LAND OPEN FOR SELECTION

Department of Lands and Surveys,
Perth, 18th December, 1914.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from

the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

Office of Public Service Commissioner,

Perth, 16th December, 1914.

THE following Report and List of Decisions of the Public Service Appeal Board are published for general information.

M. E. JULL,
Public Service Commissioner.

To His Excellency Major General Sir Harry Barron, K.C.M.G., C.V.O., Governor of the State of Western Australia.

Sir,

In accordance with the provisions of "The Public Service Act, 1904," the Appeal Board appointed under the said Act has the honour to forward herewith the Report of the decisions of the Board upon the appeals against the proposals of the Commissioners relating to the classification and re-classification of the various offices referred to in the said report.

In so doing the Board desires to express the hope that in the case of future appeals means will be found to obviate the great delay which has occurred in connection with the present appeals. The length of time which has elapsed between the classification and the hearing of the appeals made it difficult to assess the value of offices at the date of the classification, owing to altered conditions, and in many cases to changes in the duties of the appellants.

The Board would also point out that in many cases the evidence disclosed the fact that officers were not performing the duties which by the classification the Commissioners intended should be performed by them. This was apparently due in some cases to the fact that the classification did not specifically and sufficiently indicate the intentions of the Commissioners, and in other cases because the Heads or Sub-heads of Departments considered the proposals unworkable and declined to alter the routine of their offices.

To meet this difficulty the Board would suggest that in future classifications a general outline of the duties attached to each position should be shown, and that there should be some officer whose duty it should be to see that effect be given to the intentions of the Commissioners, or, if they be found unworkable, that the necessary reclassification be effected.

Finally, the Board desires to place on record the fact that a number of the appellants satisfied it that they have substantial grounds for asking for a revision of the grade at which, within their respective ranges, their salaries have been fixed by the classification.

As, however, the Full Court has laid it down that the fixing of a salary of an officer is not a "proposal relating to the classification of an office," and, therefore, not a matter cognisable by this Board, and as, moreover, the Board constituted with the Commissioner

as Chairman has, so far, declined jurisdiction on what have been called "grade appeals," the officers in question are left without that redress which they consider the Legislature intended they should have.

The Board desires to express its appreciation of the assistance which Mr. Alcock has rendered to it, and of the fair and able manner in which he conducted the appeals on behalf of the Commissioner.

We have the honour to be,

Sir,

Your obedient servants,

R. B. BURNSIDE,
Chairman.

J. A. NORTHMORE,
Deputy Chairman.

W. H. HOPE,
Member appointed by Governor.

W. A. SAW,
Elective Member for Professional Division.

WILLIAM ROWLEY,
Deputy Elective Member for Professional Division.

CHAS. E. NEWSHAM,
Elective Member for Clerical Division.

ARTHUR G. HEWBY,

In the opinion of the Board the evidence shows that it is impossible with justice to the officers to carry out the work of the Audit Department with less than six Senior Inspectors. If the scheme of the classification were adhered to, the result would be that officers classified on the lower range would have to continue to do the work of Senior Inspectors.

1272	Agricultural Bank	Grogan, W. ..	Accountant	£ 312—408	As classified	£ 336—456		The evidence on this appeal satisfied the Board that circumstances have so altered since the classification that this officer is now required to do work which should not properly fall to the Accountant, and it considers that the work which this officer has been, and is doing, should be recognised, and that there should be a reclassification with the view of the creation of a new office under some such title as Chief Clerk. In fixing the range at £336—£456 the Board has had regard only to the work which properly falls within the scope of the duties of Accountant.

Inspector (Fremantle	204—240	As classified	204—300	The Board is of opinion that the office of Inspector is one which offers little or no chance of promotion, and moreover is essentially an office in which length of service is calculated to enhance the value of the occupant's services. Whilst therefore not prepared to increase the minimum salary attached to the position, the Board thinks that the range should be so extended as to offer some inducement to officers to remain in the position.

Supreme Court, Perth.

AT an extraordinary general meeting of the Scottish Collieries, Limited, held at Perth on Wednesday, the 9th day of November, 1914, the following resolution was duly passed:—

Resolved: That the Articles of Association of the Company be amended by adding the following Clause thereto:—

(a.) That the Capital of the Company be increased by the creation of Twenty thousand new shares of £1 each, to be called cumulative preference shares, to which there shall be attached the special right and privileges following, that is to say:—

(i.) The profits of the Company which, in respect of any year or other period, it shall be determined to distribute and apply shall be applied in order of the priority and manner following:—

Firstly: In payment to the holders of such preference shares of cumulative preferential dividend at the rate of Eight pounds per centum per annum on the capital for the time being paid up on such preference shares respectively.

Secondly: Of the surplus then remaining one-fifth thereof shall be set apart and paid into a reserve fund to be entitled "The Cumulative Preferential Dividend Reserve Fund" until such reserve fund shall have been declared closed, in manner provided in Subclause 4 hereof, and if re-opened during all such time as the same shall remain open.

Thirdly: The remaining four-fifths of the surplus shall be applied in payment to the holders of the ordinary shares of dividends up to but not exceeding in any one year ten per cent. on the capital for the time being paid up on such ordinary shares respectively.

Fourthly: After payment of the dividends to the ordinary Shareholders, as hereinafter provided, the balance shall be divided into three equal parts and

one of such parts shall be paid to the holders of the preference shares, and the other two parts shall be paid to the holders of the ordinary shares.

(ii.) The capital paid up on the preference shares shall not be liable to cancellation or reduction in respect of loss or depreciation.

(iii.) As soon as the reserve fund, provided for in Clause (i.) hereof, shall amount to a sum equal to three years' dividend at the rate of Eight per cent. on the capital for the time being paid up on the said Preference Shares of the Company, the Directors shall have power then or at any time thereafter to declare the same closed, and the same shall thereupon be deemed closed, but the Directors may at any time and shall, whenever the said reserve fund shall fall below the sum hereinbefore mentioned, reopen the said reserve fund and keep the same open until the amount thereof shall then be equal again to the said sum, and so long thereafter as they shall deem fit.

The said reserve fund shall, in any year when there are no profits available or the profits of the Company shall be insufficient to pay a dividend of Eight per cent. per annum to the holders of the preference shares as hereinbefore provided, be applied (in the discretion of the Directors) in payment of or towards the payment of a dividend of Eight per cent. per annum to the holders of the preference shares, and such reserve fund shall not be applied for any other purpose except with the consent in general meeting or of the holders of the preference shares for the time being.

(iv.) In the event of the winding up of the Company the holders of the preference shares shall be entitled to have the surplus assets first, in paying off the capital paid up on the preference shares held by them respectively. Secondly, in paying off the arrears (if any) of the preferential dividend aforesaid to the commencement of the winding-up and thereafter to participate rateably with the holders of other shares in the residue (if any)

of such surplus assets which shall remain after paying off the capital paid up on such other shares.

(v.) If the preference shares aforesaid shall be converted into stock, such stock shall be called Preference Stock, and the rights and privileges attached to the preference shares shall, as nearly as may be, attach to the preference stock.

(vi.) The preference shares shall not confer upon the holders thereof any rights to attend or vote, either in person or by proxy, at any general meeting or to have notice of such meeting unless the meeting is convened for reducing the capital or winding up or sanctioning a sale of the undertaking or altering the regulations of the Company or where the proposition to be submitted to the meeting directly affects the rights and privileges of the holders; provided that the foregoing restrictions upon the voting powers of the Preference Shareholders shall be suspended and preference shares shall confer upon the holders thereof the same right to receive notices and to vote as ordinary shares, whenever and so long as the dividend on the preference shares shall be three months in arrears.

(vii.) The preference shares aforesaid shall be issued to such persons and on such terms and conditions as the board may think fit, and Clause 29 of Table A shall as regards such shares be deemed to be modified accordingly.

(Sgd.) W. JOHNSON,
Chairman.

F. Morley Alcock, Solicitor for the Scottish Collieries, Limited, T. & G. Chambers, St. George's Terrace, Perth.
