LAND OPEN FOR SELECTION.

Department of Lands and Surveys,  
Perth, 22nd March, 1912.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

R. CECIL CLIFTON,  
Under Secretary for Lands.

THE LAND ACT, 1898.

Regulations for the Granting of Leases of Town and Suburban Lands for Cultivation.

Department of Lands and Surveys, Perth, 15th March, 1912.

IT is hereby notified that His Excellency the Governor in Executive Council has been pleased to make the following Regulations for the granting of Leases of Town and Suburban Lands for cultivation under "The Land Act, 1898."

R. CECIL CLIFTON, Under Secretary for Lands.

1. Every lease of town or suburban land for cultivation shall be granted for a term of 99 years at a yearly rental equal to three pounds per centum of the capital value of the land fixed from time to time as hereinafter prescribed. But the minimum yearly rent reserved by any lease shall be ten shillings.

2. The capital value of each lot shall be fixed by the Minister, and notified in the Government Gazette; and on the value so fixed the yearly rent shall be computed for the first ten years of the term of the lease, and thereafter, until a fresh valuation is made as hereinafter provided. On every periodical revaluation, the yearly rent thereafter, and until a fresh valuation is made, shall be computed on the value fixed by such revaluation.

3. Fresh valuations may be made by the Minister from time to time during the currency of the lease, at intervals of not less than ten years, and notified in the Government Gazette: Provided that the value of all improvements made by the lessee shall be excluded from every such valuation. If any lessee is dissatisfied with any such valuation, he may require the question to be submitted to arbitration under the provisions of "The Arbitration Act, 1895."

4. Every application for a lease of land under these Regulations shall be in the form, or to the effect of the First Schedule hereto, and shall be lodged at the District Land and Survey Office of the District in which the land applied for is situated: Provided that an application may be lodged at such other office as for the time being is appointed by the Governor for the receipt of applications under "The Land Act, 1898." The applicant shall deposit with his application a lease fee of five shillings, and a sum equal to the instalment of rent of the lot applied for, payable in advance, pursuant to Section 136 of the said Act. Such deposit will be refunded in the event of the application being refused.

5. All applications shall be subject to the approval of the Minister: Provided that the provisions of "The Land Act, 1898," and its amendments relating to priority of applications, and the method of selection in the case of applications lodged at the same time, shall apply.

6. Every lease shall be in the form, or to the effect of the Second Schedule, and shall be subject to the provisions, conditions, and reservations therein prescribed, and the term thereof shall commence from the first day of the quarter in which the application is approved.

7. The lessee shall, within two years of the commencement of the lease, fence the external boundaries of the demised land, and, within three years from the commencement of the lease, clear, cultivate, and plant as an orchard, vineyard, or garden, one-tenth of the area demised, or clear and otherwise cultivate one-fourth of the area demised, and within five years of the commencement of the lease clear, cultivate, and plant as an orchard, vineyard, or garden, one-fifth of the area demised, or clear and otherwise cultivate one-half of the said area.

The lessee shall, during the remainder of the term of his lease, continuously to the satisfaction of the Minister for Lands, maintain in good order and condition the external fences, orchard, vineyard, garden, and other cultivation of the demised land: Provided that the Minister for Lands may, if he think fit, dispense with the division fences between two or more adjoining lots held by one person, or may, if he think fit, accept other substantial improvements in lieu of fencing.

8. The lessee shall not, without the approval in writing of the Minister for Lands first obtained, use or permit to be used, the demised land for any trade or business other than the sale or disposal of the products of the land.

9. Subject to these Regulations, every lease shall be granted and held under and subject to the provisions of "The Land Act, 1898," and any amendment thereof, and the Regulations thereunder in force for the time being relating to leases of town or suburban land for cultivation.

10. Every lease shall be limited to the natural surface of the land demised, and the land below the natural surface to a depth not exceeding 40 feet, if situated within a goldfield or mineral field, and if not so situated, not exceeding 200 feet.

11. All rates, taxes, and outgoing charges on the land, or payable by the occupier thereof during the said term, shall be duly paid by the lessee.

12. No person shall (without the approval in writing of the Minister for Lands first obtained) acquire or hold more lots under these Regulations than by the conditions under which the lots are thrown open for selection may be prescribed.

13. Except as provided by Regulation 14 no lease shall be applied for or acquired by any Asiatic or African alien; and if contrary to this Regulation any such alien shall acquire an interest in any lease, such lease shall thereupon become forfeited.

14. Notwithstanding the exceptions contained in Regulation 13 leases may be applied for, granted to, and held by Asiatic or African aliens under and subject to these Regulations in respect of any land situated Northward of the 25th degree of South latitude, and declared open for selection by Asiatic or African aliens.

15. Every lease shall confer on the lessee, his executors, administrators, or permitted assigns the right of renewal of the term thereof at its expiration (if in the meantime the lease is not surrendered or forfeited) at the rent and subject to the conditions prescribed by the Regulations in force at the time of such renewal.
