F. D. NORTH,
Under Secretary.

THE LUNACY ACT, 1903.

Regulations for the constitution of an Appeal Board to hear and determine appeals by certain employees of the Lunacy Department.

1. Any person who, being permanently employed as a male or female attendant in a hospital for the insane established under "The Lunacy Act, 1903," is fined a sum exceeding one pound or reduced to a lower class or grade or dismissed by the Inspector General of the Insane for alleged misconduct, may appeal to an Appeal Board as hereinafter provided; but no person shall be deemed to be permanently employed within the meaning of this regulation unless continuously employed for at least one year.

2. The Appeal Board shall consist of the following persons:—

One person to be appointed by the Governor, and such person shall be the chairman of the Board;

One person to be appointed by the Inspector General of the Insane;

One person to be elected by ballot from among their own number by the members of the staff to whom these regulations apply.

3. The ballot for the elective member of the Board shall be conducted by the Chief Electoral Officer or some other person acting under his authority.

4. The person elected shall hold office for three years; provided that any person elected by the staff as its representative on any board of inquiry held prior to the commencement of these regulations shall be deemed representative of the staff on the Board of Appeal for three years from the date of such election.

5. If any member of the Board dies, or by notice in writing to the Minister resigns his office, or being the elective member of the Board ceases to be a member of the staff, his seat shall become vacant, and a successor shall be appointed, or elected, as the case may require, and such successor shall hold office for the residue of the period during which his predecessor would have held the seat had he remained a member of the Board.

Provided that when the seat of the elective member of the Board becomes vacant within three months before the date of an ordinary election, the member elected to fill the vacancy shall continue in office until the end of the next succeeding term of three years.

6. Every appeal to the Board shall be commenced by a notice in writing signed by the appellant. The appellant shall endorse on the notice of appeal an undertaking to pay any costs that may be awarded against him by the Board, and that in default of payment such costs may be deducted from any salary that may be or become payable to him; and, if the appeal is against dismissal, he shall deposit with his notice of appeal the sum of two pounds as security for the payment of such costs.

7. Every notice of appeal shall be lodged with the Inspector General of the Insane within fourteen days of the date of the decision appealed against. The Inspector General shall forthwith transmit the notice of appeal, if apparently in order, to the Board, and the Board shall hear and determine the appeal within thirty days from the date upon which the notice of appeal was lodged.

8. No legal practitioner or agent other than an employee of the Lunacy Department or the recognised secretary of a union to which the appellant belongs shall appear or be heard on any appeal; but the appellant shall appear in person or by some other employee of the Department or the secretary of the union as aforesaid, and the Department may appear by the Inspector General of the Insane or some other officer appointed by him in that behalf.

9. The Board may confirm, modify, or reverse any decisions appealed against, or make such other order thereon as the Board may think fit.

10. The Board may fix the costs of any appeal, and direct by whom and in what proportions they shall be payable, and in every case costs shall be awarded against the appellant whose appeal is considered frivolous.

11. The decision of the majority of the members of the Board shall be decision of the Board.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 2nd May, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI., must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper, advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to the date with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway, is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,

Perth, 2nd May, 1913.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions) and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

R. CECIL CLIFTON,

BY-LAWS FOR THE MANAGEMENT OF THE WICKEPIN PUBLIC CEMETERY.

BY virtue of all powers in that behalf vested in the Trustees of the Wickepin General Cemetery, the said Trustees make the following By-laws:—

1. All fees and charges payable to the Trustees, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in Schedule C.

3. All applications for interment shall be made at the office of the Trustees in such time as to allow of at least five working hours' notice to be given to the Secretary prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed, unless the application, together with the Magistrate's order therefor, be handed in at the office in such time to allow of at least five working hours' notice being given as stated above.

4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Before any interment is allowed, the "Order for Burial" shall be handed to and retained by the Secretary.

6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery.

7. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the surrounding ground.

8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

9. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from the District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Secretary, at the latest, upon the funeral entering the Cemetery. The certificate shall be retained, but the Coroner's order shall be returned to the person producing the same.

10. Unless otherwise ordered the principal entrance to the Cemetery shall be opened between the hours of 7 a.m. and 6 p.m. daily.

11. The hours for burial shall be as follows:—

Week days, 8 a.m. to 5 p.m.,

and no burial shall be allowed to take place, nor any coffin allowed to enter the Cemetery, at any other hour except by written permission of the Trustees.

12. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and if not punctually observed, the undertaker, responsible shall be liable to a fine of 10s. 6d.

13. Every funeral shall enter the Cemetery by the principal gate, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Any driver or other person neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

14. Children under the age of 10 years entering the Cemetery must be under the charge of some responsible person.

15. Smoking shall not be allowed within the Cemetery, nor any fireworks discharged therein.

16. No dogs shall be allowed in the Cemetery, and any found there shall be liable to be destroyed.

17. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any erection, or in any way infringing these By-laws, shall be expelled from the Cemetery.

18. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling by any means whatsoever, without the written consent of the Trustees. Any person infringing this By-law shall be expelled from the Cemetery.

19. No person employed by the Trustees shall be permitted to accept any gratuity whatever, other than the remuneration he receives from the Trustees, and any such person found guilty of accepting such gratuity shall be liable to summary dismissal.

20. Subject to the By-laws, and to the directions of the Trustees, the Secretary and Superintendent shall exercise a general supervision and control over all matters pertaining to the Cemetery, including the conduct of all funerals and interments within the Cemetery. For such services he shall receive from the Trustees a prescribed salary per annum.

21. Any person requiring an "Exclusive Right of Burial" in any part of the Cemetery shall apply to the Trustees, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the name of any deceased person or persons whose remains it is proposed to inter therein.

22. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Trustees may authorise the construction and erection thereof, or if no work is to be done, may issue a "Grant" in the form Schedule E.

23. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "Grant" in the form Schedule E.

24. Every such Grant shall be subject to By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon the production of the Order for Burial aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

25. Every coffin placed in any such brick grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

26. If application be made for an "Order for Burial" in any grave or vault of the remains of any person other than the person to whom the "Grant" was issued or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

27. Any person desiring to place or erect or to alter or add to any monument, tombstone, or enclosure in any part of Cemetery must first obtain the written consent of the Trustees, and otherwise comply with Section 23 of the principal Act (61 Viet., 23).

28. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which if required by the Trustees or their officers, shall extend to the bottom of the grave.

29. The materials used in any such erection shall be subject to the approval of the trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse or any material remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

30. Should any work by masons or others not be completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the Superintendent.

31. Masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the Secretary and Superintendent the sum of 10s., which shall be forfeited if either the conditions of the two preceding By-laws be not complied with.

32. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery; and all materials required by tradesmen shall be admitted at such entrance as shall be directed, and no vehicle conveying such material with wheels less than 4in. broad shall be permitted to enter the Cemetery.

33. No catacomb shall be allowed.

34. Subject to the approval of the trustees, each applicant for an "Order for Burial" shall within three months from the date of the application cause to be placed thereon or thereby at least a number plate of the number of the grave.

35. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault.

36. No trees or shrubs shall be planted on any grave except such as shall be approved by the Trustees.

37. All workmen, whether employed by the trustees or any other person, shall, whilst in the Cemetery, be under the supervision of the Superintendent and Secretary.

38. Licenses for grave dressing or decorating may be issued by the trustees. Such licenses to be renewed annually in January.

(c) The dressing of all graves and the wheeling and carting of any material shall be subject to the supervision of the Superintendent.

(d) Work in all cases to be carried on with due despatch and during working hours.

40. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interment, every undertaker shall pay to the trustees an annual fee of £2 2s., and shall at the time of making such payment give his assent in writing to such conditions as the trustees may deem fit to impose. Upon such assent being given and payment of the fee made, he shall receive a "Permit," to hold good during good behaviour and until the 1st day of January following, and unless in possession of such "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

41. Any person committing any breach of any of these By-laws made under any Act relating to cemeteries shall for every such offence be liable to a penalty not exceeding £5, and in case of continuing a further breach, a further sum not exceeding £1 for every day during which such breach continues, and shall be forthwith removed from the Cemetery, and shall be treated as a trespasser and may be proceeded against accordingly.

42. A plan of the Cemetery showing the distribution of the land, sections, situation and number of graves, and a register of all certificates of "Rights of Burial" shall be kept at the Office of the Board.
