**LAND OPEN FOR SELECTION.**

Department of Lands and Surveys,

Perth, 5th November, 1915.

It is hereby notified, for general information, that the areas scheduled hereunder will be made available for selection under "The Land Act, 1898," and its amendments, on and after the dates set out in said schedule. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

Department,

W.S. 7269/14. Perth, 29th October, 1915.

HIS Excellency the Governor in Council has been pleased to make the following Regulations and to prescribe the following Forms under the provisions of "The Rights in Water and Irrigation Act, 1914."

Provided that such Regulations shall only apply to rivers, streams, water-courses, lakes, lagoons, swamps, and marshes, the water from which is required for irrigation under Part 4 of this Act, and such Regulations shall apply only to Irrigation Districts constituted and defined under Section 28 of the Act.

H. C. TRETOWAN,

## REGULATIONS GOVERNING THE ISSUE OF ORDINARY LICENSES TO OWNERS OR OCCUPIERS OF LAND TO TAKE, USE, OR DISPOSE OF WATER FROM WATER-COURSES, LAKES, LAGOONS, SWAMPS, OR MARSHES.

*Interpretations.*

1. In these regulations the following terms shall, unless the context otherwise indicates, have the meanings respectively assigned to them:—

"The Act"—"The Rights in Water and Irrigation Act, 1914."

"Lake, Lagoon, Swamp, or Marsh" means a natural collection of water into and out of which passes, either continuously or intermittently in a natural channel, a current forming the whole or part of the flow of a river, creek, stream, or water-course.

"Water-course" means a river, stream, or creek in which water flows in a natural channel, whether permanently or intermittently.

"Gazette" means the *Government Gazette* of Western Australia.

"Minister" means the Minister of Water Supply, Sewerage, and Drainage, or such other member of the Executive Council as the Governor may appoint to administer the Act.

"Occupier" means the person by whom, or on whose behalf, any land is occupied, and if there is no occupier, the person entitled to possession.

"Owner" means the person who, for the time being, is entitled to receive the rent of any land, either on his own account or on account of some other person, or who would be entitled to receive the rent if the land were let at a rent.

"Prescribed" means prescribed by the Act or the Regulations or By-laws made under the Act.

*Basis of Application.*

2. No owner or occupier of land shall take, use, or dispose of water from any water-course, lake, lagoon, swamp, or marsh within an Irrigation District constituted under the Act, unless in pursuance of a license under these Regulations.

Provided that the owners or occupiers of land alienated from the Crown through or contiguous to which runs any water-course, or within or contiguous to which is wholly or partly situate any lake, lagoon, swamp, or marsh, shall in respect of such ownership or occupation have the rights conferred by the Act for free water for domestic and ordinary use and for watering cattle or other stock, and every owner of land alienated from the Crown before the commencement of the Act shall have a further right to such water for the irrigation of a garden not exceeding five acres in extent, being part of such land and used in connection with a dwelling.

*Minister may grant licenses subject to certain conditions.*

3. The Minister may, on the advice of the Commissioner, grant an ordinary license to the owner or occupier of land to take, use, or dispose of water from any water-course, lake, lagoon, swamp, or marsh, for a period not exceeding ten years, on the terms and subject to the conditions hereinafter prescribed.

*Form of application for license.*

4. Applications for ordinary licenses shall be in writing, in the Form No. 1 in the Schedule hereto, signed by the applicant or by his agent duly empowered in writing, and shall give the following particulars:—

- A sufficient description of such land to enable proper searches as to title to be made;
- The name or description of such water-course, lake, lagoon, swamp, or marsh;
- The use to which such land is applied at the time of making the application;
- The quantity of water for daily consumption for which the license is sought;
- The names and addresses of the occupier or occupiers of such land, and of the owners and occupiers respectively of the lands contiguous to such water-course, lake, lagoon, swamp, or marsh, within a distance of three miles of such land;
- A map shall accompany application showing location of land and indicating the point where diversion of water is proposed to be made.

*Applications shall be accompanied by statutory declarations.*

5. Each application shall be accompanied by a statutory declaration in the Form No. 2 of the Schedule hereto, verifying the several statements therein made.

*Applications to be published in "Gazette" and local newspaper.*

6. The Minister shall cause notice of every application to be published in the *Gazette* and in at least one issue of a newspaper circulating generally in the neighbourhood of the land, and shall direct copies of such notice to be served on such persons as he thinks fit, and shall appoint a time not more than one month from the date of such notice or of the first of such advertisements within which objections to such application may be received.

*Objections to issue of licenses.*

7. Within the time limited as aforesaid, any owner or occupier of land contiguous to such water-course or lake, lagoon, swamp, or marsh within the said distance of three miles may, in writing in the Form No. 3 of the Schedule hereto signed by him and addressed to the Minister, object to such application being granted, and submit to the Minister the grounds of such objections, together with evidence by statutory declaration in the Form No. 4 of the Schedule hereto supporting the same.

*Minister may refuse or direct the issue of license.*

8. The Minister, after such inquiry into the subject-matter of the application and of any objections thereto as he thinks proper to direct, may, subject to the recommendation of the Commissioners, either refuse the application or direct that an ordinary license in the Form No. 5 of the Schedule hereto be issued to the applicant in respect of the land and user of the water specified in the application or of so much of such land and water as he thinks fit.

*Conditions of license.*

9. Such ordinary license shall be subject to such special conditions and provisions as the Minister shall determine, and to the provisions of the Act so far as the same are applicable thereto, and to the further condition that it may be determined or modified at any time in the event or manner hereinafter prescribed.

*Privileges of license.*

10. The licensee under his license may divert, take, and use water to the extent and in respect of the land and in the manner specified in such license.

*Licensee shall lodge declaration that water is utilised in terms of license.*

11. The licensee shall, at the end of each year of the currency of such license, lodge at the office of the Minister a statutory declaration, headed in the matter of this Act and of his license, in the Form No. 6 of the Schedule hereto, declaring whether the diversion and use of the water have been throughout the past year and still are only as sanctioned by the license.

*Determination of license.*

12. If at any time during the currency of such license it is proved to the satisfaction of the Minister that the licensee has failed to observe and perform the conditions and provisions subject to which it was issued and held, or that it is expedient, in the interests of the public, as to the diversion and use of the water sanctioned by such license, that the license should be determined or modified, the Minister may, acting on the advice of the Commissioners, give the licensee notice in writing, in the Form No. 7 of the Schedule hereto, by registered letter sent through the post office, that after the expiration of one month from the date of such notice it is his intention to revoke or to modify such license.

*The Minister may revoke or modify license.*

13. Unless the licensee, before the expiration of the month so fixed, shows to the Minister sufficient cause why the license should not be revoked and determined or modified, the Minister may thereupon revoke or modify such license.

*Compensation to licensee.*

14. If such action is taken in the interests of the public, such amount by way of compensation may be paid to the licensee out of the Consolidated Revenue Funds as to the Minister may seem equitable.

*Fees.*

15. A fee shall be payable, prior to the issue of license, at the rate of twenty shillings (20s.) for each and every cubic foot per second, or part thereof, which shall be usable under the license.

112. When demand shall have been duly made under Section 266 of "The Roads Act, 1911," the Secretary shall forthwith prepare a special roll of the names of all persons who appeared to be resident owners of rateable land within the meaning of Section 266.

113. The various forms mentioned in these By-laws shall be those approved of by Order in Council on the 8th July and published in the *Government Gazette* 17th September, 1913.

114. The said roll shall be as prescribed by Form No. 40, and shall be available for inspection by any ratepayer, at the Road Board office, within the usual office hours, not later than fourteen days before the date fixed for the holding of the poll.

115. On or before the seventh day before the closing of the poll any resident owner:—

(b.) Whose name has been inserted in the roll and who is dissatisfied with the roll as not specifying the full rateable value of the land owned or leased by him, may in like manner apply to the Secretary to have the amount of such rateable value altered, and shall give particulars of his claim.

(c.) Whose name appears in the roll or who claims to have his name inserted in such roll, may in like manner object to the name of any other person appearing in such roll as not being entitled to have the number of votes set against his name.

Any such claims or objections shall be as prescribed by Form No. 5 or to the like effect, and any objection under Subsection (c) shall be made in duplicate by the person objecting, and it shall be the duty of the Secretary to send one of such notices to the person objected to.

116. (a.) The Board shall hold an open court to be called a revision court within the Road Board District for the purpose of revising the roll, and such revision shall take place before the day fixed for the holding of the poll at such time and place as the Chairman shall appoint, and the Chairman shall give notice of the holding of such court, and the time and place thereof, by placing such notice on some building within the Road Board District and by advertisement in a newspaper circulating in the District.

(b.) The court shall consist of the Chairman, or in his absence of a Chairman appointed by the other members of the court, and of not less than one-third of the members of the Board.

The revision court shall have authority to hear, receive, and examine evidence by summons under the hands of the Chairman, to require all persons as the court may think fit to appear personally before such court at a time and place to be named in such summons, and to produce all books and papers in their possession or under their control as may appear necessary for the purpose of their examination.

(b.) The revision court shall in open court determine as hereinafter provided upon the validity of all claims and objections, and every such determination shall be by the decision of the majority, and in case of an equal division of votes the Chairman shall have the casting vote in addition to his vote as a member of the court.

121. (a.) The revision court shall insert in the roll under revision the name of every person who has claimed as aforesaid and has proved to the satisfaction of the court to be entitled to be inserted therein for one or more votes according to the provision of the Act.

(b.) Subject as hereinafter provided, the court shall retain on the list the names of all persons to whom no objection has been duly made with the number of votes unaltered.

(c.) The revision court shall retain on the list the name of every person who has been objected to by any person and the number of votes unaltered, unless the person so objecting appears by himself or by some person duly authorised in writing on his behalf in support of the objection and prove the service of the requisite notice.

(d.) When the name of any person inserted in the roll or the number of votes set against his name has been duly objected to and the person objecting appears by himself or by someone on his behalf in support of

such objection, the court shall only require proof of so much of the qualification of the person objected to as is embraced in the grounds of objection and no more.

(e.) In case the qualification of such person is not proved to the satisfaction of the court, the court shall expunge the name of such person from the list, or shall alter and correct the number of votes set against his name, as the case may require.

(f.) The court shall expunge from the list the name of every person who is proved to be dead.

(g.) The court shall, by means of the rate-book valuation and return, correct any mistake, or supply any omission which may appear to such court to have been made in the roll in respect of the name, place of abode, or trade or occupation of any person who is included therein, or in respect of the local description of the rateable property or the situation thereof or the rateable value thereof.

(h.) But no person's name shall be inserted by the court in the roll or be expunged therefrom unless notice has been given as hereinbefore required.

122. The Chairman shall in open court:—

(a.) Write initials against every name struck out or inserted as aforesaid and against any part of the roll in which any mistake has been corrected or omission supplied.

(b.) Initial every page of the roll so settled.

(c.) Cause to be written at the foot or end of the list a certificate that the same has been revised and is correct, with the date thereof.

(d.) The Chairman and not less than two other members of the Board shall severally sign such certificate.

123. Any resident owner whose name appears on the special roll and—

(a.) who intends to be absent from the District on the day of the election; or

(b.) resides more than five miles from a polling place; or

(c.) is prevented by illness or infirmity from attending a polling place,

may at any time before the day appointed for the holding of the poll apply personally or in writing to the returning officer for a postal voting paper. The returning officer shall thereupon supply the same and shall make a mark against the name of the said owner on the said roll.

124. Voting papers shall be as prescribed by Form No. 41, and postal voting papers shall be as prescribed by Form 42.

125. Any person who has applied for and received a postal voting paper for the purpose of voting shall not be entitled to vote otherwise.

13. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

#### *Voting.*

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### *Minutes of Meetings.*

Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting.
