LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 23rd January, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. THE NAVIGATION ACT, 1904.

Collision of s.s. "Wyola" with dredge "Posidonia."

Harbour and Light Department,
Fremantle, 19th January, 1914.

THE attached Report and Finding of the Chief Harbour Master, under "The Navigation Act, 1904," into the circumstances attending the collision of the s.s. "Wyola" with the dredge "Posidonia," alongside of Victoria Quay, have been approved and concurred in by the Hon. the Minister.

G. J. SINCLAIR,
Secretary.

The Under Secretary.

I have to report, for the information of the Hon. the Minister, having held a Preliminary Inquiry, under the provisions of "The Navigation Act, 1904," on the 5th instant, into the circumstances attending the collision of the s.s. "Wyola" with the dredge "Posidonia," at Victoria Quay, on the morning of the 23rd day of December, 1913.

The "Wyola" is a Steam Tug, Official No. 131636, gross tonnage 306, nett 7 tons, owned by the Swan River Shipping Co. and plying in the water of the Harbour. The "Posidonia" is a Steam Dredge en route from Rotterdam to Port Pirie, having called for coals and stores, and at the time of the collision was berthed at Victoria Quay.

After taking the evidence of Carl Fredrick Douglas, Master of the Tug, who holds a Master's License for the port, issued by the Fremantle Boat Licensing Board; N. C. Vollervens, Master of the Dredge "Posidonia"; George Richmond, Engineer of s.s. "Wyola"; George Withers, Greaser of "Wyola" (man in charge of engines at time of accident); F. J. Sweetman, Master of

Pilot Launch "Lady Forrest," and Pilot Heaney, both of whom witnessed the accident, I have to report that on the morning of the 23rd ult. the Tug "Wyola" left Victoria Quay from abreast of "E" Shed to attend to the R.M.S. "Orvieto," in Gage Roads, without a certificated officer in the engine-room, the engines being in the charge of a greaser, G. Withers. When proceeding down the river the Engineer, G. Richmond, was noticed on the Wharf, and the Master, C. F. Douglas, went to the Wharf to pick him up. After the Engineer was taken on board, the vessel was sprung off the Wharf in the usual manner, and all went well till the Master rang from "Slow Astern" to "Half Ahead," when, instead of getting the latter, he got "Half Astern," and despite everything he could do from the bridge the vessel continued to go astern till just before the impact (too late to avoid the collision). The "Wyola" struck the bow of the Dredge "Posidonia" with her stern, causing considerable damage to the bows of the latter. The force of the collision drove the "Posidonia" astern, causing her lines to part and her stern to crash into the stern of the s.s. "Warilda," doing considerable damage to the stern of the former. The accident took place about three minutes after the Engineer boarded the vessel, and whilst he was in his room changing his clothes.

My finding in the above—

- (a.) The collision was caused by the man in charge of the engines becoming confused, thereby mistaking the telegraph signals.
- (b.) That the Master, C. F. Douglas, lacked discretion in leaving the Wharf without a responsible and certificated officer in the engine room, but the case does not warrant further action on the part of the Department.

(Signed) C. J. IRVINE,
Chief Harbour Master.
