NOTICES TO MARINERS.

Colonial Secretary's Office,

Perth, 20th September, 1912.

THE following Notices to Mariners are published for general information.

F. D. NORTH,

Under Secretary.

1514/12.

NOTICE TO MARINERS.

Caution when approaching Australian Ports.

To be Substituted for the Notice to Mariners issued by the Naval Board on 15th March, 1912.

In connection with periodical exercises or manoeuvres, or in the event of relations becoming strained between Great Britain and any Naval Power, an Examination Service may come into force at the ports or localities mentioned at the end of this notice.

Masters are warned that before attempting to enter any of these ports they must, in their own interests, strictly obey all instructions given to them by the vessels which will be charged with the duty of examining ships desiring to enter the ports, and allotting positions in which the ships shall anchor. In case of fog, they should on no account attempt to enter before receiving permission from the Examination Officer.

The institution of an Examination Service at any port will never be publicly advertised, but at all times when the relations of Great Britain with foreign powers are known to be in a state of tension, especial care should be taken in approaching the ports, by day or by night, to keep a sharp look-out for the Examination Steamer, and to be ready to "bring to" at once when hailed by her or warned by the firing of a gun.

If the entrance to a port is closed, three red vertical lights by night, or three red balls by day, will be exhibited in some conspicuous position, in or near to its approach, and as far as possible notice of this fact will be given by look-out vessels in the offing.

If the Examination Service is in force the Examination Steamer will be distinguished at night—

(a.) When the port is closed, by three red vertical lights.

(b.) When the port is open, by three white vertical lights.

The pilots attached to the ports will be acquainted with the regulations to be followed.

The Astronomical positions are only approximate unless seconds are given. The bearings are given both True and Magnetic.

DEPARTMENT OF LANDS AND SURVEYS.

Notice re Applications for Forfeiture.

THE Department is in receipt from time to time of numerous applications for forfeiture of holdings on the grounds that the conditions of residence or improvements have not been complied with, and there have been many instances in which, after an inspection has been made by the officer of the Department, that the Department has been satisfied that the block is not forfeitable.

2. While I have every intention to, as far as possible, see that the conditions of the Act are complied with by settlers, and while I would be pleased to have any cases brought under my notice, I nevertheless desire to protect the Department against useless expenditure in the matter of inspections.

3. I have therefore decided that in future any application for forfeiture shall be in the form of a declaration, setting forth the specific grounds on which the application is made.

4. These declarations should be forwarded to the District Surveyor of the district in which the land is situated, when he will issue instructions for an inspection of the block or blocks referred to in the declaration should he consider that reasonable grounds for forfeiture are stated, and if he is satisfied that the block is not forfeitable for the reasons stated in the declaration, he will advise the declarant accordingly without delay.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 11th October, 1912.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one

newspaper advising the applicants for the blocks of the late, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

C. G. MORRIS,

Acting Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions) and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

HIS Excellency the Governor in Council has been pleased to approve of the following By-laws under the provisions of "The Cemeteries Act, 1897," and amending Acts, for the control of the Public Cemetery at Youanmi.

C. G. MORRIS,
Acting Under Secretary for Lands.

PUBLIC CEMETERY, YOUANMI.

*(Reserve 13798.)**By-laws.*

By virtue of all powers in that behalf vested in the Trustees of the Public Cemetery, Youanmi, the said Trustees make the following By-laws:—

1. All fees and charges payable to the Trustees, as set forth in the Schedule "A," shall be paid at the times and manner therein mentioned.

2. Any person desiring to inter any dead body in the cemetery shall make an application to the Secretary. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an order for burial.

3. All applications for interment shall be made at least six working hours prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed unless the application, together with the Justice's order therefor, be handed in in such time as to allow of at least six working hours as above.

4. The undertaker shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened, as and when required by the Trustees.

5. Before any interment is allowed the "Order for Burial" shall be handed to and retained by the undertaker.

6. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than 4 feet 6 inches from the top of the coffin to the original surface of the surrounding ground.

7. In the case of an application for interment in any private grave or vault, to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

8. No burial shall be allowed to take place in the cemetery unless a certificate from the District Registrar of Deaths, that the death has been registered, or a Coroner's order for burial, is handed to the Secretary.

9. The hours of burial shall be as follows:—

From 8 a.m. to 6 p.m.;

and no burial shall be allowed to take place, nor any coffin allowed to enter the cemetery, at any other hour except by written permission of the Trustees.

10. The time fixed for any burial shall be the time at which the funeral is to arrive at the cemetery gates, and such time shall be rigidly and punctually observed.

11. No hearse, mourning coach, bicycle, or other vehicle shall enter the cemetery, or proceed except at and by such roads as directed by the officer of the Trustees from time to time. Any driver or other person failing or neglecting to observe such directions commits an offence against these By-laws.

12. Children under the age of ten years entering the cemetery must be in charge of some responsible person.

13. It shall be unlawful for any person to smoke within the cemetery, or to discharge any fireworks therein.

14. No dogs shall be allowed within the cemetery, and any person taking a dog into the cemetery commits an offence against these By-laws.

15. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower border, or any erection, or in any way infringing these By-laws, commits an offence against these By-laws.

16. No person shall promote or advertise or carry on within the cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards, or otherwise, or by any other system of advertisement whatsoever.

17. No person employed by or under the Trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work

in the cemetery other than the remuneration he receives from the Trustees; and any such person proved guilty of accepting any gratuity or being pecuniarily interested in any work shall be liable to summary dismissal.

18. Any person requiring an "Exclusive right of burial" in any part of the cemetery shall apply to the Trustees, in writing, specifying the location of the grave and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the names of any already deceased persons whose remains it is proposed to inter therein.

19. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Trustees may authorise the construction and erection thereof; or, if no work is to be done, may issue a "Grant" in the Form "E" in the Schedule.

20. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "Grant" in the Form "E" in the Schedule.

21. Every "Grant" shall be subject to the By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Order for burial" aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

22. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

23. If application be made for an "Order for burial" in any grave or vault of the remains of any person other than the person to whom grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

24. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the cemetery must first obtain the written consent and approval of the Trustees, and otherwise comply with Section 23 of "The Cemeteries Act, 1897."

25. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees, shall extend to the bottom of the grave.

26. The materials used in every such erection shall be subject to the approval of the Trustees, and any material rejected shall be immediately removed from the cemetery by the contractor for the erection.

27. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the cemetery by the person causing the same.

28. Monumental masons and other tradesmen shall, before commencing any work within the cemetery, deposit with the Secretary to the Trustees the sum of ten shillings, which shall be forfeited if either of the two last preceding By-laws are not complied with to the satisfaction of the Secretary.

29. All materials required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the cemetery, and all materials required by tradesmen shall be admitted at such entrance as the Trustees shall direct; and no vehicle conveying any such material with wheels less than four inches broad shall be permitted to enter the cemetery.

THE ROADS ACT, 1911.

Department of Public Works,
Perth.

IT is hereby notified that the Hon. the Minister for Works has, under the provisions of Subsection 2 of Section 288 of "The Roads Act, 1911," prescribed the following directions to be observed by secretaries to Road Boards in keeping the Rate Book.

(Signed)

C. A. MUNT,
Under Secretary for Public Works.

THE ROADS ACT, 1911.

FORM 70.

RATE BOOK.

DIRECTIONS FOR GUIDANCE OF SECRETARY.

(See "Government Gazette.")

- (1.) Care should be taken to keep rates, interest, and legal and any other costs, charged up to each assessment so as to be readily available in case of sale of property for non-payment of Rates, change of ownership, etc.
- (2.) ARREARS OF RATES BROUGHT FORWARD.—Similar care is to be exercised in bringing these arrears forward from column 23 after adding the interest due in column 24 to each particular property, and in making the totals agree. Should any alteration have occurred in the working out of the previous "Arrears forward," the same shall be initialed by the Auditor.
- (3.) When a district contains "Wards," "Towns," or "Prescribed Areas," the assessments in each "Ward," "Town," or "Prescribed Area" should be kept, as far as possible, separate by allotting the necessary number of folios for the assessments of each "Ward," "Town," or "Prescribed Area."
- (4.) EXEMPTIONS.—Section 194, Subsection 8, of "The Roads Act, 1911," exempts Conditional Purchase Leases from Rates for first two years.
A column, No. 9, has been provided for inserting the *date of commencement of Lease* from Searcher's Statement in order that the Rate may be charged as soon as the two years have expired, which can be done by amending the Rate Book as provided by Section 213 of "The Roads Act, 1911."
As regards all other lands exempted from Rates by the Act, it will be found advisable by Boards to keep a record of same at the end of Rate Book or in a special book kept for that purpose in case of any change in the circumstances creating such exemptions.
- (5.) VALUATIONS.—Great care should be exercised in transferring these amounts from the Valuation Book in order that the result, both in details and total, may be absolutely correct, and entered in proper column (No. 13 or 14), in Rate Book.
- (6.) Directly the various rates have been struck, the necessary information should be filled in on opposite folio (Form 71) in accordance with Section 220 of the Roads Act, and then copied into the Minute and Rate Book.
- (7.) The total amount due for Rates should then be carried out into Column No. 16 against each assessment on basis of respective valuation appearing in Column No. 13 or 14.
- (8.) If for any reason a Supplementary or Loan Rate is levied during year *after Rate Book has been made up*, the amounts may be carried out against each assessment in a different coloured ink, or a fresh book opened if found desirable for remainder of year, at the end of which arrears should be dealt with in same manner as stated in paragraph 11.
- (9.) RATES ABANDONED.—When, under the provisions of Section 240 of the Act, Rates are, with the approval of the Minister, written off, the fact should be recorded in the Minute Book, and the amounts posted into columns provided in the Rate Book for that purpose (No. 22).
- (10.) At the end of the Board's financial year the columns should be totalled, and any amounts owing should be shown in "Rates carried forward," in Column 23.
- (11.) To the arrears thus shown in Column 23, any interest, legal or other costs should be computed and shown in Column 24. Then add the total of Columns 23 and 24 and carry forward to Column 17 of the following year's assessments.
- (12.) The total of Columns 20, 21, 22 and 23 should agree with the total of Columns 16 and 17.
- (13.) INTEREST.—As the Act has reimposed the charging of Interest at 5 per cent. on Rates not paid during the year of their currency, the amount should be worked out at end of year and inserted in Column 24, together with any legal or other costs incurred against each assessment.
- (14.) No erasures whatever shall be made in this book. When alteration is necessary, it must be done by neatly scoring through and initialing entries desired to be amended.

This Book, being the property of the Government, must be given up on demand to the current Members of the Board or Minister for Works of the State.

For Form of Rate Book see previous page.]
