW No. 14.

No keeper of a common lodging house shall suffer or permit any immoral conduct on his premises.

BY-LAW No. 15.

Every keeper of a common lodging house shall permit an inspector or any police officer to inspect any part of such house at any time of the day or night, and shall truthfully answer all inquiries made by such inspector or police officer.

BY-LAW No. 16.

Every keeper of a common lodging house shall maintain all such means of ventilation as have been approved in good order and efficient action.

BY-LAW No. 17.

Every keeper of a common lodging house shall not absent himself from such house unless he leaves some reputable person in charge thereof.

BY-LAW No. 18.

Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws: And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof, shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in "The Health Act, 1898," to a penalty not exceeding ten pounds for every breach of any such By-law, or to a penalty not exceeding five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered may order the whole or part only (not being less than five shillings) of such penalty to be paid.

By order of the Norseman Local Board of Health.

J. E. DIXON,
Secretary.

27th September, 1909.

I certify that the foregoing By-laws are not contrary to law.

W. F. SAYER,
Solicitor General.

Confirmed by the Central Board of Health for the State of Western Australia, this 4th day of November, 1909.

F. J. HUELIN,
Secretary.

PART V.—OFFENSIVE TRADES.

WHEREAS by "The Health Act, 1898," and the Acts amending same, the Local Board of Health has power to make By-laws: Now, therefore, in pursuance of the powers in that behalf contained in the said Act and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

- Section 1. General.
- " 2. Slaughter houses.
 - " 3. Piggeries.
 - " 4. Bone mills and bone manure depots.
 - " 5. Places for storing, drying, and preserving bones, hides, hoofs, or skins.
 - " 6. Fat melting, fat extracting, and tallow melting.
 - " 7. Blood drying.
 - " 8. Boiling tripe, ox feet, and trotters, and extracting neatsfoot oil.
 - " 9. Gut scraping, gut spinning, and preparation of sausage skins.
 - " 10. Fellmongeries.
 - " 11. Manure works.
 - " 12. Wool-scouring establishments.
 - " 13. Fish-curing establishments.
 - " 14. Fish shops.
 - " 15. Laundries.
 - " 16. Marine stores.
 - " 17. Rag and bone merchants' premises.
 - " 18. Penalties.

Section 1.—General.

1. Every person who shall apply to the Local Board of Health for its consent to the establishment of an offensive trade shall furnish, in the form of Schedule "A" hereto, a true statement of the particulars therein required to be specified.

2. Every person who may have obtained from the Local Board its consent to the establishment of an offensive trade shall register such premises at the office of the said Board.

He shall, for such purpose, apply by notice, in writing, addressed to the Secretary of the Local Board, and shall, within a reasonable time after the receipt of such application by the Secretary, be supplied with a certificate of registration in the form of Schedule "B" hereto.

Section 2.—Slaughter Houses.

1. Every occupier of a slaughter house shall cause every animal brought to such slaughter house for the purpose of being slaughtered, and confined in any pound, stall, pen, or lair upon the premises previously to being slaughtered, to be provided during such confinement with a sufficient quantity of wholesome water.

2. Every occupier of a slaughter house and every servant of such person employed upon the premises in the slaughtering of cattle shall, in the process of slaughtering any animal, use such instruments and appliances and adopt such method of slaughtering and otherwise take such precautions as may be requisite to secure the infliction of as little pain or suffering as possible.

3. Every occupier of a slaughter house shall cause the means of ventilation provided in or in connection with such slaughter house to be kept at all times in proper order and efficient action, and so that the ventilation shall be by direct communication with the external air.

4. Every occupier of a slaughter house shall cause the drainage provided in or in connection with such slaughter house to be kept at all times in proper order and efficient action.

5. (a.) Every occupier of a slaughter house shall cause every part of the internal surface of the walls and every part of the floor or pavement of such slaughter house to be kept at all times in good order and repair, so as to prevent the absorption therein of any blood or liquid refuse or filth, which may be spilled or splashed thereon, or any offensive or noxious matter which may be deposited thereon or brought in contact therewith.

(b.) He shall cause every part of the internal surface above the floor or pavement of such slaughter house to be thoroughly washed with hot limewash, at least four times in every year, that is to say, at least once during the periods between the first and tenth of March, the first and tenth of June, the first and tenth of September, and the first and tenth of December respectively, and at such other times as he may be directed by the Inspector. He shall cause every part of the floor or pavement of such slaughter house, and every part of the internal surface of every wall on which any blood or liquid refuse or filth may have been spilled or splashed, or with which any offensive or noxious matter may have been brought in contact during the process of slaughtering or dressing in such slaughter house, to be thoroughly washed and cleansed within three hours after the completion of such slaughtering or dressing.

6. (a.) An occupier of a slaughter house shall not at any time keep any dog or cause or suffer any dog to be kept in such slaughter house.

(b.) He shall not at any time keep, or cause, or suffer to be kept, in such slaughtering house any animal of which the flesh may be used for the food of man, unless such animal be so kept in preparation for the slaughtering thereof upon the premises.

(c.) He shall not at any time keep any cattle, or cause or suffer any cattle to be kept, in such slaughter house for a longer period than may be necessary for the purpose of preparing such cattle, whether by fasting or otherwise, for the process of slaughtering.

(d.) If, at any time, he keep or suffer to be kept in such slaughter house any cattle for the purpose of preparation, whether by fasting or otherwise, for the process of slaughtering, he shall not cause or suffer such cattle to be confined elsewhere than in the pounds, stalls, pens, or lairs provided on the premises.

7. Every occupier of a slaughter house shall cause the hides or skins, fat and offal of every animal slaughtered on the premises to be removed from the slaughter house within twenty-four hours after the completion of the slaughtering of such animal.

8. Every occupier of a slaughter house shall cause the means of water supply provided in or in connection with such slaughter house to be kept at all times in proper order and efficient action, and shall provide for use on the premises a sufficient supply of water for the purpose of thoroughly washing and cleansing the floor or pavement, every part of the internal surface of every wall of such slaughter house, and every vessel or receptacle which may be used for the collection and removal from such slaughter house of any blood, manure, garbage, filth, or other refuse products of the slaughtering of any cattle or the dressing of any carcase on the premises.

9. (a.) Every occupier of a slaughter house shall provide a sufficient number of vessels or receptacles properly constructed of galvanised iron or other non-absorbent material, and furnished with closely fitting covers, for the purpose of receiving and conveying from such slaughter house all blood, manure, garbage, filth, or other refuse products of the slaughtering of any cattle, or the dressing of any carcase in such slaughter house.

(b.) He shall forthwith, upon the completion of the slaughtering of any cattle, or the dressing of any carcase in such slaughter house cause such blood, manure, garbage, filth, or other refuse products to be collected and deposited in such vessels or receptacles, and shall cause all the contents of such vessels or receptacles to be removed and properly disposed of at least once in every twenty-four hours.

(c.) He shall cause every such vessel or receptacle to be thoroughly cleansed immediately after such vessel or receptacle shall have been used for such collection and removal, and shall cause every such vessel or receptacle, when not in actual use, to be kept thoroughly clean.

10. No occupier of a slaughter house shall at any time after the registration of his premises, without the assent, in writing, of the Board, make any change or alteration whatsoever, or permit or suffer any change or alteration whatsoever, to be made in the slaughter house or any of the buildings to which such license applies in respect of the drainage of the same; or in respect of the flagging or paving of the same, or in respect of the ventilation of the same, or in respect of the supply of water of the same.

11. (a.) Every occupier of a slaughter house shall cause every vehicle and other things used by him for the carriage or transport of meat to be thoroughly cleansed at least once in every day.

(b.) He shall also maintain every such vehicle and such other things at all times in a cleanly state.

(c.) He shall not cause or suffer any meat intended for human consumption to be carried in such vehicles, or such other things, unless such meat is covered with some clean material in such a manner as to completely protect such meat from the sun and dust.

12. Any person who shall remove from any slaughter house any carcase or any portion of any carcase, or any meat for purpose of sale, shall cause the cart, wagon, or other conveyance in which such carcase, portion of a carcase or meat shall be removed to be thoroughly cleansed on each occasion on which it shall be so used before being so used. And any carcase or meat so removed shall be covered with clean material, kept solely for such purpose, during the process of removal.

13. (a.) No occupier of a slaughter house shall keep pigs, or suffer or permit pigs to be kept, except for immediate slaughter, within 100 feet of his slaughter house.

(b.) He shall not keep or stable any horses, or permit or suffer any horses, to be kept or stabled within 100 feet of his slaughter house.

Section 3.—Piggeries.

1. For the purposes of this section of these By-laws, unless the context otherwise requires—

“Pigkeeper” means a person who keeps one or more pigs for the purpose of trade, or who receives on his premises kitchen, butcher, or slaughter house wastes, or other waste food which is intended to be used as pig-feed.

2. No pigkeeper shall keep pigs in sties, pens, or yards within one hundred feet of any house or public thoroughfare, or within one hundred feet of any dairy premises or any building or place where food intended for human consumption is prepared or stored, or so as to be a nuisance or injurious to health.

3. (a.) A pigkeeper shall not receive on the premises where his trade is carried on, or suffer or permit to be received, any dead animal or any diseased animal for slaughter.

(b.) He shall not receive on such premises, or suffer or permit to be received, any part of the carcase of a diseased animal, and he shall not feed his pigs upon the flesh or offal of diseased animals.

(c.) He shall not receive, or suffer, or permit to be received on such premises putrid matter for any purpose.

(d.) He shall cause all readily putrescible pig-feed that may be brought upon such premises to be immediately deposited in cooking vessels, which he shall cause to be maintained at such a temperature as to prevent their contents from putrefying, and shall not remove or permit or suffer such contents to be removed, except to the feeding troughs.

(e.) He shall not receive, or suffer, or permit to be received upon such premises any kitchen, slaughter house, or butchers’ wastes or other putrescible pig-feed, unless such materials are contained in galvanised iron receptacles, fitted with air-tight covers.

(f.) He shall provide in every sty upon his premises an approved feeding trough of a pattern that can be readily cleansed, and such trough shall be fixed near the surface gutter of the sty.

4. (a.) Every pigkeeper shall securely fence all his pig-yards and pens, and shall provide in each such yard or pen sufficient shelter sheds to afford proper shelter for all the pigs that may at any one time be kept in any such yard or pen.

(b.) He shall, when so ordered by the Local Board, cause the floor of any pigsty upon his premises to be properly paved and drained with impervious materials. Such floors may be constructed of hard-burnt bricks set in good cement mortar on a bed of concrete, or may be constructed of concrete not less than six inches thick, and every such floor shall have such fall to a surface gutter as is approved; the surface gutter shall be constructed of similar materials, and shall not be less than twelve inches wide and three inches deep in the centre of its width, and shall extend the whole length of the sty, and have such fall likewise as is approved, and shall discharge into an impervious sump of sufficient capacity to receive without overflowing at least one day’s drainage from the floors.

(c.) The floor area of every such sty shall be in the proportion of not less than fifteen square feet to every pig that is over two months old that may be kept therein, and no pigkeeper shall keep a greater number of such pigs in any sty upon his premises than in the aforesaid proportion.

5. Every pigkeeper shall provide upon the premises where his trade is carried on a sufficient and constant supply of wholesome water, which shall be properly protected against pollution, and be always available for cleansing purposes.

6. (a.) Every pigkeeper shall cause his pigs to be fed in enclosed yards, pens, or sties.

(b.) He shall for such purpose provide a sufficient number of approved feeding troughs, and his pigs shall be fed from the troughs only.

7. (a.) Every pigkeeper shall cause all the pigsties, pens, or yards, feeding floors, shelter sheds, and troughs upon his premises to be thoroughly cleansed at least once a day, between the hours of sunrise and noon.

(b.) He shall cause all receptacles, apparatus, utensils, vehicles and tools to be kept clean and in good repair.

(c.) He shall at least once a day cause all dung, liquid filth, and other offensive or noxious matters on such premises to be collected and forthwith removed from the premises, or disposed of as the Board may direct.

8. (a.) Every pigkeeper shall cause all floors, impervious drains, and receptacles that are upon his premises to be maintained at all times in good order and repair.

(b.) He shall cause all cooking pots and their settings and fittings upon such premises to be maintained in efficient action and in good repair.

9. A pigkeeper shall not slaughter, or permit or suffer to be slaughtered any pigs upon his premises unless or until he has obtained a license to do so, under the provisions of Section 147 of “The Health Act, 1898.”

Section 4.—Bone Mills and Bone Manure Depots.

1. In the construction of this section of these By laws, unless the context otherwise requires—

(a.) “Bone Mill” shall mean the building and the machinery used for crushing, disintegrating, pulverising, grinding, or reducing bones, and shall include all out-buildings and land that may be attached thereto.

(b.) “Bone Manure Depot” shall mean the building in which bones or bonedust unmixed with any other manurial ingredient is kept or stored.

(c.) “Bone Miller” shall mean the person occupying premises wherein bones are crushed or otherwise reduced by machinery.

(d.) “Bone Manure” shall mean bones or bonedust unmixed with any other ingredient.

2. (a.) No bone miller shall suffer or permit any bones to be crushed, disintegrated, pulverised, ground, or otherwise reduced upon the premises wherein he carries on his trade unless such processes are wholly conducted within a building the walls, floors, and ceilings, or underside of the roof whereof are constructed of durable and non-absorbent materials, finished internally with smooth surfaces.

(b.) He shall not suffer or permit any bones or bone manure to be kept or stored in such premises except in a building whose walls, floors, and ceilings or underside of roofs are constructed as hereinbefore described.

3. (a.) Every bone miller shall cause all milling processes to be conducted in air-tight casings, and the products of the milling to be conveyed to air-tight receivers or sound bags through air-tight shoots.

(b.) He shall cause every precaution to be taken to prevent at all times the emission of dust or offensive or noxious effluvia from every building on his premises.

4. (a.) Every bone miller shall cause all bones and bone manure received or produced upon the premises where his trade is carried on to be stored in such a manner and in such a position as to prevent, as far as practicable, the emission of noxious or offensive effluvia therefrom.

(b.) He shall cause all bones or bone manure received or despatched from such premises to be previously packed in such a manner as to prevent any nuisance arising therefrom during transit.

5. Every bone miller shall cause all buildings upon the premises where his trade is carried on, and all machinery and apparatus to be at all times maintained in good repair and kept clean.

Section 5.—Places for storing, drying, or preserving Bones, Hides, Hoofs, or Skins.

1. (a.) Every occupier of premises in which bones, hides, hoofs, or skins are received for storing, drying, or preserving shall cause all such hoofs, bones, hides, or skins to be stored in a building properly paved with asphalt, concrete, or other approved impervious material, and the floor shall be properly graded to an impervious drain, which shall be connected to a drain inlet or other approved impervious receptacle.

(b.) He shall cause all materials which have been received upon the premises where his trade is carried on to be stored in such a manner and in such a situation as to prevent as far as practicable the emission of noxious, offensive, or injurious effluvia therefrom.

2. (a.) Every occupier of premises in which bones, hides, hoofs, or skins are received shall, at the close of every working day, cause every floor or pavement and every drain upon his premises to be thoroughly cleansed.

(b.) He shall also cause every part of the interior above the floor or pavement of any building upon such premises to be thoroughly cleansed at least four times in every year, and at the same time thoroughly washed with hot limewash, that is to say, at least once during the periods between the first and twenty-first day of February, the first and twenty-first day of May, the first and twenty-first day of August, and the first and twenty-first day of November respectively.

(c.) He shall also at the close of every working day, cause all filth or refuse or decomposed or noxious matters that may be upon his premises to be collected and placed in properly constructed galvanised iron vessels or other suitable receptacles, furnished with air-tight covers, and he shall cause the several vessels or receptacles, when filled, to be covered, and shall cause such vessels or receptacles, with the contents thereof, to be forthwith removed from the premises.

3. (a.) Every occupier of premises at which bones, hides, hoofs, or skins are received for storing, drying, or preserving shall cause every part of the internal surface of the walls of any building and every floor or pavement upon the premises where his trade is carried on to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with his premises to be maintained at all times in good order and efficient action.

(c.) He shall also cause every receptacle for filth or noxious matters to be maintained in good repair and kept clean.

Section 6.—Fat Melting, Fat Extracting, and Tallow Melting.

1. Every fat melter, fat extractor, or tallow melter shall cause every process of his business in which any noxious or offensive effluvia, vapours, or gases are generated to be carried on in such a manner that all noxious or offensive effluvia, vapours, or gases shall be effectually destroyed.

2. Every fat melter, fat extractor, or tallow melter shall cause all material used, or offensive material or refuse from the boiling pans, and all refuse residue, or other matters from which noxious or offensive effluvia, vapours, or gases are evolved, or are liable to be evolved, to be placed in properly closed receptacles, or to be otherwise dealt with in such a manner as to prevent any noxious or offensive effluvia, vapours, or gases therefrom escaping into the external atmosphere.

3. Every fat melter, fat extractor, or tallow melter shall cause all scraps or litter composed of matters liable to become decomposed to be constantly gathered or swept up and placed in properly covered receptacles.

4. (a.) Every fat melter, fat extractor, or tallow melter shall cause the floor of every place in which any process of the business is carried on to be kept thoroughly cleansed, and he shall cause the premises to be constantly provided with an adequate supply of water for the purpose.

(b.) He shall cause the internal surface of every wall of any building upon the premises where his trade is carried on to be thoroughly cleansed, and, after being so cleansed, to be thoroughly washed with hot limewash four times at least in every year, that is to say, at least once during the periods between the first and twenty-first day of February, the first and twenty-first day of May, the first and twenty-first day of August, and the first and twenty-first day of November respectively.

(c.) He shall, at the close of every working day, cause all fat, tallow, grease, refuse, or filth which has been spilled or splashed, or has fallen or been deposited upon any floor or pavement upon the premises where his trade is carried on to be removed therefrom by scraping, or some other effectual means of cleansing.

(d.) He shall cause every part of the internal surface of the walls of any building, and every floor or pavement upon such premises to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or refuse, or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

(e.) He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

(f.) He shall cause all receptacles, apparatus, boilers, and implements used upon his premises to be kept clean and maintained in good order and repair.

5. Every fat melter, fat extractor, or tallow melter shall cause every floor upon which any process of his business is carried on, in any part of his premises, to be properly covered with a layer of concrete or other approved impervious material, laid (in the case of a ground floor) upon a suitable bottom of at least four inches in thickness. He shall cause every such floor to have a proper slope towards a channel or gully, and shall cause every part of his premises wherein any such floor may be constructed to be effectually drained by adequate drains communicating with a public sewer or other approved impervious receptacle. He shall cause every drain to be properly trapped, and the entrance thereto to be covered with a fixed grating, the bars of which shall not be more than three-eighths of an inch apart.

6. Every fat melter, fat extractor, or tallow melter shall cause his premises to be provided with appliances capable of effectually destroying all noxious or offensive effluvia, vapours, or gases arising in any process of his business, or from any material, residue, or other substance which may be kept or stored upon his premises.

Section 7.—Blood Drying.

1. (a.) Every blood drier shall cause all the blood which has been received upon the premises where his trade is carried on, and which is not required for immediate use, to be stored in such a manner and in such a situation as to prevent the emission of offensive or injurious effluvia therefrom.

(b.) He shall cause all blood brought upon his premises to be brought in closed vessels or receptacles constructed of galvanised iron or other non-absorbent material.

(c.) He shall also cause every process of his business to be carried on in a building properly paved with asphalt, concrete, or other approved impervious material, having walls covered to a height of at least six feet with hard, smooth, and impervious material.

2. Every blood drier shall, at the close of every working day, cause every floor or pavement elsewhere than in that part of the premises where the processes of drying and packing are carried on, to be thoroughly washed.

3. Every blood drier shall, at the close of every working day, cause every vessel or utensil and every implement which has been in use during the day, upon the premises where his trade is carried on, or which is in a foul or offensive condition, to be thoroughly cleansed.

4. (a.) Every blood drier shall cause every part of the internal surface of the walls, and every floor or pavement of any building upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or refuse, or any noxious or injurious matter which may be splashed, spilled, fall, or deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

5. Every blood drier shall cause all blood, blood clots, or any refuse, residue, or other matter from which noxious or offensive effluvia or vapours are evolved, or are liable to be evolved, to be placed in properly covered receptacles, or to be otherwise dealt with in such a manner as to prevent any noxious or offensive effluvia or vapours therefrom escaping into the external atmosphere.

6. (a.) Every blood drier shall adopt the best practicable means of rendering innocuous all vapours emitted during the process of drying, from the contents of any pan or other receptacle, or from any kiln or drying floor upon the premises where his trade is carried on.

(b.) He shall in every case, either cause the vapours to be discharged into the external air in such a manner and at such height as to admit of the diffusion of the vapours without offensive or injurious effects, or shall cause the vapours to pass directly from the pan or receptacle, or from the kiln or drying floor through a fire, or into a suitable condensing apparatus, or through a suitable condensing apparatus and then through a fire, in such a manner as to effectually consume the vapours, or deprive the same of all offensive or injurious properties.

7. Every blood drier shall cause every part of the internal surface above the floor or pavement of every building used for any process of his trade to be thoroughly cleansed, and at the same time washed with hot limewash at least four times in every year, that is to say, at least once during the periods between the first and tenth day of February, the first and tenth day of May, the first and tenth day of August, and the first and tenth day of November respectively.

Section 8.—Boiling Tripe, Ox Feet, and Trotters, and extracting Neatsfoot Oil.

1. In the construction of this section of these By-laws, unless the context otherwise requires:—

“Tripe Boiler” shall mean any person who trades in the boiling of tripe, trotters, or ox or calves’ feet, and in extracting neatsfoot oil.

2. Every tripe boiler shall, at the close of every working day, cause every floor or pavement upon the premises where his trade is carried on to be thoroughly washed and cleansed.

3. Every tripe boiler shall, at the close of every working day, cause every bench or table used upon the premises where his trade is carried on for the scraping of any tripe or the preparation of other animal substances to be thoroughly cleansed by scrubbing or by some other effectual means.

4. (a.) Every tripe boiler shall at the close of every working day, cause all filth which has been splashed upon any part of the internal surface of any wall of any building upon the premises where his trade is carried on to be removed by washing or some other effectual means.

(b.) He shall also cause every part of the interior above the floor or pavement of the building to be thoroughly washed with hot limewash four times at least in every year, that is to say, at least once during the periods between the first and tenth day of February, the first and tenth day of May, the first and tenth day of August, and the first and tenth day of November respectively, or as more often as the Local Board may direct.

5. (a.) Every tripe boiler shall provide a sufficient number of vessels or receptacles, properly constructed of galvanised iron, or of some other approved non-absorbent material, and furnished with closely fitting covers, for the purpose of receiving and conveying from the premises where his trade is carried on, manure, garbage, offal, filth, or refuse.

(b.) He shall, at the close of every working day, cause all manure, garbage, inedible offal, filth, or refuse which has fallen or been deposited upon any part of the premises, and which is not intended to be forthwith subjected to any further trade process upon the premises, to be collected in the vessels or receptacles provided, and to be removed from the premises with all reasonable despatch.

(c.) He shall cause the several vessels or receptacles, when not in actual use, to be kept thoroughly clean.

6. (a.) Every tripe boiler shall cause every part of the internal surface of the walls of any building, and every floor or pavement upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth, refuse, or noxious or injurious matter which may be splashed or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with his premises to be maintained at all times in good order and in good action.

7. Every tripe boiler shall adopt the best practicable means of rendering innocuous all vapours emitted, during the process of boiling, from the contents of any pan or other receptacle upon the premises where his trade is carried on. He shall, in every case, either cause the vapours to be discharged into the external air in such a manner and at such a height as to admit of the diffusion of the vapours without offensive or injurious effects, or shall cause the vapours to pass directly from the pan or other receptacle through a fire or into an approved condensing apparatus, or through an approved condensing apparatus, and then through a fire, in such a manner as to effectually consume the vapours or to deprive the same of all offensive or injurious properties.

8. Every tripe boiler shall cause all liquid refuse, before being discharged into any drain, from any part of the premises where his trade is carried on, to be cooled in such a manner as to prevent the emission of offensive or injurious effluvia therefrom.

Section 9.—Gut Scraping, Gut Spinning, and Preparation of Sausage Skins.

1. (a.) Every gut scraper shall cause all undried guts which have been received from the premises where his trade is carried on, and which are not required for immediate use, to be placed in suitable vessels or receptacles, properly constructed of galvanised iron, or some other non-absorbent material, and furnished with closely fitting covers.

(b.) He shall cause the several vessels or receptacles in which the guts have been placed to be covered, and to be kept covered until it becomes necessary to remove the contents for actual use.

(c.) He shall also cause all undried guts to be treated immediately upon arrival at his premises with an approved deodorant solution.

2. Every gut scraper shall, at frequent intervals during every working day, cause every floor or pavement upon the premises where his trade is carried on to be thoroughly swept, and to be copiously sprinkled or washed with an approved deodorant solution.

3. (a.) Every gut scraper shall, at the close of every working day, cause every floor or pavement upon the premises where his trade is carried on to be thoroughly cleansed.

(b.) He shall, at the same time, cause all refuse, fragments of gut, or other matter detached in the process of scraping, and all garbage, filth, or other offensive matter, to be collected and placed in suitable vessels or receptacles, properly constructed of galvanised iron or of some other non-absorbent material, and furnished with closely fitting covers, and containing a sufficient quantity of a deodorant solution.

(c.) He shall cause the several vessels or receptacles, when filled, to be covered, and shall cause the vessels or receptacles, with the contents thereof, to be forthwith removed from the premises.

(d.) He shall also cause every vessel or receptacle, when not in actual use, to be kept thoroughly clean.

4. Every gut scraper shall, at the close of every working day, cause every bench or table, every tub, vessel, or utensil, and every implement which has been in use during the day upon the premises where his trade is carried on, or which is in a foul or offensive condition, to be thoroughly cleansed with water containing an approved deodorant.

5. Every gut scraper shall, at the close of every working day, cause all filth or refuse which has been splashed upon any part of the internal wall surface of any building upon the premises where his trade is carried on, to be removed by scraping or by some other effectual means.

6. Every gut scraper shall cause the ceiling and the internal surface of every wall above the floor or pavement of any building upon the premises where his trade is carried on, to be thoroughly washed with hot limewash four times at least in every year, that is to say, at least once during the periods between the first and tenth day of February, the first and tenth day of May, the first and tenth day of August, and the first and tenth day of November respectively.

7. (a.) Every gut scraper shall cause every part of the internal surface of any walls of any building, and every floor or pavement upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or refuse, or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

(b.) He shall also cause every drain, or means of drainage upon or in connection with his premises, to be maintained at all times in good order and efficient action.

Section 10.—Fellmongeries.

1. In the construction of this section of these By-laws, unless the context otherwise requires:—

(a.) “Fellmonger” shall mean a person who buys or receives skins and prepares them for the use of the leather dresser or converts them into skin mats.

2. A fellmonger shall not cause or suffer any skin which, by reason of decomposition, has become useless for the purpose of leather dressing, to be kept for a longer time than may be necessary in any part of the premises where his trade is carried on.

3. (a.) Every fellmonger shall, at the close of every working day, cause every floor or pavement upon the premises where his trade is carried on to be thoroughly swept and cleansed.

(b.) He shall at the same time, cause all filth or refuse deposited on the floor or pavement to be collected in suitable vessels or receptacles, furnished with closely fitting covers, and to be forthwith removed therein from the premises.

4. Every fellmonger shall cause the supply of water in every tank or other receptacle used upon the premises where his trade is carried on, for the washing or soaking of any skin, to be renewed as often as may be necessary to prevent the emission of offensive or injurious effluvia from the contents of the tank or other receptacle.

5. (a.) Every fellmonger shall cause every tank or other receptacle used upon the premises where his trade is carried on, for the washing or soaking of any skin, and not being a liming pit, to be emptied once at least in every day.

(b.) He shall cause every part of the tank or other receptacle, when emptied, to be thoroughly cleansed, and shall cause all filth which has been removed therefrom to be forthwith conveyed from the premises in suitable vessels or receptacles furnished with closely fitting covers.

6. Every fellmonger shall cause all waste lime which has been taken out of any pit upon the premises where his trade is carried on, to be forthwith deposited in approved vessels or receptacles, or in a properly constructed cart or carriage, which, when filled or loaded, shall be covered in such a manner as to prevent the emission of offensive or injurious effluvia from the contents thereof, and shall, with all reasonable despatch, be removed from the premises.

7. (a.) Every fellmonger shall cause every floor or pavement upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or refuse, or any offensive or injurious matter which may fall or be deposited thereon.

(b.) He shall also cause every part of the internal surface above the floor or pavement of every building used for any process of his trade to be thoroughly washed with hot limewash at least four times in every year, that is to say, at least once during the first week in February, once during the first week in May, once during the first week in August, and once during the first week in November respectively.

(c.) He shall also cause every drain, or means of drainage, upon or in connection with the premises to be maintained at all times in good order and efficient action.

Section 11.—Manure Works.

1. Every occupier of a manure works shall cause all materials which have been received upon the premises where his trade is carried on, and which are not immediately required for use, to be stored in such a manner, and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as not to be a nuisance or injurious to health.

2. (a.) Every occupier of a manure works shall adopt the best practicable means of rendering innocuous all vapours or effluvia emitted during the processes of steaming, mixing, removing, stirring, cooling, disintegrating, or other operation conducted upon the premises where his trade is carried on.

(b.) He shall, in every case, either cause the vapours or effluvia to be discharged into the external air in such a manner and at such a height as to admit of the diffusion of the vapours or effluvia without offensive or injurious effects, or shall cause the vapours or effluvia to pass directly through a fire, or into an approved condensing apparatus, or through an approved condensing apparatus and then through a fire, in such a manner as effectually to consume the vapours or effluvia, or to deprive the same of all offensive or injurious properties.

3. Every occupier of a manure works shall store the manure which may be received or manufactured or prepared upon the premises where his trade is carried on in such a manner and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as to be a nuisance or injurious to health.

4. (a.) Every occupier of a manure works shall cause every floor or pavement, and the internal surface of every wall upon the premises where his trade is carried on, to be kept at all times in good order and repair, and constructed so as to prevent the absorption therein of any liquid filth or refuse, or any offensive or injurious matter which may be splashed, placed or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with the premises, to be maintained at all times in good order and efficient action.

(c.) He shall also cause all machinery, every hot den, storage room, and apparatus upon his premises to be maintained in good order and repair and kept at all times reasonably clean.

5. Every occupier of a “Manure Works” shall, at the close of every working day, cause every floor or pavement, and the surface of every yard upon his premises to be thoroughly cleansed, and the internal surface of the walls and roof to be washed with hot limewash at least twice in every year, that is to say, at least once during the periods between the first and twenty-first day of February and the first and twenty-first day of August respectively.

Section 12.—Wool-scouring Establishments.

1. In this section of these By-laws the expression “wool-scouring establishment” shall mean a place where wool is received for the purpose of being cleansed.

2. The premises shall not be situated upon any water supply area, nor in the neighbourhood of any fresh water river, stream, water course, lake, well, or reservoir, and must be at least 100 feet distant from any dwelling house or place where food intended for human consumption is prepared or stored.

Section 13.—Fish-curing Establishments.

1. (a.) Every fish-curer shall cause all fish refuse produced upon the premises where his trade is carried on, to be deposited in galvanised iron or other impervious vessels or receptacles furnished with airtight covers.

(b.) He shall cause every such receptacle to be kept closely covered, unless when being filled, emptied, or cleansed.

(c.) He shall also cause every such receptacle containing refuse to be kept securely covered, and, with its contents to be removed from the premises at least daily, and after being emptied, to be thoroughly cleansed.

2. (a.) A fish-curer shall not suffer or permit any decomposing fish to be kept on the premises where his trade is carried on for a longer period than is reasonably necessary.

(b.) He shall cause all such decomposing fish to be deposited in galvanised iron or other impervious receptacles furnished with airtight covers, and kept securely covered until removed from the premises.

3. (a.) Every fish-curer shall, whenever any process of preparing fish for curing is being carried on, cause every floor or pavement, and the internal surfaces of all walls upon the premises where his trade is carried on, to be thoroughly cleansed at the termination of each day's work.

(b.) He shall, for such purpose, provide a sufficient and constant supply of wholesome water.

4. (a.) Every fish-curer shall cause every part of the internal surfaces of the walls of every building, and every floor or pavement upon the premises where his trade is carried on, to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid filth or refuse, or any offensive or injurious matter which may be splashed or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon or in connection with his premises to be maintained at all times in good order and efficient action.

5. Every fish-curer shall cause all filth which has been splashed upon any part of the surface of any wall of any building upon the premises where his trade is carried on, to be removed by scraping, or by some other effectual means of cleansing, at intervals of not more than one month, and he shall, at the same time, cause every part of the interior above the floor or pavement of the building to be thoroughly washed with hot limewash.

Section 14.—Fish Shops.

1. (a.) Every person engaged in the trade of cooking fish for sale shall conduct such cooking in a closed room provided with mechanical ventilation so arranged that all currents of air in such room shall be in the direction of the cooking fire.

(b.) He shall cause the fireplace of such room to be so constructed that all the vapours and effluvia of such cooking shall be carried direct into a chimney flue of sufficient sectional area.

(c.) He shall also cause the chimney shaft of the fireplace of such room to be carried up at least ten feet above the level of the roofs of the adjoining houses.

(d.) He shall also at all times maintain such fireplace, mechanical ventilation, and chimney shaft and flue in good repair and efficient action.

2. (a.) A keeper of a fish shop shall not suffer or permit any fish which, by decomposing, has become unfit for human food, to be kept in any part of the premises where his trade is carried on, nor shall he expose, exhibit, or offer such fish for sale.

3. (a.) Every fish shop keeper shall cause all fish refuse or garbage or decomposing fish to be deposited in galvanised iron or other impervious receptacles, furnished with airtight lids, and shall also cause all refuse deposited elsewhere on the premises to be collected and deposited in such receptacles.

(b.) He shall also cause every such receptacle containing refuse to be closely covered, and with its contents, removed as often as may be necessary from the premises, and, after being emptied, to be thoroughly cleansed.

Section 15.—Laundries.

1. Every occupier of a laundry shall cause all the liquid wastes produced upon the premises where his trade is carried on, to be collected and conducted by impervious channels or drains to a trapped drain inlet, or some other approved receptacle, or such liquid wastes shall be disposed of as the Inspector may direct.

2. (a.) Every occupier of a laundry shall cause every floor or pavement, and every wall of any building upon the premises where his trade is carried on to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid filth or refuse which may be splashed, spilled, or may fall or be deposited thereon.

(b.) He shall also cause every drain or means of drainage upon, or in connection with the premises, to be maintained at all times in good order and efficient action.

3. No occupier of a laundry shall receive upon the premises where his trade is carried on, any clothing, bedding, or drapery for cleansing sent from any house or place in which any person is at the time suffering from any infections or contagious disease, without first obtaining the consent, in writing, thereto of the Local Board of Health.

4. (a.) Every occupier of a laundry shall cause all the buildings, yards, machinery or other apparatus to be kept at all times clean and in good order and repair.

(b.) He shall also cause the ceiling or the underside of the roof, and the internal surface of every wall above the floor or pavement of any building upon his premises, to be kept thoroughly cleansed.

Section 16.—Marine Stores.

1. The floors of all buildings and premises used in the purposes of his trade by a marine store dealer shall be properly covered with a layer of concrete or other approved impervious material, laid (in the case of a ground floor) upon a suitable bottom of at least four inches in thickness. He shall cause every such floor to have a proper slope towards a channel or gully, and shall cause every part of his premises wherein any such floor may be constructed, to be effectually drained by adequate drains communicating with a public sewer or other approved impervious receptacle. He shall cause every drain to be properly trapped and the entrance thereto to be covered with a fixed grating, the bars of which shall not be more than three-eighths of an inch apart.

2. The yards shall be enclosed with a close fence, at least eight feet in height, any gates required to give access to the yards shall also be eight feet in height.

3. The walls of the buildings used for the purposes of the trade shall be constructed of stone or brick, and the internal surfaces of all walls above the floor or pavement shall be smoothly rendered with good Portland cement mortar.

4. The roofs, if no ceilings are provided, shall be lined with galvanised sheet iron.

5. Sufficient provision for ventilation shall be made by suitable openings in the roof, or otherwise, and every room in the building shall be properly connected with one or more of the aforementioned openings.

6. A sufficient and constant supply of pure water shall be provided for cleansing purposes.

7. Every marine store dealer shall cause every floor or pavement, and the internal surfaces of all walls upon the premises where his trade is carried on, to be kept at all times in good order and repair, so as to prevent the absorption therein of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

8. He shall also cause every part of the internal surface above the floor or pavement of every building used for his trade, to be thoroughly washed with hot limewash, at least four times in every year, that is to say, at least once during the month of January, once during the month of April, once during the month of July, and once during the month of October respectively.

9. Every marine store dealer shall cause every drain or means of drainage upon or in connection with the premises where his trade is carried on, to be maintained at all times in good order and efficient action.

10. Every marine store dealer shall, at the close of every working day, cause every floor or pavement upon the premises where his trade is carried on, to be thoroughly cleansed. He shall at the same time cause all filth or refuse, or any decomposing or noxious matter, to be collected in suitable vessels or receptacles, furnished with closely fitting covers, and to be forthwith removed therein from the premises.

11. No building or premises shall be registered under Section 147 of "The Health Act, 1898," unless the written consent thereto of the Local Board of Health has first been obtained.

Section 17.—Rag and Bone Merchants' Premises.

1. (a.) Every rag and bone merchant shall cause all materials which have been received upon the premises where his trade is carried on, to be stored in such a manner and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as to be a nuisance or injurious to health.

(b.) He shall cause all rags, old clothes, textile fabrics, old bedding and other material of similar description or manufacture received upon his premises to be immediately disinfected with some effective disinfectant.

2. Every rag and bone merchant shall, from time to time, as often as may be necessary, cause every floor or pavement, and the internal surface of every wall of any building upon the premises where his trade is carried on, to be thoroughly cleansed.

(a.) He shall also cause every part of the internal surface above the floor or pavement of every such building to be thoroughly washed with hot limewash at least four times in every year, that is to say, at least once during the periods between the first and twenty-first day of February, the first and twenty-first day of May, first and twenty-first day of August, and the first and twenty-first day of November respectively.

Section 18.—Penalties.

Penalties for breaches of By-laws.

Where anything is by this part of the By-laws of the Local Board of Health directed to be done or forbidden to be done, or where authority is given to any officer of theirs to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws: And every person guilty of a breach of this part of the said By-laws not otherwise specially provided for by or under the authority hereof, shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in "The Health Act, 1898," to a penalty not exceeding Ten pounds for every breach of any such By-law, or to a penalty not exceeding Five pounds for each day during which such breach shall be committed or continued; but the justices before whom any penalty imposed hereby is sought to be recovered may order the whole or part only (not being less than Five shillings) of such penalty to be paid.

PERTH PUBLIC HOSPITAL REGULATIONS.

Colonial Secretary's Office,

4837/09. Perth, 3rd December, 1909.

HIS Excellency the Governor in Council has been pleased to approve the cancellation of the Regulations of the Perth Public Hospital, Numbers 64 to 93, 230 to 248, and 253 to 284, and the substitution in lieu thereof of the following Regulations.

F. D. NORTH,
Under Secretary.

Superintendent.

The Superintendent shall be appointed by the Governor, on the recommendation of the Board, and be a duly qualified practitioner, residing in the Hospital, and shall be Resident Head of the Hospital.

He shall be the Executive Officer of the Board and conduct the correspondence.

He shall be responsible to the Board for the general supervision of the Hospital, and shall have the entire control of the patients and of all salaried officers and servants of the Hospital.

He shall have power to suspend any officer or servant, subject to immediate report to the Chairman of the Board.

He shall be responsible for the classification of patients on their admission, and in the absence of the Honorary Medical Officers shall have full power to interpose in the treatment of patients in cases in which urgent circumstances appear to him to render his interference necessary.

He shall have sole charge of the Operating Book, and shall see that an accurate record of all operations performed, with results, is kept.

He shall have charge of, and be responsible for, the surgical instruments and apparatus, and may cause ordinary repairs to be effected thereto, and on taking office shall sign the inventory in proof of the correctness thereof. No new instrument shall be ordered, and no alterations or additions to any instrument or apparatus shall be made, except on his written direction.

He shall summon the police to take charge of any case of attempted suicide or criminal violence, and after such time shall not be responsible for the detention of the patient.

He shall not undertake any medical or surgical work in the wards except in cases of emergency or in the absence of the Honorary Medical Officer. By general supervision he shall see that all officers and servants strictly perform their respective duties, and carry out the instructions of the staff, and also see that a thorough and complete record of all cases treated in the Hospital is kept.

He shall have full power to admit or refuse to admit the friends of any patient, as he may think fit, and may, at his discretion, prevent admission of visitors to a ward at any time.

He shall cause the Honorary Medical Officer to be informed of the death of any patient under his care, and on receiving information of the time at which a *post mortem* will be convenient, he shall communicate with the Staff.

He shall visit the wards at least once a day; he shall see that the orders of the Honorary Medical Officers are carried out, that the medicines are of a proper quality and properly administered, and shall give particular attention to the temperature and ventilation of the wards.

He shall, during the winter, deliver a course of lectures to the Nursing Staff, attendance at which shall be compulsory.

He shall devote his entire time to the service of the Hospital, and shall not engage in private practice.

He shall afford the Board every information, and furnish them with reports on all matters within his control, as may seem by him necessary.

He shall see that a sufficient quantity of stores be provided for the use of the Hospital.

He shall not procure any stores from other tradesmen than those appointed by the Board, except in special circumstances.

He shall see that all parts of the Hospital grounds are kept in a proper state of cleanliness and order, and that the employees generally do their duty. He shall engage and discharge all male employees.

He shall report to the House Committee any repairs which may be necessary, and give attention to the same during the progress of any works. He shall also see that all fittings and appliances are in an efficient state.

He shall not lend any books, papers, documents, or property belonging to the Hospital, nor permit them to be inspected or removed without the expressed permission of the Board, which permission shall be duly minuted.

He shall have control of the Hospital Library, and shall not lend any books or papers therefrom.

In cases in which the Hospital may sue, or is sued in court, the Superintendent shall be the nominal representative of the institution, and in all official communications or documents he shall sign as representing the Hospital, unless otherwise directed by the Board.

He shall direct all correspondence on Hospital business and with the outside public in reference to the treatment or condition of patients, and no communication shall be made except with his consent or by his directions.

It shall be his duty to make all necessary communications to the Press touching cases of accident or assault admitted to the Hospital.

He shall furnish the Board with the information required for the medical portion of the Annual Report.

He shall always be on duty on the days of the Board or House Committee meetings.

Leave of absence for more than twenty-four hours must be arranged for with the Chairman.

In case of his illness the Superintendent shall report to the Chairman of the Board, who shall arrange for the discharge of his duties.

He shall direct the Junior Resident Medical Officers in all matters relating to their duties.

All patients admitted shall be under his care until seen by the Honorary Medical Officer under whose care they have been admitted.

He shall, on admission of all patients into the wards, cause a full report of their previous history and their present condition to be recorded, and a daily report in "acute cases" of the progress and treatment of every patient noted.

He shall not publish the report of any case without the written permission of the Physician or Surgeon under whose care the patient has been.

He shall be responsible for the efficiency of the Operating Theatre.

He shall not perform any operation without the consent of the Honorary Medical Officer having charge of the case, except in cases of special emergency.

He shall see that the following weekly reports, with such others as may be ordered, are submitted to the Chairman:—

- i. Return of all in and out patients.
- ii. Return of cases of typhoid fever.
- iii. Return of cases of infectious and contagious diseases.
- iv. Return of patients in Hospital more than six weeks, and reason for detention.

He shall perform such other professional duties as may from time to time be determined by the Board.

Secretary.

The Secretary shall be nominated by the Board, and subject to any written agreement hold office during the pleasure of the Governor, and shall devote the whole of his time to the service of the Hospital, and shall not be engaged directly or indirectly in any business or profession.

He shall, under the direction of the Superintendent, have the charge of all documents relating to the Hospital. He shall summon and attend all meetings of the Board and of Committees, and shall give all the information in his power (when required) to the members then present, and shall keep minute books, in which all the proceedings of these meetings shall be respectively inserted, and see, as far as practicable, that all resolutions or orders passed at such meetings are forthwith carried into effect.

He shall keep the books, forms, and accounts of the Hospital, and shall submit his account books to the Board whenever required.

He shall make out a daily diet roll, by which the number of patients on each diet may be known, and supply the Housekeeper with a daily list.

He shall, under direction of Superintendent, carefully examine all the tradesmen's bills for provisions and other articles, and make up the accounts for presentation to the Board at the monthly meeting.

He shall receive all moneys paid at the Hospital, and enter the same in the cash book, and pay the same into the bank, and obtain a receipt in due form from the bank for the amount paid in.

He shall present a copy of the Rules to every employee who may be appointed, immediately after his or her appointment, and obtain his or her signature to a duplicate copy, which he shall keep in the office for that purpose. He shall keep an interleaved book containing the Rules, and shall insert any new Rule or Order as soon as it shall have been passed by the Board, and shall at once communicate it to the person or persons to whom it may relate.

He shall receive all property and moneys from patients on admission, and enter particulars thereof in a book to be kept for the purpose, giving the patients a receipt therefor, and on the discharge of the owner he shall return the same, taking a proper receipt.

In the event of the death of a patient he shall communicate immediately with the relations or friends in writing.

He shall cause the relations or friends of a patient to be communicated with when placed on the Danger List.

He shall be responsible for handing over all unclaimed bodies to the undertaker for decent interment, and shall hand over all those claimed to the friends of the deceased.

He shall, under direction of the Superintendent, prepare a paper for the Chairman at every meeting of the Board or a Committee, giving an outline of the business for consideration, and he shall make a report on the manner in which he has acted upon the orders and resolutions of the preceding meeting, whether the same have or have not been fully carried out.

He shall, under direction of Superintendent, transcribe into the Minute Book fair copies of the minutes taken at such meeting.

He shall balance the cash book at the end of each month, noting whether such balance agrees with that shown by the bank book, and if not agreeing, explain the cause of the difference.

He shall keep the contributors' book, and shall enter therein, and in the cash book, all subscriptions or donations received.

He shall copy in a press copy-book all letters written on the business of the institution, and shall execute all orders he may receive from the Board or any Committee, or the Chairman thereof.

The Secretary shall, before entering upon his duties, provide security in the sum of £500, to be approved by the House Committee, and the premium thereon shall from time to time be paid by the Board.

He shall keep a "General Register," which shall show the name and address of every patient, the disease, date of admission and discharge, and such other particulars as may be decided from time to time.

He shall see that the case sheets when received from the Resident Medical Officers are carefully filed and bound in the prescribed manner.

Housekeeper.

The Housekeeper shall be directly subject to the Matron, under whose direction she shall act.

She shall be responsible for the diligence and efficiency of all servants placed under her supervision.

She shall have control of all female servants and laundresses.

She shall see that all female servants and employees keep to their specified hours of duty, and should any of the servants prove inefficient or misconduct themselves, she shall promptly report the fact to the Matron.

She shall personally inspect the sleeping apartments of the nurses and female servants, and see that they are kept clean, well ventilated, and tidy.

She shall make out and be responsible for the correctness of the daily requisitions for stores, and for the correct receipt of all stores for her department.

She shall make herself acquainted with the terms of the contracts for the articles in her department.

She shall supervise the serving of meals from the kitchen, and shall be responsible for the proper quantity of each article of diet being carefully issued.

She shall be responsible for the economic, efficient, and careful management of the laundry and kitchen, which she shall, as far as possible, personally supervise, and shall immediately report any defect or inefficiency through the Matron to the Superintendent.

She shall examine the household linen when returned from the laundry, and shall be responsible to the Matron for its being kept in an efficient state of repair.

She shall have delivered daily to the cook the proper quantity of provisions for the day's consumption, according to the diet roll.

Storekeeper.

He shall, under the direction of the Superintendent, keep a register of all stores and provisions, etc., received and issued by him.

He shall personally examine all stores supplied to the institution, and see that everything is carefully weighed, measured, and checked; shall be responsible that all contractors deliver their goods in strict accordance with their contract.

He shall note any errors in their respective bills, and refuse to take delivery of, or return articles which are of an inferior quality, reporting all deficiencies and defects to the Superintendent, to whom he shall furnish a return of everything received.

He shall be present at, and check the receipt of goods and articles delivered from the store under his charge, and shall not allow orderlies or other servants in the store except under his immediate supervision, neither shall he entrust the keys of the store to anyone without being so authorised by the Superintendent.

He shall issue all stores required in connection with the several departments of the Hospital, at the appointed hour.

He shall keep a book containing a detailed account of all articles in his department received and issued in the institution.

He shall not issue stores of any kind without the written authority of the Superintendent, and he shall be responsible that no portion of the property in his charge be wasted or removed from the Hospital.

He shall be careful to see that there is always on hand a good stock of all necessary stores, and that the mattresses and pillows are ready for distribution to the several wards when necessary.

He shall make a complete stock of every article in the store on the 30th June and 31st December, and shall submit such return, duly certified, to the Superintendent.

He shall issue and be accountable for the clothing, bedding, linen, glass, crockery, cutlery, cooking and kitchen utensils, and make an inventory of the same in a book to be kept for that purpose, in which he shall regularly enter the receipt and expenditure of such articles.

He shall requisition for and receive the stores and supplies furnished by the contractors and tradesmen, and see that they correspond in description, quality, and quantity with the tenders and orders, and shall be responsible for the due issue thereof; and in case they do not correspond he shall have power to return the same.

He shall weigh, measure, and deliver to the wards the groceries and medical comforts for those patients for whom they are ordered, on receipt of proper requisition.

He shall not issue stores of any kind except for use in the Hospital, and shall be responsible that no portion of the property in his charge be wasted or removed from the institution.

NOTICE TO MARINERS.

Colonial Secretary's Office,
Perth, 26th November, 1909.

THE following Notices to Mariners are published for general information.

F. D. NORTH,
Under Secretary.

(Translation.)

NOTICE TO MARINERS.

Formosa—Agincourt Island.

The Temporary Light will be replaced by a Permanent Light.

5032/09.

Notification No. 128.

NOTICE is hereby given that the existing Temporary Light on Hokasho (Agincourt Island), notified with the notification No. 109, dated 19th September, 1908, will be discontinued from the night of 20th inst.

COUNT SAMATA SAKUMA,
Governor-General of Formosa.

Taipeh, 14th September, 1909.

Notification No. 129.

NOTICE is hereby given that on and after the 20th inst. the 1st Order Flashing White Light will be exhibited from the Lighthouse erected on Hokasho (Agincourt Island).

The position of the Lighthouse, according to the Japanese Admiralty Chart No. 232, is in Latitude 25deg. 37min. 45sec. North, and in Longitude 122deg. 4min. 15sec. East of Greenwich.

The Lighthouse is built of brick, circular in shape, painted white, and 70 feet high from the base to the centre of the light.

The light will illuminate the whole horizon, showing one flash every 15 seconds, but for an arc of 52deg. of the horizon from N. 42deg. W. to S. 36deg. W., it may be obscured by the land if the vessel comes within two nautical miles from the Lighthouse. The bearings are magnetic and from seaward.

The light will have a power of 864,000 candles. It will be 480 feet high above high water, and visible in clear weather at a distance of 30 nautical miles.

The Lightkeepers at this station on hearing fog-signals, during thick and foggy weather, will fire two guns with an interval of two minutes between them, and, if the vessel's fog-signal is still heard, will repeat the firing after a space of five minutes.

COUNT SAMATA SAKUMA,
Governor-General of Formosa.

OPEN FOR SELECTION.

(Wellington District.)

Resumption of portion of Timber Lease 309/113.

The Land Act, 1898.

Department of Lands and Surveys,
Perth, 26th November, 1909.

NOTICE is hereby given that, pursuant to Section 126 of "The Land Act, 1898," the Minister for Lands, with the approval of the Governor, has resumed so much of the land comprised in Timber Lease 309/113 granted to A. J. McNeil as is described hereunder, the same having been, in the opinion of the Minister, practically denuded of marketable Jarrah, Karri, or Tuart timber, or on which no marketable Jarrah, Karri, or Tuart timber, in his opinion, is growing: And further, His Excellency the Governor has been pleased to throw the area so resumed open for selection under Parts V. and VIII. of "The Land Act, 1898," on and after Tuesday, 14th December, 1909:—

The area containing about 80 acres bounded on the South and East by lines starting from the North-West corner of Wellington Location 1845, and extending West 14 chains 70 8/10 links and North 54 chains 64½ links; the opposite boundaries being parallel and equal. (Plan 411/80.)

* Also available under Part VI. of "The Land Act, 1898."

The locations set out in the Schedule will be open for selection on and after Tuesday, the 7th December, 1909.

Applications may be lodged before the day specified, but will be treated as having been received on the appointed day.

Applications must be lodged with the Government Land Agent at Geraldton.

The selector of a Homestead Farm out of any location must take the balance thereof under Conditional Purchase; also the selector of a Conditional Purchase out of any of the locations available under Part VI. must take the balance under Grazing Lease conditions.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date.

The advance mentioned above is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

(Plan, Avon Locations at Nangeenan.)

These locations are only open for selection by Civil Servants or retired Civil Servants, approved by the Hon. the Minister for Agriculture, who do not own any rural land in this State.

The selector of a Homestead Farm out of any location must take the balance thereof under Conditional Purchase.

Applications must be lodged at the Head Office, Perth.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date.

The advance mentioned above is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

R. CECIL CLIFTON,
Under Secretary for Lands.

TENTERDEN PUBLIC CEMETERY.

(Reserve 11429).

Department of Lands and Surveys,
4680/07. Perth, 3rd December, 1909.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following By-laws, under the provisions of "The Cemeteries Act, 1897" (61st Vict., No. 23), and of "The Cemeteries Act, 1899" (63rd Vict., No. 38), for the management of the Tenterden Public Cemetery (Reserve 11429).

R. CECIL CLIFTON,
Under Secretary for Lands.

BY-LAWS.

By virtue of all powers in that behalf vested in the Trustees of the Tenterden Public Cemetery, the said Trustees make the following By-laws:—

1. That all fees and charges payable to the trustees in accordance with Schedule "A" shall be paid when applications are made or orders given.

2. That any person desiring ground in the cemetery for a private grave, tombstone and railing, or for any other purpose, shall apply to the trustees. If approved, the trustees, on payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule "B."

3. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the cemetery shall make application to the trustees, and if approved shall obtain permission in writing, in the form of Schedule "D," before proceeding with the work.

4. Every person who has the exclusive right of burial in any grave shall keep such grave, and any erection thereon, in proper repair, and if after receiving notice in writing from the trustees requiring such repairs to be executed, shall fail to do so, then after the expiration of 28 days the trustees may cause such repairs to be executed, and may recover the cost thereof from such person before any two justices in petty sessions.

5. That all applications for interment shall be made to the secretary of the trustees.

6. That the name, age, and other particulars of the deceased shall be furnished when giving the order, as in Schedule "C."

7. That every coffin shall have upon the lid a plate, with the name of deceased and date of death thereon.

8. Every grave shall be at least five feet deep for adults, and four feet for infants.

9. That in case of application for interment in any private grave to which during life the deceased person had no claim, the written consent of the owner shall be given with the application.

10. That no burial shall be permitted to take place in the cemetery without an order for burial being obtained from the secretary of the trustees, in the form of Schedule "C," and delivered to the sexton of the cemetery.

11. That any workmen employed by the trustees or by any other person shall at all times while in the cemetery be subject to the supervision, direction, and control of the surveyor, comply with or obey the direction of the officer, and shall be removable from the cemetery upon any breach of the by-laws, or any refusal or neglect to comply with or obey the directions of the officer.

12. That no rubbish or any material removed in dressing a grave shall be placed on any other grave or pathway, and if placed on any adjoining ground shall be removed immediately after completion of work.

13. That no smoking shall be allowed within the cemetery, nor shall any explosives or fireworks be discharged therein, except by special permission, and in case of a military funeral.

14. That no animals other than horses drawing hearses or mourning coaches shall be permitted to enter the cemetery. No dogs shall be admitted into the cemetery; any found therein shall be liable to be destroyed.

15. That no person shall cut, pluck, gather, or take out of the cemetery any flowers, plant, shrub, or tree, or any part thereof, or do any injury whatsoever thereto, or to any plot, border, railing, fence, or any erection or road, or remove or interfere with anything laid, built, or placed upon any grave or plot or space, and any person so doing shall be guilty of a breach of this by-law, and on conviction be liable to a penalty as hereinafter provided for.

16. That all fees not paid may be recovered, and all proceedings under these by-laws taken before any two justices in petty sessions, except where otherwise provided for.

17. That a plan of the cemetery showing the distributive sections, blocks, graves numbered, a register of burials, certificates of right of burials shall be kept at the office of the trustees.

18. Any person committing a breach of any of the foregoing by-laws shall be liable to a penalty not exceeding five pounds, and in case of a continuing breach, not exceeding one pound for every day during which such breach continues.

WHEREAS the Goomalling Road Board, by resolution passed at a meeting of the Board, held at Goomalling on or about the 17th day July, 1909, resolved to open a road as described hereunder:—

Goomalling Road District.

7550/09.

No. 3642.—A strip of land, one chain wide, its South-Eastern side leaving the South-Western side of a surveyed road at the East corner of Lot M512 of Avon Location 1954, and extending South-Westward along the latter's South-Eastern boundary to the North-Eastern side of a surveyed road at a South corner of said Lot M512.

About 3 acres being resumed from Lot M512 of Avon Location 1954. (Plan 27/80.)

And whereas His Excellency the Governor, pursuant to Section 17 of "The Public Works Act, 1902," by notices published in the *Government Gazette*, declared that the said lands had been set apart, taken, or resumed for the purposes of the said Roads, and that plans of the said lands might be inspected at the Department of Lands and Surveys, Perth.

And whereas the said Boards have caused a copy of the said notices to be served upon the owners and occupiers of the said lands resident within the State, or such of them as can with reasonable diligence be ascertained,

either personally or by registered letter posted to their last-named place of abode.

And whereas the Governor in Executive Council has confirmed the said resolutions, it is hereby notified that the lines of communication described above are Roads within the meaning of "The Roads Act, 1902," subject to the provisions of the said Act.

Dated this 3rd day of December, 1909.

R. CECIL CLIFTON,
Under Secretary for Lands.

THE MINING ACT, 1904.

(Regulation 163.)

Notice of intention to resume Mining Tenements on behalf of His Majesty.

Warden's Office,
Coolgardie, 1st December, 1909.

TAKE notice that it is the intention of the Warden of the Goldfield mentioned hereunder, on the date mentioned, to issue out of the Warden's Court an order authorising the resumption of possession, for and on behalf of His Majesty, in accordance with Regulation No. 163 under "The Mining Act, 1904," of the under-mentioned Mining Tenement.
