**LAND OPEN FOR SELECTION.**

Department of Lands and Surveys,  
Perth, 24th October, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following By-laws under the provisions of "The Cemeteries Act, 1897," and amending Acts.

R. CECIL CLIFTON,  
Under Secretary for Lands.

*By-laws of Dudinanning District Cemetery.*

1. That all fees and charges payable to the Trustees, in accordance with Schedule "A," shall be paid when applications are made or orders given.

2. That any person desiring ground in the Cemetery for a private grave, vault, tomb, cenotaph, tombstone, and railing, wall, or for any other purpose, shall apply to the Trustees therefor. If approved, the Trustees, on payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule "B."

3. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the Cemetery shall, before obtaining permission to do so, submit a plan of such monument, tombstone, or enclosure, and specify the materials of which it is to be composed, to the Trustees, and shall obtain such permission, in writing, in the form of Schedule "D," before proceeding with the work.

4. If any person shall erect or place any monument or tombstone or enclosure upon any grave, the exclusive right of which has not been obtained, and shall fail to keep the same in repair after receiving one month's notice in writing from the Trustees so to do, then the Trustees may remove such monument, etc.

5. Every person who has the exclusive right of burial in any grave shall keep such grave, and any erection thereon, in proper repair, and if, after receiving notice in writing from the Trustees requiring such repairs to be executed, shall fail so to do, then after the expiration of twenty-eight days the Trustees may cause such repairs to be executed, and may recover the cost thereof from such person before any two justices in Petty Sessions.

6. (a.) That all applications for interment shall be made to the Secretary of the Trustees, and six working hours' notice shall be given to the Sexton prior to the time fixed for the burial, otherwise an extra charge will be made.

(b.) The name, age, and other particulars of the deceased shall be furnished when giving the order, as in Schedule "C."

7. The Trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault shall be permitted to construct the same under the directions of the Surveyor, on payment of the required fees, and every coffin placed therein shall be bricked in and made and kept air-tight.

8. That every coffin shall have upon the lid a lead or copper plate with the name of the deceased and date of burial thereon.

9. Every grave shall be at least six feet deep, except those used for the burial of infants, which the Trustees may allow to be of a lesser depth, but no interment shall be allowed in any grave with a lesser depth than three feet from the top of the coffin to the original surface of the ground.

10. That in case of application for interment in any private grave or vault to which during life the deceased person had no claim, the written consent of the owner shall be given with the application, or other satisfactory evidence that the person desiring to bury therein is entitled to do so.

11. That no burial shall be permitted to take place in the Cemetery without an order for burial being obtained from the Secretary of the Cemetery in the form of Schedule "C," and delivered to the Sexton of the Cemetery.

18. That no catacomb shall be allowed.

19. That the Trustees shall not (except in very exceptional circumstances, and when an order to exhume any corpse has been obtained under Section 41 of "The Cemeteries Act, 1897,") permit the removal of any corpse from any grave for re-interment in this or any other Cemetery, and before any such exceptional case can be dealt with by the Trustees, a written application setting forth the reasons for the proposed removal of such corpse, and verified by a statutory declaration, shall be produced by the nearest available representative of the deceased, and, in the event of such application being granted, the permission of the Colonial Secretary, in addition to the permission of the Trustees, shall be obtained. 23. That no smoking shall be allowed within the Cemetery, nor shall any explosives or fireworks be discharged therein, except by special permission and in case of a military funeral.

24. That every driver of a hearse, mourning coach or other vehicle, and every pedestrian, shall keep strictly to the roadways and paths as laid out respectively, and vehicles shall only be turned at points where provision for doing so is made.

25. That no animals other than horses drawing hearses or mourning coaches shall be permitted to enter the Cemetery except by permission. No dogs shall be admitted into the Cemetery; any found therein shall be liable to be destroyed.

26. That no person in the Cemetery or in its approaches shall commit any nuisance or trespass or be guilty of any breach of decorum, or cut, pluck, gather, or take out of the Cemetery any flower, plant, shrub, or tree, or any part thereof, or do any injury whatsoever thereto, or to any plot, border, railing, fence, or an erection or road, or remove or interfere with anything laid, built, or placed on any grave or plot or place; and any person so doing shall be guilty of a breach of this By-law, and on conviction be liable to a penalty as hereinafter provided for.

27. That no person shall promote or advertise or carry on, within the Cemetery or its precincts or approaches any trade or business or calling, either by solicitation, distribution of cards or circulars, or otherwise, or any other system of advertisement whatever.

28. The Secretary or Surveyor, as referred to in these By-laws, means the person for the time being employed by the Trustees as such for the Cemetery, and such person or persons shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the Cemetery, and to carrying out the enforcement of these By-laws, and the direction of such person or persons shall, in all cases, and for the purposes, be presumed to be and to have been the direction of the Trustees.

29. That all fees not paid may be recovered, and all proceeding under these By-laws taken before any two Justices in Petty Sessions, except where otherwise provided for.

30. That any person committing a breach of any of these By-laws shall be proceeded against, and shall be liable, on conviction, to such penalties as are hereinafter provided for.
