LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 13th April, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The locations available under Part VI. are marked with an asterisk.

Applications must be lodged at the Office of the Government Land Agent for the District.

The date fixed as showing when subdivisions are available denotes that applications may be lodged before such date, but will be treated as having been received on the appointed day, and should there be any locations not applied for after the date specified, such will continue available until applied for or otherwise dealt with.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. The advance mentioned is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application from the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

There shall be an interval of at least seven days between the closing of the date for applications and the date on which the Board sits. Immediately after the closing of the date, notice will be given in the *Government Gazette*, and at least one newspaper, advising the applicants for the blocks in any subdivision (for which there is more than one applicant) of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.
