Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

Department of Lands and Surveys,
Perth, 8th December, 1911.

IT is hereby notified that His Excellency the Governor in Executive Council has been pleased to make the following Regulations for the granting of business leases of Town and Suburban lands under "The Land Act, 1898."

R. CECIL CLIFTON,
Under Secretary for Lands.

1. Every business lease shall be granted for a term of 99 years, at a yearly rent equal to four pounds per centum of the capital unimproved value of the land as fixed from time to time as hereinafter prescribed: Provided that the minimum rent reserved by any lease shall be £1.

2. The capital unimproved value of each lot shall be fixed by the Minister, and notified in the *Government Gazette* prior to the lot being submitted to auction as hereinafter provided; and on the value so fixed the yearly rent shall be computed for the first ten years of the term of the lease, and thereafter, until a fresh valuation is made.

3. The capital unimproved value shall be the price at which, in the opinion of the Minister, the land in fee simple unencumbered by any mortgage or charge thereon, and if no improvements existed thereon, might be expected to sell at the time when valued.

4. Fresh valuations may be made from time to time during the currency of the lease at intervals of not less than ten years: Provided that if any lessee is dissatisfied with any revaluation he may require the question to be submitted to arbitration under the provisions of the Arbitration Act, 1895.

5. Each lot will be submitted for sale by auction of a leasehold interest therein for the term and at the rent as aforesaid, and the highest bidder shall be the purchaser, and, subject to these Regulations, a lease will be granted to the purchaser in the prescribed form.

6. Any person may apply to the Minister requesting him to submit to auction the leasehold interest in any lot open for selection.

Every such application shall be in the form or to the effect of the First Schedule hereto, and shall be lodged at the District Land and Survey Office of the District in which the land applied for is situated. The applicant shall deposit with his application, a lease fee of five shillings, and a sum equal to the instalment of rent of the lot applied for, payable in advance, pursuant to Section 136 of the Land Act, 1898.

Such deposit will be refunded in the event of the application being refused, or the applicant being outbid at the auction.

7. Any lot or lots may be submitted for sale by auction as aforesaid, at such time and place, and on such conditions not inconsistent with these regulations as the Minister may think fit, whether an application has been made under the last preceding regulation or not.

8. Every purchaser shall, at the fall of the hammer, pay to the auctioneer a lease fee of five shillings and a sum equal to the instalment of rent of the Lot purchased, payable in advance, pursuant to Section 136 of the said Act, unless the purchaser shall, as an applicant, have previously paid the same pursuant to regulation 6.

9. The purchase money for the leasehold interest shall be paid by the lessee on or before the issue of the lease, or at such other time or times as prescribed by the conditions of sale.

10. If any purchaser makes default in payment of the purchase money, or any instalment thereof, the Minister may, by notice in writing to the purchaser, forfeit the purchaser's interest in the lease, and any payments previously made by him.

11. Every lease shall be in the form or to the effect of the Second Schedule, and the term thereof shall commence from the first day of the quarter in which the auction is held.

12. Every lease shall be granted and held subject to the provisions of the "Land Act, 1898," and any amendment thereof, and the regulations thereunder in force for the time being relating to business leases.

13. Every lease shall be limited to the natural surface of the land demised, and the land below the natural surface to a depth not exceeding 40 feet, if situated within a goldfield or mineral field, and if not so situated, not exceeding 200 feet.

14. All rates, taxes, and outgoings charged on the land, or payable by the occupier thereof during the said term, shall be duly paid by the lessee.

15. No person shall, without the approval in writing of the Minister, acquire more business lots than by the Conditions of Sale may be prescribed.

16. Except as provided by Regulations 17, no lease shall be applied for or acquired by any Asiatic or African alien; and if contrary to this regulation any such alien shall acquire an interest in any lease, such lease shall thereupon become forfeited.

17. Notwithstanding the exceptions contained in Regulation 16 business leases may be applied for, granted to, and held by Asiatic or African aliens under and subject to these regulations in respect of any land situated northward of the 25th degree of South latitude, and declared open for selection by Asiatic or African aliens.

Talbot, H. C. Moore, H. F. McSorley, and Brown & Burns (hereinafter included under the denomination "the employers"), respondents.

AWARD.

The Court of Arbitration of Western Australia (hereinafter called "the Court") having taken into consideration the matter of an industrial dispute between the above-named parties, and having heard the union and the employers by their respective representatives duly appointed, and having heard the witnesses called and examined on behalf of the union and the employers, and cross-examined on behalf of the parties respectively, doth hereby order and award that as between the union and the members thereof and the employers and each of them, the terms, conditions, and provisions set out in the schedule hereto shall be binding upon the union and the members thereof, and upon the employers and each of them, and that the said terms, conditions, and provisions shall be deemed to be and they are hereby incorporated into and declared to form part of this award: And further, that the union and the members thereof and the employers and each of them shall respectively do, observe, and perform every matter and thing by the said terms, conditions, and provisions, and shall in all respects abide by and observe and perform the same: And the Court doth further order that this award shall apply to the trade or calling of baking, and that it shall operate from the fourth day of December, One thousand nine hundred and eleven, until the fourth day of December, One thousand nine hundred and twelve.

THE SCHEDULE HEREINBEFORE REFERRED TO.

1. *Definitions.*—In this award—

(*a.*) "Baker" shall mean a person other than an apprentice employed in mixing, handling, moulding, or baking dough in a bakehouse.

All persons other than apprentices employed in the mixing, handling, moulding, or baking of dough shall be deemed to be bakers, and shall be employed at the rates and on the conditions set out herein.

(*b.*) "Jobber" shall mean a baker who is but casually employed, and whose employment may be terminated without notice on either side.

(*c.*) "Jobbing dough maker" shall mean a baker employed to make one or more doughs as a casual employee.

(*d.*) "Single hand baker" shall mean a baker in charge of a bakehouse where there are no other persons employed in mixing, handling, moulding, or baking dough.

2. *Hours.*—Twenty-eight hours shall constitute the week's work in the case of a half-time man.

In all other cases forty-eight hours shall constitute a week's work except during the week when the monthly holiday occurs, when forty-two hours shall be considered the week's work.

Forty-two hours shall be the minimum number of hours to constitute a full week's work in any one week in which a statutory holiday or any combination of holidays may occur.

3. *Overtime.*—Overtime at the rate of sixpence for every twenty minutes or part thereof shall be paid to a baker for all time worked in excess of the hours herein prescribed or in excess of ten hours in any one day.

An apprentice shall be paid at the rate of one and a-third of his ordinary wage for all time worked in excess of the hours herein prescribed or ten hours in any one day: Provided, however, that in the case of a half-time man overtime at the rate aforesaid shall be paid for all time worked beyond four hours on five shifts in the week and for all time beyond eight hours on the long Friday shift in each week.

The time for starting work shall be such as shall be agreed upon for any period between the employer and the secretary of the union: Provided, however, that should the exigencies of the trade demand, it shall be permissible for the employer to commence work at any time not more than thirty minutes before or after the time so agreed upon.

The working time shall be calculated continuously from the time of starting work until the time for leaving work for the day or night.

A baker required to make dough prior to the ordinary starting time shall be allowed two hours out of the day's or night's work therefor. Where, however, there is no break in his employment, the time shall be reduced to one and a-half hours.

4. *Holidays.*—All time worked on New Year's Day, Eight Hours' Day, Good Friday, and Christmas Day shall be paid for at the rate of time and a-half.

5. *Wages.*—The minimum rate of wage payable shall be as follows:—

(*a.*) Baker—£3 3s. per week;

(*b.*) Single hand baker—£3 8s. per week;

(*c.*) Baker required to do oven work—£3 8s. per week;

(*d.*) Jobber—1s. 6d. per hour;

(*e.*) Half-time man—£2 per week;

(*f.*) Jobber travelling one mile from Trades Hall, Perth or Fremantle, shall be paid travelling expenses not exceeding 1s;

(*g.*) Jobber acting as foreman—3s. extra per day or night;

(*h.*) Jobbing dough maker shall be paid 3s. for each dough of three bags (600lbs.) or under; and for each bag over and above three bags, 2s. 6d.

6. *Lower-rate Workers.*—A worker who is unable to earn the minimum rate of wage hereby prescribed may be employed at a lesser rate of wage, which shall be agreed on in writing between the worker and secretary of workers' union.

If within seven days after being notified in writing of the worker's desire to work at a lower rate of wage than that prescribed, the said secretary and worker are unable to agree upon a lower rate, then the worker may apply in writing to the nearest resident or police magistrate to fix such lower rate of wage.

The worker shall give such secretary two days' notice in writing of his intention to apply to the magistrate, and the said secretary or his agent may attend and oppose the application.

The magistrate may fix the rate of wage, and his decision shall be final.

Any worker whose wage shall have been so fixed may work for and be employed by an employer for such less wage for the period of six calendar months thereafter, and after the expiration of the said period until fourteen days' notice in writing shall have been given him by the secretary of the union requiring his wage to be again fixed in the manner prescribed by this clause. Provided, always, that the employer shall not employ more than one such incompetent worker to every four fully paid workers or fraction of the first four.

7. *Record.*—A time and wages book shall be kept in each bakehouse which shall show the name of each employee, the time he starts and finishes work each day, total hours, amount of overtime, wages, and signature for same.

The employer and employee shall be jointly responsible for the proper posting of the book daily.

The book shall be supplied by the union, and shall be open to the inspection of the representatives of the workers' union during working hours.

8. *Apprentices.*—(i.) When used in this clause the term "permanently employed" shall be construed to mean three months continuous employment either as full-time or half-time man.

(ii.) Apprentices to the baking trade shall, unless bound by indenture, be engaged under the terms hereinafter set forth. All indentures shall be forthwith registered in the manner hereinafter provided (Form 1 in Appendix hereto) with the Clerk of the Court of Arbitration. Except as aforesaid no legal agreement in existence at the date of issue of this award shall be interfered with.

(iii.) Apprentices shall not exceed in number one to every four or fraction of four journeymen permanently employed.

(iv.) The term of apprenticeship shall be four years. A probationary period of three months previous to being bound shall be lawful; such probationary period shall be deemed portion of the term of apprenticeship.

(v.) Should any employer from unforeseen circumstances be unable to carry out his obligations to the apprentice, he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of Arbitration of the date of such transfer, and when such apprenticeship commenced. (Form 2 in the Appendix hereto.)

(vi.) In the absence of indentures apprentices shall be bound for the term and on the conditions herein provided, and subject to the following provisions:—

(*a.*) Any employer taking an apprentice shall give notice thereof to the Clerk of the Court of Arbitration in the form hereinafter provided (Form 1 in the Appendix hereto), and shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall, subject to the provisions of subclause (xiii.) hereof, pay the apprentice the rate of wages herein provided.

(*b.*) At the end of the period of apprenticeship the employer shall give the apprentice a certificate (Form 6 in the Appendix hereto) to show that he has served his apprenticeship. Should the employer at any time before the termination of the term of apprenticeship desire to dispense with the services of the apprentice he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice and to pay the wages prescribed by this award according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the Clerk of the Court of Arbitration of such transfer in the form hereinafter provided (Form 2 in Appendix hereto). It shall not be obligatory upon the employer to find the apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(*c.*) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to undertake the responsibility of teaching him.

(*d.*) When an apprentice is discharged for cause, the employer shall send notice in writing of the discharge and the cause thereof to the said Clerk of the Court of Arbitration (Form 3 in Appendix hereto).

(vii.) *Wages.*—The minimum weekly wage payable to an apprentice shall be:—
During the first year of his apprenticeship, not less than 12s. 6d. per week;
During the second year, £1 per week;
During the third year, £1 7s. 6d. per week;
During the fourth year, £1 15s. per week;

(viii.) Every apprentice shall be bound to submit himself for examination by a Board of Examiners hereinafter constituted at the expiration of each period of one year of his service. Notice of his intention to submit himself for examination shall be given by the apprentice to the Clerk of the Court of Arbitration at least fourteen days before the termination of each yearly period, and may be given in the form numbered 4 of the appendix hereto. Every such notice shall be accompanied by a fee of 2s. 6d.

(ix.) Upon the receipt of such notice the Clerk of the Court of Arbitration will furnish the apprentice with an examination certificate in the Form 5 of the appendix hereto.

(x.) The Clerk of the Court will notify the Board of Examiners of the names and addresses of all candidates desirous of submitting themselves for examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of each employer to provide such necessary material and machinery as may be required and in all ways to facilitate the conduct of the examination.

(xi.) The examination will be held in the month of February of each year. The Board of Examiners will consist of the secretary of the workers' union, or such other person as may be nominated by the union in his stead, and a person skilled in the trade to be nominated by the employers carrying on business within the area to which this award applies; or failing such nominations, such persons as may be appointed for that purpose by the Court. In the event of a disagreement between the members of the Board the matter in dispute shall be referred to a third person agreed to by them or nominated by the Court or the President thereof at the request of either member, and the decision of such third person shall be final and conclusive. The Board of Examiners will examine the work of and inquire into the diligence of each apprentice and as to the opportunities provided by the employer to each apprentice to learn.

(xii.) The Board will report to the Court in writing as to the result of the examination. Every apprentice shall be bound to produce to the Board of Examiners his examination certificate hereinbefore referred to, and the same shall be kept by the examiners, and returned to the apprentice with the necessary endorsement at the conclusion of the examination.

(xiii.) It shall be lawful for the employer to withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in Clause (vii.) hereof from any apprentice who fails to satisfy the examiners.

(xiv.) If the Board of Examiners reports to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this award under Section 88 of the Act, and may be summoned before the Court.

Upon any such proceeding the report may be received in evidence.

(xv.) Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.

9. *Area.*—This award shall have effect over an area comprised within a radius of twenty miles from the General Post Office, Perth.

IN WITNESS WHEREOF this award has been signed by the President of the Court, and the seal of the Court has been hereto affixed this thirtieth day of November, One thousand nine hundred and eleven.
