LAND OPEN FOR SELECTION

Department of Lands and Surveys,
Perth, 11th December, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

WHEREAS by "The Roads Act, 1911," the Road Board of any District is empowered to make By-laws for all or any of the purposes mentioned in the said Act: Now, therefore, the Melville Road Board, in pursuance of the powers vested in the said Board under and by virtue of the said Act and of every other authority enabling it in that behalf, doth hereby make and publish the following special By-laws regarding the taking of a poll in respect of proposed loans:—

1. When demand shall have been duly made under Section 266 of "The Roads Act, 1911," the Secretary shall forthwith prepare a special roll of the names of all persons who appeared to be resident owners of rateable land within the meaning of Section 266.

2. The various forms mentioned in these By-laws shall be those approved of by Order in Council on the 8th July, and published in the *Government Gazette*, 17th September, 1913.

3. The said roll shall be as prescribed by Form No. 40, and shall be available for inspection by any ratepayer at the Road Board Office, within the usual office hours, not later than 10 days before the date fixed for the holding of the poll.

4. On or before the fifth day before the closing of the poll, any resident owner:—

(a.) Whose name has not been inserted in the roll may, by letter delivered or sent through the post addressed to the Secretary, apply to have his name inserted therein, and shall give particulars of his claim.

(b.) Whose name has been inserted in the roll and who is dissatisfied with such roll as not specifying the full rateable value of the land owned or leased by him may, in like manner, apply to the Secretary to have the amount of such rateable value altered, and shall give particulars of his claim.

(c.) Whose name appears in the roll, or who claims to have his name inserted in such roll, may, in like manner, object to the name of any other person appearing in such roll as not being entitled to have the number of votes set against his name.

Any such claims or objections shall be as prescribed by Form No. 5, or to the like effect, and any objection under subsection (c) shall be made in duplicate by the person objecting, and it shall be the duty of the Secretary to send one of such notices to the person objected to.

5. (a.) The Board shall hold an open court to be called a Revision Court within the Road Board District, for the purpose of revising the roll, and such revision shall take place before the day fixed for the holding of the poll at such time and place as the Chairman shall appoint, and the Chairman shall give notice of the holding of such court and the time and place thereof, by placing such notice on some building within the Road Board District, and by advertisement in a newspaper circulating in the District.

(b.) The court shall consist of the Chairman, or in his absence of a chairman appointed by the other members of the court, and of not less than one-third of the members of the Board.

6. Every such court may be adjourned, and if at any time for half-an-hour after the time appointed for holding such court, or adjourned court, a sufficient number of members to form a court is not present, the Chairman, or, in his absence, any member or the Secretary, shall adjourn the Court, but no such court shall be adjourned beyond the day before the holding of the poll.

7. (a.) The Secretary shall himself, or by some person on his behalf if he is prevented from so doing, attend the revision court, and produce to the court the roll and lists of the persons who have sent in claims and who have been objected to.

(b.) The court may order, if required, that the valuer or valuers, and all collectors of rates shall also attend the said court, and produce all books, papers, and documents in their possession connected with their respective offices.

(c.) The officers aforesaid shall answer, on oath or otherwise, all such questions as the court may put to them touching any matters necessary to be ascertained for revising the roll.

8. (a.) The revision court shall have authority to hear, receive, and examine evidence by summons under the hands of the Chairman, to require all persons as the court may think fit to appear personally before such court, at a time and place to be named in such summons, and to produce all books and papers in their possession or under their control as may appear necessary for the purpose of their examination.

(b.) The court shall have like powers for compelling the attendance of the witnesses summoned and their examination upon and taking of oaths and affirmations and their answering questions touching the premises as by any law in force for the time being is vested in justice exercising summary jurisdiction, and the Chairman may issue any summons at any time after he has appointed a time for holding the said court.

9. The revision court shall in open court determine as hereinafter provided upon the validity of all claims and objections, and every such determination shall be by the decision of the majority, and in case of an equal division of votes, the Chairman shall have a casting vote in addition to his vote as a member of the court.

10. (a.) The revision court shall insert in the roll under the revision the name of every person who has claimed as aforesaid, and has proved to the satisfaction of the court to be entitled to be inserted therein for one or more votes according to the provision of the Act.

(b.) Subject as hereinafter provided, the court shall retain on the list the names of all persons to whom no objection has been duly made with the number of votes unaltered.

(c.) The revision court shall retain on the list the name of every person who has been objected to by any person and the number of votes unaltered, unless the person so objecting appears by himself, or by some person duly authorised in writing on his behalf, in support of the objection, and proves the service of the requisite notices.

(d.) When the name of any person inserted in the roll or the number of votes set against his name has been duly objected to and the person objected to appears by himself or by someone on his behalf in support of such objection, the court shall require proof of so much qualification of the person objected to as is embraced in the grounds of objection and no more.

(e.) In case the qualification of such person is not proved to the satisfaction of the court, the court shall expunge the name of such person from the list, or shall alter and correct the number of votes set against his name, as the case may require.

(f.) The court shall expunge from the list the name of every person who is proved to be dead.

(g.) The court shall, by means of the rate book valuation and return, correct any mistake or supply any omission which may appear to such court to have been made in the roll in respect of the name, place of abode, or trade or occupation of any person who is included therein, or in respect of the local description of the rateable property, or the situation thereof, or the rateable value thereof.

(h.) But no person's name shall be inserted by the court in the roll, or be expunged therefrom, unless notice has been given as hereinbefore required.

11. (1.) The Chairman shall in open court:—

(a.) Write initials against every name struck out or inserted as aforesaid, and against any part of the roll in which any mistake has been corrected, or omission supplied.

(b.) Initial every page of the roll so settled.

(c.) Cause to be written at the foot or end of the list a certificate that the same has been revised and is correct, with the date thereof.

(2.) The Chairman and not less than two other members of the Board shall severally sign such certificate.

(a.) who intends to be absent from the District on the day of the election; or

(b.) resides more than five miles from a polling place; or

(c.) is prevented by illness or infirmity from attending a polling place,

may at any time before the day appointed for the holding of the poll apply personally, or in writing, to the returning officer for a postal voting paper. The returning officer shall thereupon supply the same and shall make a mark against the name of the said owner on the said roll.

12a. Voting papers shall be as prescribed by Form No. 41, and postal voting papers shall be as prescribed by Form 42.

13. Any person who has applied for and received a postal voting paper for the purpose of voting shall not be entitled to vote otherwise.
