The conditions of the competition are as follows:—

(1.) The Competition will be open to persons of any nationality.

(2.) It will be in the discretion of the judges to award the whole of the prize for the lamp which they consider to be the best or to divide the prize; or to make no award if no lamp appears to them to be of sufficient merit.

(3.) Lamps must be addressed care of C. Rhodes, Esq., at the Home Office Testing Station, Rotherham, and must reach the Testing Station not later than the 31st December next; a spare globe should accompany each lamp.

The Requirements which should be fulfilled by any lamps submitted for competition are as follows:—

(4.) The lamp battery should be so constructed that any liquid which it may contain cannot be spilled when the lamp is in use, and means should be provided for dealing with any gas which may be generated by the battery.

(5.) The materials used and the construction should be such that metals and other parts will not be liable to deterioration by corrosion as a result of the action of the "electrolyte," etc., used in the battery.

(6.) The lamp should be effectively locked so that it cannot be opened without detection.

(7.) The lamp should be capable of giving an amount of light not less than two-candle power continuously for a period of not less than 10 hours.

(8.) The light should be well distributed outside the lamp. A movable reflector to concentrate or to shield the light may be provided.

2. The Resident Officer in charge of the Home, and who in the case of the Homes for men will be styled Master, and in the case of the Home for women Matron, will, under the general authority of the Superintendent of Public Charities, carry out such instructions as they may receive from him, and will be held responsible for the Rules and Regulations being strictly adhered to.

3. All persons received into any of the Homes may be searched on admission, and also on their return at any time when out on leave.

4. They will be required on admission to thoroughly wash and cleanse themselves, and will be supplied with suitable clothing. While resident in the Homes all inmates must keep themselves clean in person and have regular baths.

5. Inmates, unless specially authorised by the Master or Matron, are not allowed to leave food, clothing, or articles of any description in the sleeping wards of the Institutions.

6. The hours for rising, for meals, for work, and for retiring to rest are as follows:—

7. These hours must be strictly observed, a bell to be rung five minutes before each meal.

The granting of this allowance does not, however, in any way imply that inmates generally are to receive payment for work performed. Inmates able to work, and certified as such by the Visiting Medical Officer, must perform any reasonable duties required of them. Inmates refusing to work when requested by the Master or the Matron of the Home, or any other officer appointed to supervise labour, are liable to be discharged or dealt with under 52 Victoria, No. 10. 11. Inmates returning, when on leave, in a state of intoxication, or are found while resident therein in this condition, shall be deemed to have committed a breach of the Regulations, and shall be liable to be dismissed the Institution. No dismissal of an inmate, however, under this rule or any other, shall take place without the sanction of the Superintendent of Public Charities.

12. Visitors will not be allowed access to the inmates without the consent of the Officer in charge of the Institution. A special afternoon in each week will be set apart for visitors. Ministers of religion will be allowed to conduct religious services and visit inmates at such times as may be arranged.

13. Inmates will be allowed leave of absence as arranged, but will not be allowed to leave the Institution, or the grounds attached thereto, without the consent of the Officer in charge.

14. Inmates desirous of leaving the Home must give the Officer in charge 48 hours' notice of their intention to do so. This rule will not apply in cases where, for reasons considered sufficient by the Officer in charge, inmates should be allowed to leave without the usual notice.

15. Money in the possession of any person other than an Imperial, Military, or Naval pensioner who is an inmate of any of the Homes, and who is receiving relief therein, may be daily applied in payment for the relief of such person, at the rate of one shilling per day.

16. Any money in the possession of an Imperial, Military, or Naval pensioner who is an inmate of any of the said Homes, and who is receiving relief therein, may be daily applied in payment for the relief of such person, at the rate of ninepence per diem.

17. In calculating the number of days an inmate of any of the said Homes remains an inmate, a broken day shall count as a whole day.

18. In the event of any person who is an inmate of any of the said Homes ceasing to be an inmate before such money has been exhausted by such daily payment, the unexpended balance of such money shall be returned to such person on leaving the Home.

19. Inmates wilfully transgressing any of the Regulations render themselves liable to be dismissed forthwith or to be punished under "The Poor Houses Discipline Act, 1888," which states:—"That notwithstanding the third section of 'The Poor Houses Discipline Act, 1882,' it shall be lawful for any Justice of the Peace to order an inmate of a Poor House, who shall be convicted before him of a breach of any rule or regulation made under the said Act, to be imprisoned, with or without hard labour, for any term not exceeding one month, and to be kept upon a diet of bread and water for any part of the said term not exceeding seven days."

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 14th July, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas schedules hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

OPEN ON TUESDAY, 18th JULY, 1911.

Payment may be made in advance, at the discretion of the Minister, if satisfactory security is given for a refund of the amount should the scholar fail to enter the University or complete his first term satisfactorily.
