**LAND OPEN FOR SELECTION**

Department of Lands and Surveys,  
Perth, 23rd October, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Kalgoorlie order as follows:—

1. No person shall within the Municipality of Kalgoorlie carry on nor permit nor suffer to be carried on any blasting or quarrying operations without having first obtained permission in writing from the Town Clerk so to do, and the Town Clerk may in his discretion refuse or withhold such permission without assigning any reason for such refusal.

2. Before granting such permission the Town Clerk shall require the applicant to deposit with the City Treasurer such sum (if any) not exceeding £20, as the Town Surveyor may deem advisable, to ensure the repair and making good to his satisfaction any damage to any footpath, street, road, way, or other property belonging to or under the control of the Council that may be caused by any such blasting or quarrying operations, and such deposit shall be dealt with as hereinafter mentioned.

3. Any person who has obtained such permission as aforesaid shall before commencing or suffering or permitting blasting or quarrying operations, put up such notices to the approval of the Town Surveyor, and in such places as may be directed by such permission or by the Town Surveyor, and shall keep such notices conspicuously exhibited during the whole of the time any blasting or quarrying operations are being carried on.

4. The Town Surveyor may give such directions as he deems advisable with respect to the size, weight, or amount of any explosive that may be used in any one charge in blasting operations.

10. Upon the Town Surveyor certifying to the Town Clerk that no damage has been done to any footpath, street, road, way, or other property belonging to or under the control of the Council or that if any damage has been done the same has been repaired and made good to his satisfaction, the deposit referred to in Clause 2 hereof, or in the event of any part thereof having been expended in repairing or making good such damage the balance (if any) of such deposit shall be returned to the person who lodged the same.

11.
