F. D. NORTH,
Under Secretary.

GERALDTON LOCAL BOARD OF HEALTH.

By-laws.

Whereas a Local Board of Health may make By-laws under the provisions of "The Health Act, 1898," and its amendments, and may alter, repeal, or amend its By-laws so made: Now, therefore, the Local Board of Health, Geraldton, hereby amends its By-laws so published in the *Government Gazette* of the 1st February, 1907, as follows:—

Part V., Section 2.

14. (*a.*) No occupier of a slaughter-house shall slaughter or allow to be slaughtered on his premises any cattle, sheep, goats, or swine, or any other animal, nor shall any such occupier remove or permit to be removed from his premises the carcase of any slaughtered animal unless and until such animal or carcase, as the case may be, is previously inspected by an Inspector.

(*b.*) If the *ante-mortem* inspection does not furnish any ground for preventing slaughter, the Inspector shall permit it to take place under any special precautions which in his judgment shall be adopted.

(*c.*) The slaughter of the animal presented for inspection shall not take place before permission is given, and then only under the special precautionary measures ordered by the Inspector.

(*d.*) If slaughter does not take place at latest two days after permission is given, then it shall be allowable only after a re-inspection and a second permit.

(*e.*) No slaughtered animal or part thereof shall be taken away before permission for such removal is given by an Inspector.

(*f.*) No alteration shall be made in any of the parts of a slaughtered animal before permission for such alteration has been given by an Inspector.

(*g.*) Slaughtering shall not be carried on after sunset or before sunrise, unless the killing pens are illuminated by artificial light to the satisfaction of an Inspector.

15. (*a.*) Any carcase or part of a carcase or any viscus which has been condemned by an Inspector as of a nature deleterious to health or unwholesome, shall be immediately removed from the slaughter-house by the occupier thereof to an approved enclosure, and there be by him effectually disinfected or otherwise treated or disposed of in such manner and at such time as may be directed by the Inspector.

(*b.*) The offal and also the stomach and intestinal contents of any slaughtered animal, if so required by an Inspector, shall be immediately removed from the slaughter-house by the occupier, and be by him thoroughly disinfected forthwith as may in such case be directed by the Inspector.

(*c.*) Skins and hides of dead or slaughtered diseased animals shall not be moved from the premises other than in a completely dried condition, unless they are delivered immediately to a tanner; in either case the permission for such removals must be obtained from the Inspector in writing.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 23rd June, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas schedules hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

R. CECIL CLIFTON,
Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

OPEN TUESDAY, 4th JULY, 1911.

provided each drive, crosscut, rise, or winze shall be at least 40 feet distant from any other drive, crosscut, rise, or winze recognised as development work. No subsidy will be paid on stone taken from shafts of less dimensions than 5 feet by 3 feet, or from rises or winzes less than 4 feet 6 inches by 2 feet, or from drives or crosscuts less than 4 feet 6 inches by 2 feet (mean width), and any shaft, rise, winze, drive, or crosscut of greater dimensions than 6 feet 6 inches by 3 feet 6 inches (mean width) shall for the purposes of these Regulations be deemed to be 6 feet 6 inches by 3 feet 6 inches as maximum dimensions.

3. In approved development work, carried out in accordance with these Regulations, the amount of country rock or lode material removed shall be allowed for by granting subsidy on one ton of ore broken out and crushed from any other part of the workings of the mine, for each 13 cubic feet of solid country so mined.

4. Any person intending to proceed with development work with the object of participating under these Regulations must give notice in the form of Schedule A hereto, and deposit with the Manager of the State Battery a plan of the workings as they then exist, otherwise he will not be eligible to receive a subsidy, and on completion of the work, and after the ore resultant therefrom shall have been crushed, he shall lodge with the manager a claim for subsidy in the form of Schedule B hereto. The crushing charges on all stone crushed for any person having given notice as prescribed shall, at time of crushing, be paid at the ordinary crushing rate, provided that if after inspection by an officer of the Department the application is approved, the amount of subsidy due will be made available through the manager, who shall in each case forward all applications to Head Office, with his recommendation on same.

5. No development work shall be eligible to be subsidised unless the applicant's proposals in respect thereto shall have first been approved, in writing, by the Inspector of Mines, or by the Manager of the State Battery if the Inspector is not readily available.

6. The Minister may, if he think fit, refuse to allow a subsidy on development work in any mine unless he is satisfied from the reports of the Inspecting Officer that the mining operations have been carried on in a workmanlike manner, and that the development work is laid out to the advantage of the mine, or if the mine is known to be of such payable character that in his judgment the granting of a subsidy is not justified.
