**LAND OPEN FOR SELECTION.**

Department of Lands and Surveys,  
Perth, 18th September, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Depart-

ment, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

#### THE NAVIGATION ACT, 1904.

Harbour and Light Department,  
Fremantle, 14th September, 1914.

THE following Report and Finding of the Deputy Chief Harbour Master into the circumstances attending a fire on board the s.s. "Janus," 20 miles East of Breaksea, on the evening of the 27th August, 1914, has been approved by the Hon. the Colonial Secretary.

G. J. SINCLAIR,  
Secretary.

1498/14.

*The Under Secretary.*

I beg to report, for the information of the Hon. the Minister, having, with the assistance of the Secretary of the Navigation Act, held an exhaustive Preliminary Inquiry into the circumstances attending a fire that occurred in the No. 2 hold of the s.s. "Janus" on the evening of the 27th August, the vessel then being 20 miles East of Breaksea.

The "Janus" is a single screw steamer, 4,824 tons gross and 3,078 nett register, owned by the British India Steam Navigation Co., Official No. 120765, manned by British officers and Indian crew.

After due consideration of the evidence, I find:—

(a.) The s.s. "Janus" arrived at Fremantle from Colombo on the 24th August, at 6 p.m., with a cargo of Indian merchandise, including fibre. A portion of the latter consigned to Eastern States was landed and placed in the goods shed to enable the stevedores to have access to Fremantle cargo. This fibre was afterwards re-stowed in the ship, care being taken that same was not exposed to rain or damp. In fact, every precaution appears to have been taken against risk of fire.

(b.) The vessel left Fremantle at 1.30 p.m. on the 26th, experiencing somewhat rough weather and sea, particularly when rounding the Leeuwin.

(c.) At 10 a.m. on the 27th the Chief Officer made an examination of the holds as usual, and found everything in order.

(d.) At 11.45, when the ship was about 20 miles East of Breaksea, the 3rd Officer, who was then on watch, observed sparks issuing from the after starboard ventilator of No. 2 hold. He immediately called the Master, and all hands turned out.

(e.) It was soon discovered that it was impossible to subdue the fire, and the vessel was headed for Albany with all possible speed.

(f.) When the Pilot (myself), accompanied by Pilot Howe, boarded the vessel she was enveloped in thick smoke, the decks were burning, the side of the ship was quite hot, the telegraph to the engine-room burnt off, and it was with difficulty the Pilot was able to pick up the lights, owing to the thick smoke.

(g.) The vessel was anchored in the Inner Harbour with two feet of water under her, and notwithstanding all the assistance rendered by the three tugs, fire brigade and others from ashore, it was found necessary to flood the ship by opening engine-room sea connections.

(h.) I am unable to give a verdict of the cause or origin of the fire, as the evidence goes to show it was not spontaneous combustion, as there was no previous sign of smoke or smell when in Fremantle, or when the Chief Officer visited the hold some 13 hours previous. Neither does the evidence support the suggestion of friction.

(i.) My finding thereby is that the fire started suddenly, and from some unknown cause.

(j.) There is ample evidence that, as soon as the fire was discovered, every endeavour was made in the proper direction to extinguish same, and had this not been done the result of the fire though serious would have in all probability been a calamity, and the exertion of the local people reflects great credit on all concerned, and is thoroughly appreciated by the Master and Officers.

(Sgd.) F. WINZAR,  
Deputy of the Chief Harbour Master.

(Sgd.) G. J. SINCLAIR,  
Secretary Navigation Act.

No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the member of the Board chosen to preside in his absence, shall be present.

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### *Minutes of Meetings.*

15. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. *Motions for Adjournment.*

34. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.
