Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Perth, 23rd June, 1916.

IT is hereby notified, for general information, that the undermentioned Leases, Licenses, and Occupation Certificates have been forfeited for non-compliance with the conditions under which they were granted, and the land contained therein will be again open for selection, under "The Land Act, 1898," and its amendments, on and after the dates and at the places mentioned.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within fifteen miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

OPEN WEDNESDAY, 28th JUNE, 1916.

R. CECIL CLIFTON,

Under Secretary for Lands.

THE CEMETERIES ACT, 1897.

Harvey Public Cemetery—Reserve 13178.

By-laws.

Department of Lands and Surveys,
Corres. 14638/02. Perth, 23rd June, 1916.

HIS Excellency the Governor in Executive Council has been pleased to approve, under the provisions of "The Cemeteries Act, 1897," and Amending Acts of the following By-laws for the control and management of the Harvey Public Cemetery.

R. CECIL CLIFTON,
Under Secretary for Lands.

By virtue of all powers in that behalf vested in the Trustees of the Harvey Public Cemetery, the said Trustees make the following By-laws:—

1. All fees and charges payable to the Trustees, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.
2. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in the Schedule C.
3. All applications for interment shall be made at the office of the Trustees in such time as to allow at least five working hours' notice being given to the Superintendent at the Cemetery prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed unless the application, together with the Magistrate's order therefor, be handed in at the office in such time as to allow of at least six working hours' notice being given as above.
4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.
5. Before any interment is allowed, the "Order for Burial" shall be handed to and retained by the Superintendent.
6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery.
7. Every grave shall be at least 7ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3ft. from the top of the coffin to the original surface of the surrounding ground.
8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.
9. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from a District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Superintendent, at the latest, upon the funeral entering the Cemetery. Should the undertaker or his representatives be unable to produce the said certificate from the Registrar, he shall give a written guarantee to produce same within three days, and satisfactory reasons must be given for the non-production of such certificate in the first instance. In default of the production of the said certificate within three days, the undertaker's license may be suspended until such certificate is produced. The certificate will be retained, but the Coroner's order shall be returned to the person delivering the same.
10. The hours for burial shall be as follows:—
1st September to 30th April—Week days, from 8 a.m. to 5 p.m.; Sundays, from 2 p.m. to 5 p.m.
1st May to 31st August—Week days, from 8 a.m. to 4.30 p.m.; Sundays, from 2 p.m. to 4.30 p.m.
and no burial shall be allowed to take place, nor any coffin allowed to enter the Cemetery at any other hour except by written permission of the Trustees.
11. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.
12. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.
13. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

14. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any erection, or in any way infringing these By-laws, shall be expelled from the Cemetery.

15. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the Trustees for same), or any article from any grave without first obtaining a permit from the Trustees or their representatives.

16. No person shall pluck any tree, plant, shrub, or flower growing in any portion of the Cemetery.

17. No person shall remove or carry out of or attempt to carry out of the Cemetery any tree, plant, shrub, or flower without the written authority of the Trustees or their representative.

18. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the Trustees, and any person infringing this By-law shall be expelled from the Cemetery.

19. No person employed by or under the Trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the Trustees, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work, shall be liable to summary dismissal.

20. Subject to the By-laws, and to the directions of the Trustees, the Superintendent shall exercise a general supervision and control over all matters pertaining to the Cemetery, including the conduct of all funerals and interments within the Cemetery.

21. Any person requiring an "Exclusive Right of Burial" in any part of the Cemetery shall apply to the Trustees, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the names of any already deceased person whose remains it is proposed to inter therein.

22. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Trustees may authorise the construction and erection thereof, or, if no work is to be done, may issue a "Grant" in the Form "E" in the Schedule.

23. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "Grant" in the Form "E" in the Schedule.

24. Every such Grant shall be subject to the By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Order for Burial" aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

25. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

26. If application be made for an "Order for Burial" in any grave or vault of the remains of any person other than the person to whom the grant was issued or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

27. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Trustees, and otherwise comply with Section 23 of the principal Act (61 Vict., No. 23).

28. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees or their officers, shall extend to the bottom of the grave.

29. The materials used in every such erection shall be subject to the approval of the Superintendent or other officer appointed by the Trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

30. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the Superintendent.

31.
