Department of Lands and Surveys,

Perth, 31st October, 1913.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII, must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI, must take the balance of same under Grazing Lease conditions.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

R. CECIL CLIFTON,

Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

OPEN 5th NOVEMBER, 1913.

Special meetings are those called under Section 123 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the member of the Board chosen to preside in his absence, shall be present.

11. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

12. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, such circumstances, together with the names of the members then present, shall be recorded in the minute-book.

13. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

Voting.

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meetings.

15. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting.
