Acting Under Secretary for Lands

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 21st February, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper, advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation, at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

C. G. MORRIS,
Acting Under Secretary for Lands.

LAND OPEN FOR SELECTION.**Department of Lands and Surveys.**

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions) and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

ONSLow COMMON.

*Amendment of By-laws.*Department of Lands and Surveys,
Perth, 14th February, 1913.

4491/95.

HIS Excellency the Governor in Executive Council has been pleased to approve, under Section 43 of "The Transfer of Land Act, 1898," of the following By-laws for the control and management of the Onslow Common:—

ONSLow COMMONAGE BY-LAWS.

The following By-laws relating to the Onslow Common have been made by the Ashburton Road Board:—

1. That an annual sum of ten shillings per head for horses and cattle, and threepence per head for sheep for killing purposes, shall be levied upon every owner of stock depasturing on the Onslow Commonage, and shall be paid in advance half-yearly to the Ashburton Road Board, on or before the 31st day of January and the 31st day of July in each year.

2. No person shall depasture any animal upon the Onslow Commonage without having first obtained a license from the Board; provided this By-law shall not apply to *bona fide* teamsters, travellers, and packers.

3. Every applicant for a license to depasture under these By-laws shall furnish the Secretary or Ranger with a correct list, in writing, of the number of horses, cattle, sheep, or other kind of animals that he or she shall intend to depasture on the said Common and shall describe therein the brands, numbers, and other distinguishing marks thereon, and shall obtain a license signed by the Chairman, Secretary, or other person duly authorised in that behalf, setting forth the number and description of animals licensed by the Board to depasture on the Common according to these By-laws.

4. Any person or persons running stock on the Common may change them at any time, on giving notice and full description of such stock to be changed to the Chairman of the Board.

5. That no person, firm, or family shall depasture on the said Commonage a greater number of horses and cattle than twenty; of sheep for killing purposes, one hundred and fifty; and a *bona fide* butcher be allowed to depasture ten head of cattle in addition to above.

6. *Bona fide* travellers, teamsters, and packers shall be allowed to run their horses or cattle on the Commonage for the space of four days free of all charge. Should that period be exceeded, they shall be charged at the rate of threepence per head per day or part of a day that they remain on the Common after such time. Any person or persons taking stock off the Commonage shall not be allowed another four days free of fees unless they shall have been at least four clear days off the Common and shall have travelled to a point at least ten miles from Onslow.

Travellers, teamsters, and packers shall give the Secretary a correct return of all stock brought on to the Common within (24) twenty-four hours of such stock being brought on, and at least three hours notice before removing such stock, and shall state when such stock will be removed. The Board shall be the sole judge of what constitutes a *bona fide* traveller, teamster, or packer within the meaning of these By-laws.

7. The owner of any travelling stock shall give written notice of his intention to travel such stock, and to comply strictly with Section 29 of "The Cattle Trespass, Fencing, and Impounding Act, 1882" (46 Vic., No. 7).

8. All horses and cattle under the age of six months shall be exempt from fees. The Board shall be sole judges as to the age of all stock.

9. No person, with the exception of the Ranger, shall be allowed to muster stock, other than their own, running on the Onslow Commonage. Always provided the owners may, upon application to the Chairman, obtain a permit for another to muster their stock, but the Board shall have power to cancel any permit at any time.

10. It shall be compulsory for all stock depasturing on the Commonage awaiting shipment to depasture on the East side of the Up-River Road, but travelling sheep remaining on the Commonage for a longer period than four days be charged a fee of one penny per head per week, and for large stock one shilling per head per week *pro rata*.

11. That no person, firm, or family shall depasture on the said Commonage any goats or pigs.

12. Arrears in respect of Commonage fees remaining unpaid after they have become due shall be sued for by the Board in the Local Court, or in such Court having jurisdiction therein.

13. That no stock on which Commonage fees are due shall be removed from the Commonage, unless with the written sanction of the Secretary, until after all such fees have been paid in full.

14. The Board shall sue and be sued in the name of the Chairman, or such other person as the Board at meeting may delegate with written authority for this purpose.

15. All stock depasturing on the Commonage, except in accordance with these By-laws, may be treated as trespassing on the Commonage.

16. No entire horse or bull over the age of twelve months shall be allowed on the Commonage; any such horse or bull found thereon, shall be liable to be dealt with in manner provided by "The Cattle Trespass, Fencing, and Impounding Act, 1882" (46 Vic., No. 7).

17. Where no penalty is provided either by these By-laws or by statute laws, any person committing a breach of such By-laws for which no penalty is provided (or in lieu of such other penalty as the Board may elect) shall be liable to a penalty not exceeding Five pounds, exclusive of costs, and in addition to the Commonage fees as provided in these By-laws. Provided always, that the amount of the penalty inflicted by this By-law shall not exceed the amount of any specific penalty; such penalty and fees may be recovered and enforced in a summary manner prescribed by "The Justices Act, 1902," and shall in no way affect any fines and fees recoverable under By-laws of the Board regulating fees and fines to be paid in respect of poundage of stock.

18. All fees shall be for and on account of the Ashburton Road Board.

19. The Board shall not be responsible for any damage done to stock depasturing on the Commonage under the provisions of these By-laws, nor shall they be responsible for any loss sustained by whatsoever cause.

20. The Common Ranger shall, upon being requested, in writing, run in any stock on the Common, and shall receive from the owner two shillings and sixpence per head for services.

21. The Ranger for the time being shall have authority to demand particulars of stock depasturing on the Common.

22. The Board shall not be responsible for damage or injury sustained from any cause whatever or from any stock straying off the Commons under the provisions of these By-laws.

23. No person shall cut off, fell, or remove green, growing, or dead timber on or from the said Common without having first obtained a license from the Board, and paid therefor the sum of Five shillings per axe per month. This By-law does not prohibit residents from cutting dead wood for their own use only.

24. Every licensee under these By-laws shall produce his license upon being required by any member or officer of the Board or any police constable.

25. (a.) Any person or persons who shall introduce any diseased animals into the Common shall be liable to a penalty of Ten pounds (£10).

(b.) The Chairman, Secretary, or other authorised person may, on suspicion of any animal being diseased, order or cause the same to be removed from any Common.

26. No person or persons shall muster or run in off the Common any unbranded stock of any description and brand same, only under the personal supervision of the Common Ranger for the time being, under a penalty not exceeding Ten Pounds (£10).

27. Every person who does, permits, or suffers any act, matter or thing contrary to these By-laws or commits or permits any breach or neglect thereof shall be deemed guilty of an offence against these By-laws and be liable to a fine not exceeding Five pounds (£5) recoverable summarily before any one or more Justices of the Peace in the manner prescribed in "The Justices Act, 1902," and shall in no way affect any fines or fees recoverable under the By-laws of the Board regulating fees and fines to be paid in respect of impounded stock, and no prosecution shall be taken under these By-laws without the written permission of the Board first had and obtained.

28. All penalties and other sums recovered under the provisions of these By-laws shall, unless otherwise provided, be paid to the Board, and shall become the property of and form part of the ordinary income of the Board.

29. All previous existing Commonage By-laws are hereby repealed.

Approved by His Excellency the Governor in Executive Council this 12th day of February, 1913.

BERNARD PARKER,
Clerk of the Council.
