LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 9th January, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1893," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

IT is hereby notified, for general information, that the lands described hereunder will be available for selection on the days as hereinafter shown, under Parts V. and VIII. of the Land Act and its amendments, and the Regulations framed thereunder.

The lands marked with an asterisk are also available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance is available subject to the special condition that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

UNIVERSITY OF WESTERN AUSTRALIA.

STATUTE.

No. 10.—Convocation.

PART I.—MEETINGS.

1. Convocation shall meet for the despatch of business at such times as the Warden may deem necessary.

2. The Warden, or in his absence the Clerk of Convocation, shall convene a meeting of Convocation upon the written requisition of fifteen members setting forth the objects for which the meeting is required to be convened, and such meeting shall be held within twenty days after the receipt of the requisition.

3. At any meeting of Convocation twenty-five members shall constitute a quorum.

4. If, at the expiration of thirty minutes from the time appointed for a meeting, there should not be a quorum present, the meeting shall lapse.

5. The Chairman shall have a vote, and in the case of an equality of votes, a second or casting vote.

6. Convocation may adjourn any meeting or debate to a future sitting.

7. Ten days' notice of any meeting of Convocation shall be given by advertisement in the *Government Gazette*, and in at least one other newspaper published in Perth; and, in addition, a printed notice of meeting shall be sent by post to each member of Convocation, at least ten days before the meeting, stating the business to be considered at such meeting.

8. All the proceedings of Convocation shall be entered in a Minute Book, which shall be kept for the purpose.

9. At all meetings of Convocation the Warden shall be the Chairman, but, in the event of the Warden being absent, a Chairman shall be appointed to act during the absence of the Warden, by a majority of those present.

PART 2.—STANDING RULES AND ORDERS OF CONVOCATION.

(i.) *Conduct of Business.*

1. The order of business at each meeting shall be as follows:—

(a.) (1.) Reading, amendment, confirmation, and signature by Chairman of the Minutes of the last meeting.

(2.) Business arising out of the Minutes.

(b.) Correspondence.

(c.) Adjourned business.

(d.) Reports of Committees.

(e.) Statutes.

(f.) Matters referred to Convocation by the Senate.

(g.) Motions on the Notice-paper.

(h.) Other business.

2. The order of procedure on a proposed new Statute or regulation shall be:—(1) Reception of the Statute or Regulation; (2) Committal to a Committee of the Whole, or to a Select Committee; (3) Adoption of the Statute or Regulation as amended by the Committee.

3. But if it is not desired to make amendments in the Statute or Regulation it may be adopted without reference to a Committee. Any proposed Statute or Regulation may be re-committed. The question that a proposed Statute or Regulation be now received may not be amended. The question that a proposed Statute or Regulation be committed to a Committee of the Whole or to a Select Committee may be amended by the substitution of Select Committee for Committee of the Whole and *vice versa*, but not otherwise. The question that a proposed Statute or Regulation be now adopted may be amended in order that it may be committed or re-committed, but not otherwise. All amendments in a proposed Statute or Regulation shall be relevant to the subject-matter thereof.

4. All notices of motion must be in writing and duly signed. Notices must be addressed to the Clerk of Convocation, and must reach the Office of the University fifteen days before the day of meeting. A notice of motion may be given by one member on behalf of another.

5. The regular order of business may be suspended at any meeting by a vote of two-thirds of the members present.

6. Except by permission of two-thirds of the members present no member shall introduce for discussion at a meeting a subject which has not been duly inserted on the Notice-paper for that meeting, and in no case shall such subject be decided at that meeting.

7. A question shall be decided on the voices or by a show of hands, unless a ballot be demanded by at least five members. When a question has been decided by show of hands any member may require the votes for and against to be recorded in the Minutes.

8. A division shall be taken in such manner as the Chairman shall direct.

9. At a special meeting only the business specified in the notice of such meeting shall be considered.

(ii.) *Rules of Debate.*

11. Should the Chairman desire to take part in a debate, he may vacate the Chair and call upon any member to act as Chairman.

12. Every member desiring to speak shall rise in his place and address himself to the Chair.

13. When two or more members rise to speak, the Chairman shall call upon the member who, in the opinion of the Chairman, first rose in his place.

14. A member may at any time move that the strict order of debate be followed. The motion shall be put to the vote without debate, and, if carried, no member, without the permission of the Chairman, shall speak twice during a debate, except that the mover of the original motion may reply, or that on one amendment being negatived a member may second a further amendment. Provided that a member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover replies, and that when an amendment becomes the question it shall be open to discussion, as though it were an original motion.

15. A reply shall be allowed to a member who has made a substantive motion, but not to any member who has moved an amendment.

16. No member may speak to any question after it has been put by the Chairman and the show of hands or ballot has been taken thereon.

17. In the absence of a member who has given notice of a motion any member present may move such motion, provided he has received written authority from the member who gave such notice.

18. A motion may be amended or withdrawn by the mover with leave of Convocation.

22. Any member proposing an amendment may be required to deliver it in writing to the Chairman.

23. Any motion or amendment not seconded shall not be further discussed, and no entry thereof shall be made on the Minutes.

24. When amendments have been proposed and negatived or withdrawn, the question shall be put as originally proposed.

25. A question may be superseded—

(a.) By a motion, "That Convocation proceed to the next business."

(b.) By the motion, "That Convocation adjourn," either of which, if seconded, shall be put forthwith.

26. A debate may be closed by the motion, "That the question be now put," being proposed, seconded, and carried, which question shall be forthwith put without amendment or debate; but such motion shall not pass in the affirmative unless by a vote of at least two-thirds of the members present in favour thereof.

27. A motion to rescind any decision of Convocation must have been previously submitted in writing in accordance with the provisions of Rule 4.

(iii.) *Committee of the Whole.*

28. A Committee of the Whole may be appointed by a resolution, "That Convocation do now resolve itself into a Committee of the Whole."

36. The Report of a Select Committee shall be in writing, signed by the Chairman, and presented by him.

(v.) *General.*

37. Should questions which are not dealt with in these Standing Orders arise, at either an ordinary, or a special, or an adjourned meeting, or in Committee of the Whole, the decision of the Chairman shall be final.

38. Any of these Standing Orders may be suspended for the time being, on motion made with or without notice, provided that such motion shall have the concurrence of two-thirds of those present.
