THE LAND ACT, 1898.

Amendment of Regulations relating to Residential Leases.

Corres. No. 8766/00.

Department of Lands and Surveys,
Perth, 15th September, 1911.

HIS Excellency the Governor in Executive Council has been pleased to approve of the Regulations relating to Residential Leases which were published in the *Government Gazette* on the 25th October, 1907, being amended by the cancellation of Clause 5 of Regulation No. 13 (which provides for the payment of a fee of 10s. for bringing any Residential Lease granted prior to such Regulations under those Regulations).

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 6th October, 1911.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas schedules hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

R. CECIL CLIFTON,
Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank

Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

OPEN TUESDAY, 10th OCTOBER, 1911.

———

THE SCHEDULE HEREINBEFORE REFERRED TO.

1. *Definition.*—"Pastrycook" shall mean a male worker other than an apprentice, who is employed in making up or ornamenting cakes, pastry, or yeast goods, other than bread, for sale.

2. *Hours.*—Forty-eight hours shall constitute a week's work. Overtime at the rate of 1s. 6d. per hour (namely, 6d. for every twenty minutes or part thereof) shall be paid for all time worked in excess of the hours above-mentioned or ten hours in any one day.

3. *Wages.*—The minimum rate of wages for competent pastrycooks shall be Three pounds per week of six days.

4. *Improvers.*—The minimum wage mentioned in this award shall not, for two years from this date, apply or be payable to any person, who not being an apprentice, was on the 24th day of July, 1911, and still is employed in any bakehouse, confectionery or other works as an improver to or in learning the trade of a pastrycook.

5. *Lower Rate.*—A worker who is unable to earn the minimum rate of wage hereby prescribed may be employed at a lesser rate of wage, which shall be agreed on in writing between the worker and secretary of worker's union.

If within seven days after being notified in writing of the worker's desire to work at a lower rate of wage than that prescribed, the said secretary and worker are unable to agree upon a lower rate, then the worker may apply in writing to the nearest resident or police magistrate to fix such lower rate of wage.

The worker shall give such secretary two days' notice in writing of his intention to apply to the magistrate, and the said secretary or his agent may attend and oppose the application.

The magistrate may fix the rate of wage, and his decision shall be final.

Any worker whose wage shall have been so fixed may work for and be employed by an employer for such less wage for the period of six calendar months thereafter, and after the expiration of the said period until fourteen days' notice in writing shall have been given him by the secretary of the union requiring his wage to be again fixed in the manner prescribed by this clause. Provided, always, that the employer shall not employ more than one such incompetent worker to every four fully paid workers or fraction of the first four.

6. *Casual Employment.*—Casual employment shall be paid for at the rate of 1s. 4d. per hour. No worker shall be employed as a casual hand for more than six consecutive days.

7. *Calculation of working time.*—Working time shall be calculated continuously from time of starting work until leaving off work for the day or night, and half-an-hour shall be allowed for meals after every four hours' work; meal times not to be included as working time.

8. *Holidays.*—All time worked on Christmas Day, Good Friday, New Year's Day, and Eight Hours' Day after 8 a.m. shall be paid for at rate of time and a-half.

9. *Record.*—Each employer shall keep at his office, or at each of them if more than one, a book containing a record of —

(a.) The names of all workers employed by him, and to whom this award applies.

(b.) The class of work performed, and the wages paid to each such worker.

On the first working day of each week the said book shall be entered up by the employer, so as to show the aforesaid particulars for the week then immediately preceding.

The said book may be inspected at any time during ordinary business hours by the secretary for the time being of the workers' or employers' union, and also by any person thereunto authorised by the President of the Court of Arbitration.

10. *Apprentices.*—(i.) Apprentices shall, unless bound by indentures, be engaged under the terms hereinafter set forth. All indentures shall be forthwith registered in the manner hereinafter provided (Form 1 in Appendix hereto) with the Clerk of the Court of Arbitration. Except as aforesaid, no legal agreement in existence at the date of issue of this award shall be interfered with.

(ii.) Apprentices shall not exceed in number one to every two or fraction of two pastrycooks permanently employed. The term "permanently employed" shall be construed to mean three months' continuous employment.

(iii.) The term of apprenticeship shall be four years. A probationary period of three months previous to being bound shall be lawful; such probationary period shall be deemed portion of the term of apprenticeship.

(iv.) Should any employer from unforeseen circumstances be unable to carry out his obligations to the apprentice, he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of Arbitration of the date of such transfer, and when such apprenticeship commenced. (Form 2 in the Appendix hereto.)

(v.) In the absence of indentures, apprentices shall be bound for the term and on the conditions herein provided, and subject to the following provisions:—

(a.) Any employer taking an apprentice shall give notice thereof to the Clerk of the Court of Arbitration, in the form hereinafter provided (Form 1 in the Appendix hereto), and shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall, subject to the provisions of clause (xii.) hereof, pay the apprentice the rate of wages herein provided.

(b.) At the end of the period of apprenticeship the employer shall give the apprentice a certificate (Form 6 in the Appendix hereto) to show that he has served his apprenticeship. Should the employer at any time before the termination of the term of apprenticeship desire to dispense with the services of the apprentice, he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice and to pay the wages prescribed by this award according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the Clerk of the Court of Arbitration of such transfer in the form hereinafter provided (Form 2 in Appendix hereto). It shall not be obligatory upon the employer to find any apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him. but he shall nevertheless give him a certificate for the time actually served.

(c.) An employer shall be deemed to fail in his duty towards his apprentice if he fails to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to undertake the responsibility of teaching him.

(d.) When an apprentice is discharged for cause, the employer shall send notice in writing of the discharge and the cause thereof to the said Clerk of the Court of Arbitration (Form 3 in the Appendix hereto).

(vi.) The minimum weekly wage payable to an apprentice shall be:—

During the first year	12s. 6d. per week.
During the second year	20s. 0d. per week.
During the third year	30s. 0d. per week.
During the fourth year	40s. 0d. per week.

(vii.) Every apprentice shall be bound to submit himself for examination by the Board of Examiners hereinafter constituted, at the expiration of each period of one year of his service. Notice of his intention to submit himself for examination shall be given by the apprentice to the Clerk of the Court of Arbitration at least fourteen days before the termination of each yearly period, and may be given in the form numbered four of the Appendix hereto. Every such notice shall be accompanied by a fee of 2s. 6d.

(viii.) Upon the receipt of such notice the Clerk of the Court of Arbitration shall furnish the apprentice with an examination certificate in the Form 5 of the Appendix hereto.

(ix.) The Clerk of the Court will notify the Board of Examiners of the names and addresses of all candidates desirous of submitting themselves for examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of each employer to provide such necessary material and machinery as may be required, and in all ways facilitate the conduct of the examination.

(x.) The first examination will be held in the month of November, 1912, and subsequent examinations in the month of November of each year. The Board of Examiners will consist of the secretary of the workers' union, or such other person as may be nominated by the union in his stead, and a person skilled in the trade to be nominated by the employers carrying on business within the area to which this award applies; or, failing such nominations, such persons as may be appointed for that purpose by the Court. In the event of a disagreement between the members of the Board, the matter in dispute shall be referred to a third person agreed to by them or nominated by the Court or the President thereof at the request of either member. The Board of Examiners will examine the work of and inquire into the diligence of each apprentice and as to the opportunities provided by the employer to each apprentice to learn.

(xi.) The Board will report to the Court in writing as to the result of the examination. Every apprentice shall be bound to produce to the Board of Examiners his examination certificate hereinbefore referred to, and the same shall be kept by the examiners, and returned to the apprentice with the necessary endorsement at the conclusion of the examination.

(xii.) It shall be lawful for the employer to withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in clause (vi.) hereof to any apprentice who fails to satisfy the examiners.

(xiii.) If the Board of examiners report to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this award under Section 88 of the Act, and may be summoned before the Court. Upon any such proceedings the report may be received in evidence.

(xiv.) Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.

IN WITNESS WHEREOF this award has been signed by the President of the Court, and the seal of the Court has been hereto affixed this 2nd day of October, One thousand nine hundred and eleven.
