REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS.

3670/11. Colonial Secretary's Office,
Perth, 25th August, 1911.

HIS Excellency the Governor directs it to be notified, for general information, that the following Regulations respecting Foreign Orders and Medals have been issued by His Majesty's command, in substitution for those hitherto in force.

F. D. NORTH,
Under Secretary.

The King has been pleased to command that the following Regulations respecting Foreign Orders and Medals shall be substituted for those hitherto in force:

1. It is the King's wish that no subject of His Majesty shall wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(*a.*) By Warrant under the Royal Sign-Manual, or

(*b.*) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insigina to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed, subject to the exception mentioned in Rule 4 (*a*) respecting British Naval or Military Officers during hostilities, to meet cases where the Decoration may be said to have been earned by some valuable service rendered to the Head of the State conferring it, or to the State itself. The private or restricted permission is contemplated for Decorations which are more or less of a complimentary character. In either case, the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs.

4. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decoration conferred—

(*a.*) On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by His Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

(*b.*) On any person not at the time in the service of the Crown, who, while himself outside the limits of His Majesty's Dominions, has rendered valuable services to the Head of the State conferring the Order, or to the State itself, within the period of two years immediately preceding the notification of the Decoration to His Majesty's Government provided for in Rule 5. The term "service of the Crown" (*supra*) comprises any person holding a Royal Commission, or any person in receipt of a salary from public funds in the United Kingdom, or in any British Dominion, Colony, or Protectorate.

(*c.*) On any British subject employed in a Foreign Embassy or Legation in the United Kingdom.

5. The desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order, or the fact that he has done so, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James. His Majesty's Principal Secretary of State for Foreign Affairs shall be under no obligation to consider claims that are not brought to his notice through one of these channels.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 4, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

7. When a British subject has received the Royal permission to accept the Decoration of a Foreign Order he will, at any future time, be allowed to accept the Decoration of a higher class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Decoration, and common to every person upon whom such Decoration is conferred.

8. Medals which constitute a particular class of a Foreign Order are subject in all respects to the above Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant. The King's permission must be obtained for any other Medal to be worn. No permission is needed to accept a Foreign Medal if it is not intended to be worn.

9. Naval and Military Attachés to His Majesty's Missions abroad may, at the termination of their appointments, be given restricted private permission to wear, on certain specific occasions, the Insignia of a Foreign Order conferred upon them by the Chief of the State only in which their headquarters were situated.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

(3.) Claimants for transport subsidies shall render accounts on the Treasury account forms, and shall attach thereto receipts for all the expenditure on which the claim is made.

(4.) No subsidy shall be payable unless the parcel of mineral is of merchantable quality to the satisfaction of the officer appointed by the Government to supervise all subsidised transactions under this notice.

(5.) Subsidies shall also be payable at the rate of 10 per cent. of the selling price realised for mica bringing in a price of not less than Two shillings per pound avoirdupois, and 15 per cent. of the sale price of such as sells for less than Two shillings per pound.

(6.) Claimants for subsidies for mica and mica goods sold shall render accounts on the Treasury account forms, and shall attach thereto full account sales to the satisfaction of the Supervising Officer. The subsidies shall be reckoned *ad valorem* on the actual net selling price of the dressed mica or manufactured goods in Western Australia.

(7.) Claimants for subsidies either for transport or for dressed mica shall supply the Supervising Officer with all information which he may require in order to check the transactions throughout their whole course, and shall, if required by him, verify such information by making a statutory declaration that it is all true and correct.

(8.) No subsidy shall be payable on any resale of mica or goods, after subsidy has once been paid or become payable.

(9.) The Supervising Officer appointed by the Government shall have full power and authority to refuse to certify any claims about which he is not fully satisfied, and no such claims will be paid.
