IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease, but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

R. CECIL CLIFTON,

BY-LAWS FOR THE MANAGEMENT OF THE
WILLIAMS PUBLIC CEMETERY.

BY virtue of all powers in that behalf vested in the Trustees of the Williams Public Cemetery, the said Trustees make the following By-laws:—

1. All fees and charges payable to the Trustees, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.
2. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in Schedule C.
3. All applications for interment shall be made at the office of the Trustees in such time as to allow of at least five working hours' notice to be given to the Secretary prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed, unless the application, together with the Magistrate's order therefor, be handed in at the office in such time to allow of at least five working hours' notice being given as stated above.
4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.
5. Before any interment is allowed, the "Order for Burial" shall be handed to and retained by the Secretary.
6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery.
7. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the surrounding ground.
8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.
9. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from the District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Secretary, at the latest, upon the funeral entering the Cemetery. The certificate shall be retained, but the Coroner's order shall be returned to the person producing the same.
10. Unless otherwise ordered the principal entrance to the Cemetery shall be opened between the hours of 7 a.m. and 6 p.m. daily.
11. The hours for burial shall be as follows:—
Week days, 8 a.m. to 5 p.m.,

13. Every funeral shall enter the Cemetery by the principal gate, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. 16. No dogs shall be allowed in the Cemetery, and any found there shall be liable to be destroyed.

17. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any erection, or in any way infringing these By-laws, shall be expelled from the Cemetery.

18. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling by any means whatsoever, without the written consent of the Trustees. Any person infringing this By-law shall be expelled from the Cemetery.

19. No person employed by the Trustees shall be permitted to accept any gratuity whatever, other than the remuneration he receives from the Trustees, and any such person found guilty of accepting such gratuity shall be liable to summary dismissal.

20. Subject to the By-laws, and to the directions of the Trustees, the Secretary and Superintendent shall exercise a general supervision and control over all matters pertaining to the Cemetery, including the conduct of all funerals and interments within the Cemetery. For such services he shall receive from the Trustees a prescribed salary per annum.

21. Such application shall also state the name of any deceased person or persons whose remains it is proposed to inter therein.

22. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Trustees may authorise the construction and erection thereof, or if no work is to be done, may issue a "Grant" in the form Schedule E.

23. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "Grant" in the form Schedule E.

24. Every such Grant shall be subject to By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon the production of the Order for Burial aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

25. Every coffin placed in any such brick grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

26. If application be made for an "Order for Burial" in any grave or vault of the remains of any person other than the person to whom the "Grant" was issued or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

27. Any person desiring to place or erect or to alter or add to any monument, tombstone, or enclosure in any part of Cemetery must first obtain the written consent of the Trustees, and otherwise comply with Section 23 of the principal Act (61 Vict., 23).

28. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which if required by the Trustees or their officers shall extend to the bottom of the grave.

29. The materials used in any such erection shall be subject to the approval of the trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse or any material remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

30. Should any work by masons or others not be completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the Superintendent.

31. Masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the Secretary and Superintendent the sum of 10s., which shall be forfeited if either the conditions of the two preceding By-laws be not complied with.

32. All material required in the erection and completion of any work shall, as far as possible, be prepared

before being taken to the Cemetery; and all materials required by tradesmen shall be admitted at such entrance as shall be directed, and no vehicle conveying such material with wheels less than 4in. broad shall be permitted to enter the Cemetery.

33. No catacomb shall be allowed.

34. Subject to the approval of the trustees, each applicant for an "Order for Burial" shall within three months from the date of the application cause to be placed thereon or thereby at least a number plate of the number of the grave.

Upon such assent being given and payment of the fee made, he shall receive a "Permit," to hold good during good behaviour and until the 1st day of January following, and unless in possession of such "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

41.
