ELECTRIC LAMPS FOR MINERS.

The Secretary of State for the Home Department announces that, in order to encourage the production of safe and efficient types of electric lamps for miners, a colliery proprietor has placed at his disposal the sum of £1,000 to be offered as a prize for the best lamp or lamps fulfilling the requirements specified below:—

Mr. Charles Rhodes (a former President of the Institute of Mining Engineers), and Mr. Charles H. Merz (a member of the Departmental Committee on the Use of Electricity in Mines) have consented to act as judges.

The conditions of the competition are as follows:—

(1.) The Competition will be open to persons of any nationality.

(2.) It will be in the discretion of the judges to award the whole of the prize for the lamp which they consider to be the best or to divide the prize; or to make no award if no lamp appears to them to be of sufficient merit.

(3.) Lamps must be addressed care of C. Rhodes, Esq., at the Home Office Testing Station, Rotherham, and must reach the Testing Station not later than the 31st December next; a spare globe should accompany each lamp.

The Requirements which should be fulfilled by any lamps submitted for competition are as follows:—

(1.) The lamp should be of sound mechanical construction so as to withstand rough usage.

(2.) The lamp should be of simple construction and easy to maintain in good order and repair.

(3.) The lamp should be so constructed as to render impossible the ignition of inflammable gas either within or without the lamp.

(4.) The lamp battery should be so constructed that any liquid which it may contain cannot be spilled when the lamp is in use, and means should be provided for dealing with any gas which may be generated by the battery.

(5.) The materials used and the construction should be such that metals and other parts will not be liable to deterioration by corrosion as a result of the action of the "electrolyte," etc., used in the battery.

(6.) The lamp should be effectively locked so that it cannot be opened without detection.

(7.) The lamp should be capable of giving an amount of light not less than two-candle power continuously for a period of not less than 10 hours.

(8.) The light should be well distributed outside the lamp. A movable reflector to concentrate or to shield the light may be provided.

In addition to the above requirements, regard will be paid to (a) the first cost of the lamp; (b) the cost of maintenance; (c) convenience in handling; and (d) the weight of the lamp when charged and ready for use.

F. D. NORTH,
Under Secretary.

FREMANTLE HARBOUR TRUST.

Leave Regulations.

The Fremantle Harbour Trust Commissioners incorporated and empowered under and by virtue of "The Fremantle Harbour Trust Act, 1902," and amendments thereof, do hereby make the following Regulations, in accordance with the provisions of those Acts, namely:—

Leave Regulations.

The following shall be the leave of absence allowed by the Commissioners, (1) To officers of the Permanent Salaried Staff, appointed in terms of Section 19, Subsection one of "The Fremantle Harbour Trust Act, 1902":—

(*a.*) *Public Holidays.*—New Year's Day, Good Friday, Easter Eve, Easter Monday, Christmas Day, Boxing Day, the Anniversary of the Birthday of the Sovereign, Foundation Day (1st June), the Anniversary of the Proclamation of Responsible Government (21st October).

Also, all other days which the Commissioners shall decide shall be observed as office holidays.

Note.—Whenever any of the above-mentioned holidays are by law observed on a day other than the exact date upon which they fall, such day shall be held to be the holiday indicated.

Should the requirements of the Trust, or the public, necessitate the attendance of any officer on service upon any of the above-mentioned holidays, such officer shall be granted, in lieu thereof, an equivalent holiday, either added to his annual leave or at such other time as the Commissioners may decide.

(*b.*) *Annual Recreation Leave.*—Every officer shall be granted leave of absence, on full pay, for recreation, for two weeks in each calendar year, exclusive of Public Holidays.

The arranging of this leave shall be by a programme prepared in January of each year.

Every officer must take his annual leave upon the dates arranged, except where the requirements of the Trust or the public render it desirable, in the opinion of the Commissioners, that such leave shall be taken at some date other than those arranged.

The Commissioners may, upon special application, permit any officer to allow his annual recreation leave to accumulate to the extent of six weeks (*i.e.*, for three years), but no longer.

When an officer enters the service of the Trust after 1st January, he may be granted annual leave for that year at the rate of one day for each complete month of service, provided that no annual leave shall accrue until six months' service shall be attained.

(*c.*) *Long Service Leave.*—The Commissioners may grant Long Service Leave as under, viz.:—

(*a.*) To any officer who has continued in the service for not less than seven years, three months' leave on full pay, or six months on half pay.

(*b.*) To any officer who has continued in the service for at least fourteen years, six months' leave on full pay or twelve months on half pay.

Any officer who takes his long service leave at the expiration of seven years cannot be granted the longer term for fourteen years' service, *i.e.*, he may, at the conclusion of the second seven years' service, be granted another fresh term of long service leave, as prescribed for seven years' service.

Long service leave is permissive, and before it is granted, the commission of any offences, and the lack of good and diligent conduct, will be taken into consideration. Long service leave shall be regarded as a special provision for recuperation after a lengthy term of service, with a view of fitting an officer for a further term.

(*d.*) *Sick Leave.*—An officer who is too unwell to attend to his duties may be granted sick leave, on production of a medical certificate, for a period, and upon the conditions determined by the Commissioners.

Should the sickness be of a contagious or infectious character, the officer shall not be permitted to return to duty without a medical certificate that he may return without danger to others.

No medical certificate will be accepted for any purpose, unless in writing and from a registered medical practitioner.

(*e.*) *General.*—No officer upon leaving the service, by resignation or otherwise, shall be entitled to any leave which may have accrued to him by reason of any service prior to his leaving the service.

The Commissioners may permit any officer to draw his salary in advance when going on leave, or, if the officer so desires, his salary may be drawn upon its regular due dates during the continuance of such leave.

The Commissioners may grant to any officer, for special purposes, leave without pay for any period not exceeding six months. Such leave may stand alone, or may be added to any period of leave on pay which may have accrued. Such unpaid leave shall not be included when computing, for any purpose, the period of such officer's service.

All periods of leave on pay, as well as all sick leave, shall stand as portions of an officer's period of service, and no officer's service shall be deemed to have been broken by reason of any leave which may be granted to him.

All applications for leave shall be made upon the prescribed form, and shall be addressed to the Secretary.

(2.) To continuously employed servants, engaged in terms of Section 19, Subsection three of "The Fremantle Harbour Trust Act, 1902":—

(*a.*) Any employee, engaged on a daily or weekly rate of wages, may be granted leave on pay on any of the following Public Holidays:—

New Year's Day, Good Friday, Easter Monday, Sovereign's Birthday, Proclamation Day, Christmas Day, Boxing Day.

(*b.*) The Commissioners may, for long and meritorious service, grant any employee recreation leave, on pay, for periods not exceeding two weeks.

(*c.*) Sick leave, on pay or not, may also be granted to deserving employees, in the discretion of the Commissioners.

The above Regulations shall come into force on 21st July, 1911.

Made, adopted, and passed by the Fremantle Harbour Trust Commissioners, at a meeting of the said Commissioners held this 21st day of July, 1911.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 4th August, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas schedules hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

OPEN ON TUESDAY, AUGUST 8th, 1911.
