No. 13709.—C.S.O.

The Land Drainage Act, 1900.

PROCLAMATION

WESTERN AUSTRALIA, TO WIT. } By His Excellency Sir Gerald Strickland, Count della Catena, Knight Commander of the Most Distinguished Order of St. Michael and St. George, Governor in and over the State of Western Australia and its Dependencies, etc., etc., etc.

G. STRICKLAND, Governor.

[L.S.]

WHEREAS by an Order in Council dated the 12th day of April, 1911, made pursuant to "The Land Drainage Act, 1900," an area therein described was constituted a Drainage District for the purpose of the said Act, under the name of the South Coolup Drainage District: And whereas under the provisions of Section 6 of the said Act the Governor may, on the constitution of any District, appoint by Proclamation six persons to be the first Members of the Board for such District: Now therefore I, the said Governor, with the advice of the Executive Council, do hereby appoint J. Smith, T. Gowman, M. Brown, J. Collins, R. J. Dorrington, J. Mills, to be the first Members of the Drainage Board for the said District, until the 3rd Thursday in December, 1911, under the name of "The Drainage Board of the District of South Coolup."

Given under my hand and the Public Seal of the said State, at Perth, this 12th day of April, 1911.

By His Excellency's Command,

J. D. CONNOLLY,
for Minister for Works.

GOD SAVE THE KING ! ! !

The Land Drainage Act, 1900.

ORDER IN COUNCIL.

At the Executive Council Chambers, at Perth, this 12th day of April, 1911.

Present:

His Excellency the Governor.
The Honourables—The Minister for Mines.
The Colonial Secretary.

WHEREAS by Section 4 of "The Land Drainage Act, 1900," the Governor, by Order in Council, may, on petition in that behalf from a majority of the ratepayers in any part of the State, declare any lands to be a Drainage District for the purpose of the said Act, and may, in such order, define the boundaries of and give a name to such District: And whereas a petition has been duly presented to the Governor for the constitution of a Drainage District at Coolup: Now, therefore, His Excellency the Governor, with the advice of the Executive Council, hereby constitutes the area having the boundaries defined in the schedule hereto a Drainage District for the purpose of the said Act, under the name of the South Coolup Drainage District.

This Order in Council shall take effect from the 29th day of April, 1911.

BERNARD PARKER,
Clerk of the Executive Council.

The Land Act, 1898.

ORDER IN COUNCIL.

At the Executive Council Chamber, at Perth, this 26th day of April, 1911.

Present:

His Excellency the Governor.

The Honourables—The Minister for Mines.
The Colonial Secretary.

13290/05.

WHEREAS by Section 43 of "The Land Act, 1898," it is made lawful for the Governor, by Order in Council, without issuing any deed of grant, to place any Reserve under the control of any Municipality, Road Board, or other person or persons, as a Board of Management, and to empower such Board to make, repeal, and alter by-laws for the control and management of such Reserves, and prescribe fees for depasturing thereon, and for other purposes, such by-laws to be approved by the Governor and published in the *Government Gazette*: And whereas it is deemed expedient that Reserves 10568 (Cuddingwarra Common), 7273 (Cue Common), and 7274 (Day Dawn Common) should be placed under the control of the Cue Road Board as a Board of Management: Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby place the before-mentioned Reserves under the control of the Cue Road Board as a Board of Management, and doth empower such Board to make, repeal, or alter by-laws for the control and management of the said Reserve, for prescribing fees for depasturing thereon, for directing the manner in which such fees shall be imposed, paid, collected, and disposed of, and to impose penalties not exceeding in any case £5 for any breach thereof, and £2 a day for a continuing breach, but not more than £20 in the aggregate.

BERNARD PARKER,
Clerk of the Council.

P.W. 3976/11.

Metropolitan Water Supply, Sewerage, and Drainage Act, 1909.

ORDER IN COUNCIL.

At the Executive Council Chambers, Perth, this 26th day of April, 1911.

Present:

His Excellency the Governor.

The Honourables—The Minister for Mines.
The Colonial Secretary.

WHEREAS by "The Metropolitan Water Supply, Sewerage, and Drainage Act, 1909," it is provided in Section 20 that the Governor may exempt such reticulation works as in his discretion he may think fit from the operations of certain sections in this Act: Now, therefore, His Excellency the Governor, with the advice of the Executive Council, does hereby exempt the reticulation works as hereinafter described from the operations of Subsections (a) and (b) of Section 20, and Sections 21, 22, and 23 of the said Act:—

Description of said Reticulation.—A 6in. stoneware pipe sewer with manholes and apparatus relating thereto, being portion of the Low Level Sewerage Area, commencing at its junction with the existing Council's sewer at the intersection of Bazaar Terrace and William Street; thence Westerly along Bazaar Terrace for a distance of 290ft.; thence in a Northerly direction, crossing private property for a distance of 118ft. to manhole; thence Easterly for a distance of 45ft. to manhole; thence Northerly for a distance of 300ft. to manhole; thence Easterly for a distance of 140ft., terminating at manhole.

Line of sewer shown in red on P.W.D. Plan No. 15599 deposited at the office of the Minister of Water Supply, Sewerage, and Drainage, 605 Wellington Street, Perth.

This Order in Council shall take effect from the 29th day of April, 1911.

BERNARD PARKER,
Clerk of Executive Council.

MUNICIPAL BY-LAW.

Colonial Secretary's Office,
1598/11. Perth, 28th April, 1911.

HIS Excellency the Governor in Council has been pleased to confirm the following By-law, No. 35, made by the Council of the Municipality of the City of Perth on the 27th day of March, 1911:—

F. D. NORTH,
Under Secretary.

CITY OF PERTH.

By-Law No. 35.

In pursuance of the powers conferred by Section 181 of "The Municipal Corporations Act, 1906," the Mayor and Councillors of the City of Perth do make and order the following By-law:—

1. No person shall follow the occupation of a Shoeblack within the Municipality unless and until a license authorising him to follow and exercise the occupation of a Shoeblack within the Municipality shall be first had and obtained from the Town Clerk, and except during the currency of such license.

2. Every license granted hereunder shall expire on the 31st day of October next after the same shall have been granted.

3. The fee to be paid for such license shall be the sum of five shillings per annum: Provided that, in respect of any license granted after the 30th day of April in any year, the fee payable for such year shall be one-half of the annual fee for such license.

4. Every applicant for any license shall be of good character and of the age of fifteen years or over that age.

5. Every Shoeblack licensed hereunder shall, while following his occupation, have his license in his possession, and shall produce his license to any Traffic Inspector or police constable on being requested so to do.

6. The fee for the cleaning of each pair of boots or shoes is hereby fixed at threepence, and if any Shoeblack shall demand a greater sum he shall be guilty of an offence under this By-law.

7. Any licensed Shoeblack, while following his occupation, being drunk or using obscene language or misconducting himself in any way shall be guilty of an offence.

8. All licenses shall be issued at the discretion of the Council, and the Council may cancel the license of any Shoeblack failing to comply with the provisions of this By-law or being guilty of any offence hereunder.

9. The stand for each licensed Shoeblack shall be allotted by the Traffic Inspector and specified in the license.

10. No licensed Shoeblack shall follow his occupation at any other place or stand other than that specified in his license.

11. In the construction of the foregoing provisions the words "Traffic Inspector" shall mean and include the person for the time being appointed by the Council to carry out the duties of Traffic Inspector, and any assistant of such person.

12. Every person offending in any of the foregoing provisions shall be liable to a penalty not exceeding £5.

Passed by the Council of the Municipality of the City of Perth on the 27th day of March, 1911.

T. G. ANSTRUTHER MOLLOY,
[L.S.] Mayor.

WM. E. BOLD,
Town Clerk.

RESUMPTION OF PORTION OF TIMBER LEASE.

The Land Act, 1898.

Department of Lands and Surveys,
Corr. No. 4596/07. Perth, 28th April, 1911.

NOTICE is hereby given that, pursuant to Section 126 of "The Land Act, 1898," the Minister for Lands, with the approval of the Governor, has resumed so much of the land comprised in Timber Leases 228/113 and 229/113 granted to Millar's Karri and Jarrah Co. (1902), Ltd., as is described hereunder, the same having been, in the opinion of the Minister, practically denuded of marketable Jarrah, Karri, or Tuart timber, or on which no marketable Jarrah, Karri, or Tuart timber, in his opinion, is growing: And further, His Excellency the Governor has been pleased to throw the area so resumed open for selection under Parts V. and VIII. of "The Land Act, 1898," on and after Tuesday, 16th May, 1911:—

Wellington Locations 2331 and 2207, containing respectively 160 and 200 acres, as surveyed, and shown on Diagrams 38686 and 38685.

These blocks are available subject to the Timber Company having right of tramway access free of charge through them should it be necessary.

Applications must be lodged with the Government Land Agent at Bunbury.

R. CECIL CLIFTON,
Under Secretary for Lands.

AMENDMENT OF AREAS AND BOUNDARIES OF RESERVES.

Department of Lands and Surveys,
Perth, 28th April, 1911.

HIS Excellency the Governor in Executive Council has been pleased to approve of the Areas and Boundaries of the following Reserves being amended as described in the Schedules below, for the purposes therein set forth; the Areas and Boundaries previously published in the *Government Gazette* being hereby cancelled:—

1703/90.

No. 1739 (Stopping Place for Travellers and Stock).—Bounded by lines starting from a point on the Eastern side of the Perth Albany Road, situate 2 chains 10 links East from the South-East corner of Kojonup Location 2955, and extending Northward along said side of road 23 chains 49 links; thence East 48 chains 40 links and South 22 chains 36 links to the North side of a public road, and along it West to the starting point. (100 acres.) (O.P. Kojonup 454.)

2974/11.

DUNDAS G.F. (Norseman-Esperance Road, Stennet Rock Tank).—No. 3045 (Water, under Act 57 Vict., No. 20).—Bounded on the North and East by lines starting from a point situate North 50 chains and East 50 chains from Stennet Rock, and extending West 120 chains and South 120 chains; the opposite boundaries being parallel and equal. (1,440 acres.) (Plan 11/300.)

R. CECIL CLIFTON,
Under Secretary for Lands.

LAND BOARD NOTICE.

Department of Lands and Surveys,
Perth, 28th April, 1911.

Corr. 8406/01.

IT is hereby notified, for general information, that the Board appointed under Section 14, Paragraph 3, of "The Land Act Amendment Act, 1906," to deal with simultaneous applications will sit at the Perth Literary Institute, Hay Street, Perth, on Wednesday, 3rd May, to deal with the following blocks, in the order hereunder given as near as possible:—

Williams Locations 9734 and 9735 at Lake Grace, Sheet 1; Melbourne Location 2188, on Dalwallinu Sheet 4; Avon Location 10670, on Plan 25/80; Avon Location 15304, on Plan 4/80; Avon Location 14193, on Plan 34/80; Sussex Location 580, on Plan 413/80; Victoria Locations 4103 and 4105, Morowa, Sheet 2; Vacant unsurveyed land, on Plan 25/80, and South of Mindebooka Road; Avon Location 11085, on Plan 34/80; Melbourne Location 2184, Dalwallinu, Sheet 4; Avon Location 15513, at Yelbene; Williams Location 3878, on Plan 385C/40; Avon Location 15327, on Plan 4/80.

On Thursday, 4th May, the Board will sit to deal with Kent Location 271, on Ongerup Sheet 2; Plantagenet Locations at Magitup 2331, 2337, 2340, 2326, 2333, 2334, 2336; Avon Location 16614 at Kondinin; Avon Location 14463, on Plan 377/80.

Decisions will be posted at the entrance to the Lands Department and published in the daily Press, as promptly as practicable after the conclusion of the Board.

Attention is directed to the alteration of the place of meeting of the Board as shown above.

Land Board meeting for land on Kumminin Sheet 5 will be advertised in next week's issue of the *Government Gazette*, and also in the Public Press, immediately the information is available.

R. CECIL CLIFTON,
Under Secretary for Lands.

Department of Lands and Surveys,
10429/09. Perth, 28th April, 1911.

A CASH Order, No. 9334, dated the 18th of January, 1910, payable to S. J. Brewster or Order, for the amount of £1 10s., and drawn on the Hon. the Minister for Lands, has been lost, and payment of same has been stopped.

The public are warned not to negotiate the said Order.

R. CECIL CLIFTON,
Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 28th April, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The locations available under Part VI. are marked with an asterisk.

Applications must be lodged at the Office of the Government Land Agent for the District.

The date fixed as showing when subdivisions are available denotes that applications may be lodged before such date, but will be treated as having been received on the appointed day, and should there be any locations not applied for after the date specified, such will continue available until applied for or otherwise dealt with.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. The advance mentioned is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application from the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

There shall be an interval of at least seven days between the closing of the date for applications and the date on which the Board sits. Immediately after the closing of the date, notice will be given in the *Government Gazette*, and at least one newspaper, advising the applicants for the blocks in any subdivision (for which there is more than one applicant) of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.

THE WATER BOARDS ACT, 1904.

Public Works Department,
Perth, 17th March, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the following By-laws for the Sandstone Water Board under Section 141 of "The Water Boards Act, 1904."

F. L. STRONACH,
Under Secretary for Public Works.

BY-LAWS OF THE SANDSTONE WATER BOARD.

WHEREAS by "The Water Boards Act, 1904," the Water Board of any District is empowered to make By-laws for all or any purposes in the said Act mentioned, the Sandstone Water Board, in pursuance of the powers vested in the said Board under and by virtue of the said Act, and of every other authority enabling it in that behalf, doth hereby make and publish the following By-laws:—

1. No unauthorised person shall trespass upon any water reserve or other lands or premises vested in the Board.

2. No person shall bathe or wash clothes or other articles in any reservoir or other waterworks within the water area, or wash, throw, or cause to enter therein any dog or other animal; or throw or convey, or permit to be conveyed or thrown therein any rubbish, dirt, filth, dead animal, or other noisome thing or otherwise cause any pollution of water within the water area.

3. Application for services shall be made on the printed form procurable at the Board's office, and shall be lodged not less than three days before the service is required.

4. Applications will not be entertained unless full information, as indicated on the printed form, is supplied, and the full amount of rates due on the premises to which a service is required is paid.

5. Except when the supply is paid for by meter, the supply of water will be through separate service pipes of the following diameters, according to the assessed annual value of the premises, as follows:—

For premises assessed at or under		per annum, ½-in. pipe.
More than	and not more than	per annum, ¾-in. pipe.
More than	and not more than	per annum, 1-in. pipe.
More than	and not more than	per annum, 1¼in. pipe.
More than	by special agreement in each case.	

6. No part of a private service shall be laid, fixed, or used (temporarily or otherwise), or be permitted to be laid, fixed, or used (temporarily or otherwise), or be permitted to remain, laid, fixed, or used (temporarily or otherwise), except in accordance with the provisions of the last preceding By-law unless by special permission of the Board.

7. All notices and applications to the Board required by these By-laws are to be made upon printed forms, to be obtained at the Board's office free of charge. Notices sent by post must be prepaid. All sums paid by the Board on account of notices sent by post and not prepaid will be charged against and recovered from the sender. All notices required to be given by the Board or any officer thereof may be left on the premises of the occupier or owner to whom they are addressed, or may be sent by post addressed to such premises.

8. The Board may, from time to time, when necessary for the purpose of tapping or repairing the main, or otherwise, cut off the supply of water from any part or parts of the water area.

9. No person, other than a servant of the Board, shall tap or interfere with any main in any street or elsewhere, or attach service pipes thereto, or extend the same to the boundary of any premises to be supplied or otherwise, unless specially authorised by the Board to do so.

10. The owner or occupier for the time being of any premises must, at his own risk and expense, lay down his private service in accordance with the By-laws for the time being.

11. Where the lands or premises for which a supply is required, are rated, the Board shall be required to lay a service pipe from the water main to the nearest street boundary of such lands or premises; but the said Board shall not be required to lay a service pipe to any other lands or premises.

12. Except with the written permission of the Board not more than one house or tenement shall be supplied from a single water service. The Board may, in special cases, consent to two or more tenements being supplied from one water service, but in such cases the sub-services shall be so arranged that the supply to each house shall be independent of the supply to the remaining houses, and controlled by a stop-cock on such sub-service.

13. Upon receipt of a written application on the prescribed form accompanied by rates and fees payable from the owner or occupier of any premises in any street in which a main has been laid (but situate within 300 feet from such main) for a supply of water for domestic purposes the Board may, subject to these By-laws, within fourteen days, connect such premises with the main free of cost. In any case where a supply is desired to premises outside the above limits, or for other than domestic purposes, the Board will require a special agreement on such terms as the Board may determine.

14. All pipes must be of lead or galvanised wrought iron or gas pipe, and where lead pipes are used they must be of equal thickness throughout, and of at least the respective weights following, viz.:—

⅜ inch	5lbs. per yard.
½ inch	6lbs. per yard.
¾ inch	9lbs. per yard.
1 inch	12lbs. per yard.
1¼ inch	16lbs. per yard.
1½ inch	20lbs. per yard.

Where wrought iron tubes are used they must be of the kind known as wrought iron steam tubes.

15. The whole of the iron pipes, tees, thimbles, bends, reducing couplets, plugs, etc., to be of the best manufacture, true in section, straight, and of equal thickness, properly and truly cut with the Whitworth's standard gas thread, perfectly sound and new, and free from all defects. The tees, bends, tubes, etc., are to be capable of withstanding a hydrostatic pressure equal to a column of water 400 feet in height.

16. All taps, stop-cocks, ball-cocks, valves, closet cisterns, service boxes, waste-not regulators, bath taps or valves, or other fittings used in connection with a supply of water, must be first tested and stamped by the duly authorised officer of the Board before being fixed. The Board will test and stamp the same, and charge the following fees for testing and stamping:—

Bib and stop-cock	each.
Ball-cocks or valves	each.
Closets, cisterns, valves, and waste-not regulators	each.

17. All stop and bib-cocks shall be loose valve, screw-down, high-pressure cocks, made of hard brass or gun metal, and be in every respect of best quality and workmanship.

18. A set of standard fittings, such as are at present approved, is exhibited at the Board's office; but the Board will give due consideration to the claims of any other fittings which may be presented for approval, and if considered satisfactory the same will be purchased and placed among, and become one of the standard approved fittings.

19. No underground service pipe on private property shall be laid at a less depth than 12in.

20. The location of all service pipes and fittings shall be subject to the approval of the Board.

21. No pipe or other apparatus shall be laid through any sewer, drain, ashpit, cistern, or manure tank or trough, in or into any place where, in the event of the pipe becoming unsound, the water conveyed through such pipe may be liable to be fouled or to escape without observation—unless such pipe or apparatus be laid through an exterior cast iron pipe or box of sufficient length and strength to afford due protection to same, and to bring any leakage or waste within easy detection.

22. All joints between tees, bends, thimbles, couplings, elbows, and cocks, etc., shall be made with red lead and flax. All joints on lead pipes must be of the kind known as "wiped joints."

23. Every cistern and tank must be provided with an equilibrium ball-valve, and the overflow pipe must be laid and fixed in a suitable manner, so as to discharge in some conspicuous place open to inspection, and in a position approved by the Board.

24. No service pipe will be allowed to communicate with any cistern, tank, or vessel intended or used for the reception of rain water, or made or used below the surface of the ground.

25. Every water-closet fitting used must be of such construction as shall be approved by the Board, and must be supplied from the service pertaining to the tenement through a proper closet cistern or service box, fitted with approved waste-preventing apparatus. No service pipe will be suffered, under any pretence whatever, to communicate, directly or indirectly, with a basin or trap, or otherwise than with the cistern of a water-closet.

26. In every bath the outlet shall be distinct from and unconnected with the inlet or inlets; and the inlet or inlets must be placed above the highest water-level of the bath. The outlet of every bath must be provided with a perfectly water-tight plug, valve, or cock. No bath shall have any overflow waste-pipe, nor exceed in dimensions 6 feet 6 inches long by 3 feet wide by 2 feet 6 inches deep, unless the water is supplied through meter. The Board will not supply any bath unless the same shall be so constructed as to prevent a waste of water.

27. Every urinal shall be supplied only through a cistern, or service box, fitted with approved waste-preventing apparatus. No service pipe shall be suffered to communicate directly with any urinal.

28. No part of any service shall communicate directly with the water in any steam boiler or other apparatus used for the generation of steam, but the feed water shall be supplied in such a manner that none of the water in the boiler, or such other apparatus, can return into the main or service pipe.

29. No boiler or other apparatus shall be used or connected in which the feed water is supplied below the water level.

Removal of Defective Fittings.

30. Any consumer's pipe, cock, cistern, or other fitting laid, fixed, or used otherwise than in accordance with these By-laws and with the provisions of the Act, or which shall, in the opinion of the Board, be or become of bad or defective quality, or shall conduce to the waste, misuse, or contamination of the water, shall upon the Board giving notice in writing, be discontinued and disused; and the Board may require the same to be removed, replaced, or repaired, and may, if it think fit, stop the supply of water to the said consumer until such pipe, cock, cistern, or other fitting shall have been removed, replaced, or repaired to the satisfaction of the Board by a plumber licensed by the Board to execute water supply plumbing work within the water area.

31. Whenever the Board, by reason of an infraction of these By-laws, is put to any expense, it may recover the costs of all repairs, shutting off, disconnecting, reconnecting, or other work, from the consumer, who is, according to the Act and By-laws regulating the water supply within the water area, primarily responsible for said infraction of the By-laws; and the said Board may, without prejudice to its right to levy and collect water rates for any period from the consumer, refuse to continue the supply to the premises occupied by the consumer, at the time the aforesaid expense may have been incurred, until the consumer has paid the said costs.

32. The supply and use of water, whether by meter or otherwise, shall be open to inspection and admeasurement whenever required; and such information must from time to time be afforded as will be sufficient to enable the Board to obtain a satisfactory account of the quantity of water actually consumed, and of the pipes, taps, cisterns, and other apparatus and conveniences for receiving and delivering such water.

33. A supply of water for domestic purposes shall include a supply for one water closet and one bath, but shall not include a supply for cattle or for horses, or for any steam engine, or for washing carriages where such horses or carriages are kept for hire or are the property of any dealer, or for any hotel, inn, factory, trade, or business whatever, or for watering gardens or for fountains or for any ornamental purpose.

34. Any person supplied with water by the Board, whether by meter or otherwise, who shall allow the same to run to waste, shall be liable for each offence to a penalty not exceeding Twenty pounds; and in the event of continuing the offence, to a further penalty of Five pounds for each day after notice of the offence from the Board.

35. The Board may, by notice to a consumer, from time to time restrict the quantity of water that may be supplied to him in any one week.

36. Any person entitled to receive water from the Board, who, without the written permission of the Board, shall take or carry away or allow to be taken and carried away any such water from his premises, or shall sell the same to any other person, shall be liable to a penalty not exceeding Twenty pounds.

37. Any person or persons found taking water from or interfering with any part of a main or fittings of same belonging to the Board on any wharf, pier, jetty, or other public thoroughfare within the water area without the permission of the Board, shall, on conviction, be liable to a penalty not exceeding Twenty pounds for every such offence without prejudice to the right of the Board to recover from the said person or persons the value of the water taken, and the costs of repairing any damage done to the aforesaid main or fittings by the said person or persons.

38. Any person who (1) not being entitled to a supply of water for other than domestic purposes, uses for other than domestic purposes any water supplied to him by the Board, or (2) being entitled to a supply of water for any other than domestic purposes, uses for any purposes other than those for which he is entitled to use the same any water supplied to him by the Board, shall, upon conviction, be liable to a penalty not exceeding Twenty pounds without prejudice to the right of the Board to recover from him the value of the water misused.

39. In every case in which the supply of water shall have been cut off by reason of non-payment of rates or other charges, or by reason of a defective service, a reconnection fee of Five shillings shall be charged, and shall be payable by the consumer on demand.

40. The prescribed quantity of water which any consumer is entitled to receive in any given period in consideration of the amount of water rate payable by such consumer is that quantity the total cost of which, if paid for at the rate of 7s. 6d. per thousand gallons, would amount to a sum equal to the amount of water rate paid for such period, provided always that such period shall not exceed six calendar months.

Water used in excess of the quantity allowed by the rate paid as aforesaid shall be at the rate of 5s. per 1,000 gallons.

41. Within the water area the water rate shall be at the rate of 2s. in the £ per annum upon the net annual value of all rateable land.

42. The minimum charge for water supplied by measure within the water area shall be as follows:—

(*a.*) Minimum charge for water supplied by measure to private consumers shall be £1, exclusive of rent of meter.

(*b.*) Minimum charge for water supplied by measure to machinery connected with same shall be 7s. 6d. per 1,000 gallons.

(*c.*) Minimum charge for water supplied by measure to municipalities, Road Boards, or Government departments shall be 3s. 9d. per 1,000 gallons.

43. Rates shall become due and payable half-yearly, in advance, on the first day of January and the first day of July: Provided that in all cases where a water rate is made after the first day of January or the first day of July in any year, the notice of the order for the making and levying of such rate, published in the *Government Gazette* and a newspaper, as provided by Section 94 of the said Act, shall specify the minimum sum payable as rate as aforesaid, and the date or dates when the rate shall be due and payable, and such rate shall be and become due and payable in accordance with the terms of such notice.

When water is turned or cut off under the conditions set forth in Section 60 of the said Act, the sum of 5s. shall be charged against the owner or occupier of the lands or premises concerned.

44. In lodging and boarding houses where no meters are fixed, the Board may charge at the rate of Five shillings per annum, payable in advance, for each lodger or boarder up to five, but if more than five lodgers or

boarders are taken the supply of water must be obtained by meter in the usual way.

45. The Board may agree with any consumer using water for all or any of the purposes hereinafter mentioned to pay the same at the following rates, namely:—

Horses, £1 5s. each per annum.
Vehicles, 10s. 6d. each per annum.
Cows, £1 5s. each per annum.

The Board may permit water to be supplied for building purposes on the following terms:—

Water for building ordinary dwelling with brick and plaster, 5s. per room.
Water for building ordinary dwelling with lath and plaster only, 2s. 6d. per room.
Brick chimneys in wooden houses, 2s. each.
Water supplied for building other than ordinary dwellings, such as hotels, halls, warehouses, stores, etc., will be charged for by arrangement.
Plans and specifications to be submitted in all cases.
All fees to be paid in advance.
Applications for water under this By-law must be made on the prescribed form.

The Board reserves the right to cancel the agreement and terminate the supply on 48 hours' notice, and shall in such case return, on a written demand, a proportionate amount of the charges paid for the then current year. All agreements hereunder shall terminate on the 31st December next following the date thereof, but may be renewed by the Board as required.

46. Within the Water District, water services to non-rated premises will be given on the terms and conditions as set forth hereunder; provided that, in accordance with the provisions of "The Water Boards Act, 1904," other terms and conditions may be agreed upon as occasion may arise:—

Consumption.	Rate per 1,000 gals.
Minimum quantity of gallons daily Do. do. do. Do. do. do. Do. do. do. Do. do. do.	7s. 6d.
Under gallons daily	

47. Any person or persons requiring a water service to town or suburban premises in respect of which for the time being a water rate may not be made, may be supplied on payment of a minimum charge, which shall be fixed by the Board in each case. The minimum charge shall then take the place of a water rate, and the general provisions of these By-laws, as applying to rate-paying consumers, shall apply to minimum charge paying consumers.

48. The Board may require any person or persons desiring, or already supplied with, a supply of water, by agreement or otherwise, to pay in advance a deposit of such amount as the Board may require to secure the due payment of all water to be supplied.

Unless all water supplied is paid for as and when due or demanded, such deposit shall be absolutely forfeited to the Board, and the agreement for the supply shall cease, and the Board may cut off the supply of water forthwith.

49. The Board may call upon the Minister to value for rating purposes any public or other building vested in any Government department, but the question of rating such premises shall be at the sole discretion of the Minister.

50. It shall be at the discretion of the Board as to whether or not a meter shall be affixed to any service, and the Board will also determine the size and class of meter in each case.

51. When, in the opinion of the Board, any consumer is using a quantity of water in excess of the prescribed quantity he is entitled to receive in consideration of the amount of water rate payable by the said consumer in accordance with By-law No. 40, or when, in the opinion of the Board, any consumer is using water for other than domestic purposes, a notice will be issued to such consumer by the Board, calling on him to have a meter affixed to his service pipe within seven days; and should such consumer, within seven days from date of such notice, not take the necessary steps, in accordance with the By-laws, towards having a meter affixed to his service pipe so as to control the whole of his supply, then the supply of water to him shall be discontinued, and such discontinuance of supply shall not release him from payment of the water rate for any preceding or subsequent period.

52. Any person requiring a meter to be affixed to his service pipe shall make application therefor on the prescribed form, and shall pay to the Board all fees chargeable in accordance with these By-laws.

53. No meter shall be affixed or disconnected from the service pipes, or in any way interfered with, except by the workmen of the Board.

54. If necessary in the opinion of the Board, water-troughs shall be supplied through meter.

55. At any time after the meter registering the quantity supplied has been read by the officer of the Board, the amount charged for water supplied by measure shall be payable by the consumer on his receiving a notice that such amount is due. The Board may require a deposit to be lodged of such an amount as will in its opinion be sufficient security for the due payment of all charges in connection with water supplied, and such deposit shall be refunded after the agreement in respect of the supply of water shall have terminated, and after all charges in connection with such supply of water shall have been paid. The rent of meters shall be paid in advance.

56. The rate to be charged for water supplied by measure to consumers, other than municipalities or Government departments, shall not exceed 7s. 6d. per thousand gallons; provided that, if the consumer be be subject to the water rate, the amount of such charge shall be not less than the amount of the water rate. The rate charged to municipalities, Road Boards, or Government departments, shall not exceed one-half that charged to private consumers. (See para. 42.)

57. The quantity registered by the meter at any date between 14 days before the end of the half-year and 14 days after the end of the half-year may be taken by the Board as the reading of the meter at the end of such half-year.

58. During the time any meter is undergoing repairs, or should it cease to properly register the consumption of water, the Board may, at its option, estimate the quantity of water consumed by taking an average of the quantity used during the previous month or quarter, or during the corresponding period of the previous year, and shall charge for the consumption so ascertained.

59. If the consumer shall at any time be dissatisfied with any particular reading of a meter, and shall be desirous of having same tested, he shall give written notice thereof to the Board within seven days of such reading, and deposit the sum of 5s., and thereupon the said meter shall be tested by passing through it a predetermined quantity of water; and if, upon such testing, it shall appear to the satisfaction of the Board that the said meter registered above five per cent. more than was actually passed through it at such testing, then the said Board will bear the expense of and incidental to such testing, and will also adjust the charge to the said consumer; but if the said meter, upon such testing, shall not register above five per cent. more than the quantity that shall actually have passed through it, then the said consumer shall pay to the said Board all the expenses of and incidental to such testing; providing that the amount representing the expense of each and every test shall be fixed by the Board, and shall in no case exceed the sum of 5s. 6d., which shall be deducted from the deposit lodged: Provided also, that the said consumer shall not be at liberty to avail himself of the right to test the registration of the said meter for any period other than one month next preceding the date of reading in respect of which he shall have given notice as aforesaid.

60. The Board may supply water by measure to any person requiring the same, on terms and conditions set out in Schedule "A." The expense of fixing and removing meters will be charged to the consumers having the use of same. The rent of meters, which is payable half-yearly in advance, and includes charges for fair wear and tear, will be 20s. per annum for ½in. and ¾in. meters; 22s. 6d. for 1in. and 1½in. meters; £1 10s. for 2in., 2½in., and 3in., meters; and for larger sizes according to agreement. Meters will be provided by the Board. Before being hired out by the Board all meters shall be tested in regard to accuracy of measurement, and no meter which registers inaccurately to the extent of more than 2 per cent. will be hired out for measuring water from the mains within the water area.

61. The occupier of any premises to which the water has been laid on, or, in the event of there being no occupier, the owner shall cause proper means to be taken, by locks or otherwise, subject to the approval of the

Board, or its authorised officer, to prevent the use of the water from the mains by persons not connected with the premises supplied.

62. The owner or occupier of any allotment of land within the water area who shall erect or make, or cause to be erected or made, any building or addition to an existing building on such land shall, within one calendar month thereafter, give notice in writing thereof to the Board.

63. No meter shall be disconnected from the service pipes, or in any way interfered with, except by the workmen of the Board, but immediate attention will be given to applications for any required alterations.

64. All alterations to private services rendered necessary by the affixing of a meter shall be paid by the consumer before such meter is so fixed.

65. It shall not be lawful for the owner or occupier of any premises supplied with water by the Board, or any consumer of the water of the Board, or any other person to affix, or cause, or permit to be affixed, any pipe or apparatus to a pipe, belonging to the Board, or to a communication or service-pipe belonging to, or used by such owner, occupier, consumer, or any other person; or to make any alteration in any such communication or service-pipe, or in any apparatus connected therewith, without the consent in every such case of the Board.

66. No person shall affix, alter, or repair any service pipe or fitting to be used in connection with any main or other pipe belonging to the waterworks, or interfere in any way therewith, unless licensed as a plumber or holding an operative plumber's certificate under these By-laws.

67. An application for a plumber's license or an operative plumber's certificate shall be on the prescribed form, signed by the applicant, and addressed to the Chairman.

68. Every applicant for a plumber's license or an operative certificate shall satisfy the Chairman that he is a competent plumber, and may be required to submit to an examination in the theory and practice of plumbing work.

69. Every license or certificate shall be granted by the Board; and the granting and cancellation of any license or certificate shall be in the absolute discretion of the Board.

70. Every license or certificate shall be annual, expiring on the 10th day of January next following the granting thereof, and may be in the prescribed forms as set forth in the Schedule hereto.

71. A fee of £1 1s. shall be payable for every license or certificate, except when a license or certificate is granted after the 10th day of July in any year, in which case the fee shall be 10s. 6d.

72. Every applicant for a plumber's license shall, before receiving a license, deposit with the Board the sum of Five pounds, to be held by the Board during the currency of the license as security for the proper performance of all work undertaken by the licensee.

73. The Board may deduct from such deposit the expense of making good any bad work of the licensed plumber or his workmen (notwithstanding that such workmen are holders of operative plumbers' certificates), and as often as any expense is so deducted the licensed plumber shall make good the deposit to the sum of Five pounds, and in default his license will be cancelled.

74. Every licensed plumber shall, within forty-eight hours of any change in his address, give notice in writing thereof to the Board.

75. The main shall be tapped only by the workmen of the Board.

76. No licensed plumber or operative plumber shall interfere with any pipe or fitting belonging to the waterworks, without the permission, in writing, of an officer appointed by the Board under these By-laws first obtained.

77. Any person committing a breach of, or failing to observe any of the foregoing By-laws, shall, except where otherwise provided, be liable to a penalty not exceeding £20.

SCHEDULE A.

The Water Boards Act, 1904.
Sandstone Water Board.
Meter Agreement.

An Agreement made this day of , 19 , between the Sandstone Wated Board (hereinafter called the Board), of the one part, and , of (hereinafter styled the consumer), of the other part. The said Board agrees to supply water to the said consumer at his premises situated at upon the terms hereinafter contained:—

1. All water supplied to the said consumer shall be supplied through a previously tested and registered meter, which shall be provided by the Board. The said consumer hereby agrees to pay all fees and charges as provided in the By-laws, and the said Board hereby agrees to have the said meter read at least once in every six months, and as near the end of each year as is practicable, during the currency of this Agreement.

2. The said consumer hereby agrees with the Board that he, the said consumer, will pay to the Board the sum of for each and every one thousand gallons of water, and so on in proportion for less than one thousand gallons, which, according to the said meter, shall be supplied to the said consumer, provided that the said consumer shall pay a minimum charge of exclusive of rent of meter. The consumer shall be entitled to have supplied to him every half-year, during the continuation of this agreement, the quantity of one thousand gallons of water for every paid on account of the water rate levied by the Board, and so on in proportion for any less period than one half-year.

3. The said Board and all officers, workmen, and servants employed by it shall have full right and liberty to enter upon the said premises from time to time, at all reasonable hours, for the purpose of fixing the said meter and keeping the same in repair and proper working order and of taking the register thereof, and the Board shall also have the right of removing the same at the termination of this Agreement. In the event of the meter reader not being able to take the register of the meter in any month, or for a succession of months, in consequence of the ordinary means of ingress to the premises being fastened or otherwise, the consumption during such period shall be taken and deemed to have been equal to that of the corresponding period of the preceding year, or if there be no such corresponding period the charge made will be based on the average consumption of water per head within the District at the time, and on the number of people resident and working on the premises of which the consumer is the occupier or owner.

4. The said consumer hereby agrees to keep the said meter properly protected from all accident or damage, and in the event of any repairs being required the said consumer will immediately give notice to the said Board.

5. Except as hereinbefore provided, the quantity of water which shall be registered by the said meter as having been supplied shall be taken as the quantity actually supplied. If the said consumer shall at any time be dissatisfied with any particular reading of the said meter, and shall be desirous to have the same tested, he shall give written notice to the officer in charge within seven days from receiving written notice of such reading, and thereupon the said meter shall be tested by passing through it into a vessel of known capacity sufficient water to fill such vessel; and if, upon such testing, it shall appear that the said meter registered more than was actually passed through it at such testing, then the said Board will bear the expense of and incidental to such testing, and will also allow to the said consumer a proportionate rebate upon the quantity of water which shall be objected to as registered to have passed through the said meter as aforesaid; but if the meter, upon such testing, shall not register more than the quantity that shall have actually passed through it, then the consumer shall pay to the said Board, in addition to the sums hereinbefore agreed to be paid by him, all expenses of and incidental to such testing; provided that the cost of each and every test shall be fixed by the said Board, and shall in no case exceed the sum of shillings; provided, also, that the said consumer shall not be at liberty to avail himself of the said right to test the said meter for any three months other than those next preceding his giving written notice to the said Board of his dissatisfaction and desire to have the said meter tested as aforesaid.

6. The said Board shall not be responsible for any stoppage of the water supply for any purpose whatever or for any accident, inconvenience, or damage which may be occasioned thereby, and no claim shall be made on the Board on such account, nor shall this agreement in any respect be invalidated thereby.

7. The said Board may, at its discretion, at any time terminate this agreement, signifying such termination by notice, in writing, to the consumer.

8. In addition to the liabilities of the said consumer under the preceding clauses, he shall continue to pay the said Board at the rate aforesaid for water used upon the said premises after the said consumer shall have ceased to occupy the same, unless on his so ceasing to occupy he has given written notice to the Board of a desire to be released from this agreement.

9. All the powers, rights, and remedies which are vested in the Board by the said Act and the By-laws thereunder shall remain in full force and virtue, unprejudiced and unaffected by this agreement, or any clause, matter, or thing herein contained.
