LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 14th February, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI., must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper, advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation, at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

C. G. MORRIS,

Acting Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions) and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

JAS. THOMPSON,
Chairman Tender Board

Public Works Department,
Perth, 3rd February, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Council has been pleased to approve of the following By-laws of the Geraldton Municipality, under Section 179 of "The Municipal Corporations Act, 1906."

C. A. MUNT,
Under Secretary for Public Works.

MUNICIPALITY OF GERALDTON.

By-laws of the Geraldton Municipal Council.

WHEREAS by "The Municipal Corporations Act, 1906," it is enacted that every Council may make, publish, alter, modify, or repeal By-laws: Now, therefore, in pursuance of the powers conferred by the said Act, and by "The Cattle Trespass, Fencing, and Impounding Act," "The Land Act," and "The Weights and Measures Act," it is ordered by the Mayor and Councillors of the Municipality of Geraldton that the following By-laws shall form and be By-laws of the said Municipality, repealing all previous By-laws in reference thereto:—

BY-LAW No. 1.

Interpretation.

1. In these By-laws, except where otherwise provided, or unless the context otherwise indicates,—
The word "Council" shall mean the Council of the Municipality of Geraldton, and also, in regard to the enforcement of these By-laws, the responsible officers of the Council;
"Act" shall mean "The Municipal Corporations Act, 1906";
"Committee" shall mean any standing, special, or occasional committee within the meaning of Section 168 of the Act;
"Officer" shall mean any officer of the Municipality, appointed by the Council;
"Town Clerk" shall mean the Town Clerk of Geraldton, or the acting Town Clerk for the time being;
"Municipality" shall mean the town of Geraldton;
"Mayor" shall mean the Mayor of the Municipality of Geraldton, and shall include any Councillor chosen to preside at any meeting of the Council in manner prescribed by the Municipal Corporations Act;
"Public Street" shall mean and include every public street, road, footway, square, thoroughfare, or other place within the Municipality;
"Person" shall include a body corporate;
"Owner" shall apply to every person in possession or receipt either of the whole or of any part of the rents or profits of any house, building, land, or tenement.

BY-LAW No. 2.

Standing Orders.

Order of Proceedings.

1. The Council shall meet in the Council Chambers, Geraldton, or at such other place or places as shall be decided by such Council, on every second and fourth Wednesday in every month, at the hour of 8 p.m., or on such other day and at such other time as the Council shall from time to time appoint, and the business of the Council shall be conducted with open doors, except upon such occasions as the Council shall by resolution otherwise decide, which resolution may, at any time, be moved without notice.
2. The Council shall commence business so soon after the above-mentioned hour as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiration of fifteen minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. Should the Mayor not be present, the meeting shall elect a Chairman from the councillors present, who shall preside during the absence of the Mayor.
4. Any deputation desiring to wait upon the Council must give at least three (3) clear days' notice in writing to the Town Clerk, and must be introduced by a member of the Council.
5. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever there shall

be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence), such circumstance, together with the names of the members present, shall be recorded in the minute book.

6. At all meetings of the Council the minutes of any preceding meeting, not previously confirmed, shall be read as the first business, in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

Order of Business.

After the signing of the minutes as aforesaid, the order of business of an ordinary meeting shall be as follows, or as near thereto as shall be practicable:—

1. Announcements.
2. Questions of which due notice has been given.
3. Correspondence.
4. Petitions and memorials.
5. Deputations (if any).
6. Officers' reports.
7. Tenders.
8. Committees' reports.
9. Orders of the day—including considering and ordering upon reports previously presented, business left over from the preceding meeting, and any business the Mayor may think desirable to bring under the notice of the Council and may have directed to be entered as an order of the day.
10. Motions of which previous notice has been given.
11. Notices of motion for consideration at the following meeting, if given during the meeting.
12. Questions without notice.
13. General business.

Orders of Debate.

14. Any member proposing a motion or an amendment shall, if the Mayor so desire it, put it in writing, and sign and deliver it to the Mayor or other presiding Chairman for the time being, after it has been duly seconded, and the Mayor or other presiding chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

15. No member shall speak twice upon the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover or as the mover of the amendment last carried. Nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply. The amendment or the original motion, as the case may be, shall be immediately put to the vote.

16. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

17. Any member moving a motion or amendment shall be held to have spoken on that question, but a Councillor merely seconding a motion shall not be held to have spoken upon it. No motion or amendment shall be discussed or put to the vote of the Council unless it shall have first been seconded.

18. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any other member.

19. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

20. One amendment only shall be discussed at one time, but, if lost, another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment thereon, but no more.

21. Upon the adoption of any amendment such amendment shall be held to have quashed the original motion; and for all purposes of subsequent discussion the amendment so carried shall be acted on as an original motion.

22. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year unless by consent of at least four members of the Council.

23. In case of an equality of votes the Mayor or other presiding Chairman shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

24. No By-law shall be finally passed or rescinded at the meeting at which it shall have been first proposed nor until the next or some subsequent meeting of the Council duly convened.

25. In all cases not herein provided for, resort shall be had to the rules, forms, and usages of Parliament, which shall be followed so far as the same are applicable to the proceedings of the Council.

Suspension of Standing Orders.

26. In cases of urgent necessity, any standing order or orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least four members of the Council.

BY-LAW No. 3.

Officers of the Council.

1. When any office to which a salary exceeding one hundred pounds per annum is attached, is at the disposal of the Council, at least ten clear days' notice shall be given by advertisement in one or more newspapers circulating in the Municipal district inviting applications for the same.

2. The salary or allowances attached to all offices and places at the disposal of the Council shall in all cases be fixed before proceedings are taken to appoint any person to fill the same and before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

3. Notwithstanding anything contained in the last preceding clauses, it shall be lawful for the Council, in its discretion, to promote any officer from one position to any other office at the disposal of the Council without advertising or otherwise inviting applications for such office.

4. At the next regular meeting of the Council or at a special meeting called for the purpose after the notice as before mentioned has been given, all letters of application for the office shall be opened, and the names read aloud, and the appointment may then be made.

5. All elections for offices at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the two candidates polling the largest number of votes be again put to the ballot until one of such candidates shall have polled the majority of the votes of the members present, every member present being required to record his vote.

6. The salary of any officer, when fixed, shall not at any time be considered with a view to its reduction unless specially sanctioned by and at a meeting of the Council at which two-thirds, at least, of the members are present.

The Town Clerk.

1. The Town Clerk shall be the Chief Administrative Officer of the Municipality and the custodian of all property whatsoever belonging to, or held in trust by, the Municipality, and shall have and exercise, on the Council's behalf, full authority over every officer and every servant of the Municipality. All officers and other servants of the Municipality, in whatever capacity, shall be subordinate to the Town Clerk, whose directions and instructions such officers and servants shall promptly and faithfully accept, act upon, and execute.

2. If in the opinion of the Town Clerk the suspension from duty of any officer, pending the pleasure of the Council, would be in the best interests of the Municipality, the Town Clerk may, in writing, suspend any officer accordingly, and every such suspension shall be good and binding until the pleasure of the Council thereon.

3. Immediately any officer has been suspended as aforesaid, the Town Clerk shall report to the Council the facts in respect thereof.

4. Upon receipt of notice of suspension from the Town Clerk, the officer in question shall forthwith deliver to the Town Clerk, or other person appointed in that behalf, all papers, books, documents, records, moneys, valuables, keys, and all other things and articles the property of the Municipality in his possession.

5. The Mayor may, in writing, suspend the Town Clerk from duty for any misconduct or punishable offence, and shall immediately thereafter call a special meeting of the Council to deal with such suspension.

6. No member of the Council, nor any auditor of the Municipality nor any officer thereof, shall be re-

ceived as surety for any officer appointed by the Council, and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.
