LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 17th April, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease,

but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

3. No permanent appointment shall be made to any office under the Board until after an advertisement has been published in one or more local newspapers calling for applications from persons competent to fill such an appointment. All appointments shall be made by resolution passed by the Board. In the event of there being more than one applicant for such appointment, the election thereto shall be conducted by ballot so as to obtain an absolute majority of the members present.

4. The election of all other officers shall be conducted by a show of hands, unless a ballot be demanded, in which case the procedure in the foregoing By-law shall be followed.

5. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered with a view to its increase or reduction unless specially authorised by a meeting of the Board at which at least five of the members are present.

6. All complaints against servants of the Board must be in writing, and must in every case be signed by the person or persons complaining, and no notice whatever shall be taken of any complaint not made in accordance with this By-law. Meetings and Proceedings.

7. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

8. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 123 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 136 of the Roads Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The

Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of Board, as the case may be, shall preside.

9. Ordinary meetings shall be held at the office of the Board, Kunjinn, on the Saturday on or before full moon in the month, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

10. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the members of the Board chosen to preside in his absence, shall be present.

11. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

12. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, such circumstances, together with the names of the members then present, shall be recorded in the minute book.

13. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

Voting.

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meetings.

15. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

Standing Orders.

16. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (a.) Reading and confirmation of minutes of last ordinary, also special meetings (if any).
- (b.) Consideration of business arising out of minutes.
- (c.) Questions, of which due notice has been given by members or officers of the Board.
- (d.) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board by a minute signed by himself, and such minute shall when introduced take precedence of all business before or to come before the Board, and the adoption thereof may be put by him from the Chair as a motion without being seconded, but he shall confine himself to the questions contained therein.
- (e.) Reports of sub-committees.
- (f.) Presentation of petitions or memorials, and consideration thereby.
- (g.) Reading of correspondence (received and despatched) and taking action as may be deemed expedient in regard thereto.
- (h.) Consideration of tenders and ratification of contracts.
- (i.) Passing of accounts for payment.
- (j.) Motions of which previous notice has been given.
- (k.) Motions without notice (by leave of the Board under By-law 2).
- (l.) General business.
- (m.) Notice of motions.

17. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

18. Any member wishing to rescind any motion shall act in direct compliance with Section 128 of the Roads Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

Petitions.

19. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

20. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a Committee appointed for the purpose.

Orders of Debate.

Speakers must not digress.

21. A member having audience shall not digress from the subject of debate.

Unopposed Notices of Motion.

22. The Chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded may then, without discussion, put the motion to the vote.

Correspondence.

23. All correspondence with the Board shall be addressed to the Secretary and submitted to the Board. No letter addressed to the Board shall be presented or read by a member.

Consideration of Reports.

24. (a.) If in a report of a committee, distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b.) Any report of a committee or any portion thereof may be amended by the Board in any matter it may think fit, or may be referred back to the committee for further consideration.

(c.) The recommendations of any committee when adopted by the Board shall be resolutions of the Board.

Precedence of Chairman.

25. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the Chairman may be heard without interruption.

Notice of Motion: Absence of Mover.

26. In the absence of a member who has placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

Withdrawal of Motions.

27. Except as elsewhere provided, no motion after being placed on the business paper shall be withdrawn without the consent of the Board.

Motions to be Seconded.

28. No motion shall be debated unless or until it has been seconded.

Motions not to be withdrawn without Consent.

29. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without consent of the Board.

Amendment may be moved.

30. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded.

Motions and Amendments to be in Writing.

31. No motion or amendment shall be debated unless or until it has been reduced to writing if the Chairman so directs.

Further Amendment may be moved on Amended Question.

32. If an amendment has been carried the question as amended thereby shall become itself the question before the Board, whereupon any further amendment upon such question may be moved.

How Subsequent Amendments may be Moved.

33. If an amendment, whether upon an original question or upon any question amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved and so on, provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

Motions for Adjournment.

34. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

Mover of Adjournment when entitled to Priority.

35. On resuming any discussion which has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.

Notice of Questions to be given.

40. No member shall be interrupted while speaking except for the purpose of calling him to order as hereinafter provided or in pursuance of By-law.

41. One or more amendments may be proposed on a motion before the Board. When more than one amendment is moved, the question shall be first put on the last amendment, then on the next in succession, and then on the original motion, in the reverse order in which they were moved.

42. A motion or amendment not seconded cannot be discussed by any member except the mover, nor put by the Chairman.

43. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.
