ELECTRIC LAMPS FOR MINERS.

The Secretary of State for the Home Department announces that, in order to encourage the production of safe and efficient types of electric lamps for miners, a colliery proprietor has placed at his disposal the sum of £1,000 to be offered as a prize for the best lamp or lamps fulfilling the requirements specified below:—

Mr. Charles Rhodes (a former President of the Institute of Mining Engineers), and Mr. Charles H. Merz (a member of the Departmental Committee on the Use of Electricity in Mines) have consented to act as judges.

The conditions of the competition are as follows:—

(1.) The Competition will be open to persons of any nationality.

(2.) It will be in the discretion of the judges to award the whole of the prize for the lamp which they consider to be the best or to divide the prize; or to make no award if no lamp appears to them to be of sufficient merit.

(3.) Lamps must be addressed care of C. Rhodes, Esq., at the Home Office Testing Station, Rotherham, and must reach the Testing Station not later than the 31st December next; a spare globe should accompany each lamp.

The Requirements which should be fulfilled by any lamps submitted for competition are as follows:—

(1.) The lamp should be of sound mechanical construction so as to withstand rough usage.

(2.) The lamp should be of simple construction and easy to maintain in good order and repair.

(3.) The lamp should be so constructed as to render impossible the ignition of inflammable gas either within or without the lamp.

(4.) The lamp battery should be so constructed that any liquid which it may contain cannot be spilled when the lamp is in use, and means should be provided for dealing with any gas which may be generated by the battery.

(5.) The materials used and the construction should be such that metals and other parts will not be liable to deterioration by corrosion as a result of the action of the "electrolyte," etc., used in the battery.

(6.) The lamp should be effectively locked so that it cannot be opened without detection.

(7.) The lamp should be capable of giving an amount of light not less than two-candle power continuously for a period of not less than 10 hours.

(8.) The light should be well distributed outside the lamp. A movable reflector to concentrate or to shield the light may be provided.

In addition to the above requirements, regard will be paid to (a) the first cost of the lamp; (b) the cost of maintenance; (c) convenience in handling; and (d) the weight of the lamp when charged and ready for use.

HIS Excellency the Governor in Council has been pleased to confirm the following By-law No. 51, made by the Council of the Victoria Park Municipality on the 24th July, 1911.

F. D. NORTH,
Under Secretary.

A BY-LAW *RE* SPECIAL ROLL FOR LOAN POLL.

A BY-LAW of the Victoria Park Municipality, made under Section 447 of "The Municipal Corporations Act, 1906," and numbered 51, providing for a special roll of persons entitled to vote at a Loan Poll.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Victoria Park Municipality order as follows:—

1. When demand shall have been duly made under Section 446 of "The Municipal Corporations Act, 1906," the Town Clerk shall forthwith prepare a special roll of the names of all persons who, on the day on which demand was handed to him, appeared to be owners of rateable land within the meaning of the said Section 446.

The said Roll shall be in the form of Schedule A, and shall be available for inspection by any ratepayer at the Town Clerk's office, within the usual office hours, not later than 10 days before the date fixed for the holding of the Poll.

2. (*a.*) When a corporation or joint stock company is the owner or leaseholder of rateable land, such corporation or joint stock company may, by letter delivered to the Town Clerk, 15 days or more before the date fixed for the holding of the Poll, appoint a person to be registered in place of such corporation or joint stock company.

(*b.*) In default of any such appointment being made, the manager, secretary, or attorney of any corporation or joint stock company may be registered.

3. On or before the fifth day before the closing of the Poll, any person—

(*a.*) Whose name has not been inserted in the Roll may, by letter delivered or sent through the post addressed to the Town Clerk, apply to have his name inserted therein, and shall give particulars of his claim.

(*b.*) Whose name has been inserted in the Roll, and who is dissatisfied with such Roll as not specifying the full rateable value of the land owned or leased by him, may in like manner apply to the Town Clerk to have the amount of such rateable value altered, and shall give particulars of his claim.

(*c.*) Whose name appears in the Roll, or who claims to have his name inserted in such Roll, may in like manner object to the name of any other person as not being entitled to have his name retained therein, or as not being entitled to have the number of votes set against his name.

Any such claims or objections shall be in the form given in Schedule "B" or to the like effect, and any objection under Subsection (c) shall be made in duplicate by the person objecting, and it shall be the duty of the Town Clerk to send one of such notices to the person objected to.

4. (1.) The council shall hold an open court, to be called a revision court, within the municipal district, for the purpose of revising the Roll, and such revision shall take place before the day fixed for the holding of the Poll, at such time and place as the Mayor shall appoint, and the Mayor shall give notice of the holding of such court and of the time and place thereof, by placing such notice on some building within the Municipality, and by advertisement in a newspaper circulating in the district.

(2.) The court shall consist of the Mayor, or, in his absence, of a chairman appointed by the other members of the court, and of not less than one-third of the Councillors.

5. Every such court may be adjourned, and if at any time for half-an-hour after the time appointed for holding such court or adjourned court a sufficient number of councillors to form a court is not present, the Mayor, or, in his absence, any councillor or the Town Clerk shall adjourn the court; but no such court shall be adjourned beyond the day before the holding of the Poll.

6. (1.) The Town Clerk shall himself, or by some person on his behalf, if he is prevented from so doing, attend the revision court, and produce to the court the Roll and the lists of the persons who have sent in claims, and who have been objected to.

(2.) The valuer or valuers, and all collectors of rates, shall also attend the said Court, and produce all books, papers, and documents in their possession connected with their respective offices.

(3.) The officers aforesaid shall answer on oath or otherwise all such questions as the court may put to them, touching any matters necessary to be ascertained for revising the Roll.

7. (1.) The revision court shall have authority to hear, receive, and examine evidence, by summons under the hands of the Mayor or chairman, to require all persons as the court may think fit to appear personally before such court, at a time and place to be named in such summons, and to produce all books and papers in their possession or under their control as may appear necessary for the purpose of their examination.

(2.) The court shall have like powers for compelling the attendance of witnesses summoned, and their examination upon and taking of oaths and affirmations and their answering questions touching the premises as by any law in force for the time being is vested in justices exercising summary jurisdiction, and the Mayor or chairman may issue any such summons at any time after he has appointed a time for holding the said court.

8. The revision court shall in open court determine, as hereinafter provided, upon the validity of all claims and objections, and every such determination shall be by the decision of the majority, and in case of an equal division of votes the Mayor or chairman shall have a casting vote in addition to his vote as a member of the court.

9. (1.) The revision court shall insert in the Roll under revision the name of every person who has claimed as aforesaid, and has proved to the satisfaction of the court to be entitled to the inserted therein for one or more votes according to the provisions of this Act.

(2.) Subject as hereinafter provided, the court shall retain on the list the names of all persons to whom no objection has been duly made, with the number of votes unaltered.

(3.) The court shall retain on the list the name of every person who has been objected to by any person, and the number of votes unaltered, unless the person so objecting appears by himself or by some person on his behalf in support of the objection, and proves the service of the requisite notices.

(4.) When the name of any person inserted in the Roll or the number of votes set against his name has been duly objected to, and the person objecting appears by himself or by some one in his behalf in support of such objection, the court shall require proof of so much of the qualification of the person so objected to as is embraced in the grounds of objection, and no more.

(5.) In case the qualification of such person is not proved to the satisfaction of the court, the court shall expunge the name of such person from the list, or shall alter and correct the number of votes set against his name, as the case may require.

(6.) The court shall expunge from the list the name of every person who is proved to be dead.

(7.) The court shall, by means of the rate book, valuation, and return, correct any mistake or supply any omission which may appear to such court to have been made in the Roll in respect of the name, place of abode, or trade or occupation of any person who is included therein, or in respect of the local description of the rateable property, or the situation thereof, or the rateable value thereof.

(8.) But no person's name shall be inserted by the court in the Roll or except under Subsection 6 be expunged therefrom, unless notice has been given as is hereinbefore required.

10. (1.) The Mayor or chairman shall, in open court:—

(*a.*) Write his initials against every name struck out or inserted as aforesaid, and against any part of the Roll in which any mistake has been corrected or omission supplied;

(*b.*) Initial every page of the Roll so settled;

(*c.*) Cause to be written at the foot or end of the list a certificate that the same has been revised and is correct, with the date thereof.

(2.) The Mayor or chairman, and not less than two other members of the court, shall severally sign such certificate.

11. Any owner whose name appears upon the special Roll, and who does not reside within the Municipality of Victoria Park, may at any time before the day appointed for the holding of the Poll, apply personally or in writing to the Returning Officer for a postal voting paper. The Returning Officer shall thereupon supply the same, and shall make a mark against the name of the said owner on the said roll.

12. Any person who has applied for and received a postal voting paper for the purpose of voting under Subsection 5 of Section 447 shall not be entitled to vote otherwise.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 28th July, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas schedules hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.
