HIS Excellency the Governor in Council has been pleased to approve the following By-laws made by the Belmont Local Board of Health.

F. D. NORTH,
Under Secretary.

BY-LAWS OF THE BELMONT LOCAL BOARD OF HEALTH.

PART V.—OFFENSIVE TRADES.

WHEREAS by "The Health Act, 1898," and the Acts amending same, the Local Board of Health has power to make By-laws: Now, therefore, in pursuance of the powers in that behalf contained in the said Act and the Acts amending the same, the Local Board of Health does hereby make the following By-laws:—

Section 1.—General.

1. Every person who shall apply to the Local Board of Health for its consent to the establishment of an offensive trade shall furnish, in the form of Schedule "A" hereto, a true statement of the particulars therein required to be specified.

2. Every person who may have obtained from the Local Board its consent to the establishment of an offensive trade shall register such premises at the office of the said Board.

He shall, for such purpose, apply by notice, in writing, addressed to the Secretary of the Local Board, and shall, within a reasonable time after the receipt of such application by the Secretary, be supplied with a certificate of registration in the form of Schedule "B" hereto.

Section 3.—Piggeries.

1. For the purposes of this section of these By-laws, unless the context otherwise requires—

"Pigkeeper" means a person who keeps one or more pigs for the purpose of trade, or who receives on his premises kitchen, butcher, or slaughter house wastes, or other waste food which is intended to be used as pig-feed.

2. No pig-keeper shall keep pigs in sties, pens, or yards within one hundred feet of any house or public thoroughfare, or within one hundred feet of any dairy premises or any building or place where food intended for human consumption is prepared or stored, or so as to be a nuisance or injurious to health.

3. (a.) A pigkeeper shall not receive on the premises where his trade is carried on, or suffer or permit to be received, any dead animal or any diseased animal for slaughter.

(b.) He shall not receive on such premises, or suffer or permit to be received, any part of the carcase of a diseased animal, and he shall not feed his pigs upon the flesh or offal of diseased animals.

(c.) He shall not receive, or suffer, or permit to be received on such premises putrid matter for any purpose.

(d.) He shall cause all readily putrescible pig-feed that may be brought upon such premises to be immediately deposited in cooking vessels, which he shall cause to be maintained at such a temperature as to prevent their contents from putrefying, and shall not remove or permit or suffer such contents to be removed, except to the feeding troughs.

(e.) He shall not receive, or suffer, or permit to be received upon such premises any kitchen, slaughter house, or butchers' wastes or other putrescible pig-feed, unless such materials are contained in galvanised iron receptacles, fitted with air-tight covers.

(f.) He shall provide in every sty upon his premises an approved feeding trough of a pattern that can be readily cleansed, and such trough shall be fixed near the surface gutter of the sty.

4. (a.) Every pigkeeper shall securely fence all his pig-yards and pens, and shall provide in each such yard or pen sufficient shelter sheds to afford proper shelter for all the pigs that may at any one time be kept in any such yard or pen.

(b.) He shall, when so ordered by the Local Board, cause the floor of any pigsty upon his premises to be properly paved and drained with impervious materials. Such floors may be constructed of hard-burnt bricks set in good cement mortar on a bed of concrete, or may be constructed of concrete not less than six inches thick, and every such floor shall have such fall to a surface gutter as is approved; the surface gutter shall be constructed of similar materials, and shall not be less than twelve inches wide and three inches deep in the centre of its width, and shall extend the whole length of the sty, and have such fall likewise as is approved, and shall discharge into an impervious sump of sufficient capacity to receive without overflowing at least one day's drainage from the floors.

(c.) The floor area of every such sty shall be in the proportion of not less than fifteen square feet to every pig that is over two months old that may be kept therein, and no pigkeeper shall keep a greater number of such pigs in any sty upon his premises than in the aforesaid proportion.

5. Every pigkeeper shall provide upon the premises where his trade is carried on a sufficient and constant supply of wholesome water, which shall be properly protected against pollution, and be always available for cleansing purpose.

6. (a.) Every pigkeeper shall cause his pigs to be fed in enclosed yards, pens, or sties.

(b.) He shall for such purpose provide a sufficient number of approved feeding troughs, and his pigs shall be fed from the troughs only.

7. (a.) Every pigkeeper shall cause all the pigsties, pens, or yards, feeding floors, shelter sheds, and troughs upon his premises to be thoroughly cleansed at least once a day, between the hours of sunrise and noon.

(b.) He shall cause all receptacles, apparatus, utensils, vehicles, and tools to be kept clean and in good repair.

(c.) He shall at least once a day cause all dung, liquid filth, and other offensive or noxious matters on such premises to be collected and forthwith removed from the premises, or disposed of as the Board may direct.

8. (a.) Every pigkeeper shall cause all floors, impervious drains, and receptacles that are upon his premises to be maintained at all times in good order and repair.

(b.) He shall cause all cooking pots and their settings and fittings upon such premises to be maintained in efficient action and in good order.

1. All fees and charges payable to the trustees in accordance with Schedule A shall be paid when applications are made or orders given.

2. No interment shall be permitted in the cemetery unless an order for burial be obtained, in the form of Schedule B, from the secretary to the trustees, and delivered to the sexton not less than six working hours prior to the time fixed for the burial, otherwise an extra charge will be made, as in Schedule

3. The following information must be handed to the secretary in writing when application for interment is made:—

(*a.*) The age, name, and denomination of deceased.
(*b.*) The date and time of the burial.
(*c.*) The officiating minister.
(*d.*) The undertaker.

4. The consent of the local secretary of the denomination must be obtained, in writing, when the deceased is to be buried in that part of the cemetery set apart for that denomination; also the consent of the owner of a private block must be obtained, in writing, if it be desired that such block be used for a person who was, when living, not the owner of such block.

5. The time stated in the application for burial as in By-law 3 shall be the time for the funeral to be at the cemetery, and the same shall be punctually observed, or a further charge will be made as in Schedule A.

6. No burial shall be allowed to take place before eight in the morning, nor after six in the evening, on any day throughout the year, except by special permission, and upon payment of the fee for burials not in the usual hours, as in Schedule A.

7. The trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault upon land to which he has obtained the exclusive right, shall be permitted to construct the same under the direction of the secretary, provided that the plans thereof be submitted to and approved of by the trustees, and every coffin placed therein shall be bricked in, and made and kept air-tight.

8. Every grave shall be at least six feet deep, except that the trustees may allow a lesser depth in those for the burial of infants; but no interment shall be allowed in any grave with a lesser depth than three feet from the top of the coffin to the original surface of the ground.

9. Prior to conducting any interment in the cemetery, or making use of the cemetery for any purpose connected with interments, every undertaker shall pay to the trustees an annual fee of two guineas, and shall at the time of making such payments give his assent in writing to such conditions as the trustees may deem fit to impose. Upon such assent being given, and payment of the fee, he shall receive a permit, in the form of Schedule C, to hold good until the first day of January following; and unless in the possession of such a permit, no undertaker shall be allowed to engage in or carry out any duty or work within the cemetery.
